

# United States History

Daniel A. Sjursen

**U.S. History** P. Scott Corbett,Volker Janssen,John M. Lund,2023-04-02 Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

**A People's History of the United States** Howard Zinn,2003-02-04 Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the, workplace. Known for its lively, clear prose as well as its scholarly research, A People's History is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, A People's History of the United States, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new after, word by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

**Why You Can't Teach United States History without American Indians** Susan Sleeper-Smith,Juliana Barr,Jean M. O'Brien,Nancy Shoemaker,Scott Manning Stevens,2015-04-20 A resource for all who teach and study history, this book illuminates the unmistakable centrality of American Indian history to the full sweep of American history. The nineteen essays gathered in this collaboratively produced volume, written by leading scholars in the field of Native American history, reflect the newest directions of the field and are organized to follow the chronological arc of the standard American history survey. Contributors reassess major events, themes, groups of historical actors, and approaches--social, cultural, military, and political--consistently demonstrating how Native American people, and questions of Native American sovereignty, have animated all the ways we consider the nation's past. The uniqueness of Indigenous history, as interwoven more fully in the American story, will challenge students to think in new ways about larger themes in U.S. history, such as settlement and colonization, economic and political power, citizenship and movements for equality, and the fundamental question of what it means to be an American. Contributors are Chris Andersen, Juliana Barr, David R. M. Beck, Jacob Betz, Paul T. Conrad, Mikal Brotnov Eckstrom, Margaret D. Jacobs, Adam Jortner, Rosalyn R. LaPier, John J. Laukaitis, K. Tsianina Lomawaima, Robert J. Miller, Mindy J. Morgan, Andrew Needham, Jean M. O'Brien, Jeffrey Ostler, Sarah M. S. Pearsall, James D. Rice, Phillip H. Round, Susan Sleeper-Smith, and Scott Manning Stevens.

**History of the United States** Charles Austin Beard,Mary Ritter Beard,1921

**A People's History of the United States** Howard Zinn,2010-11-02 A classic since its original landmark publication in 1980, Howard Zinn's A People's History of the United States is the first scholarly work to tell America's story from the bottom up—from the point of view of, and in the words of, America's women, factory workers, African Americans, Native Americans, working poor, and immigrant laborers. From Columbus to the Revolution to slavery and the Civil War—from World War II to the election of George W. Bush and the “War on Terror”—A People's History of the United States is an important and necessary contribution to a complete and balanced understanding of American history.

**The Complete Book of United States History** Vincent Douglas,School Specialty Publishing,2001-07-01 The Complete Book of United States History provides 352 pages of fun exercises for students in grades 3 to 5 that teaches important lessons in U.S. History! The exercises cover pre-United States history with the native peoples of the American continent to present day, and it also includes a complete answer key, user-friendly activities, and easy-to-follow instructions. -- Over 4 million in print! Designed by leading experts, books in the Complete Book series help children in grades preschool-6 build a solid foundation in key subject areas for learning succss. Complete Books are the most thorough and comprehensive learning guides available, offering high-interest lessons to encourage learning and fun, full-color illustrations to spark interest. Each book also features challenging concepts and activities to movtivate independent study, and a complete answer key to measure performance and guide instruction.

**A Documentary History of the United States (Revised and Updated)** Richard D. Heffner,Alexander B. Heffner,2013-10-01 Here, in a single volume, are the documents, speeches, and letters that have forged American history, now updated with new content such as Trump's inaugural address. Accompanied by interpretations of their significance by noted historian Richard D. Heffner and journalist Alexander Heffner, this book includes important documents such as: \* The complete text of the Declaration of Independence \* The complete Constitution of the United States \* The Monroe Doctrine \* The Emancipation Proclamation \* Woodrow Wilson's War Message to Congress \* Franklin D. Roosevelt's Four Freedoms Speech \* John F. Kennedy's Inaugural Address \* Martin Luther King, Jr.'s I Have a Dream Speech \* Ronald Reagan's Inaugural Addresses \* Documents relating to September 11, 2001 and the Iraq War This edition has been expanded and updated to include a chapter on the Presidency of Donald Trump.

