Clash Kayla Miller, 2021-07 There's a new kid in town! From the moment Natasha sets foot in class, it's clear she's one of the coolest kids in sixth grade. Everyone wants to be her friend, including Olive...but things might not be so easy. Olive tries her best to befriend Nat, but it seems like the only thing they have in common is that they both want to hang out with Olive's friends! Watching as Natasha gets closer with some of her best buds, Olive can't help but worry that they're starting to like Nat more than they like her...and who could blame them? Nat is just that cool...and Olive is, well, just Olive.

Clash! Hazel Rose Markus, Alana Conner, 2013-05-02 "If you fear that cultural, political, and class differences are tearing America apart, read this important book." —Jonathan Haidt, Ph.D., author of *The Righteous Mind* Who will rule in the twenty-first century: allegedly more disciplined Asians, or allegedly more creative Westerners? Can women rocket up the corporate ladder without knocking off the men? How can poor kids get ahead when schools favor the rich? As our planet gets smaller, cultural conflicts are becoming fiercer. Rather than lamenting our multicultural worlds, Hazel Rose Markus and Alana Conner reveal how we can leverage our differences to mend the rifts in our workplaces, schools, and relationships, as well as on the global stage. Provocative, witty, and painstakingly researched, *Clash!* not only explains who we are, it also envisions who we could become.

Click Kayla Miller, 2022-05-31 Olive wants to get in on the act . . . Any act! For fans of Raina Telgemeier comes the first book in the New York Times best-selling graphic novel series about friendship and finding where you click. Olive

"clicks" with everyone in the fifth grade -until one day she doesn't. When a school variety show leaves Olive stranded without an act to join, she begins to panic, wondering why all her friends have already formed their own groups... without her. With the performance drawing closer by the minute, will Olive be able to find her own place in the show before the curtain comes up? A heartfelt and insightful story about navigating friendships, leaning on family, and learning to take the stage in the most important role of all.

Culture Clash Jean Donaldson, 1996 The book that has shaped modern dog training and ownership with its unique and scientifically sound recognition of the cultural differences between dogs and humans. Dogs can't read so you need to in order to really understand your dog.

The Christmas Clash Suzanne Park, 2022-10-04 A PopSugar Best New Holiday Romance Book of 2022! Who's naughty and nice at Riverwood Mall? In this hilarious YA holiday rom-com, two rivals get together to save their families' livelihoods, and Christmas, too! Chloe Kwon can't stand Peter Li. It's always been that way. Their families don't get along either: their parents operate rival restaurants in the Riverwood Mall food court-Korean food for the Kwons and Chinese food for the Lis. Now it's the holiday season and Chloe's the photographer at the mall's Santa's Village, and Peter works at the virtual reality North Pole experience right across the atrium. It's all Chloe can do to avoid Peter's smug, incredibly photogenic face. But it turns out the mall is about to be sold to a developer and demolished for condos. Eviction notices are being handed out right before Christmas. Their parents don't know what to do, and soon Chloe and Peter realize that the two of them need to join efforts to try to save the mall. Just when it seems like they can put aside their differences and work

closely (very closely) together, they discover that the Kwon and Li feud goes far deeper than either of them realize... Perfect for readers who... The Clash Martin Popoff, 2022-05-31 THE STORIES BEHIND EVERY STUDIO TRACK FROM THE ONLY BAND THAT MATTERS. Established in 1976 at the fore London's punk rock insurgence, The Clash would outlast their peers while creating some of the most influential albums in rock 'n' roll history. Author Martin Popoff dissects each of the Clash's ninety-one studio tracks, examining the circumstances that led to their creation, the recording processes, the historical contexts and more. In addition, introductory essays set the

scene for the band's six studio releases (including the double LP London Calling and the triple Sandinista!) and feature sidebars detailing studios, release dates, personnel, and more. Illustrated with rare performance and offstage photography, along with images of 7-inch singles sleeves and gig posters, the resulting volume is a fitting tribute to the foursome whose staunch political stance and groundbreaking amalgam of punk, rockabilly, reggae, and hip-hop earned the title "The Only Band That Matters."

