A Strategic Nature Melissa Aronczyk, Maria I. Espinoza, 2022 A Strategic Nature shows how public relations has dominated public understanding of the natural environment for over one hundred years. More than spin or misinformation, PR is a social and political force that shapes how we understand and address the environmental crises we now face. Drawing on interviews, ethnography, and archival research, Melissa Aronczyk and Maria I. Espinoza offer an original account of the promotional agents who have influenced public perception of the environment since the beginning of the twentieth century, revealing how professional communicators affect how we think about public knowledge and who can legitimately produce it. Instead of focusing on just the messages or the campaigns, this book provides a conceptual framework for understanding the promotional culture around the meaning of the environment. A Strategic Nature argues that it is not possible to understand the role of the environment in our everyday lives without understanding how something called the environment has been invented and communicated to us throughout history. To tell this story properly requires a careful account of the evolution of the institutions, norms and movements that have pushed environmental concerns to the fore of public opinion and political action. But it also demands an examination of the simultaneous evolution of professional communicators and the formation of their institutions, norms and movements. Without this piece of the puzzle, we miss crucial ways that struggles are won, resources allocated, and beliefs fostered about environmental problems--

Pretend She's Here Luanne Rice, 2019-02-26 Mega-bestselling author Luanne Rice returns with a ripped-from-the-headlines story of a girl who is kidnapped by her friend's family. Emily Lonergan's best friend died last year. And Emily hasn't stopped grieving. Lizzie Porter was lively, loud, and fun -- Emily's better half. Emily can't accept that she's gone. When Lizzie's parents and her sister come back to town to visit, Emily's heartened to see them. The Porters understand her pain. They miss Lizzie desperately, too. Desperately enough to do something crazy. Something unthinkable. Suddenly, Emily's life is hurtling toward a very dark place -- and she's not sure she'll ever be able to return to what she once knew was real. From New York Times bestselling author Luanne Rice comes a breathless, unputdownable story of suspense, secrets -- and the strength that love gives us to survive even the most shocking of circumstances.

Last Day Luanne Rice, 2021 Years ago, Beth Lathrop and her sister Kate suffered what they thought would be the worst tragedy of their lives the night both the famous painting Moonlight and their mother were taken. The detective assigned to the case, Conor Reid, swore to protect the sisters from then on.

Middle School Misadventures , 2019-05-28 In Jason Platt's debut graphic novel, Ferris Bueller meets Calvin and Hobbes in this hilarious and embarrassing middle school caper that asks the important questions--like how long can one kid vamp before he embarrasses himself in front of his whole school? Newell is always getting into trouble--whether it's showing up tardy for most of the year, or mocking his teachers while authoritarian Mr. Todd is standing right behind him. When disaster strikes and Newell finds himself on track to summer school, he's given one last minute option to get out of it--participating in the upcoming Talent Show. The only problem is that he doesn't technically have a talent to show. Yikes. In this fun and imaginative full-color graphic novel, Jason Platt sends a fast-talking, daydreaming, middle school kid on a desperate quest to pull off a great show and save his summer. This title will be simultaneously available in hardcover.

Middle School Misadventures: Operation: Hat Heist! Jason Platt, 2020-04-21 In Jason Platt's second Middle School Misadventures graphic novel, Newell's favorite hat gets taken away! With the help of his most talented friends, he concocts the perfect plan to get it back. Operation: Hat Heist is a go! Newell's favorite show of all time is The Captain! Newell is beyond excited when he learns that the Captain himself, Patrick O'Shaughnessy, will be at Monster Comic Con. He can't wait to meet The Captain wearing his once-worn-by-The-Captain WWII crusher hat that his dad gave him. But when Newell brings the hat to school, it gets stolen from his backpack! Fart. When Newell finally spots the culprit wearing his hat in the hall, Mr. Todd confiscates it and reminds the students, There are no hats to be worn in school! Double fart. What will Newell do?! He wants his hat back so he doesn't let his dad down and so he can impress his hero, but Mr. Todd refuses to return it! Just when Newell is about to give up, he receives a note from 8th grader Ethan: I have an idea. Also, bring your friends. They can help too. Can Newell, Ethan, and this ragtag group of friends pull off the perfect hat heist? In this fun and imaginative full-color graphic novel, Jason Platt sends fast-talking, daydreaming, Newell on another desperate quest to save his favorite hat before he meets his all-time hero. This title will be simultaneously available in hardcover.