United States History ,2013

**These United States** Glenda Elizabeth Gilmore,Thomas J. Sugrue,2015-12-17 President Franklin Roosevelt told Americans in a 1936 fireside chat, “I do not look upon these United States as a finished product. We are still in the making.” These United States builds on this foundation to present a readable, accessible history of the United States throughout the twentieth century—an ongoing and inspiring story of great leaders and everyday citizens marching, fighting, voting, and legislating to make the nation’s promise of democracy a reality for all Americans. In the college edition of These United States, Gilmore and Sugrue seamlessly weave insightful analysis with all of the support tools needed by students and instructors alike, including paired primary source documents, review questions, key terms, maps, and figures in a dynamic four-color design.

**Documenting United States History** Jason Stacy,Stephen Heller,2015-06-18 Authored by experienced AP® teachers, workshop leaders, and AP® exam readers, this document reader is the perfect resource for your redesigned AP® classroom. The 22 chapters follow the nine periods of U.S. History as defined in the new framework. Within each period and chapter, pedagogical tools scaffold students’ development of the historical thinking skills as are central to the course and the exam. Key concepts are illustrated by primary documents and secondary sources including written texts, drawings, photographs, maps, and charts.

**History in the Making** Catherine Locks,Sarah K. Mergel,Pamela Thomas Roseman,Tamara Spike,2013-04-19 A peer-reviewed open U.S. History Textbook released under a CC BY SA 3.0 Unported License.

**These Truths: A History of the United States** Jill Lepore,2018-09-18 “Nothing short of a masterpiece.” —NPR Books A New York Times Bestseller and a Washington Post Notable Book of the Year In the most ambitious one-volume American history in decades, award-winning historian Jill Lepore offers a magisterial account of the origins and rise of a divided nation. Widely hailed for its “sweeping, sobering account of the American past” (New York Times Book Review), Jill Lepore’s one-volume history of America places truth itself—a devotion to facts, proof, and evidence—at the center of the nation’s history. The

American experiment rests on three ideas—“these truths,” Jefferson called them—political equality, natural rights, and the sovereignty of the people. But has the nation, and democracy itself, delivered on that promise? These Truths tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation’s truths, or belied them. To answer that question, Lepore wrestles with the state of American politics, the legacy of slavery, the persistence of inequality, and the nature of technological change. “A nation born in contradiction... will fight, forever, over the meaning of its history,” Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. With These Truths, Lepore has produced a book that will shape our view of American history for decades to come.

Toward "thorough, Accurate, and Reliable" William B. McAllister, Joshua Botts, Peter Cozzens, Aaron W. Marrs, 2015 Toward Thorough, Accurate, and Reliable explores the evolution of the Foreign Relations of the United States documentary history series from its antecedents in the early republic through the early 21st century implementation of its current mandate, the 1991 Foreign Relations statute. This book traces how policymakers and an expanding array of stakeholders translated values like security, legitimacy, and transparency into practice as they debated how to balance the government's obligation to protect sensitive information with its commitment to openness. Determining the people's right to know has fueled lively discussion for over two centuries, and this work provides important, historically informed perspectives valuable to policymakers and engaged citizens as that conversation continues. Policymakers, citizens, especially political science researchers, political scientists, academic, high school, public librarians and students performing research for foreign policy issues will be most interested in this volume. Other related products: Available print volumes of the Foreign Relations of the United States (FRUS) series can be found here: <https://bookstore.gpo.gov/catalog/international-foreign-affairs/foreign-relations-united-states-series-frus>

