**Anyone** Charles Soule,2019-12-03 Soon to be adapted for television by Carnival, creators of Downton Abbey An Indie Next Pick • A Science Fiction Book Club Pick Bestselling author of The Oracle Year, Charles Soule brings his signature knowledge—and wariness—of technology to his new novel set in a realistic future about a brilliant female scientist who creates a technology that allows for the transfer of human consciousness between bodies, and the transformations this process wreaks upon the world. Inside a barn in Ann Arbor, Michigan, a scientist searching for an Alzheimer’s cure throws a switch—and finds herself mysteriously transported into her husband’s body. What begins as a botched experiment will change her life—and the world—forever... Over two decades later, all across the planet, “flash” technology allows individuals the ability to transfer their consciousness into other bodies for specified periods, paid, registered and legal. Society has been utterly transformed by the process, from travel to warfare to entertainment; “Be anyone with Anyone” the tagline of the company offering this ultimate out-of-body experience. But beyond the reach of the law and government regulators is a sordid black market called the darkshare, where desperate “vessels” anonymously rent out their bodies, no questions asked for any purpose - sex, drugs, crime... or worse. Anyone masterfully interweaves the present-day story of the discovery and development of the flash with the gritty tale of one woman’s crusade to put an end to the darkness it has brought to the world twenty-five years after its creation. Like Blade Runner crossed with Get Out, Charles Soule’s thought-provoking work of speculative fiction takes us to a world where identity, morality, and technology collide.

*Read anyone's Aura* Krishna Mohan Avancha,2020-03-09 This book is dedicated to any person who wishes to read any one's aura to learn more about them. An aura reading can also help tarot cards and other occult science students and practitioners as it tells them what could possibly be wrong with the person visiting them.

**Anyone** Nigel Rapport,2012-07-30 The significance that people grant to their affiliations as members of nations, religions, classes, races, ethnicities and genders is evidence of the vital need for a cosmopolitan project that originates in the figure of Anyone - the universal and yet individual human being. Cosmopolitanism offers an alternative to multiculturalism, a different vision of identity, belonging, solidarity and justice, that avoids the seemingly intractable character of identity politics: it identifies samenesses of the human condition that underlie the surface differences of history, culture and society, nation, ethnicity, religion, class, race and gender. This book argues for the importance of cosmopolitanism as a theory of human being, as a methodology for social science and as a moral and political program.

**To Anyone Who Ever Asks** Howard Fishman,2023-05-02 The mysterious true story of Connie Converse—a mid-century New York City songwriter, singer, and composer whose haunting music never found broad recognition—and one writer’s quest to understand her life This is the mesmerizing story of an enigmatic life. When musician and New Yorker contributor Howard Fishman first heard Connie Converse’s voice on a recording, he was convinced she could not be real. Her recordings were too good not to know, and too out of place for the 1950s to make sense—a singer who seemed to bridge the gap between traditional Americana (country, blues, folk, jazz, and gospel), the Great American Songbook, and the singer-songwriter movement that exploded a decade later with Bob Dylan and Joni Mitchell. And then there was the bizarre legend about Connie Converse that had become the prevailing narrative of her life: that in 1974, at the age of fifty, she simply drove off one day and was never heard from again. Could this have been true? Who was Connie Converse, really? Supported by a dozen years of research, travel to everywhere she lived, and hundreds of extensive interviews, Fishman approaches Converse’s story as both a fan and a journalist, and expertly weaves a narrative of her life and music, and of how it has come to speak to him as both an artist and a person. Ultimately, he places her in the canon as a significant outsider artist, a missing link between a now old-fashioned kind of American music and the reflective, complex, arresting music that transformed the 1960s and music forever. But this is also a story of deeply secretive New England traditions, of a woman who fiercely strove for independence and success when the odds were against her; a story that includes suicide, mental illness, statistics, siblings, oil paintings, acoustic guitars, cross-country road trips, 1950s Greenwich Village, an America marching into the Cold War, questions about sexuality, and visionary, forward thinking about race, class, and conflict. It’s a story and subject that is by turn hopeful, inspiring, melancholy, and chilling.

