Olatz Lopez-Fernandez

Bodies of Work Rebecca Saunders, 2020-09-22 This book is a timely and innovative exploration of the vital relationship between sex and capitalism in the digital age. It provides a lively, provocative analysis of how specifically digital forms of capitalist accumulation and labour shape and discipline the contemporary sexual body. Rebecca Saunders focuses on pornography in order to investigate the impact of digital forms of capitalism on contemporary sexuality and reveals the centrality of pornography to the digital attention economy, affective economics, the information economy, the creative industries and neoliberalism. Saunders uncovers a fundamental shift in the aesthetics and meaning of pornographic film, from a genre concerned with representing sexual pleasure to one that has become focused on representing sex as labour. Contemporary pornographic film is therefore read as a sign and symptom of how digital forms of capitalism regulate the twenty-first century sexual body through digital interfaces and technologies. *Bodies of Work* analyses major porn studios, dominant streaming platforms, significant directors and performers and queer and alternative pornographies, and presents new and significant concepts such as sexual datafication, the labour of visibility and interventionist pornography. Discussing pornographic film, sexuality, digital culture, labour and capitalism, this book will be of interest to students and scholars across gender studies, media and cultural studies, digital humanities and economics.

Media and the Politics of Offence Anne Graefer, 2019-07-03 This book explores different forms of mediated offence in the context of Trump's America, Brexit Britain, and the rise of far-right movements across the globe. In this political landscape, the so-called 'right to offend' is often seen as a legitimate weapon against a 'political correctness gone mad' that stifles 'free speech'. Against the backdrop of these current developments, this book aims to generate a productive dialogue among scholars working in a variety of intellectual disciplines, geographical locations and methodological traditions. The contributors share a concern about the complex and ambiguous nature of offence as well as about the different ways in which this so-called 'negative affect' comes to matter in our everyday and socio-political lives. Through a series of instructive case studies of recent media provocations, the authors illustrate how being offended is more than an individual feeling and is, instead, closely tied to political structures and power relations.

I Confess! Thomas Waugh, Brandon Arroyo, 2019-11-21 In the postwar decades, sexual revolutions - first women's suffrage, flappers, Prohibition, and Mae West; later Alfred Kinsey, Hugh Hefner, and the pill - altered the lifestyles and desires of generations. Since the 1990s, the internet and its cataclysmic cultural and social technological shifts have unleashed a third sexual revolution, crystallized in the acts and rituals of confession that are a staple of our twenty-first-century lives. In *I Confess!*, a collection of thirty original essays, leading international scholars such as Ken Plummer, Susanna Paasonen, Tom Roach, and Shohini Ghosh explore the ideas of confession and sexuality in moving image arts and media, mostly in the Global North, over the last quarter century. Through self-referencing or autobiographical stories, testimonies, and performances, and through rigorously scrutinized case studies of gay for pay, gaming, camming, YouTube uploads, and the films *Tarnation* and *Nymph()*maniac, the contributors describe a spectrum of identities, desires, and related representational practices. Together these desires and practices shape how we see, construct, and live our identities within this third sexual revolution, embodying both its ominous implications of surveillance and control and its utopian glimmers of community and liberation. Inspired by theorists from Michel Foucault and Gilles Deleuze to Gayle Rubin and José Esteban Muñoz, *I Confess!* reflects an extraordinary, paradigm-shifting proliferation of first-person voices and imagery produced during the third sexual revolution, from the eve of the internet to today.

