Jeremy Gordin

**Farewell Navigator** Leni Zumas,2011-10-18 “A powerful, irresistible collection” of short stories about outsiders by the bestselling author of *Red Clocks* (Publishers Weekly). A teenage boy discovers his blind mother making a pass at his new best friend. A woman works in a factory by day and tends to a menagerie of sick animals by night. An aspiring witch is disillusioned by her spiritual shortcomings. A girl from a town so small it doesn’t exist on any map runs away with a rock band—all the while attempting to chart her way back home. The odds stacked against them, the lovingly rendered outsiders in these stories find connectedness and redemption in the unlikely of circumstances. Even the most surreal and ethereal moments take on a surprising familiarity, and the darkest experiences are imbued with unexpected hope. To become engrossed in Zumas’s world is a strange and beautiful delight. “Zumas gives socially awkward, mysteriously gifted and self-destructive outcasts spellbinding, unflinching voice in her debut collection. The heroes in this collection are trapped; some are resigned to years of caregiving, many are institutionalized and nearly all haunt the fringes of normalcy (or disregard the normal altogether).” —Publishers Weekly “Attention unrequited lovers, sisters of suicidal brothers, children of the legally blind: you are not alone. Leni Zumas understands your quiet agony.” —Miranda July, author of *No One Belongs Here More Than You*

**Red Clocks** Leni Zumas,2018-01-16 A National Bestseller A New York Times Editor's Choice A Time Magazine Best Book of the Year An Amazon Best Book of the Month An Indie Next Pick One of Wall Street Journal's Twelve Books to Read This Winter An Esquire most anticipated book of 2018 An Elle Best Book of Winter A Popsugar most anticipated book of Fall A Ploughshares most anticipated book of Fall A Nylon Best Book of the Month One of Publishers Weekly's most anticipated titles of Fall 2017 Five women. One question. What is a woman for? In this ferociously imaginative novel, abortion is once again illegal in America, in-vitro fertilization is banned, and the Personhood Amendment grants rights of life, liberty, and property to every embryo. In a small Oregon fishing town, five very different women navigate these new barriers alongside age-old questions surrounding motherhood, identity, and freedom. Ro, a single high-school teacher, is trying to have a baby on her own, while also writing a biography of Eivør, a little-known 19th-century female polar explorer. Susan is a frustrated mother of two, trapped in a crumbling marriage. Mattie is the adopted daughter of doting parents and one of Ro's best students, who finds herself pregnant with nowhere to turn. And Gin is the gifted, forest-dwelling herbalist, or mender, who brings all their fates together when she's arrested and put on trial in a frenzied modern-day witch hunt. *RED CLOCKS* is at once a riveting drama, whose mysteries unfold with magnetic energy, and a shattering novel of ideas. In the vein of Margaret Atwood and Eileen Myles, Leni Zumas fearlessly explores the contours of female experience, evoking *THE HANDMAID'S TALE* for a new millennium. This is a story of resilience, transformation, and hope in tumultuous-even frightening-times.

**The Listeners** Leni Zumas,2012-05-15 Leni Zumas's haunting debut novel, *The Listeners*, depicts a family struggling with loss and faced with the difficulty of honoring a loved one's memory while letting go of grief. Hypnotic and profoundly disquieting, *The Listeners* explores a far-out world where a patchwork of memory, sensation, and imagination maps the flickering presence of ghosts. This is the story of a woman whose life is shaped by tragedy. Quinn is thirtysomething, a survivor of a fractured and eccentric childhood marred by the death of her younger sister. Twenty years later, she is in the midst of a decade-long slide down the other side of punk-rock stardom after her successful music career was abruptly halted. Sassy and smart, tough but broken, Quinn is at loose ends. She develops unique strategies for coping, but no matter what twisted tactic Quinn conjures to keep her psyche intact, she cannot keep the past away. *The Listeners* is about what lurks in the shadows and what happens when what's lurking insists on being seen. Leni Zumas portrays a world twisted on its axis by loss, in all its grotesque beauty. From the first line the prose is glorious: pricklingly honest and hallucinatory, a lucid dream world realized. *The Listeners* marks the debut of a major American writer.