Clash Rick Bundschuh, Bethany Hamilton, 2009-08-30
It took real faith and courage to get Bethany back on a surfboard after losing her arm to a shark. In this new four-book fiction series based on the life of surfer star Bethany Hamilton, Bethany and her friends discover God's love and guidance as they tackle the waves that life hands them. Also available: Soul Surfer™ Bible, Ask Bethany, and Rise Above. In Clash, it's a challenge to their tight-knit group when a new girl with a secret crowds Bethany and her friends. Important heart issues lead to difficult decisions. In Burned, Bethany has a run-in with an unpleasant kid on a surf trip to Samoa and discovers something in the Samoan culture that brings healing and forgiveness. (added a return) In Storm, Bethany helps a young family lost on the Hanakapiai Trail. As Bethany's youth group struggles to raise funds for a mission trip, her small act of kindness blesses them all. In Crunch, Bethany meets a little boy at an orphanage in Mexico who must have his foot removed. Concerned by his condition, Bethany makes a promise to the child that threatens her opportunity to surf in a prestigious contest.

Act Kayla Miller, 2022-07-27 Act is the funny and honest follow-up to the middle school graphic novel sensations Click and Camp. How do you know when the person who can make the difference... is

you? Olive is excited to start grade 6: new teachers, new experiences, and a field trip to the big city with her best buds! But when Olive finds out that a school policy is keeping some kids from going on the trip, she decides to act. She's prepared to do whatever it takes to be heard—even if it means running against Trent and Sawyer, two of her closest friends, in the student council election! With intense campaign competition and emotions running high, can Olive make a big change and keep her friends? New York Times bestselling author-illustrator Kayla Miller crafts a genuine and inspiring story about evolving friendships, supportive family, and finding out that you—yes, you—have the power to make a difference.

In Defense of Ska Aaron Carnes, 2024-07-12 In a mix of interviews, essays, personal stories, historical snapshots, obscure anecdotes, and think pieces, this second expanded edition dissects, analyzes and celebrates ska in exactly the way fans have been craving for decades. With the addition of 4 new sections, Aaron adds to the already extensive compendium that was the first edition: The Importance of Christian Ska; After ska died in the '90s, the music went underground and returned to its roots; The ska roots of Fall Out Boy lead singer Patrick Stump; How Katrina created a vibrant ska scene in New Orleans. Aaron expands on the original edition with exciting interviews with Patrick Stump from Fall Out Boy who he interviewed on his podcast of the same name. In Defense of Ska: Ska Now More Than Ever is the much-needed response to years of ska-mockery. Now the time to take to the streets and fight music snobbery, or at least crank up the ska without being teased ruthlessly, has come. This book will enlist ska-lovers as soldiers in the ska army and challenge ska-haters' prejudices to the core.

We Are The Clash Mark Andersen, Ralph

Heibutzki, 2018-07-03 "An ambitious look at the last days of the Clash . . . as much a political history of the 1980s as it is a look at an influential band in its final years."—Publishers Weekly The Clash was a paradox of revolutionary conviction, musical ambition, and commercial drive. *We Are The Clash* is a gripping tale of the band's struggle to reinvent itself as George Orwell's 1984 loomed. This bold campaign crashed headlong into a wall of internal contradictions and rising right-wing power. While the world teetered on the edge of the nuclear abyss, British miners waged a life-or-death strike, and tens of thousands died from US guns in Central America, Clash cofounders Joe Strummer, Paul Simonon, and Bernard Rhodes waged a desperate last stand after ejecting guitarist Mick Jones and drummer Topper Headon. The band shattered just as its controversial final album, *Cut the Crap*, was emerging. Andersen and Heibutzki weave together extensive archival research and in-depth original interviews with virtually all of the key players involved to tell a moving story of idealism undone by human frailty amid a climatic turning point for our world. "The Clash's final chapter, after guitarist Mick Jones' 1983 departure, has largely been forgotten—until this book, in which authors Mark Andersen and Ralph Heibutzki argue that the punk pioneers were still creating vital music to the very end."—Rolling Stone, an RS Picks/New Books "Focuses on a very different moment in the band's history: the point at which the group splintered in the early 1980s, and its members grappled with an onset of reactionary governments around the world."—Vol. 1 Brooklyn "One of the most rewarding music books you'll come across this year."—Johns Hopkins Magazine

The Clash Within Martha C. Nussbaum, 2008 In this cautionary work, Nussbaum maintains that while America is focused on religious militancy and

terrorism in the Middle East, democracy has been under siege from religious extremism in another critical part of the world: India.