The Sexualized Body and the Medical Authority of Pornography Heather

Brunskell-Evans,2017-01-06 This edited collection examines pornography as a material practice that eroticises gender inequality and sexual violence towards women. It addresses the complex relationship between pornography and medicine (in particular, sexology and psycho-therapy) whereby medicine has historically, and currently, afforded pornography considerable legitimacy and even authority. Pornography naturalises women's submission and men's dominance as if gendered power is rooted in biology not politics. In contrast to the populist view that medicine is objective and rational, the contributors here demonstrate that medicine has been complicit with the construction of gender difference, and in that construction the relationship with pornography is not incidental but fundamental. A range of theoretical approaches critically engages with this topic in the light, firstly, of radical feminist ideas about patriarchy and the politics of gender, and, secondly, of the rapidly changing conditions of global capitalism and digital-technologies. In its broad approach, the book also engages with the ideas of Michel Foucault, particularly his refutation of the liberal hypothesis that sexuality is a deep biological and psychological human property which is repressed by traditional, patriarchal discourses and which can be freed from authoritarianism, for example by producing and consuming pornography. In taking pornography as a cultural and social phenomenon, the concepts brought to bear by the contributors critically scrutinise not only pornography and medicine, but also current media scholarship. The 21st century has witnessed a growth in (neo-)liberal academic literature which is pro-pornography. This book provides a critical counterpoint to this current academic trend, and demonstrates its lack of engagement with the politics of the multi-billion dollar pornography industry which creates the desire for the product it sells, the individualism of its arguments which analyse pornography as personal fantasy, and the paucity of theoretical analysis. In contrast, this book re-opens the feminist debate about pornography for a new generation of critical thinkers in the 21st century. Pornography matters politically and ethically. It matters in the real world as well as in fantasy; it matters to performers as well as to consumers; it matters to adults as well as to children; and it matters to men as well as to women.

Pornography Rebecca Sullivan,Alan McKee,2015-10-19 Written for a broad audience and grounded in cutting-edge, contemporary scholarship, this volume addresses some of the key questions asked about pornography today. What is it? For whom is it produced? What sorts of sexualities does it help produce? Why should we study it, and what should be the most urgent issues when we do? What does it mean when we talk about pornography as violence? What could it mean if we discussed pornography through frameworks of consent, self-determination and performance? This book places the arguments from conservative and radical anti-porn activists against the challenges coming from a new generation of feminist and queer porn performers and educators. Combining sensitive and detailed discussion of case studies with careful attention to the voices of those working in pornography, it provides scholars, activists and those hoping to find new ways of understanding sexuality with the first overview of the histories and futures of pornography.

Nordic Genre Film Tommy Gustafsson,2015-05-15 Nordic Genre Film offers a transnational approach to studying contemporary genre production in Nordic cinema.

Fat Sex: New Directions in Theory and Activism Helen Hester,Caroline Walters,2016-03-09 While fat sexual bodies are highly visible as vehicles for stigma, there has been a lack of scholarly research addressing this facet of contemporary body politics. Fat Sex: New Directions in Theory and Activism seeks to rectify this, bringing debates about fat sex into the academic arena and providing a much-needed critical space for voices from across the spectrum of theory and activism. It examines the intersection of fat, sex and sexuality within a contemporary cultural landscape that is openly hostile towards fat people and their perceived social and aesthetic transgressions. Acknowledging and engaging with some of the innovative work being done by artists, activists, and academics around the

issue of fat sex, this collection both challenges preconceptions regarding fatness and sexuality, but also critiques and debates various aspects of the fat activist approach. It draws on a wide range of disciplinary perspectives, bringing together work from the UK, US, Europe, and Australia to offer a wide-ranging examination of the issues of size, sex, and sexuality. A cutting-edge exploration not only of fat sex, but of identity politics, neoliberalism and contemporary body activism in general, *Fat Sex: New Directions in Theory and Activism* will be of interest to scholars of sociology, cultural studies, geography, porn studies and literary studies working on questions of gender, sexuality and the body.

The SAGE International Encyclopedia of Mass Media and Society Debra L. Merskin, 2019-11-12 The SAGE International Encyclopedia of Mass Media and Society discusses media around the world in their varied forms—newspapers, magazines, radio, television, film, books, music, websites, social media, mobile media—and describes the role of each in both mirroring and shaping society. This encyclopedia provides a thorough overview of media within social and cultural contexts, exploring the development of the mediated communication industry, mediated communication regulations, and societal interactions and effects. This reference work will look at issues such as free expression and government regulation of media; how people choose what media to watch, listen to, and read; and how the influence of those who control media organizations may be changing as new media empower previously unheard voices. The role of media in society will be explored from international, multidisciplinary perspectives via approximately 700 articles drawing on research from communication and media studies, sociology, anthropology, social psychology, politics, and business.

