

# Viking

Kathy-jo Wargin

Dark Viking Sandra Hill, 2022-11-23 Rita, a former stunt woman, can't believe she signed up to be a female Navy SEAL. She needed the signup money to pay her mother's medical bills. Steven, a fierce Viking warrior, is depressed over the "death" of his brother Thorfinn. Yep, even Vikings get the blues. Rita can't believe she's been tossed back in time to the tenth century wearing a head-to-toe wetsuit and flippers with her face cammied up. Steven can't believe the gods have sent him a fish woman to ease his woes. Not a beautiful mermaid, but an ugly-as-death fish. How dare the brute put her in a cage! How dare the wench teach his people line dancing! Love and laughter guaranteed in this trip down Memory Lane...uh Fjord.

**Sons of Vikings** Kurt Noer, David Gray Rodgers, 2018-11-27 Sons of Vikings tells the story of the Viking Age (793-1066 A.D.) through the lives of extraordinary people. Each chapter is a biography of Ragnar Lothbrok, Ivar the Boneless, Bjorn Ironside, Rollo, Brian Boru, Erik the Red, Floki, Leif Erikson, Lagertha, Alfred, Rurik, Sviatoslav, William the Conqueror, and many other heroes and villains. It provides an understanding of this pivotal historical period in a way that facts and chronologies alone cannot. Sons of Vikings is meticulously researched from almost 100 sources but is also not afraid to challenge conventional beliefs and offer new perspectives. It is the perfect introduction for the casual fan of Vikings in television and popular culture but also offers a new take for the well-read history enthusiast. From myths, legends, sagas, and stories, to the most-recent archeology and DNA research, this book brings the Viking Age to life.

*Viking Warrior* Judson Roberts, 2011-03 He's the son of a chieftain and a princess--yet Halfdan was born a slave. Now he is becoming a man and it is

time for him to meet his destiny. Though raised a slave who could only dream of freedom, young Halfdan's fate may be about to change. If freed, he may train as a Viking warrior, and come to know the glories of true brotherhood and the horrors of unspeakable evil. In the world of Vikings, a warrior's destiny is forged in the heat of battle. If the fates decree it, Hafdan may emerge as a new hero . . . a new myth . . . and perhaps a new legend.

*The Littlest Viking* Alexandra Penfold, 2018-01-02 A hilarious story about what happens to the littlest and loudest Viking when an even littler and louder Viking arrives, perfect for fans of *The Princess and the Pony* and *I Don't Want to Be a Frog*. Sven might be the littlest Viking, but he has no trouble making himself known. He has the loudest warrior cry and the fiercest set of teeth. He loves to pillage and plunder. But there's a new kid in town--a warrior princess, who is smaller than Sven and even louder. What's a little Viking to do? Penfold folds in fun ancient analogues to tried-and-true methods of appeasing cranky little ones, and Roxas's liberal use of a color perhaps best described as neon snot brings a punk edge to her scenes of Viking family life. Irreverent yet tender.--Publishers Weekly, Starred review A warm tale of family togetherness.--Kirkus A spirited tale about stopping a tantrum with a story, perfect for storytime or one-on-one sharing.--SLJ

*V is for Viking* Kathy-jo Wargin, 2010-10-15 From its primeval Itasca State Park to the sophistication of its Twin Cities, the state of Minnesota is a study of contrasts and long-held traditions. Birthplace to many famous personalities and inventions, including Garrison Keillor and the Bundt Pan, *V is for Viking* presents the state whose name means sky-tinted waters.

*Viking Blood and Blade* Peter Gibbons, 2021-08 If you like Bernard Cornwell, Conn Iggulden, Simon Scarrow, David Gemmell and Giles Kristian, you will love

this epic Viking adventure, packed with battles, treachery, blood and gore. 865 AD. The fierce Vikings stormed onto Saxon soil hungry for spoils, conquest, and vengeance for the death of Ragnar Lothbrok. Hundr, a Northman with a dog's name... a crew of battle hardened warriors... and Ivar the Boneless. Amidst the invasion of Saxon England by the sons of Ragnar Lothbrok, Hundr joins a crew of Viking warriors under the command of Einar the Brawler. Hundr fights to forge a warriors reputation under the glare of Ivar and his equally fearsome brothers, but to do that he must battle the Saxons and treachery from within the Viking army itself... Hundr must navigate the invasion, survive brutal attacks, and find his place in the vicious world of the Vikings in this fast paced adventure with memorable characters.

