Jimmy Crikey's Adventures in Parallel Worlds Wallace E Briggs,2021-09-16 Earth is invaded by an alien species of omnivorous worm, the like of which no one has encountered before. The four guardian witches of Earth are powerless against the alien organism. It falls to Jimmy to seek the help of his technologically advanced friends on Attalia, his home planet in a different dimension. Jimmy may be an orphan, but he has friends on both sides of the universe. Jade, the apprentice witch, joins Jimmy on his quest by becoming a stow-away on Jimmy's starship but unfortunately, they are attacked en-route, in another dimension of space, by more worms. In a touch and go drama they are rescued and recovered to the safety of Attalia where President Alpha calls upon his scientists to formulate a solution to solve the threat, not only to Earth and its inhabitants but to any civilisation in any part of the universe. They arrive at a plausible counterattack strategy, and it is in Jimmy's hands to deliver salvation, or die in the attempt. Their strategy is complicated by the Wormz abilities to bore into adjacent parallel worlds and their ability to bore into their chasers. Jade becomes infected and needs the advanced technical assistance of the Attalian scientists to save her life. The team cannot fail at the last hurdle. Will Jade recover in time to apply her special skills to help rid the world of Wormz?

One Way or Another Nikki McWatters, 2012-03-31 In 1981, fifteen-year-old Nikki McWatters is living in a Gold Coast suburb, dragging herself through humdrum schooldays and dreaming of losing her virginity to a rock star. With three friends she starts the Vulture Club for aspiring groupies – and so begins a festival of sex, drugs and rock ‘n’ roll. As Nikki gets older, her conquests get bigger and the stakes get higher. From Australian Crawl to INXS, Pseudo Echo to Duran Duran, she is living her teenage dream – but is the groupie life all it’s cracked up to be? *One Way or Another* is an irresistible romp through a world of pub rock, big hair, wild nights and mornings after. With irrepressible humour and a bulging little black book, Nikki McWatters recalls an age when everything seemed possible – even if everything wasn’t such a good idea. ‘A vivid, heartfelt trip into the human side of rock ‘n’ roll ... Painfully honest and insightful, this is a Puberty Blues for the ‘80s generation.’ —Richard Lowenstein, director of *Dogs in Space* and *He Died with a Felafel in His Hand* ‘McWatters renders her story with skill, sensitivity, wit and honesty ... a fascinating look into some of rock’s seedier aspects.’ —Bookseller+Publisher ‘A great Australian rock ‘n’ roll read’ —Steve Kilbey

A Complete Concordance to Wolfram von Eschenbach’s Parzival Clifton D. Hall, 2020-01-31 Originally published in 1990, this massive work of scholarship provides an invaluable reference tool for efficient textual investigation to a medieval masterpiece and one of the most significant Middle High German poems. Function words and selected high frequency words with related forms, omitted from many concordances, are given in single verse context in the Verse Concordance. The shorter format offers enough information for most research needs, and certainly enough to indicate where

recourse to the text itself is required. While the Key Word in Context (KWIC) concordance is in traditional text-order, headwords in the verse concordance are sorted on neighbouring words to the right to reveal patterns which would otherwise remain undisclosed because of sheer numbers.

Worms Is Fool Matthew Haile,2010 How would you solve the woodland's fuel shortage? Mickey Mole has the solution - make fuel from worms! Worms is fool! he shouts as he runs through Tinkers Coppice. His poor grammar and confusion with words often puzzles the other animals, but with the help of his friends he sets out on a grand adventure, getting himself into all sorts of trouble along the way. As Mickey's adventure unfolds it seems that there are many strange things going on in Tinkers Coppice. A jolly jaguar is leading rabbits like soldiers, a polar bear has a special invention which he is keeping secret, and the Lord of the woods is trying to solve all sorts of problems while his dopey dog just wants to play. Who do the pieces of the black jumper belong to? Who is the mysterious 'Little Bear'? Mickey will find out some of the details, but the stories of the other animals will be told at another time...
