**Craigslist Confessional** Helena Dea Bala, 2020-07-07 “Touching.” —The New York Times For fans of *Humans of New York* and *PostSecret*, a collection of raw, urgent, and heartfelt stories, shared anonymously. Helena Dea Bala was an exhausted and isolated DC lobbyist, suffocating under the weight of her student loan debt, when she decided to split her lunch with a man who often panhandled near her office. They chatted effortlessly as they ate; there were no half-truths or white lies, and no fear of judgment. Helena felt connected and unburdened in a way she hadn’t in years. Inspired, she posted an ad on Craigslist promising to listen, anonymously and for free, to whatever the speaker felt he or she couldn’t tell anyone else. Emails from people desperate to connect flooded her inbox, and she listened. Within months, Helena quit her job, deferred her loans, and dove into listening full time. The forty first-person confessions in this book are vivid, intimate, and real; they range from devastating traumas, to lost loves, to reflections on hard choices. Some accounts are quotidian, like that of one increasingly estranged husband: “I want to feel that we’re not just roommates—that we’re not just waiting for the kids to grow up so that we can move on.” Others are deeply disconcerting, like that of a sex addict employed by a religious organization and several are heartening, like that of a mother who dares to hope that her daughter, born with life-threatening heart defects, will one day walk down the aisle: “Sometimes you need to have the audacity to believe that it will all be okay, that it is okay to have the same kinds of dreams as everyone else.” In its complex portrayal of the common human experience, *Craigslist Confessional* challenges us to explore the depths of our vulnerability and expand the borders of our empathy.

**The Craigslist Model** Gene Geter, 2020-11-01 It’s the job of the photographer to capture a moment within a lonesome medium. A photographer can meet and photograph people from all walks of life. Throughout Slade West’s life as a photographer, he is often asked who is the craziest model that he ever worked with. The one he met on Craigslist. Her name was Karen Zoom. Based on the idiocy of Kayllen Huan Zhang.

*An Internet for the People* Jessa Lingel, 2022-06-14 How craigslist champions openness, democracy, and other vanishing principles of the early web Begun by Craig Newmark as an e-mail to some friends about cool events happening around San Francisco, craigslist is now the leading classifieds service on the planet. It is also a throwback to the early internet. The website has barely seen an upgrade since it launched in 1996. There are no banner ads. The company doesn’t profit off your data. *An Internet for the People* explores how people use craigslist to buy and sell, find work, and

find love—and reveals why craigslist is becoming a lonely outpost in an increasingly corporatized web. Drawing on interviews with craigslist insiders and ordinary users, Jessa Lingel looks at the site's history and values, showing how it has mostly stayed the same while the web around it has become more commercial and far less open. She examines craigslist's legal history, describing the company's courtroom battles over issues of freedom of expression and data privacy, and explains the importance of locality in the social relationships fostered by the site. More than an online garage sale, job board, or dating site, craigslist holds vital lessons for the rest of the web. It is a website that values user privacy over profits, ease of use over slick design, and an ethos of the early web that might just hold the key to a more open, transparent, and democratic internet.

Craigslist is a great nationwide garage sale, and there is much to be found for deals for both buyers and sellers. If you exercise proper precautions you will find that everyone you meet is generally interested and enthusiastic about making mutually beneficial transactions. It's a great way to move some of the extra items you have, make a few extra dollars, or even a potential living by selling goods on Craigslist. We like it because it takes away a lot of the third party element that costs you money in making a sale. There's no final value fees, listing fees, or shipping headaches. The customers are real, and often times can be a source of repeat business or other referrals. So, take these tips in mind and we wish you the best of luck in making Craigslist a great source for your own benefit!

The Craigslist Murders Brenda Cullerton, 2011 Working on New York's Upper East Side for phenomenally rich and frighteningly skinny women who are suffering from BBS (Birkin Bag Syndrome - a muscle ailment due to carrying heavy accessories) has driven interior designer Charlotte Wolfe mad. She gets even angrier when she begins to encounter the same thing over and over again: these women are so cheap they go on Craigslist to sell things their husband kept from wife number one. As Charlotte's funds dwindle, her devious rage escalates...

