Debacle Grover Glenn Norquist, John R. Lott, Jr., 2012-02-02 A provocative critique of the Obama administration's economic policies and an examination of America's difficult economic future During the 2008 presidential campaign, Barack Obama promised a net spending cut to make government smaller in order to reduce the deficit. But this huge increase in government spending and debt, and the resulting prospect of higher taxes, will make America a poorer country. Are Americans happier because the government has determined where this money should be spent? According to John Lott and Americans for Tax Reform President Grover Norquist, the answer is no, and in *Debacle: Obama's War on Jobs and Growth and What We Can Do Now to Regain Our Future* they explain why. Obama's economic policies have raised unemployment, slowed economic growth, dramatically raised the national debt, squandered taxpayer money through poor investments, and damaged the housing market. The book explains why Obama's policies on spending, taxes, and regulation have all worked to harm the recovery, increase unemployment, and depress housing prices. The Congressional Budget Office estimates that the deficits that President Obama proposes for the years from 2011 through 2020 come to a staggering \$126,000 per family of four, and John Lott and Grover Norquist make clear why the costs outweigh the benefits Explains why Keynesian economics is more a way of transferring wealth to political constituencies than a legitimate economic theory for understanding how the economy operates Posits that Obama's economic policies were more an opportunity to do big things than to solve the country's economic problems Arguing that the policies of the Obama administration have created widespread economic chaos, *Debacle* is a bleak look at American finance from Grover Norquist.

Debacle Debacle Matt Hart, 2013-02 Matt Hart's DEBACLE DEBACLE has a burning domesticity, an anxiousness. It is a dream of one's family in danger, and a waking from that dream to make waffles and bacon for them. It really really LOVES the world, and hates it too. It should. Vastly different than Hart's previous collections, DEBACLE DEBACLE is a book of quiet political and personal decision.-Adam Fell

Subversion as Foreign Policy Audrey Kahin, George McTurnan Kahin, 1997 Based on access to secret documents and interviews with many of the participants, *Subversion as Foreign Policy* is an extraordinary account of civil war in Indonesia provoked by President Eisenhower and Secretary of State John Foster Dulles, and resulting in the killing of thousands of Indonesians and the destruction of much of the country's air force and navy. This startling new book reveals a covert intervention by the United States in Indonesia in the late 1950s involving, among other things, the supply of thousands of weapons, the creation and deployment of a secret CIA air force and logistical support from the Seventh Fleet. The intervention occurred on such a massive scale that it is difficult to believe it has been kept almost totally secret from the American public for nearly 40 years. And this CIA operation proved to be even more disastrous than the Bay of Pigs. -- San Francisco Chronicle An exemplary study of an ignominious chapter of the Cold War in Southeast Asia. -- Journal of Asian Studies *Subversion as Foreign Policy* is a remarkable book.... The Kahins have provided a rare insight into the workings of U.S. policy towards Indonesia, both clandestine and official. -- London Times Literary Supplement

Then the box holding the duckies goes missing from Nancy's doorstep! The girls need to find the duck-napper fast, but there's a flock of suspects. Where do they even start without even a squeak of a clue? Will the Clue Crew figure out who flew off with their rubber duckies before the Mayor finds out they're gone?