Parallele Programmierung spielend gelernt mit dem Java-Hamster-Modell Dietrich Boles, 2009-12-24 Das Buch behandelt die wesentlichen Konzepte der parallelen Programmierung, d. h. der Entwicklung nebenläufiger Systeme. Es orientiert sich dabei am Thread-Konzept der Programmiersprache Java. Es ist das dritte Buch einer Buchreihe, die mit Hilfe eines speziellen didaktischen Modells, dem so genannten Hamster-Modell, in die Grundlagen der Programmierung einführt. Das Hamster-Modell ermöglicht Programmieranfängern einen spielerischen Zugang zu der doch eher technischen Welt der Programmierung, indem sie virtuelle Hamster durch eine virtuelle Landschaft steuern und dabei bestimmte Aufgaben lösen lassen.

Internet and Smartphone Use-Related Addiction Health Problems Olatz Lopez-Fernandez, 2021-08-31 This Special Issue presents some of the main emerging research on technological topics of health and education approaches to Internet use-related problems, before and during the beginning of coronavirus disease 2019 (COVID-19). The objective is to provide an overview to facilitate a comprehensive and practical approach to these new trends to promote research, interventions, education, and prevention. It contains 40 papers, four reviews and thirty-five empirical papers and an editorial introducing everything in a rapid review format. Overall, the empirical ones are of a relational type, associating specific behavioral addictive problems with individual factors, and a few with contextual factors, generally in adult populations. Many have adapted scales to measure these problems, and a few cover experiments and mixed methods studies. The reviews tend to be about the concepts and measures of these problems, intervention options, and prevention. In summary, it seems that these are a global culture trend impacting health and educational domains. Internet use-related addiction problems have emerged in almost all societies, and strategies to cope with them are under development to offer solutions to these contemporary challenges, especially during the pandemic situation that has highlighted the global health problems that we have, and how to holistically tackle them.

The Emerald International Handbook of Technology-Facilitated Violence and Abuse Jane Bailey, Asher Flynn, Nicola Henry, 2021-06-04 The ebook edition of this title is Open Access and freely available to read online This handbook features theoretical,

empirical, policy and legal analysis of technology facilitated violence and abuse (TFVA) from over 40 multidisciplinary scholars, practitioners, advocates, survivors and technologists from 17 countries

The Pornography Wars Kelsy Burke, 2023-04-25 For readers of Peggy Orenstein and Rebecca Traister, an authoritative, big think look at pornography in all its facets - historical, religious, and cultural. In the 1960s, sex researchers Masters and Johnson declared the end of the fake orgasm. Nearly two decades later, in 1982, evangelical activist Tim LaHaye foretold that the entire pornography industry would soon be driven out of business. Neither prediction proved true. Instead, with the rise of the internet, pornography saturates the American conscience more than ever and has reshaped our understanding of sexuality, relationships, media, and even the nature of addiction. Dr. Kelsy Burke has spent the last five years researching and interviewing internet pornography's opponents and its sympathizers. In *The Pornography Wars*, Burke does a deep dive into the long history of pornography in America and then turns her gaze on our present society to examine the ways this industry touches on the most intimate parts of American lives. She offers a complete understanding of the major players in the debates around porn's place in society: everyone from sex workers, activists, therapists, religious leaders, and consumers. In doing so, she addresses and debunks the myths that surround porn and porn usage while showing how everything from the way we teach children about sex to the legal protections for what can be published is tied up in the deeply complicated battles over pornography. Sweeping, savvy, and deeply researched, *The Pornography Wars* is a necessary and comprehensive new look at pornography and American life.

Let's Talk Michelle PhD Watson Canfield, 2020-08-04 Many great father-daughter books highlight the benefits of being an engaged father, cite statistics about the impact fathers have on a daughter's life, and give practical advice about how to foster such relationships. But once the stage has been set, many dads don't know what to say or how to approach conversations with their daughters. Using her decades of experience in counseling young women and coaching fathers, Michelle Watson has created a step-by-step template for having conversations that build a stronger bond through laughter, vulnerability, honesty, and self-disclosure. *Let's Talk* is filled with dozens of scripted questions that walk fathers through the levels of creating a heart-to-heart connection with their daughters by communicating the right way. Through this easy-to-read guide, dads will learn how to listen and build trust as they move from get-to-know-you chats to deep discussions that dive into their daughters' struggles, hurts, and hopes.

