Fangirl Rainbow Rowell, 2013-09-10 #1 New York Times bestselling author! In Rainbow Rowell's *Fangirl*, Cath is a Simon Snow fan. Okay, the whole world is a Simon Snow fan, but for Cath, being a fan is her life-and she's really good at it. She and her twin sister, Wren, ensconced themselves in the Simon Snow series when they were just kids; it's what got them through their mother leaving. Reading. Rereading. Hanging out in Simon Snow forums, writing Simon Snow fan fiction, dressing up like the characters for every movie premiere. Cath's sister has mostly grown away from fandom, but Cath can't let go. She doesn't want to. Now that they're going to college, Wren has told Cath she doesn't want to be roommates. Cath is on her own, completely outside of her comfort zone. She's got a surly roommate with a charming, always-around boyfriend, a fiction-writing professor who thinks fan fiction is the end of the civilized world, a handsome classmate who only wants to talk about words . . . And she can't stop worrying about her dad, who's loving and fragile and has never really been alone. For Cath, the question is: Can she do this? Can she make it without Wren holding her hand? Is she ready to start living her own life? And does she even want to move on if it means leaving Simon Snow behind? Your Head is a Houseboat Campbell Walker, 2021-10-06 Your Head is a Houseboat is a uniquely hilarious guide to what goes on in your brain, from illustration sensation Campbell Walker aka Struthless. The only truth we really know is that we're going to spend the rest of our lives in our own houseboat (our head) so it makes sense to make that houseboat as good as possible. The houseboat needs cleaning and maintenance, and it shouldn't be weighed down by junk (our own thoughts and other people's opinions). There's a bunch of bosses with different ideas about where

you should be heading in the ocean of life, and a zoo of animalistic desires below the deck who are really steering. But it's your houseboat, so it's probably time for you to cast away and set sail (is that even how houseboats work?) on a journey to understanding it. In *Your Head is a Houseboat*, Cam demystifies brain functions, mental health, emotions, mindfulness and psychology – but with less complex terminology and more bizarre metaphors. It's a book filled with illustrations, journal exercises and words that will probably hit too close to home. At its core, this is a funny, accessible approach to understanding your head and making it a nicer place to live. 'The most important and accessible mental health book in a generation. Truly life-changing.' – Osher Günsberg

The Secrets of Hartwood Hall Katie Lumsden, 2024-02-27 A gripping and atmospheric debut that is at once a chilling gothic mystery and a love letter to Victorian fiction. Nobody ever goes to Hartwood Hall. Folks say it's cursed... It's 1852 and Margaret Lennox, a young widow, attempts to escape the shadows of her past by taking a position as governess to an only child, Louis, at an isolated country house in the west of England. But Margaret soon starts to feel that something isn't quite right. There are strange figures in the dark, tensions between servants, and an abandoned east wing. Even stranger is the local gossip surrounding Mrs. Eversham, Louis's widowed mother, who is deeply distrusted in the village. Lonely and unsure whom to trust, Margaret finds distraction in a forbidden relationship with the gardener, Paul. But as Margaret's history threatens to catch up with her, it isn't long before she learns the truth behind the secrets of Hartwood Hall.

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled *The Last Lecture*. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—*Really Achieving Your Childhood Dreams*—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

The Book of Longings Sue Monk Kidd, 2020-04-21 “An extraordinary novel . . . a triumph of insight and storytelling.” —Associated Press “A true masterpiece.” —Glennon Doyle, author of *Untamed* An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings* In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.
