Sherlock Holmes: The Complete Novels and Stories Volume I Sir Arthur Conan Doyle,2013-06-26 Sherlock Holmes The Complete Novels and Stories Volume I Since his first appearance in Beeton's Christmas Annual in 1887, Sir Arthur Conan Doyle's Sherlock Holmes has been one of the most beloved fictional characters ever created. Now, in two paperback volumes, Bantam presents all fifty-six short stories and four novels featuring Conan Doyle's classic hero--a truly complete collection of Sherlock Holmes's adventures in crime! Volume I includes the early novel *A Study in Scarlet*, which introduced the eccentric genius of Sherlock Holmes to the world. This baffling murder mystery, with the cryptic word Rache written in blood, first brought Holmes together with Dr. John Watson. Next, *The Sign of Four* presents Holmes's famous "seven percent solution" and the strange puzzle of Mary Morstan in the quintessential locked-room mystery. Also included are Holmes's feats of extraordinary detection in such famous cases as the chilling "The Adventure of the Speckled Band," the baffling riddle of "The Musgrave Ritual," and the ingeniously plotted "The Five Orange Pips," tales that bring to life a Victorian England of horse-drawn cabs, fogs, and the famous lodgings at 221B Baker Street, where Sherlock Holmes earned his undisputed reputation as the greatest fictional detective of all time.

The Hound of the Baskervilles, A Study in Scarlet, The Sign of Four Sir Arthur Conan Doyle,2014-12-02 Three of the enthralling novels that brought us the world's greatest fictional detective are gathered here in one volume. In 1887, Sir Arthur Conan Doyle's mystery novel *A Study in Scarlet* unleashed for the first time the unflappable Sherlock Holmes and his partner, Dr. John Watson. Watson and Holmes would go on to become two of the most widely admired characters in all of literature. The stories and novels that followed—including *The Sign of Four* and *The Hound of the Baskervilles*—expanded the duo's practice at 221B Baker Street, thrilling readers with the impeccable powers of deduction that inevitably guide Holmes toward any mystery's solution. *A Study in Scarlet*, a tale of Mormons and murder, is a drama of long-simmering revenge that plays out on the gaslit streets of London but has its dark roots in the pioneer settlements of Utah. *The Sign of Four* weaves together a stolen treasure from India, poison darts, and double-crossing thieves, while *The Hound of the Baskervilles* sets the legend of a diabolical hellhound and an old family curse against the backdrop of a desolate, moonlit moor. All three novels are gripping, timeless, and exquisitely plotted—beloved and indispensable classics of the detective genre.

The Hound of the Baskervilles Sir Arthur Conan Doyle, 2021-01-08 The Hound of the Baskervilles opens with a mini mystery--Sherlock Holmes and Dr. Watson speculate on the identity of the owner of a cane that has been left in their office by an unknown visitor. Wowing Watson with his fabulous powers of observation, Holmes predicts the appearance of James Mortimer, owner of the found object and a convenient entrée into the baffling curse of the Baskervilles. Entering the office and unveiling an 18th century manuscript, Mortimer recounts the myth of the lecherous Hugo Baskerville. Hugo captured and imprisoned a young country lass at his estate in Devonshire, only to fall victim to a marauding hound of hell as he pursued her along the lonesome moors late one night. Ever since, Mortimer reports, the Baskerville line has been plagued by a mysterious and supernatural black hound. The recent death of Sir Charles Baskerville has rekindled suspicions and fears. The next of kin, the duo finds out, has arrived in London to take up his post at Baskerville Hall, but he has already been intimidated by an anonymous note of warning and, strangely enough, the theft of a shoe.
