The Eagle's Claw Jeff Shaara,2021-06-01 NATIONAL BESTSELLER • In a “riveting” (Booklist) tale that picks up where *To Wake the Giant* left off, Jeff Shaara transports us to the Battle of Midway in another masterpiece of military historical fiction. Spring 1942. The United States is reeling from the blow the Japanese inflicted at Pearl Harbor. But the Americans are determined to turn the tide. The key comes from Commander Joe Rochefort, a little known “code breaker” who cracks the Japanese military encryption. With Rochefort’s astonishing discovery, Admiral Chester Nimitz will know precisely what the Japanese are planning. But the battle to counter those plans must still be fought. From the American side, the shocking conflict is seen through the eyes of Rochefort and Admiral Nimitz, as well as fighter pilot Lieutenant Percy “Perk” Baker and Marine Gunnery Sergeant Doug Ackroyd. On the Japanese side, Admiral Isoroku Yamamoto is the mastermind. His key subordinates are Admiral Chuichi Nagumo, aging and infirm, and Admiral Tamon Yamaguchi, a firebrand who has no patience for Nagumo’s hesitation. Together, these two men must play out the chess game designed by Yamamoto, without any idea that the Americans are anticipating their every move on the sea and in the air. Jeff Shaara recounts in electrifying detail what happens when these two sides finally meet, in what will be known ever after as one of the most definitive and heroic examples of combat ever seen. In *The Eagle’s Claw*, he recounts, with his trademark you-are-there immediacy and signature depth of research, one single battle that changed not only the outcome of a war but the course of our entire global history. The story of Midway has been told many times, but never before like this.

Branded as traitors, the four must uncover the plot against them, all while unraveling the mysteries of a set of powerful relics tied to an ancient secret. Their search brings Conor home to Trunswick, where there will be no hero's welcome. They find the city transformed: the castle burned to ground and the townsfolk poor and desperate. With a handsome reward offered for their capture, who can the heroes trust?

Legacy of the Claw C. R. Grey,2014-10-28 To twelve-year-old Bailey Walker, kin means more than just family. It means being a part of the Animas bond, a harmonious link that connects humans and animals, and guides everything in his world. But Bailey hasn't found his kin yet, and without an Animas, he's destined to be an outsider???or worse, lose his mind entirely. So when he's accepted into the prestigious Fairmount Academy, he's determined to Awaken to his Animas once and for all, even if it's a measly worm. But once there, Bailey can't resist the pull of the dark mysteries surrounding the kingdom. A bear has been viciously attacked on school grounds, and when he and his friends discover signs of a ferocious predator in the woods surrounding campus, he knows something's out there, something dangerous. And Fairmount isn't the only place where darkness is brewing. In the capital city, a new leader preaches that humans must assert power over their kin, enslave them instead of living as one. Bailey can't shake the feeling that the root of the unrest, and the key to his Awakening, lies in an old riddle entwined around an even older prophecy???a prophecy that may reveal the truth about the rightful king of Aldermere. And Bailey may be the only one who can unravel them. The capital's dark forces will stop at nothing to prevent the prophecy from coming true. If they succeed, the Animas bond will be in peril. Can Bailey help protect the Animas bond while still trying to awaken to his own? In this first installment of the gripping ANIMAS series, the battle is just beginning.

Now, she speaks of nothing but the moment she will face the evil Netherese lord Herzgo Alegni—a moment she has been waiting for since she was just a child. Though Drizzt and Dahlia’s bond is no longer just one of friendship, there is much he does not know about his new lover. What is the driving force behind the darkness he’s seen within her? Can he justify another battle to settle a grudge he does not understand? But Dahlia isn’t the only one seeking vengeance against Alegni. Artemis Entreri, Drizzt’s former enemy, offers to aid Dahlia in her mission, hoping it will win him his freedom. But partnering with Entreri poses new challenges: Charon’s Claw, Algeni’s sentient sword, dominates Entreri’s movements—if not his mind. And then there’s the way Entreri looks at Dahlia, causing Drizzt to wonder if the cunning assassin is still more foe

than friend. Charon's Claw is the third book in the Neverwinter Saga and the twenty-fifth installment in the Legend of Drizzt series.
