David Sedaris

**The Best of Me** David Sedaris,2020-11-03 What could be a more tempting Christmas gift than a compendium of David Sedaris's best stories, selected by the author himself? From a spectacular career spanning almost three decades, these stories have become modern classics and are now for the first time collected in one volume. For more than twenty-five years, David Sedaris has been carving out a unique literary space, virtually creating his own genre. A Sedaris story may seem confessional, but is also highly attuned to the world outside. It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse in a bucket, struggles to say 'give it to me' in five languages and hand-feeds a carnivorous bird. But if all you expect to find in Sedaris's work is the deft and sharply observed comedy for which he became renowned, you may be surprised to discover that his words bring more warmth than mockery, more fellow-feeling than derision. Nowhere is this clearer than in his writing about his loved ones. In these pages, Sedaris explores falling in love and staying together, recognizing his own aging not in the mirror but in the faces of his siblings, losing one parent and coming to terms - at long last - with the other. Taken together, the stories in **The Best of Me** reveal the wonder and delight Sedaris takes in the surprises life brings him. No experience, he sees, is quite as he expected - it's often harder, more fraught and certainly weirder - but sometimes it is also much richer and more wonderful. Full of joy, generosity, and the incisive humor that has led David Sedaris to be called 'the funniest man alive' (Time Out New York), **The Best of Me** spans a career spent watching and learning and laughing - quite often at himself - and invites readers deep into the world of one of the most brilliant and original writers of our time.

**Thank You for My Service** Mat Best,Ross Patterson,Nils Parker,2019-08-20 NEW YORK TIMES BESTSELLER • The unapologetic, laugh-your-ass-off military memoir both vets and civilians have been waiting for, from a five-tour Army Ranger turned YouTube phenomenon and zealous advocate for veterans Members of the military's special operations branches share a closely guarded secret: They love their jobs. They relish the opportunity to fight. They are thankful for it, even, and hopeful that maybe, possibly, they'll also get to kill a bunch of bad guys while they're at it. You don't necessarily need to thank them for their service—the pleasure is all theirs. In this hilarious and personal memoir, readers ride shotgun alongside former Army Ranger and private military contractor and current social media phenomenon Mat Best, into the action and its aftermath, both abroad and at home. From surviving a skin infection in the swampy armpit of America (aka Columbus, Georgia) to kicking down doors on the outskirts of Ramadi, from blowing up a truck full of enemy combatants to witnessing the effects of a suicide bombing right in front of your face, **Thank You for My Service** gives readers who love America and love the good guys fresh insight into what it's really like inside the minds of the men and women on the front lines. It's also a sobering yet steadying glimpse at life for veterans after the fighting stops, when the enemy becomes self-doubt or despair and you begin to wonder why anyone should be thanking you for anything, least of all your service. How do you keep going when something you love turns you into somebody you hate? For veterans and their friends and families, **Thank You for My Service** will offer comfort, in the form of a million laughs, and counsel, as a blueprint for what to do after the war ends and the real fight begins. And for civilians, this is the insider account of military life you won't find anywhere else, told with equal amounts of heart and balls. It's **Deadpool** meets **Captain America**, except one went to business school and one went to therapy, and it's anyone's guess which is which.

**My Best Book of Sharks** Claire Llewellyn,1999-09 Introduces the world of sharks, examining their characteristics, breeding, life cycle, and behavior and describing various species.

**The Best Book to Read** Debbie Bertram,Susan Bloom,2011-05-10 THE LITTLE BOY who loves to read is back, and this time he and his classmates are visiting a big public library! In their signature catchy, rhyming verse, Debbie Bertram and Susan Bloom give readers a taste of the variety of books that can be found at the library. Michael Garland's bright, graphic illustrations bring to life the array of fantastic and hilarious scenes that can result from finding the best book to read!

**100 Best Books for Children** Anita Silvey,2004 By selecting only 100 best books Silvey distinguishes her guide from all the others and makes it possible to give young readers their literary heritage in the childhood years.

