

Dallas

Patricia Evridge Hill

Dallas Patricia Evridge Hill,2010-01-01 From the ruthless deals of the Ewing clan on TV's Dallas to the impeccable customer service of Neiman-Marcus, doing business has long been the hallmark of Dallas. Beginning in the 1920s and 1930s, Dallas business leaders amassed unprecedented political power and civic influence, which remained largely unchallenged until the 1970s. In this innovative history, Patricia Evridge Hill explores the building of Dallas in the years before business interests rose to such prominence (1880 to 1940) and discovers that many groups contributed to the development of the modern city. In particular, she looks at the activities of organized labor, women's groups, racial minorities, Populist and socialist radicals, and progressive reformers—all of whom competed and compromised with local business leaders in the decades before the Great Depression. This research challenges the popular view that business interests have always run Dallas and offers a historically accurate picture of the city's development. The legacy of pluralism that Hill uncovers shows that Dallas can accommodate dissent and conflict as it moves toward a more inclusive public life. Dallas will be fascinating and important reading for all Texans, as well as for all students of urban development.

Dallas Barbara A. Curran,2005-08 Previously published as 25 Years of Dallas by Virtualbookworm.com Publishing--T.p. verso.

Dallas Landmarks ,2009 Dallas has a reputation as a progressive city--always ready to build something new to replace the old. In the late 19th century, as Dallas became the transportation and commercial center for North Texas, brick and stone edifices supplanted the simple frame structures of the early days. By the 1920s, the city was the financial capital of the region and boasted the tallest building west of the Mississippi. In 1936, Dallas hosted the Texas Centennial Exposition in Fair Park, an ensemble of art deco buildings that is a National Historic Landmark. As business grew, so did the skyline. Today Dallas has a rich collection of historic buildings that chronicle the city's growth and progress.

Secret Dallas: A Guide to the Weird, Wonderful, and Obscure Mark Stuertz,2018-04-15 Take an excursion through the weird, the wry, and the wonderful idiosyncrasies that comprise the Big D. From the Playboy Marfa bunny-with-a-muscle-car sculpture, to the ceaseless failed attempts to navigate the Trinity River, to the invention of the computer chip and German chocolate cake, Dallas is the birthplace of the whimsical, the wistful, and the profound. Secret Dallas answers questions about Big D you never knew you had, catapulting you through a portfolio of little-known but fascinating people, places, episodes, and artifacts. Think of it as a scavenger hunt travelogue, providing insights into hidden rhinestones and diamonds in the caliche. Secret Dallas is a riveting excursion into the city's odds and ends, where the rare and the phenomenal express the big, the bold, and the brash in everyone.

Dallas 1963 Bill Minutaglio,Steven L. Davis,2013-10-08 Winner of the PEN Center USA Literary Award for Research Nonfiction Named one of the Top 3 JFK Books by Parade Magazine. Named 1 of The 5 Essential Kennedy assassination books ever written by The Daily Beast. Named one of the Top Nonfiction Books of 2013 by Kirkus Reviews. In the months and weeks before the fateful November 22nd, 1963, Dallas was brewing with political passions, a city crammed with larger-than-life characters dead-set against the Kennedy presidency. These included rabid warriors like defrocked military general Edwin A. Walker; the world's richest oil baron, H. L. Hunt; the leader of the largest Baptist congregation in the world, W.A. Criswell; and the media mogul Ted Dealey, who raucously confronted JFK and whose family name adorns the plaza where the president was murdered. On the same stage was a compelling cast of marauding gangsters, swashbuckling politicians, unsung civil rights heroes, and a stylish millionaire anxious to save his doomed city. Bill Minutaglio and Steven L. Davis ingeniously explore the swirling forces that led many people to warn President Kennedy to avoid Dallas on his fateful trip to Texas. Breathtakingly paced, DALLAS 1963 presents a clear, cinematic, and revelatory look at the shocking tragedy that transformed America. Countless authors have attempted to explain the assassination, but no one has ever bothered to explain Dallas-until now. With spellbinding storytelling, Minutaglio and Davis lead us through intimate glimpses of the Kennedy family and the machinations of the Kennedy White House, to the obsessed men in Dallas who concocted the climate of hatred that led many to blame the city for the president's death. Here at long last is an accurate understanding of what happened in the weeks and months leading to John F. Kennedy's assassination. DALLAS 1963 is not only a fresh look at a momentous national tragedy but a sobering reminder of how radical, polarizing ideologies can poison a city-and a nation.

