Government Auditing Standards - 2018 Revision United States Government Accountability Office, 2019-03-24 Audits provide essential accountability and transparency over government programs. Given the current challenges facing governments and their programs, the oversight provided through auditing is more critical than ever. Government auditing provides the objective analysis and information needed to make the decisions necessary to help create a better future. The professional standards presented in this 2018 revision of Government Auditing Standards (known as the Yellow Book) provide a framework for performing high-quality audit work with competence, integrity, objectivity, and independence to provide accountability and to help improve government operations and services. These standards, commonly referred to as generally accepted government auditing standards (GAGAS), provide the foundation for government auditors to lead by example in the areas of independence, transparency, accountability, and quality through the audit process. This revision contains major changes from, and supersedes, the 2011 revision.

The 2018 Yellow Book also addresses the needs of specific types of travelers, with dedicated sections on: · Precautions for pregnant travelers, immunocompromised travelers, and travelers with disabilities · Special considerations for newly arrived adoptees, immigrants, and refugees · Practical tips for last-minute or resource-limited travelers · Advice for air crews, humanitarian workers, missionaries, and others who provide care and support overseas Authored by a team of the world's most esteemed travel medicine experts, the Yellow Book is an essential resource for travelers -- and the clinicians overseeing their care -- at home and abroad.

Debt-Proof Living Mary Hunt, 2014-07-29 Your fool-proof guide to paying off debt, planning for the future, and breaking free of our debt-loving culture. The consumer credit industry wants us to believe that debt is necessary to bridge the gap between our pitiful incomes and the lifestyles we desire. But the problem is not that we don't have enough money. It's that we don't know how to manage the money we already have. And until we learn that, more money will never be enough. In this life-changing book, Mary Hunt shows you how to live a rich, fulfilling life without any consumer debt. By applying her simple principles and specific methods, you will learn

how to effectively manage and maximize the money you have. No more guessing, wondering, or worrying. Just peace and a more abundant life. What have you got to lose?

Tezuka Architects Thomas Sherman, Greg Logan, 2016 The Japanese architect Takaharu Tezuka caused a stir in 2015 with his TEDtalk The best kindergarten you've ever seen. As the first text-focused publication, Tezuka Architects: The Yellow Book now provides an insight into the design philosophy of the internationally renowned architecture firm. Based on a lecture by Tezuka at Harvard University Graduate School of Design (GSD), this pocket guide in scale and feel introduces the architects' way of thinking, using examples of seminal projects in recent years. Buildings such as the Roof House (2001), the Child Chemo House (2013), or the Fuji Kindergarten (2007) illustrate the powerful impact of Takaharu and Yui Tezuka's design and show how architecture can contribute actively to building a better society.
