Barbara L. Fredrickson, Ph.D.

Connected Nicholas A. Christakis, James H. Fowler, 2009-09-28 Celebrated scientists Nicholas Christakis and James Fowler explain the amazing power of social networks and our profound influence on one another's lives. Your colleague's husband's sister can make you fat, even if you don't know her. A happy neighbor has more impact on your happiness than a happy spouse. These startling revelations of how much we truly influence one another are revealed in the studies of Dr. Christakis and Fowler, which have repeatedly made front-page news nationwide. In *Connected*, the authors explain why emotions are contagious, how health behaviors spread, why the rich get richer, even how we find and choose our partners. Intriguing and entertaining, *Connected* overturns the notion of the individual and provides a revolutionary paradigm—that social networks influence our ideas, emotions, health, relationships, behavior, politics, and much more. It will change the way we think about every aspect of our lives.

Connection Randy Olson, Dorie Barton, Brian Palermo, 2013 The power and importance of storytelling is now widely accepted, but this book goes further to focus on storymaking. *CONNECTION* brings together a former scientist, a story consultant, and an improv actor to give you the critical thinking of science combined with a century of Hollywood knowledge in the creation and shaping of stories. The material is relevant to lawyers, politicians, public health workers, educators, activists-- everyone. In today's Twitterfied world, *CONNECTION* provides the narrative tools for effective communication.

The Book of Nature Connection Jacob Rodenburg, 2022-04-19 Unplug from technology and plug in to nature through the wonder of your senses. *The Book of Nature Connection* is packed with fun activities for using all our senses to engage with nature in a deep and nourishing way. From extend-a-ears and acorn whistles to bird calls, camouflage games, and scent scavenger hunts, enjoy over 70 diverse, engaging, sensory activities for all ages that promote mindfulness and nature connection. With activities grouped by the main senses – hearing, sight, smell, touch, and taste – plus sensory walks and group games, *The Book of Nature Connection* is both a powerful learning tool kit and the cure for sensory anesthesia brought on by screen time and lives lived indoors. Whisper in birds, be dazzled by nature's kaleidoscope of colors, taste the freshness of each season, learn to savor the scented world of evergreens, hug a tree and feel the bark against your cheek. Spending time in nature with all senses tuned and primed helps us feel like we belong to the natural world – and in belonging, we come to feel more connected, nourished, and alive. Ideal for educators, camp and youth leaders, caregivers and parents, and anyone looking to reconnect and become a nature sommelier! [Dis]Connected Volume 1 Amanda Lovelace, Iain S Thomas, Nikita Gill, Trista Mateer, Cyrus Parker, 2018-10-01 Humanity exists in a hyper connected world, where our closest friends, loves and enemies lie but a keyboard stroke away. Few know this better than the poets who have risen to the top of their trade by sharing their emotion, opinion and art with millions of fans. What happens when... Poets connect with readers? Poets connect with each other? Poetry connects with short fiction? Combining the forces of some of today's most popular and confessional poets, *[DIS]CONNECTED* presents poems and short stories about connection wrapped up in a most unique exercise in creative writing. Follow along as your favorite poets connect with each other; offering their work to the next poet who tells a story based on the concept presented to them. With contributions from: Amanda Lovelace Nikita Gill Iain S. Thomas Trista Mateer Cyrus Parker R.H. Swaney Pierre Alex Jeanty Liam Ryan Yena Sharma Purmasir Canisia Lubrin Sara Bond With poetry, stories and art, *[DIS]CONNECTED* is a mixed media presentation of connection and collaboration. Be sure to also read *[DIS]CONNECTED* Volume Two.

The Connections Book Emma Serlin, 2017-08-07 This book will give people simple usable tools to improve and enrich their communication in 5

key areas, so they feel more confident and effective in meetings, presentations, interviews, social situations and can even have arguments more effectively