Historic Photos of Dallas Michael V. Hazel,2006 Historic Photos of Dallas takes a look into the past of the Big D through striking historic photographs from the city's finest archives. From the rugged west to the largest corporate headquarter concentration in the United States, Historic Photos of Dallas provides a unique look into the city's past. With over 200 archival photos reproduced in multiple inks on heavy art paper in large format, many of which have never been published. This book is a perfect addition to any historian's collection.

Historic Dallas Theatres D. Troy Sherrod,2014 Dallas was the show business capital of Texas and much of the South throughout the 20th century. More than 100 theatres served the city's neighborhoods, and Elm Street once boasted more than 15 vaudeville and movie theatres--second in number to Broadway. The quality of the show houses in Dallas were surpassed by few cities and all major, and most minor, Hollywood studios maintained Dallas offices. Notable names figuring in this history include Margo Jones, Blind Lemon Jefferson, Karl Hobbelt, Baruch Lumet, Bob Hope, Greer Garson, Linda Darnell, Howard Hughes, Clyde Barrow, Gene Autry, Oliver Stone, Pappy Dolson, Jack Ruby, Lee Harvey Oswald, Nicola Rescigno, Don Henley, and Frank Lloyd Wright.

Historic Photos of Dallas ,2006-11-01 Historic Photos of Dallas takes a look into the past of the Big D through striking historic photographs from the city's finest archives. From the rugged west to the largest corporate headquarter concentration in the United States, Historic Photos of Dallas provides a unique look into the city's past. With over 200 archival photos reproduced in multiple inks on heavy art paper in large format, many of which have never been published. This book is a perfect addition to any historian's collection.

Living Dead in Dallas Charlaine Harris,2010 When a vampire asks Sookie Stackhouse to use her telepathic skills to find another missing vampire, she agrees under one condition: the bloodsuckers must promise to let the humans go unharmed. Easier said than done.

Dallas, Public and Private Warren Leslie,1964 Critique of Dallas, Texas, and the social hierarchies that affect it.

Deadly Dallas Rusty Williams,2021-06-28 Spring of 1904. An inexperienced automobile driver jumps the curb and drives into the lobby of the St. George Hotel. The mayor orders a roundup of unlicensed dogs due to a citywide outbreak of rabies. An elevator crushes the head of a young man as he retrieves a half dollar he had dropped down the shaft. Embers from a wood-burning stove transform a sleeping house into a funeral pyre. A ten-year-old boy in City Park has a spike driven into his temple by a playmate with a fence picket. All this in just a few days. Rusty Williams catalogues the heartbreaking and bizarre forms in which death stalked Dallas at the turn of the twentieth century.

John F. Kennedy Sites in Dallas-Fort Worth Mark Doty,John H. Slate,2013-09-02 November 22, 1963, is a date that will forever live in the minds and hearts of those who were witness to or touched by the assassination of Pres. John F. Kennedy in Dealey Plaza. Surprisingly, the majority of sites associated with events surrounding that day still stand along the streets and in the neighborhoods of the greater Dallas-Fort Worth region. From Fort Worth's Hotel Texas to the Texas Theater and the Old Municipal Building in Dallas, John F. Kennedy Sites in Dallas-Fort Worth explores and documents the buildings, neighborhoods, and places with a direct connection to the assassination and its figures, both major and minor, in one of the darkest chapters in American and Texan history.

North Dallas Forty Peter Gent,2011-06-28 National Bestseller: The "powerful novel" about the hidden side of pro football, written by a former NFL player

(Newsweek). On the field, the men who play football are gladiators, titans, and every other kind of cliché. But when they leave the locker room they are only men. Peter Gent’s classic novel looks at the seedy underbelly of the pro game, chronicling eight days in the life of Phil Elliott, an aging receiver for the Texas team. Running on a mixture of painkillers and cortisone as he tries to keep his fading legs strong, Elliott tries to get every ounce of pleasure out of his last days of glory, living the life of sex, drugs, and football. Adapted for the screen in 1979, this novel, written by ex-Dallas Cowboy Peter Gent, is widely considered the best football novel of all time.

