Daily Rituals Mason Currey,2013-04-23 More than 150 inspired—and inspiring—novelists, poets, playwrights, painters, philosophers, scientists, and mathematicians on how they subtly maneuver the many (self-inflicted) obstacles and (self-imposed) daily rituals to get done the work they love to do. Franz Kafka, frustrated with his living quarters and day job, wrote in a letter to Felice Bauer in 1912, “time is short, my strength is limited, the office is a horror, the apartment is noisy, and if a pleasant, straightforward life is not possible then one must try to wriggle through by subtle maneuvers.” Kafka is one of 161 minds who describe their daily rituals to get their work done, whether by waking early or staying up late; whether by self-medicating with doughnuts or bathing, drinking vast quantities of coffee, or taking long daily walks. Thomas Wolfe wrote standing up in the kitchen, the top of the refrigerator as his desk, dreamily fondling his “male configurations”.... Jean-Paul Sartre chewed on Corydrane tablets (a mix of amphetamine and aspirin), ingesting ten times the recommended dose each day ... Descartes liked to linger in bed, his mind wandering in sleep through woods, gardens, and enchanted palaces where he experienced “every pleasure imaginable.” Here are: Anthony Trollope, who demanded of himself that each morning he write three thousand words (250 words every fifteen minutes for three hours) before going off to his job at the postal service, which he kept for thirty-three years during the writing of more than two dozen books ... Karl Marx ... Woody Allen ... Agatha Christie ... George Balanchine, who did most of his work while ironing ... Leo Tolstoy ... Charles Dickens ... Pablo Picasso ... George Gershwin, who, said his brother Ira, worked for twelve hours a day from late morning to midnight, composing at the piano in pajamas, bathrobe, and slippers.... Here also are the daily rituals of Charles Darwin, Andy Warhol, John Updike, Twyla Tharp, Benjamin Franklin, William Faulkner, Jane Austen, Anne Rice, and Igor Stravinsky (he was never able to compose unless he was sure no one could hear him and, when blocked, stood on his head to “clear the brain”).

The Whiteboard Daily Book of Cues Karl Eagleman,2022-07-26 There is no such thing as a “golden cue” that works for everyone 100% of the time. Therefore, the more cues a coach has in their toolbox, the more likely they will be able to effectively communicate with their athletes. Coaches use cues—short, easy-to-remember phrases—to help athletes perform movements correctly as well as to convey useful sports psychology perspectives. Athletes commonly hear movement cues like “Crush the Can” and “Grip the Ground” along with motivational cues like “Consistency is King.” A passionate coach, lifelong athlete, and advanced degree holder in kinesiology, Karl Eagleman, creator of the popular Whiteboard Daily Instagram, has put together a valuable resource for coaches, athletes, and anyone who wants to improve their own movement. The Whiteboard Daily Book of Cues contains a comprehensive collection of illustrations drawn on a whiteboard—a medium that virtually all coaches are familiar with. It boasts the largest list of cues ever compiled, covering Olympic weightlifting, powerlifting, gymnastics, kettlebell exercises, and monostructural movements (running, rowing, jumping rope, etc.). Each illustration is hand drawn in a simple, stylized way to make the cues easy to retain and to utilize during training. No two athletes are the same; we all learn in our own unique ways. By providing hundreds of cues, this book will help coaches and athletes learn a new way to understand movement for themselves and/or to communicate safe, effective movement to others.

