Barnaul Марк Юдалевич, 1992
Воспоминания о Татарских Степях. Письма из Барнаула. 1848-1853 гг. Аткинсон Л., 2014-11-06
Миссис Люси Шеррард Аткинсон (1817-1893), супруга и верная спутница английского художника и путешественника Томаса Уитлэма Аткинсона. Она побывала в Барнауле в середине XIX века, однако ее книгу воспоминаний о странствиях по Сибири никогда полностью не переводили на русский язык и не издавали в России. Более того, словарь Брокгауза и Ефона приписал «Воспоминания» ее мужу. Конечно, вполне понятно пренебрежение к сочинениям женщин в те времена, да и книгу бывшей гувернантки никак

нельзя причислить к научным этнографическим работам. Англичанка оказалась единственной женщиной среди путешественников-мужчин, посетивших Алтай в середине позапрошлого века. В настоящей книге представлено несколько глав, переведенных с английского языка жительницей Барнаула Н.С. Волковой.

Брест. Изгнание и возвращение Александр Черновалов, 2022-05-15 В книге освещаются события 1939-1947 годов, относящиеся к темной стороне историографии г. Бреста, не касающейся героической обороны Брестской крепости. Представлены подробности отправления из Бреста последнего эшелона с депортированными 22 июня 1941 года.

Публикуются воспоминания очевидцев об условиях жизни депортированных белорусов в г. Барнауле Алтайского края. Описывается, как встретил Брест своих граждан, возвратившихся после окончания войны. В заключение автор посчитал необходимым поделиться некоторыми рассуждениями философского характера, которые касаются белорусской ментальности и событий августа 2020 года в Беларуси. Для читателей, интересующихся историей и философией, а также широкого круга исследователей данных событий, преподавателей, студентов и школьников. В формате PDF А4 сохранен издательский макет книги.

The Patriotism of Despair Serguei Alex.

Oushakine, 2011-02-23 The sudden dissolution of the Soviet Union altered the routines, norms, celebrations, and shared understandings that had shaped the lives of Russians for generations. It also meant an end to the state-sponsored, nonmonetary support that most residents had lived with all their lives. How did Russians make sense of these historic transformations? Serguei Alex. Oushakine offers a compelling look at postsocialist life in Russia. In Barnaul, a major industrial city in southwestern Siberia that has lost 25 percent of its population since 1991, many Russians are finding that what binds them together is loss and despair. The Patriotism of Despair examines the aftermath of the collapse of the Soviet Union, graphically described in spray paint by a graffiti artist in Barnaul: We have no Motherland. Once socialism disappeared as a way of understanding the world, what replaced it in people's minds? Once socialism stopped orienting

politics and economics, how did capitalism insinuate itself into routine practices? Oushakine offers a compelling look at postsocialist life in noncosmopolitan Russia. He introduces readers to the neocomms: people who mourn the loss of the Soviet economy and the remonetization of transactions that had not involved the exchange of cash during the Soviet era. Moving from economics into military conflict and personal loss, Oushakine also describes the ways in which veterans of the Chechen war and mothers of soldiers who died there have connected their immediate experiences with the country's historical disruptions. The country, the nation, and traumatized individuals, Oushakine finds, are united by their vocabulary of shared pain.