**Practical SQL, 2nd Edition** Anthony DeBarros,2022-01-25 Analyze data like a pro, even if you're a beginner. Practical SQL is an approachable and fast-paced guide to SQL (Structured Query Language), the standard programming language for defining, organizing, and exploring data in relational databases. Anthony DeBarros, a journalist and data analyst, focuses on using SQL to find the story within your data. The examples and code use the open-source database PostgreSQL and its companion pgAdmin interface, and the concepts you learn will apply to most database management systems, including MySQL, Oracle, SQLite, and others.\* You'll first cover the fundamentals of databases and the SQL language, then build skills by analyzing data from real-world datasets such as US Census demographics, New York City taxi rides, and earthquakes from US Geological Survey. Each chapter includes exercises and examples that teach even those who have never programmed before all the tools necessary to build powerful databases and access information quickly and efficiently. You'll learn how to: Create databases and related tables using your own data Aggregate, sort, and filter data to find patterns Use functions for basic math and advanced statistical operations Identify errors in data and clean them up Analyze spatial data with a geographic information system (PostGIS) Create advanced queries and automate tasks This updated second edition has been thoroughly revised to reflect the latest in SQL features, including additional advanced query techniques for wrangling data. This edition also has two new chapters: an expanded set of instructions on for setting up your system plus a chapter on using PostgreSQL with the popular JSON data interchange format. Learning SQL doesn't have to be dry and complicated. Practical SQL delivers clear examples with an easy-to-follow approach to teach you the tools you need to build and manage your own databases. \* Microsoft SQL Server employs a variant of the language called T-SQL, which is not covered by Practical SQL.

**At Your Best** Carey Nieuwhof,2021-09-14 “A perceptive and practical book about why our calendars so rarely reflect our priorities and what we can do to regain control.”—ADAM GRANT “Carey’s book will help you reorganize your life. And then you can share a copy with someone you care about.”—SETH GODIN You deserve to stop living at an unsustainable pace. An influential podcaster and thought leader shows you how. Overwhelmed. Overcommitted. Overworked. That’s the false script an inordinate number of people adopt to be successful. Does this sound familiar: ● Slammed is normal. ● Distractions are everywhere. ● Life gets reduced to going through the motions. Tired of living that way? **At Your Best** gives you the strategies you need to win at work and at home by living in a way today that will help you thrive tomorrow. Influential podcast host and thought leader Carey Nieuwhof understands the challenges of constant pressure. After a season of burnout almost took him out, he discovered how to get time, energy, and priorities working in his favor. This approach freed up more than one thousand productive hours a year for him and can do the same for you. **At Your Best** will help you ● replace chronic exhaustion with deep productivity ● break the pattern of overpromising and never accomplishing enough ● clarify what matters most by restructuring your day ● master the art of saying no, without losing friends or influence ● discover why vacations and sabbaticals don’t really solve your problems ● develop a personalized plan to recapture each day so you can break free from the trap of endless to-dos Start thriving at work and at home as you discover how to be at your best.

**The Ride of a Lifetime** Robert Iger,2019-09-23 #1 NEW YORK TIMES BESTSELLER • A memoir of leadership and success: The executive chairman of Disney, Time's 2019 businessperson of the year, shares the ideas and values he embraced during his fifteen years as CEO while reinventing one of the world's

most beloved companies and inspiring the people who bring the magic to life. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR Robert Iger became CEO of The Walt Disney Company in 2005, during a difficult time. Competition was more intense than ever and technology was changing faster than at any time in the company's history. His vision came down to three clear ideas: Recommit to the concept that quality matters, embrace technology instead of fighting it, and think bigger—think global—and turn Disney into a stronger brand in international markets. Today, Disney is the largest, most admired media company in the world, counting Pixar, Marvel, Lucasfilm, and 21st Century Fox among its properties. Its value is nearly five times what it was when Iger took over, and he is recognized as one of the most innovative and successful CEOs of our era. In *The Ride of a Lifetime*, Robert Iger shares the lessons he learned while running Disney and leading its 220,000-plus employees, and he explores the principles that are necessary for true leadership, including:

- Optimism. Even in the face of difficulty, an optimistic leader will find the path toward the best possible outcome and focus on that, rather than give in to pessimism and blaming.
- Courage. Leaders have to be willing to take risks and place big bets. Fear of failure destroys creativity.
- Decisiveness. All decisions, no matter how difficult, can be made on a timely basis. Indecisiveness is both wasteful and destructive to morale.
- Fairness. Treat people decently, with empathy, and be accessible to them. This book is about the relentless curiosity that has driven Iger for forty-five years, since the day he started as the lowliest studio grunt at ABC. It's also about thoughtfulness and respect, and a decency-over-dollars approach that has become the bedrock of every project and partnership Iger pursues, from a deep friendship with Steve Jobs in his final years to an abiding love of the Star Wars mythology. "The ideas in this book strike me as universal" Iger writes. "Not just to the aspiring CEOs of the world, but to anyone wanting to feel less fearful, more confidently themselves, as they navigate their professional and even personal lives."