The Unexpected Connection Dena Levin, 2019-01-15 While sitting poolside near her grandmother's West Palm Beach condo, young millennial Vanessa overhears a strange conversation: "What, you want to have phone sex?" Accustomed to little more than old folks with their card games and early bird dinners, Vanessa is shocked—but intrigued—and soon makes the acquaintance of Michelle. As it turns out, Michelle is a widow trying online dating, while Vanessa is single and still recovering from tragic loss. Their morning meetings become a comforting daily occurrence. Separated by decades in age, the two women are extremely similar in many other ways and become fast friends. For Michelle, being single, no matter what age, is a roller coaster: one can accept the excitement and unpredictability or get off the ride. Michelle has learned to embrace the ride, and she encourages Vanessa to do the same, no matter past trauma. Michelle even gifts Vanessa with her memoir, *Keep Walking*, based on her life as a widow and her baby boomer dating experience. At home in New York, Vanessa will have decisions to make as she has a new job waiting and a possible relationship in the wings. Michelle's insights and optimism change everything. Surviving life is a challenge, but to thrive, young Vanessa must find her authentic self, all with the help of a serendipitous friendship by a Florida pool. *The Unexpected Connection* is a provocative book filled with timely stories, insightful reflections, and humor that readers of all ages, gender, and personal status can relate to. As the tales are told, the reader becomes witness to the inner struggles and ultimate growth both Michelle and Vanessa experience. As with *The Dance Partner* we may love to dance but finding the right partner is a challenge. F.J. Strauss- Author, Life Coach, Professor

Clarity & Connection Yung Pueblo, 2021-04-27 NEW YORK TIMES BESTSELLER From the celebrated author of *Inward* comes the second in series, a collection of poetry and short prose focused on understanding how past wounds impact our present relationships. In *Clarity & Connection*, Yung Pueblo describes how intense emotions accumulate in our subconscious and condition us to act and react in certain ways. In his characteristically spare, poetic style, he guides readers through the excavation and release of the past that is required for growth. To be read on its own or as a complement to *Inward*, Yung Pueblo's second work is a powerful resource for those invested in the work of personal transformation, building self-awareness, and deepening their connection with others.

Together Vivek H. Murthy, M.D., 2020-04-07 The book we need NOW to avoid a social recession, Murthy's prescient message is about the importance of human connection, the hidden impact of loneliness on our health, and the social power of community. Humans are social creatures: In this simple and obvious fact lies both the problem and the solution to the current crisis of loneliness. In his groundbreaking book, the 19th surgeon general of the United States Dr. Vivek Murthy makes a case for loneliness as a public health concern: a root cause and contributor to many of the epidemics sweeping the world today from alcohol and drug addiction to violence to depression and anxiety. Loneliness, he argues, is affecting not only our health, but also how our children experience school, how we perform in the workplace, and the sense of division and polarization in our society. But, at the center of our loneliness is our innate desire to connect. We have evolved to participate in community, to forge lasting bonds with others, to help one another, and to share life experiences. We are, simply, better together. The lessons in *Together* have immediate relevance and application. These four key strategies will help us not only to weather this crisis, but also to heal our social world far into the future. Spend time each day with those you love. Devote at least 15 minutes each day to connecting with those you most care about. Focus on each other. Forget about multitasking and give the other person the gift of your full attention, making eye contact, if possible, and genuinely listening. Embrace solitude. The first step toward building stronger connections with others is to build a stronger connection with oneself. Meditation, prayer, art, music, and time spent outdoors can all be sources of solitary comfort and joy. Help and be helped. Service is a form of human connection that reminds us of our value

and purpose in life. Checking on a neighbor, seeking advice, even just offering a smile to a stranger six feet away, all can make us stronger. During Murthy's tenure as Surgeon General and during the research for *Together*, he found that there were few issues that elicited as much enthusiastic interest from both very conservative and very liberal members of Congress, from young and old people, or from urban and rural residents alike. Loneliness was something so many people have known themselves or have seen in the people around them. In the book, Murthy also shares his own deeply personal experiences with the subject--from struggling with loneliness in school, to the devastating loss of his uncle who succumbed to his own loneliness, as well as the important example of community and connection that his parents modeled. Simply, it's a universal condition that affects all of us directly or through the people we love—now more than ever.

Pocket Guide to Facilitating Human Connections Rod Lee, Chad Littlefield, 2015-05-18 This incredible resource is a guide to facilitating powerful activities to create more connected and more engaged teams.