My Daily Journal My Daily Journal,2015-12-21 Are you harnessing the power of a journal? If you are going through life right now feeling like everything is out of control or that things are not happening the way you planned, you need a journal. I don't mean to be too direct, but it is time for you to discover why you feel the way you do and then figure out what to do about it. Or you can just write stuff in it! The great thing about a lined journal is you can make it into anything you want. A day timer, travel journal, diary, notebook for school, etc. If you need to write something down, a journal is the tool you need. If you want to use it for more than just a notepad then keep reading. Benefits Of Keeping A Journal Almost every successful person seems to have kept a journal in one form or another. Success in this case is not defined by money but overall happiness. Whether or not they called it journaling doesn't matter as they kept a record of their goals, success, failures, feelings and their daily life. Your journal contains the answers to your most burning questions. It is literally the best self-help book you could ever read because it is all about you. Just some of the benefits of journaling are: Allows you to reflect on your life and the changes you are choosing to make or not make Clarifies your thinking and as Tony Robbins says Clarity is Power Houses all your million dollar ideas that normally get lost in all the noise of life Exposes repeated patterns of behaviors that get you the results you DON'T want Acts as a bucket for you to brain dump in - a cluttered mind leads to a disorganized life Revisits daily situations giving you a chance to look at it with a different perspective Doesn't crash and lose everything you put into it like electronics (just like electronics though don't get it wet) You may want to keep multiple journals. One that contains your truest and most secret feelings that you guard heavily, but need a way to express. Another that contains all those fantastic ideas, dreams and awesome goals. Maybe just something you doodle in. No matter how you use it getting into the daily habit of journaling has the potential to improve the quality of your life. How To Use A journal Let's look past the simple fact you know how to physically write in a journal and dig into how to actually use your journal. It might contain all the secrets to life's biggest problems but unless you know how to uncover those secrets they stay hidden away in your words. Let the words flow from the heart and be filled with emotions, no holdbacks Make a daily journaling schedule. Each and every day take the time to record your thoughts morning and night. If you love to type notes into your phone all day transfer them to your journal after. Sit in a quiet spot and allow yourself to be judgement free. Your journal is not a reason to turn yourself into an emotional punching bag. Start small. You do not need to write a specific number of words. Just the right amount of honest words that let you feel a sense of being free from negativity and energized with possibility. If you write in your journal like someone is going to read it, you will ever allow yourself to fully express what needs to be expressed. Write like no one will ever read it because it is likely no one ever will unless you want them to. Write how you loved something, were mad at someone, wished something was different or anything you need to. Just do it. Start today writing in your journal. You could even put Today I bought this awesome journal and will recommend all my friends do the same. Wink Wink Scroll up and hit the add to cart button now.

Livingood Daily Livingood,2017-12-24 America takes 75% of the worlds medications and seven out of ten people die of chronic and preventable diseases. The health care system meant to remedy this problem is now the third leading cause of death itself. This exists because we often ignore our health or assume we are healthy until disease hits. Then once disease hits we manage the sickness with drugs and surgeries. That's not health care, that's sick care. This book is the guide to experience real health. If you manage sickness and disease you get sickness and disease, if you build health you get health.

The Daily Mirror David Lehman,2000-01-04 Following in the footsteps of such poets as Emily Dickinson, William Stafford, and Frank O'Hara, David Lehman began writing a poem a day in 1996 and found the experience so rewarding that he continued for the next two years. During that time, some of these poems appeared in various journals and on Web sites, including The Poetry Daily site, which ran thirty of Lehman's poems in as many days throughout the month of April 1998. For The Daily Mirror, Lehman has selected the best of these daily poems -- each tied to a specific occasion or situation -- and telescoped two years into one. Spontaneous and immediate, but always finely crafted and spiced with Lehman's signature irony and wit, the poems are akin to journal entries charting the passing of time, the deaths of great men and women, the news of the day. Jazz, Sinatra, the weather, love, poetry and poets, movies, and New York City are among their recurring themes. A departure from Lehman's previous work, this unique volume provides the intimacy of a diary, full of passion, sound, and fury, but with all the aesthetic pleasure of poetry. More a party of poems than

a standard collection, *The Daily Mirror* presents an exciting new way to think about poetry.

The Daily Stoic Ryan Holiday,Stephen Hanselman,2016-10-18 The beloved classic daily devotional of Stoic meditations—the only authorized print edition in the US and complete with a ribbon marker—with more than two million copies sold! Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

The Daily Show (The Book) Chris Smith,2016-11-22 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour

political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