**The Last Viking** Stephen R. Bown, 2012 One hundred years have passed since Robert Falcon Scott's beleaguered expeditionary team arrived at the South Pole, only to find that they had been beaten by the Norwegian explorer Roald Amundsen. The most feted explorer of his generation, Amundsen counted the discovery of the Northwest Passage, in 1905, as well as the North Pole amongst his greatest achievements. In the golden age of polar exploration Amundsen, whose revolutionary approach to technology transcends polar and nautical significance, was a titan among men. However, until now, his story has rarely featured as more than a footnote to Scott's tragic failure. Reviled for defeating Scott but worshipped by his men, Amundsen was pursued by women and creditors throughout his life before disappearing on a rescue mission for the Italian Fascist who had set off in an airship to claim the North Pole for Mussolini. The Last Viking is the life of a visionary and a showman, who brought the era of Shackleton to an end, put the newly

independent Norway on the map and was the twentieth century's brightest trailblazing explorer. Against the backdrop of the race to conquer the most inhospitable corners of the earth, *The Last Viking* stands alongside *The Worst Journey in the World* for its grim immediacy of heroism and hardship. Bestriding the generation defined by adventure and the unquenchable desire for discovery, it is the mesmerising story of courage, misery, friendship and the ultimate price paid for immortality.

**When We Were Vikings** Andrew David MacDonald, 2020-01-28 A heart-swelling debut for fans of *The Silver Linings Playbook* and *The Curious Incident of the Dog in the Night-Time*. Sometimes life isn't as simple as heroes and villains. For Zelda, a twenty-one-year-old Viking enthusiast who lives with her older brother, Gert, life is best lived with some basic rules: 1. A smile means "thank you for doing something small that I liked." 2. Fist bumps and dabs = respect. 3. Strange people are not appreciated in her home. 4. Tomatoes must go in the middle of the sandwich and not get the bread wet. 5. Sometimes the most important things don't fit on lists. But when Zelda finds out that Gert has resorted to some questionable—and dangerous—methods to make enough money to keep them afloat, Zelda decides to launch her own quest. Her mission: to be legendary. It isn't long before Zelda finds herself in a battle that tests the reach of her heroism, her love for her brother, and the depth of her Viking strength. *When We Were Vikings* is an uplifting debut about an unlikely heroine whose journey will leave you wanting to embark on a quest of your own, because after all... We are all legends of our own making.

**The Book of Viking Myths** Peter Archer, 2017-02-07 This fascinating new book reveals the origins of the Vikings—from Thor and Leif Erikson to Loki and the Valkyries—and the tales that have influenced our own lives. For thousands of

years, Vikings have held a storied place in our culture—their distinct appearance, their mighty longships, their reputation for causing death and destruction. But who were these strange and mysterious folk? The Book of Viking Myths retells the stories of the Viking people, with myths of their gods and goddesses, monsters, and great heroes. From tales of the beautiful and powerful Freyja, to the gold-toothed Heimdallr, to the wolf Fenrir, Peter Archer explores all the figures and tales that make up Norse mythology. Along with these legends of seafaring, dwarves, giants, and the exploits of Thor, you will also discover the influences that Viking culture has had on our own lives. It's a true exploration of Nordic culture—and a glimpse into the history and lore of these fabled Nordic warriors.

**The Viking Explorers** Jim Gallagher, 2013–10 Chronicles the history of the Vikings and their explorations and conquests in Europe and North America between the eighth and thirteenth centuries, focusing on such Vikings as Leif Eriksson, Erik the Red, and Oleg the Wise.

**The Hiking Viking** Laura Gehl, 2023 While the other Vikings love to holler and howl and battle and brawl, Leif prefers spending time by himself atop the beautiful fjord. But when it's time for the Viking Games, everyone must participate. Will Leif let down his clan . . . or surprise them? Highlighting the value of nature and earthly wonders, best-selling author Laura Gehl teams up with illustrator Timothy Banks to remind readers to stay true to themselves and to look at things from a new perspective.

Eat Like a Viking! Craig Brooks, 2020–12–23 Eat like a viking! Is a handy guide to authentic viking age food. With quick and simple recipes, easy to follow sections on brewing and baking, and a reference list of ingredients, it's perfect for either re-enactors or for anyone who loves cooking on an

open fire. A proportion of the proceeds from this book will go towards supporting Moorforge Viking settlement, a living history site offering a unique Viking discovery experience in Gilcrux, Cumbria

What Did the Vikings Do for Me? Elizabeth Raum,2010-07-01 This book explores what the Vikings gave us: clinker ships, althings, and more.