On Connection Kae Tempest, 2020-09-29 Beneath the surface we are all connected . . . 'An authentically soothing, powerful, thought-provoker.' MATT HAIG 'On Connection is medicine for these wounded times.' MAX PORTER 'On Connection came to me when I needed it most, and reminded me that the links we have to places, people, words, ourselves, are what keep us alive.' CANDICE CARTY-WILLIAM 'This is a book about connection. About how immersing ourselves in creativity can help us cultivate greater self-awareness and bring us closer to each other. Drawing on two decades of experience as a writer and performer, Kae Tempest champions the role of creativity - in whatever form we choose to practice it - as an act of love, helping us establish a deeper relationship to our true selves, and to others and the world we live in. Honest, hopeful and written with piercing clarity, *On Connection* is an inspiring personal meditation that will transform the way you see the world.' Persuasive and profound.' OBSERVER 'Tempest's prose is crisp and thoughtful.' NEW STATESMAN

Discovering Connection Teresa Ferguson, Bruce Walker, Joyce Walker, David Ferguson, 2020-06-23 *Discovering Connection* is the first step in your journey toward deeper connection with God and other people. Seventy percent of adults report feeling lonely much of the time. In spite of being around people, many of us long for greater connection and more meaningful relationships. God has created us to need deep connection with him and others, but many of us don't know how to create those connections. This practical resource shows you how!

The Dance of Connection Harriet Lerner, 2009-10-13 Bestselling author Harriet Lerner focuses on the challenge and the importance of being able to express one's authentic voice in intimate relationships. The key problem in relationships, particularly over time, is that people begin to lose their voice. Despite decades of assertiveness training and lots of good advice about communicating with clarity, timing, and tact, women and men find that their greatest complaints in marriage and other intimate relationships are that they are not being heard, that they cannot affect the other person, that fights go nowhere, that conflict brings only pain. Although an intimate, long-term relationship offers the greatest possibilities for knowing the other person and being known, these relationships are also fertile ground for silence and frustration when it comes to articulating a true self. And yet giving voice to this self is at the center of having both a relationship and a self. Much as she did in *THE MOTHER DANCE*, Lerner will approach this rich subject with tales from her personal life and clinical work, inspiring and teaching readers to speak their own truths to the most important people in their lives.

Love Connection Camilla Isley, 2016-10-08 *Love Connection* is a romantic comedy about one woman, life's infinite possibilities, and the destiny that lies beyond two different choices.

The Connection Romona Kolma, 2022-06-10 The Lord wants a connection with His people. He doesn't want us to do the work completely on our own, He doesn't want us to move ahead of him, and He does not want us to lag behind. He wants our cooperation in completing the work He has

begun in us. When we lose our focus on Him and we try to fix the problem ourselves or we cannot see when He will fulfill His promise to us, so we move ahead of Him, thinking we are helping. All of a sudden we find ourselves in the middle of disasters, confusion, and bewilderment. It is at those very times when we let go that He then will reach down and pull us up. He can and will connect us back to Him when we let go of our plans and allow His plans to shine through you. It's our willingness to surrender ourselves for His purposes. This is a statement I read that sums it all up: The Lord has a great work to be done, and He will bequeath the most in the future life to those who do the most faithful, willing service in the present life. The Lord chooses His own agents, and each day under different circumstances, He gives them a trial in His plan of operation. In each truehearted endeavor to work out His plan, He chooses His agents, not because they are perfect but because, through a connection with Him, they may gain perfection. (BLJ 277.2)

Craving Connection (in)courage, 2017-01-10 Craving Connection: 30 Challenges for Real Life Engagement is a journey with (in)courage writers sharing real-life stories, practical Scripture application, and connection challenges to deepen the reader's understanding of Scripture in order to invest in the people and community around them.

Love 2.0 Barbara L. Fredrickson, Ph.D., 2013-01-24 In this groundbreaking relationship book, positive emotions expert Barbara L. Fredrickson gives us an entirely new way of understanding love and appreciating its benefits. "A radically new conception of love."—The Atlantic Even more than happiness and optimism, love holds the key to improving our mental and physical health as well as lengthening our lives. Using research from her own lab, Barbara L. Fredrickson redefines love not as a stable behemoth, but as micro-moments of connection between people—even strangers. She demonstrates that our capacity for experiencing love can be measured and strengthened in ways that improve our health and longevity. Finally, she introduces us to informal and formal practices to unlock love in our lives, generate compassion, and even self-soothe. Rare in its scope and ambitious in its message, *Love 2.0* will reinvent how you look at and experience our most powerful emotion. "I wish I had known years ago about... Barbara Fredrickson... In particular her theory that accumulating 'micro-moments of positivity,' like my daily interaction with children, can, over time, result in greater overall well-being."—Jane Brody, The New York Times