A Riot of Our Own Johnny Green, Garry Barker, 2019-05-02 'Hugely enjoyable ... Green's great achievement is to recapture exactly how those moments felt, but remain sufficiently detached about the whole thing to render the experience honestly' MOJO Johnny Green first met the Clash in 1977. *A RIOT OF OUR OWN* is his tale of three delirious years of rock 'n' roll madness as confidant and road manager of the Clash, from the early punk days to *LONDON CALLING* and touring America. Ray Lowry accompanied the band as official 'war artist' on the second American tour and designed the *London Calling* album cover. Together, in words and pictures, Green and Lowry give the definitive, inside story on one of the most magnificent rock 'n' roll bands ever.

Sound Clash C. Cooper, 2004-09-14 Megawattage sound systems have blasted the electronically-enhanced riddims and tongue-twisting lyrics of Jamaica's dancehall DJs across the globe. This high-energy raggamuffin music is often dismissed by old-school roots reggae fans as a raucous degeneration of classic Jamaican popular music. In this provocative study of dancehall culture, Cooper offers a sympathetic account of the philosophy of a wide range of dancehall DJs: Shabba Ranks, Lady Saw, Ninjaman, Capleton, Buju Banton, Anthony B and Apache Indian. Cooper also demonstrates the ways in which the language of dancehall culture, often devalued as mere 'noise,' articulates a complex understanding of the border clashes which characterize Jamaican society, and analyzes the sound clashes that erupt in the movement of Jamaican dancehall culture across national borders.

Clash Nicole Williams, 2012-11-26 For Lucy Larson and Jude Ryder, love might be the thing that just

isn't enough. The only easy thing about Jude and Lucy's relationship is their love for one another. Everything else is hard. Especially when it comes to reining in Jude's trigger touch temper and Lucy's increasing jealousy of the female attention that Jude attracts. Feeling the stress of trying to hang on to her quintessential bad boy while becoming the foremost dancer in her class, Lucy knows something's going to break. She wants both. She needs both. But if she doesn't make a choice, she risks losing everything. Full of passion, steamy scenes and hot romance, CLASH is a must for fans of BEAUTIFUL DISASTER and PERFECT CHEMISTRY.

Life of the Party Tea Hacic-Vlahovic, 2022-04-26
Life of the Party is a darkly humorous narrative set in Milan. The story swan dives into the underbelly of Milanese fashion and nightlife, through the eyes of Mia, a young expat. She came to Milan to escape her problems but only found new and more glamorous ones. Mia indulges in the highs and lows that drugs and men can offer, only to be left with herself in the end. Can you lose your innocence if you never had it in the first place? Tragic, fun, and artful-- Hacic-Vlahovic crafts a Beat novel for the Instagram generation. Life of the Party will leave you with a hangover and a VIP stamp on your heart.

Clash Jon Marshall, 2022-05 Donald Trump's presidency was marked by angry attacks on journalists, an extraordinary ability to capture the media spotlight, a flood of disinformation from the White House, and bitter partisanship reflected in the media. Trump's dysfunctional relationship with the press affected how the United States dealt with the crises of COVID-19, climate change, social unrest due to systemic racism, and efforts to overturn the 2020 election. But Trump's troubled relationship with the press didn't happen by chance. Clash explores the political, economic, social, and technological

forces that have shaped the relationship between U.S. presidents and the press during times of crisis. In addition to Trump's presidency, Clash examines those of John Adams, Abraham Lincoln, Woodrow Wilson, Franklin Roosevelt, Richard Nixon, Ronald Reagan, Bill Clinton, George W. Bush, and Barack Obama. Some of these presidents faced military or international crises. Others were challenged by economic downturns or political scandals. And sometimes the survival of America's system of government was at stake. By examining what happened between presidents and the press during these pivotal times, Clash helps us understand how we arrived at our current troubled state of affairs. It concludes with recommendations for strengthening the role the press plays in keeping presidents accountable.
