*Hello, Universe* Erin Entrada Kelly, 2017-03-14

Winner of the Newbery Medal "A charming, intriguingly plotted novel."—Washington Post  
Newbery Medalist Erin Entrada Kelly's *Hello, Universe* is a funny and poignant neighborhood story about unexpected friendships. Told from four intertwining points of view—two boys and two girls—the novel celebrates bravery, being different, and finding your inner bayani (hero). "Readers will be instantly engrossed in this relatable neighborhood adventure and its eclectic cast of misfits."—Booklist  
In one day, four lives weave together in unexpected ways. Virgil Salinas is shy and kindhearted and feels out of place in his crazy-about-sports family. Valencia Somerset, who is deaf, is smart, brave, and secretly lonely, and she loves everything about nature. Kaori Tanaka is a self-proclaimed psychic, whose little sister, Gen, is always following her around. And Chet Bullens wishes the weird kids would just stop being so different so he can concentrate on basketball. They aren't friends, at least not until Chet pulls a prank that traps Virgil and his pet guinea pig at the bottom of a well. This disaster leads Kaori, Gen, and Valencia on an epic quest to find missing Virgil. Through luck, smarts, bravery, and a little help from the universe, a rescue is performed, a bully is put in his place, and friendship blooms. The acclaimed and award-winning author of *Blackbird Fly* and *The Land of Forgotten Girls* writes with an authentic, humorous, and irresistible tween voice that will appeal to fans of Thanhha Lai and Rita Williams-

Garcia. "Readers across the board will flock to this book that has something for nearly everyone—humor, bullying, self-acceptance, cross-generational relationships, and a smartly fateful ending."—School Library Journal

**Rose Under Fire** Elizabeth E. Wein, 2013-09-10 Rose Justice is a young pilot with the Air Transport Auxiliary during the Second World War. On her way back from a semi-secret flight in the waning days of the war, Rose is captured by the Germans and ends up in Ravensbrück, the notorious Nazi women's concentration camp. There, she meets an unforgettable group of women, including a once glamorous and celebrated French detective novelist whose Jewish husband and three young sons have been killed; a resilient young girl who was a human guinea pig for Nazi doctors trying to learn how to treat German war wounds; and a Nachthexen, or Night Witch, a female fighter pilot and military ace for the Soviet air force. These damaged women must bond together to help each other survive. In this companion volume to the critically acclaimed novel Code Name Verity, Elizabeth Wein continues to explore themes of friendship and loyalty, right and wrong, and unwavering bravery in the face of indescribable evil.

Head Off & Split Nikky Finney, 2011-01-27 Nikky Finney has been a fine poet much too long to say that this latest treasure is her promise coming into being. She exploded with so much talent with *On Wings Made of Gauze* and beautifully matured with *Rice*, yet *Head Off & Split* takes the promise of youth with the control of adulthood to bring her greatest exploration. Honest, searing, searching. We all, especially now, need this book of poems; we all, especially now, need this poet. -- Nikki Giovanni, author of *Bicycles Beginning* with the sweepingly inclusive and powerful 'Red Velvet,' a Middle Passage poem for our times, Nikky Finney takes the reader to a wonderfully alive world where the musical possibilities of language overflow with surprise and innovation. Finney has an ear to go along with the wildness of her imagination, which sweeps through history like a pair of wings. Her carefully modulated free verse is always purposeful in its desire to move the reader in a way that allows us intimate access to necessary observations about ourselves. These poems, in other words, have the power to save us. -- Bruce Weigl, author of *What Saves Us* In Nikky Finney's *Head Off & Split* the beauty of language soars and saves us even as we skirt the raw edge of terror. And something rare and precious is restored, a light, a circling movement of the

spirit. This is poetry to give thanks for.---Meena Alexander, author of *Quickly Changing River* No one opens a vein on the page with a sharper and more nuanced gathered set of senses than Nikky Finney. In *Head Off & Split*, she takes aim at the heart of American wrong-headedness with a sense of purpose and integrity not only respectful of, but fueled by, her own brand of multiple kinships and remembrance, a grand struggle-swagger of powerful literary inheritance.---Thomas Sayers Ellis, author of *Skin, Inc.* With *Head Off & Split*, Nikky Finney establishes herself as one of the most eloquent, urgent, fearless and necessary poets writing in America today. What makes this book as important as anything published in the last decade is the irresistible music, the formal dexterity and the imaginative leaps she makes with metaphor and language in these simply stunning poems. This is a very, very important achievement.---Kwame Dawes, author of *Hope's Hospice*

*The Storyteller's Candle* Lucía M. González, 2008 During the early years of the Great Depression, New York City's first Puerto Rican library, Pura Belpre, introduces the public library to immigrants living in El Barrio and hosts the neighborhood's first Three Kings' Day fiesta.