Dallas Helen Lepp Friesen,2019 American Cities takes young readers on a tour of our capitals and major centers. Each book explores the geography, history, and people that give the featured city its distinctive flair--

Lone Star Guide to the Dallas/Fort Worth Metroplex, Revised Robert R. Rafferty,Loys Reynolds,2003-08-18 The Dallas/Fort Worth Metroplex is a nearly 40-mile long mega-metropolitan area anchored by Dallas on one end and Fort Worth on the other, with the area between filled in with more than a dozen attractive, interconnected cities. Among the unheralded facts about these interlocking cities are that they contain more restaurants per capita than New York City (5,000 in Dallas alone), are home to all the major professional sports (including NASCAR and rodeo), and house 30 museums. This guidebook gives readers detailed information on the wide range of choices in lodging, restaurants, and everything worth seeing and doing, not only in Dallas and Fort Worth, but in eleven of the smaller cities between the two. They include: Addison, Arlington, Farmers Branch, Garland, Grand Prairie, Grapevine, Irving, Mesquite, North Richland Hills, Plano and Richardson. In addition to the categories one would normally expect in a guide book, the authors have started each city listing with a description of free visitor services, as well as Bird's Eye View spots - great places to get a panoramic view of the city. (In Arlington it's the top of an oil derrick at Six Flags.) Finally, for the truly adventurous, there are plenty of Offbeat places of unusual interest that don't fit into the routine tourist categories.

Dallas's Little Mexico Sol Villasana,2011 Little Mexico was Dallas's earliest Mexican barrio. Mexicanos had lived in Dallas since the mid-19th century. The social displacement created by the Mexican Revolution of 1910, however, caused the emergence of a distinct and vibrant neighborhood on the edge of the city's downtown. This neighborhood consisted of modest homes, small businesses, churches, and schools, and further immigration from Mexico in the 1920s caused its population to boom. By the 1930s, Little Mexico's population had grown to over 15,000 people. The expanding city's construction projects, urban renewal plans, and land speculation by developers gradually began to dismantle Little Mexico. By the end of the 20th century, Little Mexico had all but disappeared, giving way to upscale high-rise residences and hotels, office towers of steel and glass, and the city's newest entertainment district. This book looks at Little Mexico's growth, zenith, demise, and its remarkable renaissance as a neighborhood.

A Marmac Guide to Dallas Yves Gerem,2004-09-01 Longtime Dallas resident and travel writer Yves Gerem has completely updated this exhaustive listing of the best restaurants, attractions, accommodations, and more.

-and Justice for Alls Roy H. Williams,Kevin J. Shay,2000-02

Goodnight Dallas Jennifer Gaines Drez,2013-02 Rhyming text which says goodnight to historically significant buildings and areas in Fort Worth, Texas. Includes brief histories of Fort Worth and each establishment mentioned in the text.

Assassination and Commemoration Stephen Fagin,2013-07-18 The shots that killed President John F. Kennedy in November 1963 were fired from the sixth floor of a nondescript warehouse at the edge of Dealey Plaza in downtown Dallas. That floor in the Texas School Book Depository became a museum exhibit in 1989 and was designated part of a National Historic Landmark District in 1993. This book recounts the slow and painful process by which a city and a nation came to terms with its collective memory of the assassination and its aftermath. Stephen Fagin begins Assassination and Commemoration by retracing the events that culminated in Lee Harvey Oswald’s shots at the presidential motorcade. He vividly describes the volatile political climate of midcentury Dallas as well as the shame that haunted the city for decades after the assassination. The book highlights the decades-long work of people determined to create a museum that commemorates a president and recalls the drama and heartbreak of November 22, 1963. Fagin narrates the painstaking day-to-day work of cultivating the support of influential citizens and convincing boards and committees of the importance of preservation and interpretation. Today, The Sixth Floor Museum helps visitors to interpret the depository and Dealey Plaza as sacred ground and a monument to an unforgettable American tragedy. One of the most popular historic sites in Texas, it is a place of quiet reflection, of edification for older Americans who remember the Kennedy years, and of education for the large and growing number of younger visitors unfamiliar with the events the museum commemorates. Like the museum itself, Fagin’s book both carefully studies a community’s confrontation with tragedy and explores the ways we preserve the past.

Dallas Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Dallas free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Dallas free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Dallas free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Dallas. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a

vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Dallas any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Dallas Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Dallas is one of the best book in our library for free trial. We provide copy of Dallas in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Dallas. Where to download Dallas online for free? Are you looking for Dallas PDF? This is definitely going to save you time and cash in something you should think about.
