The Unbroken C. L. Clark,2021-03-23 A perfect military fantasy: brutal, complex, human and impossible to put down. - Tasha Suri, author of Empire of Sand In an epic fantasy unlike any other, two women clash in a world full of rebellion, espionage, and military might on the far outreaches of a crumbling desert empire. Touraine is a soldier. Stolen as a child and raised to kill and die for the empire, her only loyalty is to her fellow conscripts. But now, her company has been sent back to her homeland to stop a rebellion, and the ties of blood may be stronger than she thought. Luca needs a turncoat. Someone desperate enough to tiptoe the bayonet's edge between treason and orders. Someone who can sway the rebels toward peace, while Luca focuses on what really matters: getting her uncle off her throne. Through assassinations and massacres, in bedrooms and war rooms, Touraine and Luca will haggle over the price of a nation. But some things aren't for sale.

Shamblau C.L. Moore,2015-09-22 Praised by H.P. Lovecraft as a "magnificent" debut, C.L. Moore's first story is still one of the most famous and enduring tales in science fiction. Passing through the streets of Lakkdarol, the newest human colony on Mars, Northwest Smith witnesses a bizarre sight: a young woman, clad in scarlet, being chased by a mob chanting "Shamblau! Shamblau!" As beautiful as she is frightened, Northwest shields her from death at the hands of the mob, but alone in his quarters, she reveals how she intends to thank him and what lies inside the closely wrapped turban on her head... One of the strangest, and surely one of the most imaginative stories ever written, SHAMBLEAU was hailed by readers, authors, and editors as the debut of a truly gifted writer during the golden age of science fiction.

The Guilty Couple C.L. Taylor,2022-06-23 'Wow, I loved this! Such an unusual, original psychological thriller.' Reader Review What would you do if your husband framed you for murder?

Party Problems C. L. Reid,2020 Eight-year-old Emma is excited about her best friend Izzie's birthday party, but she is also a little worried because she is deaf and communicates through sign language, and her cochlear implant does not work well in noisy crowds.

Northwest Smith C.L. Moore,2015-09-22 Meet the iconic space outlaw who "could be Han Solo's grandfather," in these stories by a pioneer of Golden Age science fiction (SF Signal). First published in Weird Tales in the early 1930s, C.L. Moore's Northwest Smith stories, especially "Shamblau," were hailed as some of the most imaginative and vivid science fiction stories ever to come out of the golden age of sci-fi. At a time when women were heavily underrepresented in the genre, Moore was among the first to gain critical and popular acclaim, and decades later was inducted into the Science Fiction and Fantasy Hall of Fame. Northwest Smith, now recognized by many as the archetypal space smuggler and gunslinger, is an adventurer in the classic sense of the word, and these thirteen stories chronicle the bizarre dangers, interstellar wonders, and titillating romances that captured the imagination of a generation.

Darby C.L.Moses,2014 A child lost in a world so alien to him that all he can do is find a warm place to curl up and wait to die. Darby sees the child climbing into a dumpster on a cold Chicago night. Darby always lived by three simple rules. After finding the boy his rules began to drop by the wayside. Over the period of the next few months Darby finds that not only his life but of that of the boy and his mother, along with his friends and associates have been changed dramatically. After that mayhem ensues as you are introduced to a virtual rouges gallery of cutthroats, thieves, and liars. A few good Samaritans and well-wishers are added and if that's not enough a surprise appearance by Mr. Johnny Cash is added for a bit of flavor. Can Darby rescue the boy and himself at the same time? Or will the forces of evil prevail? And can a man of the gun become a father and husband? This book is a work of fiction. Any resemblance of characters to persons living or dead is purely coincidental. But I'm fairly sure you will recognize personalities of some characters similar in someone you know. I have also taken great liberty with locations. In the end this is a work of entertainment so I hope that you enjoy reading it as much as I enjoyed crafting it for you. Sincerely C. L. Moses

Beggars in Velvet Henry Kuttner and CL Moore,2012-09-10 Little did Buckhalter know when he took his new job in the sleepy little town of Sequoia that he would become involved in pivotal moment, one that they knew was coming, yet hoped would never come.

The Grass is Always Greener C.L. Johnson,2009-01-23 Author C.L. Johnson makes a splash on the literary scene with an engaging story about faith, family, and friendship. The story is about friends Austin, Mark and Quincey as they travel the paths of manhood and spirituality. Quincey is a lawyer that has a rising star until he announces his calling to preach. That's when everything hits the fan. Austin is a self made entrepreneur that has a never-ending appetite when it comes to the ladies. That is until he meets one that wants to take him for everything he has. Finally there's Mark, a family man that's jobless and down on his luck. Despite his efforts, no one will hire him. His Fiery wife Terri will not let him think of touching her until he can make a financial deposit into the family bank account. During the tough times in our lives, it's sometimes hard to find God. We often think our lives would be better if we had it different. Sometimes that's everything but true. Follow these friend's as they see if The Grass is Always Greener on the other side.