*An Indigenous Peoples' History of the United States (10th Anniversary Edition)* Roxanne Dunbar-Ortiz, 2023-10-03 New York Times Bestseller Now part of the HBO docuseries Exterminate All the Brutes, written and directed by Raoul Peck Recipient of the American Book Award The first history of the United States told from the perspective of indigenous peoples Today in the United States, there are more than five hundred federally recognized Indigenous nations comprising nearly three million people, descendants of the fifteen million Native people who once inhabited this land. The centuries-long genocidal program of the US settler-colonial regimen has largely been omitted from history. Now, for the first time, acclaimed historian and activist Roxanne Dunbar-Ortiz offers a history of the United States told from the perspective of Indigenous peoples and reveals how Native Americans, for centuries, actively resisted expansion of the US empire. With growing support for movements such as the campaign to abolish Columbus Day and replace it with Indigenous Peoples’ Day and the Dakota Access Pipeline protest led by the Standing Rock Sioux Tribe, An Indigenous Peoples’ History of the United States is an essential resource providing historical threads that are crucial for understanding the present. In An Indigenous Peoples’ History of the United States, Dunbar-Ortiz adroitly challenges the founding myth of the United States and shows how policy against the Indigenous peoples was colonialist and designed to seize the territories of the original inhabitants, displacing or eliminating them. And as Dunbar-Ortiz reveals, this policy was praised in popular culture, through writers like James Fenimore Cooper and Walt Whitman, and in the highest offices of government and the military. Shockingly, as the genocidal policy reached its zenith under President Andrew Jackson, its ruthlessness was best articulated by US Army general Thomas S. Jesup, who, in 1836, wrote of the Seminoles: “The country can be rid of them only by exterminating them.” Spanning more than four hundred years, this classic bottom-up peoples’ history radically reframes US history and explodes the silences that have haunted our national narrative. An Indigenous Peoples' History of the United States is a 2015 PEN Oakland-Josephine Miles Award for Excellence in Literature.

**United States History** John Cussons, 2023-07-18 A comprehensive overview of the history of the United States from its founding to the present day, including major events, influential figures, and social and cultural movements. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**The Oxford Companion to United States History**, In this volume that is as big and as varied as the nation it portrays are over 1,400 entries written by some 900 historians and other scholars, illuminating not only America's political, diplomatic, and military history, but also social, cultural, and intellectual trends; science, technology, and medicine; the arts; and religion.

America in the World: United States History in Global Context Carl Guarneri, 2007-01-09 This text examines how larger global processes have had a role in each stage of American development, how this country's experiences were shared by people elsewhere, and how America's growing influence ultimately changed the world. By examining American history through a global lens, Carl Guarneri creates a framework that situates specific American events within the larger realm of world history.

**American Heritage History of the United States** Douglas Brinkley, 2015-04-08 Douglas Brinkley and American Heritage have done a grand job. This is a first-rate book: fair, clear, and enormously welcome. - David McCullough Douglas Brinkley's one-volume history is a riveting narrative of unique people who have come to call themselves American. There is no dust on these pages as the author brilliantly tells our national story with skill and brevity. In this rich and inspiring book, acclaimed historian Douglas Brinkley takes us on the incredible journey of the United States - a nation formed from a vast countryside on whose fringes thirteen small British colonies fought for their freedom, then established a democratic nation that spanned the continent, and went on to become a world power. This book will be treasured by anyone interested in the story of America.

**A True History of the United States** Daniel A. Sjsursen, 2021-06-01 “Thought-provoking—a must read for [everyone] seeking a firm grasp of accurate American history. —Kirkus (starred review) Brilliant, readable, and raw. Maj. (ret.) Danny Sjsursen, who served combat tours in Iraq and Afghanistan and later taught history at West Point, delivers a true epic and the perfect companion to Howard Zinn’s A People’s History of the United States. Sjsursen shifts the lens and challenges readers to think critically and to apply common sense to their understanding of our nation's past—and present—so we can view history as never before. A True History of the United States was inspired by a course that Sjsursen taught to cadets at West Point, his alma mater. With chapter titles such as Patriots or Insurgents? and The Decade That Roared and Wept, A True History is accurate with respect to the facts and intellectually honest in its presentation and analysis. Essential reading for every American with a conscience. Meticulously researched, Sjsursen provides a more complete sense of history and encourages readers to view our country objectively. Sjsursen’s powerful storytelling reveals balanced portraits of key figures and the role they played. Sjsursen exposes the dominant historical narrative as at best myth, and at times a lie . . . He brings out from the shadows those who struggled, often at the cost of their own lives, for equality and justice. Their stories, so often ignored or trivialized, give us examples of who we should emulate and who we must become. —Chris Hedges, author of Empire of Illusion and America: The Farewell Tour

**History of the United States** Noah Webster, 1832