Part-Time Perverts Lauren Rosewarne, 2011-04-19 This book offers an erudite yet highly accessible exploration of the presence of sexual perversion in popular culture and its manifestation in everyday life. An interdisciplinary exploration of sexual perversion in everyday life, *Part-Time Perverts: Sex, Pop Culture, and Kink Management* starts from the premise that, for better or worse, everyone is exposed to a continual barrage of representations of sexual perversion, both subliminal and overt. Our involvement, Dr. Lauren Rosewarne contends, is universal, but our management strategies cover a spectrum of behavioral possibilities from total repression to total immersion. It is those strategies that she examines here. Drawing on her own experience, as well as on pop culture and a multidisciplinary mix of theory, Rosewarne shifts the discussion of perversion away from the traditional psychological and psychiatric focus and instead explores it through a feminist lens as a social issue that affects everyone. Her book examines representations of perversion—from suppression to dabbling to full-body immersion—and proposes a classification for perversion management, and charts the diverse strategies we use to manage, and perhaps enjoy, exposure.

Sexting and Revenge Pornography Andy Phippen, Maggie Brennan, 2020-12-06 This book considers the rapidly evolving, both legally and socially, nature of image-based abuse,

for both minors and adults. Drawing mainly from UK data, legislation and case studies, it presents a thesis that the law is, at best, struggling to keep up with some fundamental issues around image based abuse, such as the sexual nature of the crimes and the long term impact on victims, and at worst, in the case of supporting minors, not fit for purpose. It shows, through empirical and legislative analysis, that the dearth of education around this topic, coupled with cultural norms, creates a victim blaming culture that extends into adulthood. It proposes both legislative developments and need for wider stakeholder engagement to understand and support victims, and the impact the non-consensual sharing of intimate images can have on their long-term mental health and life in general. The book is of interest to scholar of law, criminology, sociology, police and socio-technical studies, and is also to those who practice law, law enforcement or wider social care role in both child and adult safeguarding.

The Case of the Sexy Jewess Hannah Schwadron, 2017-11-24 Amidst the growing forums of kinky Jews, orthodox drag queens, and Jewish geisha girls, we find today's sexy Jewess in a host of reflexive plays with sexed-up self-display. A social phantasm with real legs, she moves boldly between neo-burlesque striptease, comedy television, ballet movies, and progressive porn to construct the 21st Century Jewish American woman through charisma and comic craft, in-your-face antics, and offensive charm. Her image redresses longstanding stereotypes of the hag, the Jewish mother, and Jewish American princess that have demeaned the Jewish woman as overly demanding, inappropriate, and unattractive across the 20th century, even as Jews assimilated into the American mainstream. But why does sexy work to update tropes of the Jewish woman? And how does sex link to humor in order for this update to work? Entangling questions of sexiness to race, gender, and class, *The Case of the Sexy Jewess* frames an embodied joke-work genre that is most often, but not always meant to be funny. In a contemporary period after the thrusts of assimilation and women's liberation movements, performances usher in new versions of old scripts with ranging consequences. At the core is the recuperative performance of identity through impersonation, and the question of its radical or conservative potential. Appropriating, re-appropriating, and mis-appropriating identity material within and beyond their midst, Sexy Jewess artists play up the failed logic of representation by mocking identity categories altogether. They act as comic chameleons, morphing between margin and center in countless number of charged caricatures. Embodying ethnic and gender positions as always already on the edge while ever more in the middle, contemporary Jewish female performers extend a comic tradition in new contexts, mobilizing progressive discourses from positions of newfound race and gender privilege.

Debating Pornography Andrew Altman, Lori Watson, 2019 Since the sexual revolution of the 1960s, debates over pornography have raged, and the explosive spread in recent years of sexually explicit images across the Internet has only added more urgency to these disagreements. Politicians, judges, clergy, citizen activists, and academics have weighed in on the issues for decades, complicating notions about what precisely is at stake, and who stands to benefit or be harmed by pornography. This volume takes an unusual but radical approach by analyzing pornography philosophically. Philosophers Andrew Altman and Lori Watson recalibrate debates by viewing pornography from distinctly ethical platforms -- namely, does a person's right to produce and consume pornography supersede a person's right to protect herself from something often violent and deeply misogynistic? In a for-and-against format, Altman first argues that there is an individual right to create and view pornographic images, rooted in a basic right to sexual autonomy. Watson counteracts Altman's position by arguing that pornography inherently undermines women's equal status. Central to their disagreement is the question of whether pornography truly harms women enough to justify laws aimed at restricting the production and circulation of such material. Through this debate, the authors address key questions that have dogged both