**The World of Vikings** Justin Pollard,2015-11-10 The official companion book to the first three seasons of the hit History Channel show inspired by a legendary Viking warrior. MGM's hit show Vikings on the History Channel has drawn millions of viewers into the fascinating and bloody world of legendary Norse hero Ragnar Lothbrok, who led Viking warriors to the British Isles and France. Covering the first three seasons of the series, this official companion book delves into the real history as well as the behind-the-scenes stories. Viking historian Justin Pollard explains shipbuilding and navigation, Norse culture and religion, and the first encounters between Viking warriors and the kings of England and France. Interviews with cast and crew reveal the process of dramatizing this gripping story, from reviving the Old Norse language to choreographing battle scenes and building ancient temples for human sacrifice. This ebook is a must for fans of the show and history buffs alike. VIKINGS © 2015 TM Prods Ltd/T5 Vikings Prods Inc. VIKINGSTM TM Prods Ltd. Praise for The World of Vikings "A gorgeous companion book to the hit series . . . The World of Vikings is an excellent piece for the avid Vikings fan. I highly recommend it." -Geeks of Doom "This is a whole new way of learning about Vikings. This book is full of the legends and the lifestyle, with pictures to boot. It is a great read for any proud Scandinavian." -Grand Forks Herald

**The Vikings** Elizabeth Janeway,2010-11 An account of the explorations of

Eric the Red and his son, Leif Ericson, in the New World, 500 years before Columbus.

**Viking Life** John Guy,1998

**Nordic Religions in the Viking Age** Thomas Andrew DuBois,1999-08-03 Thomas DuBois unravels for the first time the history of the Nordic religions in the Viking Age. A seminal study of Nordic religions that future scholars will not be able to avoid.—Church History

**The Last Viking** Stephen R. Bown,2012-09-25 The Last Viking unravels the life of the man who stands head and shoulders above all those who raced to map the last corners of the world. In 1900, the four great geographical mysteries--the Northwest Passage, the Northeast Passage, the South Pole, and the North Pole--remained blank spots on the globe. Within twenty years Roald Amundsen would claim all four prizes. Renowned for his determination and technical skills, both feared and beloved by his men, Amundsen is a legend of the heroic age of exploration, which shortly thereafter would be tamed by technology, commerce, and publicity. Féd in his lifetime as an international celebrity, pursued by women and creditors, he died in the Arctic on a rescue mission for an inept rival explorer. Stephen R. Bown has unearthed archival material to give Amundsen's life the grim immediacy of Apsley Cherry-Garrard's The Worst Journey in the World, the exciting detail of The Endurance, and the suspense of a Jon Krakauer tale. The Last Viking is both a thrilling literary biography and a cracking good story.

**The Viking Stone Age** Njord Kane,2016-11-01 The Story of the Vikings during the early Nordic Stone Age time period. The first ancient Norsemen. A span of some thousands of years concisely covering the evolution the Stone Age Norse people. A whole new world of understanding about the ancient Vikings has been

opened up by new archaeological discoveries and studies. This was the birth of the Viking Battle Axe Culture, so well known during the Viking Age of Norse Expansionism. The evolving culture of the primitive Norse that eventually created their first Battle Axes made from stone and copper during the Nordic Stone Age time period. Easy to read and very interesting. Providing a quick and concise journey through major events of primitive Norse Stone Age history. Highlights of major aspects in primitive Norse knowledge and technology. Discussed are shared technologies between the Ancient Norse, Inuit (Eskimo), and other North American Aborigines that may have had made contact with The Stone Age Norse - lost in time.

**Children of Ash and Elm** Neil Price, 2020-08-25 The definitive history of the Vikings -- from arts and culture to politics and cosmology -- by a distinguished archaeologist with decades of expertise The Viking Age -- from 750 to 1050 -- saw an unprecedented expansion of the Scandinavian peoples into the wider world. As traders and raiders, explorers and colonists, they ranged from eastern North America to the Asian steppe. But for centuries, the Vikings have been seen through the eyes of others, distorted to suit the tastes of medieval clerics and Elizabethan playwrights, Victorian imperialists, Nazis, and more. None of these appropriations capture the real Vikings, or the richness and sophistication of their culture. Based on the latest archaeological and textual evidence, *Children of Ash and Elm* tells the story of the Vikings on their own terms: their politics, their cosmology and religion, their material world. Known today for a stereotype of maritime violence, the Vikings exported new ideas, technologies, beliefs, and practices to the lands they discovered and the peoples they encountered, and in the process were themselves changed. From Eirík Bloodaxe, who fought his

way to a kingdom, to Gudrid Thorbjarnardóttir, the most traveled woman in the world, Children of Ash and Elm is the definitive history of the Vikings and their time.

## The Enigmatic Realm of **Viking**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Viking** a literary masterpiece penned with a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those who partake in its reading experience.