**The Listeners (Powell's Indispensable Edition)** Leni Zumas,2012-05 Leni Zumas's haunting debut novel, *The Listeners*, depicts a family struggling with loss and faced with the difficulty of honoring a loved one's memory while letting go of grief.

**Zuma** Jeremy Gordin,2010-11-22 The first edition of *Zuma*, published in late 2008, concluded with Jacob Zuma's future balancing on a knife's edge. National elections loomed, but so did corruption charges and endless court battles. Since then Zuma's star has spectacularly risen - the corruption charges were dropped, he led the ANC to election victory and duly became President of South Africa, and his new cabinet and government appointments were generally well received. But he has also recently suffered a huge blow with revelations of another love-child, this time with the daughter of soccer supremo Irvine Khoza. Many of his supporters have distanced themselves from him, and Zuma is looking isolated. Pundits are once again wondering how long he'll survive as President. In this revised and updated edition, Jeremy Gordin takes the reader right up to present. He covers in detail the highs and lows of Zuma's past 18 months, including the final salvos of his legal battles, as well as his first year as President. New material in this edition also includes the 'Pedro' document (a document Zuma wrote in 1986), and accurate information on his wives and children.

*Zuma's Bastard* Azad Essa,2010 A number of articles in this collection have been adapted from writing that originally appeared on [www.thoughtleader](http://www.thoughtleader) and other websites.--T.p. verso.

*Zuma* Jeremy Gordin,2008 Jacob Zuma took control of South Africa's ruling party, the African National Congress in 2008, and appears destined to become the next president of South Africa in 2009. This is his story.

*Zuma Exposed* Adriaan Basson,2012-11-15 This is the book President Jacob Zuma does not want you to read. From Shaik to 'The Spear', award-winning investigative journalist Adriaan Basson reveals the truth behind Jacob Zuma's presidency of the ANC and South Africa. From one bad decision to another, this explosive, roller-coaster account traces the unravelling of a likeable but deeply flawed leader who came to power as victim, not visionary. Basson forensically unpacks the charges against Zuma and reveals a president whose first priority is to serve and protect his own, rather than the 50 million people he was elected to lead. To be published on the eve of the ANC elective conference in Mangaung, this is essential reading for any South African who cares about the country they live in.

*Keyhole 10* Keyhole,James Adcox,Chris Bachelder,Brian Carr,Robert Casella,Ben Loory,Dan Magers,Sarah Norek,Rob Talbert,Tom Whalen,Mike Young,Leni Zumas,2010-12-20 Keyhole 10, featuring James Tadd Adcox, Chris Bachelder, Brian Allen Carr, Robert Casella, Ben Loory, Dan Magers, Sarah Norek Rob Talbert, Tom Whalen, Mike Young, Leni Zumas

**Enemy of the People** Adriaan Basson,Pieter du Toit,2017-11-07 *Enemy of the People* is the first definitive account of Zuma's catastrophic misrule, offering eyewitness descriptions and cogent analysis of how South Africa was brought to its knees – and how a people fought back. When Jacob Zuma took over the leadership of the ANC one muggy Polokwane evening in December 2007, he inherited a country where GDP was growing by more than 6% per annum, a party enjoying the support of two-thirds of the electorate, and a unified tripartite alliance. Today, South Africa is caught in the grip of a patronage network, the economy is floundering and the ANC is staring down the barrel of a defeat at the 2019 general elections. How did we get here? Zuma first brought to heel his party, Africa's oldest and most revered liberation movement, subduing and isolating dissidents associated with his predecessor Thabo

Mbeki. Then saw the emergence of the tenderpreneur and those attempting to capture the state, as well as a network of family, friends and business associates that has become so deeply embedded that it has, in effect, replaced many parts of government. Zuma opened up the state to industrial-scale levels of corruption, causing irreparable damage to state enterprises, institutions of democracy, and the ANC itself. But it hasn't all gone Zuma's way. Former allies have peeled away. A new era of activism has arisen and outspoken civil servants have stepped forward to join a cross-section of civil society and a robust media. As a divided ANC square off for the elective conference in December, where there is everything to gain or to lose, award-winning journalists Adriaan Basson and Pieter du Toit offer a brilliant and up-to-date account of the Zuma era.