*Why Should Anyone Believe Anything at All?* James W. Sire,2010-07-17 A Christianity Today 1995 Books of the Year Finalist! Believing. Most of us take it for granted. We just do it--whether it's trusting that the sun will come up tomorrow, that the lunch we are about to eat is not poisoned or that our religious beliefs are not ill-founded. But why should we believe any of these things? Why should anyone believe anything at all? With insight and humor, James W. Sire examines the reasons people give for believing what they do and suggests what are truly satisfying and compelling reasons for belief. He then turns to the question of a specific belief--namely, belief that the Christian faith is true. Sire tackles both the best reason for belief in Christianity (the identity of Jesus ) and the chief reason against it. (the problem of evil). And he responds to these issues personally and philosophically. Here is a book to challenge the skeptic and reassure the doubter in us all.

**Anyone Can Paint** Barrington Barber,2020-10-09 It's true - anyone can paint! Even if you have seldom done so before, it's never too late to pick up a brush and have a go. In this book, professional artist and inspirational teacher Barrington Barber demonstrates step-by-step methods of painting in watercolours, acrylics and oils. He explores the use of colour and shows how the different techniques and effects of each medium can be applied to a range of subjects, including still lifes, landscapes, portraits and buildings. Finished artworks in each medium give an idea of the results that can be achieved, and examples of composition, technique and style show how famous artists have evolved their own painting methods. Through practice, and by following the guidance in this book, you will hopefully discover the enjoyment and fulfilment that can be found in learning how to paint. • step-by-step tuition • beautiful examples • suitable for beginners and improving artists

Hello? Is Anyone There? Roger Philip Abbott, 2014-11-10 According to the Bible, the God of Christianity has a reputation for answering prayer. However, many Christians have been sometimes severely tempted to think they have been sold short as they have found themselves in some crisis and have cried out to God in all sincerity, and found that he has been out. From years of pastoral experience in addressing crises, and after having to face crises in his own experience, Roger Abbott attempts to help Christians who are struggling with what seem to be very real instances of God not answering their heartfelt prayers. There are many books about prayer, but there are not many that attempt to face the huge struggles with prayer that pray-ers can face. This book, while refusing to shirk those struggles and the debilitating emotional impact they can have, also attempts to navigate those emotional struggles with the use of a practical theology. Some Christians think, other Christians pray. Hello? Is Anyone There? combines a passion for thoughtful theology and a passion for prayer, out of a passion for a relationship with God in Christ.

Cool--Aid Anyone? Franklin Ireland, 2008-04 After battling the likes of Duke, North Carolina Tar Heels, Clemson, Marquette and Bethune-Cookman, two Stetson University Alumni basketball teammates decided that they would extend the concept of team off the court in an attempt to bring attention, dignity and most importantly aid to the world. This poetic and lyrical game plan is narrated through the basic principles of love, family, reflections, women, men, pain, homicide, hope and most importantly, GOD.

It Could Happen To Anyone Alyce D. LaViolette, Ola W. Barnett, 2000 It continues to provide understanding and empathy regarding this complex issue and presents an integrated learning theory explanation of the conditioning that culminates in wife abuse, in the resulting state of the victim, and in the decision to stay with an abuser.--

*Didn't Anyone Ever Tell You? It's All A Game!* Andrew J. Mullaney, 2021-08-31 If you are a mentor, wish to be mentored, or are seeking to be the very best version of yourself, then this book is for you. It cuts across the generations in the form of a handy, easy to read guide to surviving and sometimes winning at life. Using the game of snakes and ladders as a constant theme and analogy, each chapter covers many of the challenges and dilemmas that we all face on a daily basis. Andrew encourages you to take everything on with full consciousness and gives practical advice, tips, examples and experiences from his life and career as well as sharing others' stories too. This also includes the opportunity to learn from some of the mistakes he's made over the years, which he bravely and honestly shares throughout. At the end of every chapter, you will find a bullet point summary of ladders to climb, helping you secure quick wins, as well as the snakes - i.e. pitfalls - to avoid. This means you can take away what you feel is most relevant to you in a quick "grab" style format. This book is one that will get you questioning why things happen and how you can influence the game of life much more than you realise. Ultimately, you'll learn how to get the best possible outcome for you as you roll the dice and make your next move.