**Christy** Catherine Marshall, 2017-10-03 The train taking nineteen-year-old teacher Christy Huddleston from her home in Asheville, North Carolina, might as well be transporting her to another world. The Smoky Mountain community of Cutter Gap feels suspended in time, trapped by poverty, superstitions, and century-old traditions. But as Christy struggles to find

acceptance in her new home, some see her – and her one-room school – as a threat to their way of life. Her faith is challenged and her heart is torn between two strong men with conflicting views about how to care for the families of the Cove. Yearning to make a difference, will Christy's determination and devotion be enough?

**Where Things Come Back** John Corey

*The Negro Motorist Green Book* Victor H. Green, The idea of The Green Book is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

## **The International Effectiveness of the Annulment of an Arbitral Award** Hamid Gharavi, Christoph Liebscher, 2002-03-14

In international arbitration as practiced today, few issues are as controversial and hotly debated as the foreign enforcement of an arbitral award that has been annulled in its originating jurisdiction. As more and more jurisdictions challenge such annulments, the issue has inevitably attracted the intense scrutiny of practitioners and scholars. Now, in the first book written on the subject--and a major work unlikely to be superseded for quite some time--the international practitioner and scholar Dr. Hamid G. Gharavi provides a keen, in-depth analysis of the sources, legal and practical grounds, and possible solutions of the problem, particularly as it affects international business transactions in the global economy. Dr Gharavi analyzes the relevant provisions in all major international arbitration conventions, as well as national laws on the annulment and enforcement of arbitral awards in force in more than fifty different countries. Among the book's most notable features are the following: invaluable information on, and an in-depth analysis of, the travaux préparatoires of the New York Convention pertaining to the articulation of annulment/enforcement controls; the effects of the cultural, judicial, and legal diversity of states; and clear elucidation of the interests that often separate North from South in the practice of arbitration. With detailed attention to theoretical and practical perspectives--especially as they reveal the dangers to which the

enforcement of annulled awards can subject international business operators-- Dr Gharavi arrives, after consideration of all interests, at a global resolution aiming to establish an effective and harmonious international legal framework for the control of awards in accordance with the nature and mission of arbitration.

The Campus Color Line Eddie R. Cole,2022-02-15

Although it is commonly known that college students and other activists, as well as politicians, actively participated in the fight for and against civil rights in the middle decades of the twentieth century, historical accounts have not adequately focused on the roles that the nation's college presidents played in the debates concerning racism. Focusing on the period between

1948 and 1968, *The Campus Color Line* sheds light on the important place of college presidents in the struggle for racial parity. College presidents, during a time of violence and unrest, initiated and shaped racial policies and practices inside and outside of the educational sphere. *The Campus Color Line* illuminates how the legacy of academic leaders' actions continues to influence the unfinished struggle for Black freedom and racial equity in education and beyond.--

*Goodbye, Orchid* Carol Van Den Hende, 2020-10

Rising from ashes is hard. Giving up the one you love is harder. Thirty-two year-old Phoenix Walker is an entrepreneur who has built an agency with a heart almost as big as his own. To add to his good fortune, he's falling for Orchid Paige, the beautiful half-Asian marketer who's collaborated with him on a winning military campaign. Until an accident changes him forever. Now, he's faced with the hardest decision of his life. Does he burden the woman whose traumatic childhood makes him feel protective of her? Or does true love mean leaving her without explaining why?

*The War Within These Walls* Aline Sax, Caryl Strzelecki, 2013-10-16 It's World War II, and Misha's family, like the rest of the Jews living in Warsaw, has been moved by the Nazis into a single crowded ghetto. Conditions are appalling: every day more people die from disease, starvation, and deportations. Misha does his best to help his family survive, even crawling through the sewers to smuggle food. When conditions worsen, Misha joins a handful of other Jews who decide to make a final, desperate stand against

the Nazis. Heavily illustrated with sober blue-and-white drawings, this powerful novel dramatically captures the brutal reality of a tragic historical event.

Enforcement of Foreign Arbitral Awards in Russia  
William R. Spiegelberger, 2014-08-01 Enforcement of Foreign Arbitral Awards in Russia presents issues peculiar to the Russian legal system and legal culture generally. The culmination of perhaps years of arbitration, enforcement of arbitral awards is a crucial element of arbitration and a subject best not taken lightly or left to the last minute. The Enforcement of Foreign Arbitral Awards in Russia parses the judgments of Russian courts, with a particular focus on the decision-making processes of Russian judges as reflected in their judgments. The Enforcement of Foreign Arbitral Awards in Russia addresses several questions, such as: • Which Russian courts enforce awards and what

are they like? • What laws, treaties, and rules apply? • How do the courts reach their decisions? • Do those courts sometimes reach anomalous conclusions? • What should an applicant for enforcement watch out for? • What are the common pitfalls? With the help of Enforcement of Foreign Arbitral Awards in Russia non-Russian readers will be able to ask intelligent questions, earlier rather than later, of the local counsel who will be making an application for enforcement in the Russian courts.