**The Best of Me** Nicholas Sparks, 2011-10-11 In this #1 New York Times bestselling novel of first love and second chances, former high school sweethearts confront the painful truths of their past to build a promising future—together. Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen. In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in their small town in North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back home for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew—about Tuck, about themselves, and about the dreams they held dear—was not as it seemed. Forced to confront painful memories, the former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?

**The Best Book on the Market** Eamonn Butler, 2009-07-21 The free market makes the world go around. Maybe it's time we all tried to understand it a little better. Luckily Eamonn Butler is the ideal teacher to get us all up to speed. Markets are everywhere. But how many of us understand how they work, and why? What does a 'free market' really mean? Do free markets actually exist? Should we have more or less of them? Most of all – do we really need to know all this? Answer: Yes we do. MAKING ECONOMICS SIMPLE SO THAT EVEN POLITICIANS CAN UNDERSTAND IT If any mention of free markets sends your mind screaming back to your musty old school economics textbook, think again. The Best Book on the Market will keep you gripped, intrigued and well informed. Abandoning complicated mumbo-jumbo, Eamonn Butler, Director of the UK's leading free market think-tank, demystifies the world of markets, competition, monopolies and cartels, prices and overspills. Using examples from our everyday lives Dr Butler explains how the markets we have, and the many more we need, can work to create a richer, freer and more peaceful world. STOP WORRYING AND LOVE THE FREE ECONOMY He delves into the morality of markets and interrogates important issues such as why feckless rock-stars are paid much more than worthy nurses; whether we should worry about people trading in arms, water, healthcare etc; whether black markets are immoral; and questions of equality; sweatshops, and fair trade. "This book is about the free market and how unfree it can be when there is a lack of belief in freedom itself. Eamonn Butler presents solid arguments against government attempts to 'perfect' the markets by regulation, controls, subsidies, or by adopting measures which obstruct competition and private ownership." Václav Klaus, President of the Czech Republic "Vividly and simply explains competition, entrepreneurship and prices". John Blundell, Director, Institute of Economic Affairs "A great little book that gets to the heart of how and why markets work, in a very engaging and easily understood way". Dan Lewis, Research Director, Economic Research Council "I welcome this witty, lucid explanation of how entrepreneurs and business people make a positive contribution to our lives, and why economists often don't". Andrew Neil, leading journalist and BBC presenter "Anything which educates the public - and politicians - on how the free economy actually works is always welcome. Dr Butler does this in style". Lord Lawson, former UK Chancellor of the Exchequer "Everyone in business would do well to understand the basic principles of markets which Dr Butler clarifies so well in this short book". Allister Heath, Editor of The Business and Associate Editor of The Spectator This book does great justice to the vibrancy of markets and what makes them tick Ruth Richardson, former Finance Minister of New Zealand It's refreshing to see an economist who understands the importance of innovation and entrepreneurship in pushing progress forward, and who can explain it in straightforward language. Trevor Baylis OBE (inventor of the wind-up radio) I'm glad to see that Dr Butler stresses the role of innovators – and the importance of market structures that encourage innovation. Sir Clive Sinclair (inventor) Dr Butler's book is a welcome and very readable contribution on the mechanisms and morality of the free economy. Sir John Major KG CH (former UK Prime Minister) "'Market' is one of the first six-letter words that every English-speaking child learns: as in 'This - little - piggy - went - to - market'". Geoffrey Howe, former UK Chancellor of the Exchequer

**Daring Greatly** Brené Brown, 2013-01-17 Researcher and thought leader Dr. Brené Brown offers a powerful new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' -Theodore Roosevelt Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. *Daring Greatly* is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly. 'Brilliantly insightful. I can't stop thinking about this book' -Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of *The Gifts of Imperfection* and *I Thought It Was Just Me (but it isn't)*.

**Dare to Lead** Brené Brown, 2018-10-09 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into

practice so we can step up and lead. Don't miss the five-part HBO Max docuseries **Brené Brown: Atlas of the Heart!** **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership** is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

**Programming TypeScript** Boris Cherny, 2019-04-25 Any programmer working with a dynamically typed language will tell you how hard it is to scale to more lines of code and more engineers. That's why Facebook, Google, and Microsoft invented gradual static type layers for their dynamically typed JavaScript and Python code. This practical book shows you how one such type layer, TypeScript, is unique among them: it makes programming fun with its powerful static type system. If you're a programmer with intermediate JavaScript experience, author Boris Cherny will teach you how to master the TypeScript language. You'll understand how TypeScript can help you eliminate bugs in your code and enable you to scale your code across more engineers than you could before. In this book, you'll: Start with the basics: Learn about TypeScript's different types and type operators, including what they're for and how they're used Explore advanced topics: Understand TypeScript's sophisticated type system, including how to safely handle errors and build asynchronous programs Dive in hands-on: Use TypeScript with your favorite frontend and backend frameworks, migrate your existing JavaScript project to TypeScript, and run your TypeScript application in production