Beyond Crimea Agnia Grigas, 2016-02-16 How will Russia redraw post-Soviet borders? In the wake of recent Russian expansionism, political risk expert Agnia Grigas illustrates how—for more than two decades—Moscow has consistently used its compatriots in bordering nations for its territorial ambitions. Demonstrating how this policy has been implemented in Ukraine and Georgia, Grigas provides cutting-edge analysis of the nature of Vladimir Putin's foreign policy and compatriot protection to warn that Moldova, Kazakhstan, the Baltic States, and others are also at risk.

Conflict with Russia Dr. Alexander Nemets, 2015-06-10 What's the Book about? - Primarily, it is about the developing conflict between Russia, on one hand, and America and entire West on other hand. - The war in Eastern Ukraine is described, in this Book, in a detailed way, particularly, the summer of 2014 and January-February of 2015. More than one chapter of the Book is devoted to the essence of Putin regime and the explanation of its antagonism with America. - One chapter of the Book is devoted to the murder of Boris Nemtsov and major criminals behind the scene. - Stagnation and decline of the Russian social-economic system and suffering of its people, especially in 2014-2015, is addressed as well. (The conclusions are based on multiple facts and figures). - This is accompanied by rapid rise of Russia's military expenditures and the upgrading of its military capabilities. Between 2013 and 2015 Russian real military budget may increase 2.5 times! - The role of China (generally, a neutral one) in this Conflict is described as well. The author is literate in Mandarin, expert in China's Real economic potential, China-Russia ties and China's economic expansion in Central Asia. One of the chapters is devoted to swift rise of China-Israel relations in all areas. Israel may well become an ideal mediator between America and China!

Ghost Hunter's Daughter Dan Poblocki, 2020-07-07 A spooky stand-alone middle-grade novel from Dan Poblocki, perfect for fans of John Bellairs and Mary Downing Hahn. They say if you see him, it's already too late. Claire doesn't believe in ghosts, even though her dad is a ghost hunter on TV. But then her dad disappears. And a strange boy in her class, Lucas, knows something about ghosts. One of them has a message for her: Her dad has been taken, and he's in grave danger. Together, Claire and Lucas set out for the town of Hush Falls, where her dad was last seen. Legend says that a tall man in a dark tattered coat lurks near the local reservoir, and anyone who gets too close to old Lemuel Hush is never heard from again. Claire and Lucas are determined to rescue her father. But how can they save him from the ghost of Hush when everyone knows that seeing the ghost means that you're destined to die...

The Beautiful Lost Luanne Rice, 2017-06-27 From NY Times bestselling author Luanne Rice, a sweeping story of a girl and boy, both troubled in different ways, who take off on a whirlwind road trip. Here are three things to know about Maia: 1. Ever since her mother left, Maia's struggled with depression -- which once got so bad, she had to go to an institution for a while. She doesn't want to go back. 2. Maia's sure that if she finds her mother, if the two of them can talk about whale songs and constellations, then everything will be okay again. 3. She's in love with Billy, the handsome, brooding boy who lives in the group home in town. He doesn't seem to know that Maia exists... until now. When Maia sets off on a road trip in search of her mom, Billy unexpectedly comes along. They drive up the East Coast, stopping along the way for lobster rolls and lighthouses. Maia learns that Billy has dark secrets of his own -- and wants to outrun his past, too. But what will the future hold if they reach their destination? From internationally bestselling author Luanne Rice, this is a sweeping, stunning story about the surprising directions our hearts can take.

Convergence Journalism Janet Kolodzy, 2006-06-15 For at least a decade, media prognosticators have been declaring the death of radio, daily newspapers, journalistic ethics, and even journalism itself. But in *Convergence Journalism* an introductory text on how to think, report, write, and present news across platforms Janet Kolodzy predicts that the new century will be an era of change and choice in journalism. Journalism of the future will involve all sorts of media: old and new, niche and mass, personal and global. This text will prepare journalism students for the future of news reporting.