**Craigslist Money Making Guide for Beginners** Bri,2015-05-09 There is an untapped resource out there for many people. It is called Craigslist. If you are not aware of what it is, it is simple. It is an online classified site. There are a vast number of categories and a list of the most common cities. You can place an ad for free most of the time. You simply pick your city and category and type in your ad. You can place pictures in the ad and edit any of it at any time. The site has been around forever but was basically ignored for a long while. There were some that used the site left and right, but it was a bit of a cult following. These days it is easily the most popular site of its type. The site itself has a no frills type of look. The first page you see is nothing but text listing after text listing, but the usefulness of the site is immeasurable. So, let's get started so you too can make money with Craigslist!

**Ideas for Making Money on Craigslist** Haytham Al Fiqi,2016-04-29 There are many advantages of using craigslist.org to make money. The fact that this website reaches over 450 different communities and that almost every type of ad is free, there is very little reason not to post items and services for sale. Exactly what are the advantages of using craigslist.org to make money? The answer is very simple, it is free and easy to do. That's all good and fine, but we really should elaborate. First of all, anyone who has a valid email address can post an ad. This makes joining very easy. All you have to do is upload a picture if necessary and write a good ad. You can post just about anything on craigslist.org. From services and items for sale, to real estate and cars, and even job postings (although there is a charge for this in 10 cities), you can find anything and sell just about anything that

is legal for sale. Selling items and services on craigslist.org is a great way to add extra income. It does not take a lot of effort and you can bring in a decent amount of money selling off your old and unwanted items. Some people also run their own business off of craigslist.org. Are you creative? Can you fix cars? Cars are bought, fixed up, and sold for a profit. Creative people sell quilts, crafts, and other items they have made. Yard sale junkies sell this weeks finds. It is all free, fun and profitable. This is the main advantage of using craigslist.org to make money.

*My Life on Craigslist* Alexandra Ares, 2011-05-13 Craigslist can be a real sharkfest! But it's a mirror of who we are. Alexandra Ares takes these two statements to their darkest and funniest place in this page turner satire of today's wildest mores shamelessly unleashed on America's largest free online dating website. A zany and original New Yorker trolls Craigslist for fun, love, sex, relationships and everything else, but she's doomed to run from trouble to trouble. Meet Emily Thompson, 25, quirky, wholesome, with a keen eye for contemporary art. One year after she moves from Buffalo to the trendy East Village, where she lands a job in an art gallery and an artist boyfriend, her life is turned upside down when she loses everything. Alone, broke and depressed, she turns to Craigslist to find everything she needs for both fun and survival. She soon discovers a wild, flawed world where everyone is either the con or the conned, and decency has flown both the laptop and the desktop. **How to Make Money Posting Ads on Craigslist** Richard Ravenscraft,2014-04-14 You have a massive number of options available to promote your website and your business. Knowing which way to turn can be confusing. Display ads, classified advertising, linking, search engine optimization (SEO), and other methods are all excellent opportunities to help people learn more about what you have to offer. One of the hottest websites for buying and selling today is Craigslist. This is a tremendous website that offers opportunities to advertise for job openings and to create classified ads to buy and sell. It is a much more cost-effective option than traditional classified ads in newspapers and it reaches a much broader audience. When you mention online classified ads, the first site most people think of is Craigslist. This phenomenal website was created and started by Craig himself! Craig Newmark decided it was time to introduce classified advertising to the Internet in a big way. His incredible foresight and innovation has resulted in the most popular classified advertising site online today.

**Banging Your Way Across Craigslist** Braun Schweiger,2014-03-09 Do you want to know the real secret to getting laid by a different woman every night? The problem most guys have hooking up on Craigslist is they let their dick get in the way of their commonsense. Guys, I hate to tell you but women are just like you. They want to see a face or body pic. It's their natural defense action at work. They want to make sure you're not super fat, or a one eyed Cyclops, or some sort of psycho killer type. Most women aren't going to respond to your ad if it's titled Let's fuck! Suck on this. Or I've got a really big package waiting for you! Women are looking for something a little different. Sure most of them want it as bad as you do, but they don't like to think of themselves as sluts. They want to have a great date, and just sort of have the sex follow naturally if it's meant to happen. Women are looking for a little finesse, and a little romancing. Women want the boyfriend experience even if you both know it's just for one night. So what's a guy to do? That's what this book is all about. First, we're going to take a look at the ads most guys post on Craigslist and examine what the hell's wrong with them. Second, we're going to look at the ads women post on Craigslist and try to figure out what they want. Finally, we're going to put together a strategy, and develop some sample ads that will help you get what you want as well as help the women who respond to your ads get what they want.