**Invest Like the Best** James P. O'Shaughnessy, 1994 Now, complete access to the lucrative investment strategies of today's stock market aces is only a keystroke away. With this remarkable book and disk, you'll easily uncover the stock-picking strategies of the nation's top money managers and learn how to use your computer to emulate the portfolios of Wall Street's wizards in your stock trading. **Invest Like The Best** shows you how to pattern your investment program on the methods of today's legendary stock pickers, from Peter Lynch to John Templeton. It does so by marrying James O'Shaughnessy's pioneering quantitative investing techniques with the data crunching power of Value Line's Value/Screen III investment software. In minutes, you'll learn how to configure your PC to analyze and emulate the investing style of the money manager(s) of your choice. You'll discover which quantitative core factors - cash position, P/E ratio, safety rank, yield, book value, and more - the pros rely on to consistently pinpoint and select the top stocks. And you'll gain strategic insights into how their specific investing styles - from growth to value - impact their performance. More, you'll see exactly which factors consistently show up in top managers' portfolios and how to use them to beat the street. From here, **Invest Like the Best** offers step-by-step guidelines and helpful templates for building simple, stable, reliable computer-based stock-picking models based on the masters' standards. Illustrative graphs and solid, concrete advice help you assess your strategy's variability and risk-adjusted return, then closely monitor its ongoing performance. For exceptional results, you'll create a hybrid investing strategy that combines the best elements of various money managers' styles - and outperforms them all. Before you make your next investment decision, turn to **Invest Like the Best** and discover how to choose the optimum stock-picking strategies that fall within your risk-tolerance; identify and avoid a bad money manager before you commit your assets; diversify against an investment style falling out of favor and to lower overall portfolio risks; determine if your current mutual fund is changing its investment style, for better or worse; and systematically analyze stock market advice from any source - be it a mutual fund, newsletter, book, or broker. **Invest Like the Best** is for every computerized investor who craves the winning edge of high returns and reduced investment risk. By enabling you to analyze and duplicate the profit-driven strategies of today's stock market gurus, it delivers the performance advantage you need to pick portfolios that consistently tear up the market.--BOOK JACKET. **Shake it to the One that You Love the Best** Cheryl Warren Mattox, 1989 Music & lyrics for 16 songs & ten lullabies.

***The Absolutely True Diary of a Part-Time Indian*** Sherman Alexie, 2016-09-15 An all-new edition of the tragicomic smash hit which stormed the New York Times bestseller charts, now featuring an introduction from Markus Zusak. In his first book for young adults, Sherman Alexie tells the story of Junior, a budding cartoonist who leaves his school on the Spokane Indian Reservation to attend an all-white high school. This heartbreaking, funny, and beautifully written tale, featuring poignant drawings that reflect the character's art, is based on the author's own experiences. It chronicles contemporary adolescence as seen through the eyes of one Native American boy. 'Excellent in every way' Neil Gaiman Illustrated in a contemporary cartoon style by Ellen Forney.

**Business Adventures** John Brooks, 2015-05-14 'The best business book I've ever read.' Bill Gates, Wall Street Journal 'The Michael Lewis of his day.' New York Times What do the \$350 million Ford Motor Company disaster known as the Edsel, the fast and incredible rise of Xerox, and the unbelievable scandals at General Electric and Texas Gulf Sulphur have in common? Each is an example of how an iconic company was defined by a particular moment of fame or notoriety. These notable and fascinating accounts are as relevant today to understanding the intricacies of corporate life as they were when the events happened. Stories about Wall Street are infused with drama and adventure and reveal the machinations and volatile nature of the world of finance. John Brooks's insightful reportage is so full of personality and critical detail that whether he is looking at the astounding market crash of 1962, the collapse of a well-known brokerage firm, or the bold attempt by American bankers to save the British pound, one gets the sense that history really does repeat itself. This business classic written by longtime New Yorker contributor John Brooks is an insightful and engaging look into corporate and financial life in America.

**Masthead** The Dames of Detection, 2020-11-25 The eighteenth Best New England Crime Stories anthology.