The Necessary Journey Ella F. Washington, 2022-11-08 What does a workplace utopia look like to you? This is the question Dr. Ella F. Washington asks company leaders, and often she hears about an ideal vision of an organization that values diversity and inclusion and wants employees to bring their whole selves to work. But how can you get there? Organizations have largely missed the mark when it comes to creating environments where all employees thrive in an equal and equitable way, because they treat diversity, equity, and inclusion (DEI) as a program that gets done rather than the necessary and difficult journey it is. A truly inclusive workplace requires invention and reinvention, mistakes and humility, adaptation to a changing world, constant reflection, and sometimes significant sacrifice. The road to an inclusive workplace is a difficult one, but you can traverse it, and there's help along the way. Start here with stories of companies making the necessary journey, including Slack, PwC, Best Buy, Denny's, and many others. Hear from company leaders about their successes and failures, the times they were on the vanguard, and the moments they realized they had much more work to do. These are profiles in perseverance from people who are keen enough to recognize the need for inclusive workplaces and humble enough to know they're not there yet. Along the way, Washington provides a framework for thinking about where these companies are on their journeys and where you and your company may be too. Progress is hard won on the necessary journey to becoming an inclusive organization, but it must be won. John Lewis said it best: You see something you want to get done, you cannot give up, and you cannot give in.

Україна XXI: неоіндустріальна держава або «крах проекту»? В.І. Ляшенко; Є.В. Котов, 2015-01-05 Посилення уваги до розробки в межах загальних модернізаційних процесів нової промислової політики є однією з основних тенденцій розвитку сучасного світового господарства. Широке визнання важливої ролі промисловості у вирішенні актуальних проблем сучасності знайшло відображення в нових завданнях із прискореного розвитку індустрії, що є генератором науково-технічного прогресу й інновацій, важливим фактором глобальної конкурентоспроможності національних економік, виступає драйвером економічного зростання. Україні також потрібно активно використовувати зазначені переваги промисловості, виходячи з аналізу ситуації, що наразі склалася в Україні та за її межами. У монографії подано комплексну характеристику особливостей сучасних модернізаційних процесів в промисловості України та її регіонів. Надано рекомендації, які мають стати підґрунтям вироблення адекватних сучасним викликам рішень як на державному, так і на регіональному рівнях щодо неоіндустріалізації України як принципово важливої складової національної економіки та конкурентоспроможного учасника світового господарства.

Digation Robert C. MacDougall, 2012 The shift from orality to literacy that began with the invention of the phonetic alphabet, and which went into high-gear with Gutenberg's printing press more than 500 years ago, helped make the modern world. Some commentators have argued that this shift from orality to literacy marked a much broader, cultural shift of cataclysmic proportions. Today, with everything from e-mail to blogs, iPods and podcasts, through Google, Yahoo, eBay, and with cutting-edge smart phones, we find ourselves developing relationships with these newest communication tools that aren't simply allowing us to communicate faster, farther and with more ease than ever before. We aren't just moving around ideas, data, and information at unimaginable speed and scale. Our interminglings and fusions with digital communication technologies are also altering both individual and group consciousness in fundamental ways--how we form and sustain relationships, how we think and perceive, what it means to see and to feel. We are remaking human identity once more, and manufacturing a new kind of culture along the way. The processes bound up in our digation may well be consequential to the trajectory of human evolution. That time-honored trope: the notion that technology is not the problem, rather, it's how people use technology that's the problem is shown to be wanting. Highlighting Marshall McLuhan's tetrads or laws of media as a primary tool of analysis, R.C. MacDougall argues in line with other media ecologists that it's not so much how we use certain tools that matters, it's that we use them. More than any other technological form perhaps, communication technologies play particularly powerful and systemic roles in our culture, or any culture for that matter. Late adopters and even abstainers are not exempt from the psychological, social and cultural effects (and side-effects) of modern digital communication technology. While there are certainly varying degrees of immersion--that is to say, while

some of us live in the high-rise downtown district, some at the city limits, and still others out in the proverbial woods--we all live in Digination today.

A Painter's Musings Ruthie Windsor-Mann,2021-10-24 A fine artist for over fifty years, Ruthie Windsor-Mann muses on four overlapping reflections of painting. The book goes through the painting process, from commencing to completion. She offers her opinions on art interpretation, museum visits, developing the eye, and the aging artist. She peppers the book with anecdotes of her experiences of being chased by the police in Hungary and spotting a fire in England.

BlogNews Introduction

In the digital age, access to information has become easier than ever before. The ability to download BlogNews has revolutionized the way we consume written content. Whether you are a student looking for course

material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download BlogNews has opened up a world of possibilities. Downloading BlogNews provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading BlogNews has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download BlogNews. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading BlogNews. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading BlogNews, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download BlogNews has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