The Greek Connection James H. Barron, 2020-07-13 Spanning from WWII to the Cold War and beyond, this is the "magnificent . . . triumphant" biography of the investigative journalist, resistance fighter, and whistle blower who helped expose the Watergate scandal (Doris Kearns Goodwin, author of *Leadership*) He was one of the most fascinating figures in 20th-century political history. Yet today, Elias Demetracopoulos is strangely overlooked—even though his life reads like an epic adventure story . . . As a precocious twelve-year-old in occupied Athens, he engaged in heroic resistance efforts against the Nazis, for which he was imprisoned and tortured. After his life was miraculously spared, he became an investigative journalist, covering Greece's tumultuous politics and America's increasing influence in the region. A clever and scoop-hungry reporter, Elias soon gained access to powerful figures in both governments—and attracted many enemies. When the Greek military dictatorship took power in 1967, he narrowly escaped to Washington DC, where he would lead the fight to restore democracy in his homeland—while running afoul of the American government, too. Now, after a decade of research and original reporting, James H. Barron uncovers the story of a man whose tireless pursuit of uncomfortable truths would put him at odds with not only his own government, but that of the Truman, Eisenhower, Kennedy, Johnson, Nixon, Ford, Carter and Reagan administrations, making him a target of CIA, FBI, and State Department surveillance and harassment—and Greek kidnapping and assassination plots American authorities may have purposefully overlooked. A stunning feat of biographic storytelling, sweeping from World War II to the Cold War, Watergate and beyond, *The Greek Connection* is about a lifetime of standing up for democracy and a free press against powerful special interests. It has much to teach us about our own era's abuses of power, dark money, journalist intimidation, and foreign interference in

elections.

The Wolf Connection Teo Alfero, 2019-06-25 Discover the transformative lessons from one of humanity's oldest teachers—the wolf—with this enthralling, accessible, and “beautiful book” (Helen Hunt, Academy Award-winning actress) that “is rich with meaning, emotion, and spirit. A must read” (Douglas W. Smith, PhD, leader of the Wolf Restoration Project at Yellowstone National Park) to help us restore our connection with nature, our communities, and our deepest selves. Myths from cultures around the world show that wolves have enthralled humankind for millennia. In *The Wolf Connection*, Teo Alfero, shamanic practitioner and wolf conservancy founder, shows how interacting with wolves and wolfdogs can benefit people from all walks of life. By restoring our ancestral bond with these resourceful beings, we can reclaim the best of what it means to be human. *The Wolf Connection* offers twelve Wolf Principles to awaken our intuition, live more authentically, and heal from trauma. The principles draw on knowledge that Teo and the Wolf Connection sanctuary team have gleaned firsthand through their Wolf Therapy® education and empowerment program, as well as the findings of wolf biologists and the wisdom of First Nation elders. Stories from myriad sources including Wolf Heart Ranch provide a compelling understanding of the lessons wolves have to offer us.

The Cuban Connection Eduardo Sáenz Rovner, 2009-06-01 A comprehensive history of crime and corruption in Cuba, *The Cuban Connection* challenges the common view that widespread poverty and geographic proximity to the United States were the prime reasons for soaring rates of drug trafficking, smuggling, gambling, and prostitution in the tumultuous decades preceding the Cuban revolution. Eduardo Saenz Rovner argues that Cuba's historically well-established integration into international migration, commerce, and transportation networks combined with political instability and rampant official corruption to help lay the foundation for the development of organized crime structures powerful enough to affect Cuba's domestic and foreign politics and its very identity as a nation. Saenz traces the routes taken around the world by traffickers and smugglers. After Cuba, the most important player in this story is the United States. The involvement of gangsters and corrupt U.S. officials and businessmen enabled prohibited substances to reach a strong market in the United States, from rum running during Prohibition to increased demand for narcotics during the Cold War. Originally published in Colombia in 2005, this first English-language edition has been revised and updated by the author.
