James Michael Pratt

A Time Traveler's Theory of Relativity Nicole Valentine,2019-10-01 He believes in science, but only magic can help his mom. Twelve-year-old Finn is used to people in his family disappearing. His twin sister, Faith, drowned when they were three years old. A few months ago, his mom abandoned him and his dad with no explanation. Finn clings to the concrete facts in his physics books—and to his best friend, Gabi—to ward off his sadness. But then his grandmother tells him a secret: the women in their family are Travelers, able to move back and forth in time. Finn's mom is trapped somewhere in the timeline, and she's left Finn a portal to find her. But to succeed, he'll have to put his trust in something bigger than logic. This is an incredible book, no matter which time universe you're in. I couldn't put it down. One of my favorite debut novels of the year.—Erin Entrada Kelly, New York Times bestselling author and 2018 Newbery Medal winner

10 Valentine Friends Janet Schulman,2012-12-26 It's Valentine's Day and the 10 little neighbors in this book are busy making Valentines for their closest friends. A dinosaur card, thinks little Pete, My pal Max would find really neat. Will everyone get a Valentine at the big Valentine's Day party? You can count on it! With its fun counting element, bouncy text, and adorable illustrations, this book is the perfect gift for young lovebugs.

This Is Not a Valentine Carter Higgins,2017-12-26 In this picture book, a girl's gift of a Valentine to a boy prompts a tale with an enduring message of friendship. This book is not a valentine. It doesn't have lacey edges or sugary hearts. But it is full of lucky rocks, secret hiding spots, and gumball machine treasures. This is a book about waiting in line and wishing for cinnamon buns. About recognizing that if you care so much about someone not thinking you care, maybe you really do. But wait—isn't that exactly what love is about? Maybe this book is sort of a valentine after all. A testament to handmade, wacky, bashful, honest love—sure to win over the hearts of all readers—this offering from debut picture book author Carter Higgins and children's book veteran Lucy Ruth Cummins is the perfect gift to celebrate every relationship, from parent to child, sibling to sibling, partner to partner, crush to crush. Praise for This Is Not a Valentine “A perfect book for kids who find the whole Valentine's Day holiday icky and overrated.” —Book Riot “A beautiful celebration of love and how different that may look to others celebrating Valentine's Day.” —ReaderTotz “[Cummins's] cartoon cast is a diverse one, and refreshingly, this is more about deep friendship than romantic love; her kids are definitely just that: kids. . . . A sort of anti-valentine for those who want to show the ones they love they care without being all mushy (or spending any money).” —Kirkus Reviews

Juno Valentine and the Magical Shoes Eva Chen,2018-11-06 A New York Times Bestseller! Featured in Oprah Magazine's Holiday Gift Guide Recommended by Rachael Ray as the perfect holiday gift Featured in InStyle's Holiday Gift Guide Juno Valentine's favorite shoes don't light up. They don't have wheels. They are, to be perfectly honest, the tiniest bit boring. But they're still her favorite muddy-puddle-jumping, everyday-is-an-adventure shoes. One day, when they go missing, Juno discovers something amazing: a magical room filled with every kind of shoe she could possibly imagine! Juno embarks on an epic journey through time and space, stepping into the shoes of female icons from Frida Kahlo and Cleopatra to Lady Gaga and Serena Williams. Each pair of shoes Juno tries brings a brand new adventure—and a step towards understanding that her very own shoes might be the best shoes of all. Parents and children alike will adore Instagram superstar Eva Chen's precocious debut picture book Juno Valentine and the Magical Shoes—a story that's equal parts fashion fairy-tale and guide to girl power—and fall in love with the brilliantly spirited Juno Valentine. Praise for Juno Valentine and the Magical Shoes: “[A] fresh take on a fairy tale.” —Forbes.com “Those who are 3, 13, or 30 can all enjoy the book.” —Vogue.com Not only does this book pay homage to some of history's greatest women, it also gives them snaps for their fashion sense. —Romper

Valensteins Ethan Long,2017-12-19 Something strange is in the air on this dark, cold night. The members of Fright Club are always ready to scare, but tonight Fran K. Stein has something else on his mind. He's busy making something, and the other monsters want to know what it is. Could it be a mask with fangs? A big pink nose? Or maybe a paper butt? No . . . it's a Valentine! That means one thing . . . EEEEK!! Is Fran in love? What could be scarier than falling in love?!? In this hilariously spooky story by Geisel Award-winning author and illustrator Ethan Long, even the scariest of monsters have true feelings.

The Valentine's Day Disaster Lori Wilde,2014-02-04 A Twilight, Texas Novella Valentine's Day can be a real disaster ... even in a town like Twilight, Texas! These days, event planner Sesty Snow is no fan of hearts, flowers, or goo-goo eyes over dinner. She's learned to be in control of her life and her emotions. Still, running Twilight's annual Valentine's Day bachelor auction is right up her alley—until her high school sweetheart zooms back into town. He's still heart-stoppingly handsome, but it's clear he hasn't changed the daredevil ways that put the brakes on their first love. Injured NASCAR driver Josh Langtree isn't up for being anyone's sweetheart these days either. He's just looking for a place to lick his wounds ... until a misunderstanding lands him doing community service in Sesty's auction. Soon he finds himself standing in front of hundreds of screaming women—wearing a tux and a smile. And then there's Sesty—looking as tempting as ever. He says he's changed, and the sparks between them are flying fast and furious, but can Sesty trust Josh to take the wheel and drive her into the future she never dreamed possible?

Valentine Introduction

In today's digital age, the availability of Valentine books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Valentine books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Valentine books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Valentine versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Valentine books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Valentine books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Valentine books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Valentine books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Valentine books and manuals for download and embark on your journey of knowledge?