**A Reality Revolution** David Domon,2012-03 Domon presents this work as a Olucid awakening through honest rhyme . . . For through the practice of ideas set forth one can find a greater awareness. I believe awareness to be a road traveled into the distance which only honesty can send us.O

**Seeing Time Through Revelation** David Domon,Isabella Zumas,2013-10 This final book in a series of three concludes our adventure together and marks the beginning of another. Revelations within it can be quite profound to those with an open mind and honest heart. Though a minimum amount of imagination may be required to comprehend the awareness of its most abstract and reflective pieces, one should not get discouraged, but be patient, as time often unfolds perception in mysterious ways. As we proceed, our immense obstacle of human organization upon this finite planet, is entreating those of good conscience to unite. My intention is to have that happen within a term of reality, as the closer we are to envisioning a future built upon the positivity of true tangible change, the sooner we can turn our problematic pointlessness into a meaningful direction. My hope is that from within the depth of our being, we can unearth the passion necessary to abound.

**Woman in the Wings** Carien du Plessis,2017-10-01 As a longstanding cabinet minister, chairperson of the African Union Commission and ANC presidential hopeful, Nkosazana Dlamini Zuma has always been in the public eye, but to many people this media-averse politician remains an enigma. Praised by some and criticised by others, and variously described as ‘undiplomatic’ and ‘one of the continent’s best political operators’, it is difficult for the public to form an opinion of her. In this book, journalist Carien du Plessis investigates Dlamini Zuma’s life and career, tracking her early years, education and involvement in the struggle; her role as a cabinet minister under all four presidents of democratic South Africa; and her achievements as AU Commission chairperson. The book considers her feminism and political philosophy; tracks her presidential ambitions and campaigning; and explores how her personal relationship with one of her most important backers, President Jacob Zuma, has influenced her. Whatever role she takes up next within the ANC, Dlamini Zuma has a part to play in South Africa’s political future. Woman in the Wings is a fascinating insight into what type of leader she may one day become.

**Be Reality's Evolution** David Domon,Isabella Zumas,2012-12-01 A mental evolution bursting beyond illusioned minds... The adventure continues through this door of discovery while gravitating into the awareness a fearless thought can reveal. So, I continue as a guide within the fervent desire to express my mind purely. While under the weight of anticipation over what becomes of us within moments of great change. I wait to either witness our failure through deceptive stubbornness or our willingness to truly observe ourselves. Where if to arise from sleep we will find dimensional thought unfold in front of us, with what may turn out to be the largest turning point in human history. It is from here that I am begging you to continue with me, let us think proactively about our situations and their solutions. As only united in freedom do we relearn upon this path of eternal seeking. For from our open minds knowledge never feels absolute, as long as we are willing to realize truths. The authors of this text are merely observers of our world with an opened mind of the currently awakened. They feel being no one's from nowhere enable them to be free from the pressures of fitting into a society mangled by mental oppression. Their intent is your freedom.

**Zuma's Own Goal** Brij Maharaj,Ashwin Desai,Patrick Bond,2011 In a collection of original essays, leading analysts address the profound challenges facing the current South African government, giving an in-depth analysis of issues including economic policy, AIDS, social security, housing, basic services and education - and how society reacts. Chapter authors include Gillian Hart, Ben Fine, Andries du Toit, Greg Ruiters, Prishani Naidoo, Franco Barchiesi, Fred Hendricks, Lungisilie Ntsebeza, Carol Ann Spreen and many more.

**Khwezi** Redi Tlhabi,2017-09-18 In May 2006 Jacob Zuma was found not guilty of the rape of Fezekile Ntsukela Kuzwayo – better known as Khwezi – in the Johannesburg High Court. Another nail was driven into the coffin of South Africa's fight against sexual violence. Vilified by Zuma's many supporters, Khwezi was forced to flee South Africa and make a life in the shadows, first in Europe and then back on the African continent. A decade after Zuma's acquittal, Khwezi died. But not before she had slipped back into South Africa and started work with journalist Redi Tlhabi on a book about her life. About how, as a young girl living in exile in ANC camps, she was raped by the 'uncles' who were supposed to protect her. About her great love for her father, Judson Kuzwayo, an ANC activist who died when Khwezi was almost ten. And about how, as a young adult, she was driven once again into exile, suffering not only at the hands of Zuma's devotees but under the harsh eye of the media. In sensitive and considered language, Red Tlhabi breathes life into a woman for so long forced to live in hiding. In telling the story of Khwezi, Tlhabi draws attention to the sexual abuse that abounded during the struggle years, abuse that continues to plague women and children in South Africa today.

