Casino and Gaming Resort Investigations Derk J. Boss, Alan W. Zajic, 2019-06-14 *Casino and Gaming Resort Investigations* addresses the continued and growing need for gaming security professionals to properly and successfully investigate the increasing and unique types of crime they will face in their careers. *Casino Accounting and Financial Management* E. Malcolm Greenlees, 2008-10-01 In this work, author E. Malcolm Greenlees provides detailed information about the role of state governments in the regulation of gaming. He also discusses the dominance of slot machines as the major revenue source in most casinos; he provides information about changes in the types and operation of slot machines, as well as accounting procedures for slot revenues. The book covers every aspect of the financial management of a casino, from the details of licensing and regulation to revenue taxation; the management of slot machines and other gaming devices, table games, and betting operations; revenue flows and internal cash controls; cashiering; accounting; and financial reporting. *Casino Accounting and Financial Management* has been recognized as the essential manual for gaming industry professionals since its first publication in 1988. *High Stakes* Gary Provost, 2017-10-08 For decades, the name Las Vegas summoned up the image of a neon world of nonstop gambling, gangsters, sex, and adult entertainment. But today, Las Vegas has transformed itself into a family vacation spot second only to Disneyworld on America's leisure-time itinerary. What—and who—is

responsible for this multibillion-dollar transformation? With *High Stakes*, Gary Provost takes the reader on a wide-ranging tour of Nevada's newly revitalized 21st-century vacation world. This inside look at both the gaming business and its new total entertainment centers, which now host twenty million visitors a year, reveals how Las Vegas became a clean, attractive, family-oriented resort. Today, casino gambling is just one attraction of many, most of them new: amazing theme parks, spectacular virtual-reality rides, futuristic glass domes, the world's tallest tower, a sky laser that can be seen all the way to Los Angeles. Circus Circus Enterprises Inc. is used as a model of excellence to show how the Las Vegas gaming industry develops, markets, and delivers its entertainment product at a lower price, and with greater profits, than any of its competitors. Highlighted by a preview of Circus Circus' astonishing pyramid—Luxor—the new centerpiece of the greatest gaming empire in history, *High Stakes* includes extensive interviews with Luxor's legendary creator, William G. Bennett, the man who taught the entire gaming industry how to attract the vast market of family-oriented vacationers. Also covered are all the games of chance that a casino like Circus Circus offers and the odds each gives; everything the casino hands out for free and why; the different ways in which high rollers and ordinary folk are treated; how legendary casinos of the past have crashed to oblivion and the hot newcomers that have taken their place; and the increasing competition from Atlantic City and the growing list of other venues of legal gambling in the United States. Timely, wide-ranging, and well informed, this eye-opening book traces the evolution of Las Vegas from Sin City to the Orlando of the West. Whether you are interested in gambling, business, or the changing face of America, *High Stakes* is fascinating.