those who support and oppose pornography: What is pornography? What is the difference between the material widely perceived as objectionable and material that is merely erotic or suggestive? Do people have a right to sexual arousal? Does pornography, or some types of it, cause violence against women? How should rights be weighed against consequentialist considerations in deciding what laws and policies ought to be adopted? Bolstered by insights from philosophy and law, the two authors engage in a reasoned examination of questions that cannot be ignored by anyone who takes seriously the values of freedom and equality.

The Pornification of America Bernadette Barton, 2023-03-07 An up-close look at how porn permeates our culture. Pictures of half-naked girls and women can seem to litter almost every screen, billboard, and advertisement in America. Pole-dancing studios keep women fit. Men airdrop their dick pics to female passengers on planes and trains. To top it off, the last American President has bragged about grabbing women "by the pussy." This pornification of our society is what Bernadette Barton calls "raunch culture." Barton explores what raunch culture is, why it matters, and how it is ruining America. She exposes how internet porn drives trends in programming, advertising, and social media, and makes its way onto our phones, into our fashion choices, and into our sex lives. From twerking and breast implants, to fake nails and push-up bras, she explores just how much we encounter raunch culture on a daily basis—porn is the new normal. Drawing on interviews, television shows, movies, and social media, Barton argues that raunch culture matters not because it is sexy, but because it is sexist. She shows how young women are encouraged to be sexy like porn stars, and to be grateful for getting cat-called or receiving unsolicited dick pics. As politicians vote to restrict women's access to birth control and abortion, *The Pornification of America* exposes the double standard we attach to women's sexuality.

Colibri, 1829

Giftige vlinders Luc Deflo, 2013-09-03 Rik Leboeuf heeft zijn schaapjes op het droge. Hij is gelukkig getrouwd met Ghislaine, is de trotse vader van een puberdochter en woont in een royale gezinswoning. Ook in zijn beroep gaat het Rik voor de wind. Hij is verwarmingsinstallateur, zelfstandig en dus vrijgevochten. Problemen, daar loopt Rik, een pietje-precies op het maniakale af, met een wijde boog omheen. Daarom werkt hij uitsluitend met hoogwaardige materialen en kiest hij zijn klanten zorgvuldig uit. Tot die ene fatale dag waarop hij afwijkt van zijn vaste ritueel en kennismakt met Carina Misurata. Rik valt voor Carina, peilloos diep, en als de aantrekkingskracht wederzijds blijkt te zijn, voelt Rik zich als herboren. Hij weet zich geen raad met zijn geluk. Heeft zelfs geen greintje schuldgevoel. Totdat Carina, verstikt door Riks blinde devotie voor haar, er een punt achter zet. Op dat moment ontdekt Rik dat Carina niet alleen gevoelens in hem heeft losgeweekt waarvan hij het bestaan niet eens vermoedde, maar ook destructieve krachten, die hem gaandeweg veranderen in een harteloos monster. Als geen ander weet Deflo door te dringen in de donkerste krochten van de menselijke ziel. Zijn boeken zijn rauw en huiveringwekkend. Binnen de Vlaamse thrillerwereld is hij de man van de welhaast ondraaglijke spanning die een genoegens schept in het hanteren van zijn vlijmscherpe pen als een scalpel waarmee hij zijn personages ontbeent en ontleedt.

Reviewing **Xhamster**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Xhamster**," an enthralling opus penned by a very acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible

imprint on our lives. Throughout this assessment, we shall delve into the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Xhamster Introduction

In today's digital age, the availability of Xhamster books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping

through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Xhamster books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Xhamster books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Xhamster versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Xhamster books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared

to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Xhamster books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Xhamster books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many

universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Xhamster books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Xhamster books and manuals for download and embark on your journey of knowledge?

FAQs About Xhamster Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Xhamster is one of the best book in our library for free trial. We provide copy of Xhamster in digital format, so the resources that you find are reliable. There are

also many Ebooks of related with Xhamster. Where to download Xhamster online for free? Are you looking for Xhamster PDF? This is definitely going to save you time and cash in something you should think about.