Dispatches from Anarres: Tales in Tribute to Ursula K. Le Guin Susan DeFreitas,2021-11-23 Named for the anarchist utopia in Ursula K. Le Guin’s science fiction classic *The Dispossessed*, *Dispatches from Anarres* embodies the anarchic spirit of Le Guin’s hometown of Portland, Oregon, while paying tribute to her enduring vision. In stories that range from fantasy to sci fi to realism, some of Portland's most vital voices have come together to celebrate Le Guin’s lasting legacy and influence on that most subversive of human faculties: the imagination. Fonda Lee’s “Old Souls” explores the role of violence and redemption across time and space; Rachael K. Jones’s “The Night Bazaar for Women Turning into Reptiles” touches on gender oppression and a woman’s right to choose; Molly Gloss’s “Wenonah’s Gift” imagines coming-of-age in a post-collapse culture determined to avoid past wrongs; and Lidia Yuknavitch’s “Neuron” reveals that fairy tales may, in fact, be the best way to understand the paradoxes of science. Other contributors include Curtis Chen, Kesha Ajose-Fisher, Juhea Kim, Tina Connolly, David D. Levine, Leni Zumas, Rene Denfeld, and Michelle Ruiz Keil, with a foreword by David Naimon, co-author (with Le Guin) of *Ursula K. Le Guin: Conversations on Writing*.

**Red Clocks** Leni Zumas,2018-03

*In The Shadow of Mandela* Alexander Johnston,2019-12-12 This outstanding and original work goes to the heart of South Africa's political problems - doubts as to the sustainability of the post-apartheid settlement, beset with divisions in the ruling ANC, factionalism, corruption and the widening of fault-lines in state and society. The 'leadership issue' has become key and this will be the first specific examination of leadership in the light of Mandela's legacy and its effect on his successor as potential and actual leaders - all in 'the shadow of Mandela' as the architect of the transition from apartheid to democracy, and with overarching moral authority and international reputation. Alexander Johnston shows how his successors are judged against Mandela's achievements, including the potentially impressive 'lost' leaders and concentrating on his immediate successors, Thabo Mbeki and Jacob Zuma. The book

concludes with an in-depth assessment of new president Cyril Ramaphosa's potential to be a leader for a 'new dawn'. This is an objective and critical work by a close observer who acknowledges the achievement of South African leadership but is acutely aware of the doubts as to the sustainability of South Africa's hard won democratic settlement. An essential read for all readers interested in leadership and in the traumatic history and future of Africa's leading state, as the continent rises to global importance.

**Dear Jacob** Sabelo Soweto Mandlanzi,2013-04-09 Dear reader, The fact that Jacob Zuma is the twelfth president of ANC and Jacob had twelve sons makes me sigh because folks may lie but numbers dont. Besides, Jacobs successor was Joseph while Jacob Zumas brother is Joseph, now this offsets my axis. My reasons to conduct an audit on these signs of fate finds more evidencecould Jacobs life be the pieces of the puzzle of Jacob Zumas that weve been looking for? What you see right now is the answer. Dear Jacob is a radical connection between these two Jacobs: the grandson of Abraham and the honorable president of the Republic of South Africa, Mr. Jacob G. Zuma. This is billion miles ahead of inspiration, a healthy root of the political expertise and leadership evolution. But here I focus on presenting Jacob as Jacob Zuma, human yet divine, dejected, rejected, and despised, but chosen. In this letter, the worst and the best moments of Jacob are prognostic to the life of Jacob Zuma, but negativity is to me a myth because positivity is my path. The story that brings nemesis to the enemies of positive reception is found from Genesis 25:19 and beyond in the King James Bible. I have cared for the meanings on the wall because words can start a war. Not only will you see Jacob Zuma different after reading this book, but you should be able to predict the next events that might occur as the clock of life moves toward the beginning.
