Rose, The Pitch Coach, author of The Startup Checklist and Angel Investing, founder of New York Angels. You will learn the best format to present your business so that investors will get excited about your business. Finally, you will be shown a number of actual pitch decks with some of the most common issues that most founders come across when they pitch. Stacking the Deck David S. Pottruck,2014-09-30 Change is a constant, and leaders must do more than keep up—they must innovate and accelerate to

succeed. Yet people are often unnerved by change. As a leader during a time of transformation, you may stand up before teams that are indifferent, or even hostile, and need to convince them that change is necessary and urgent. More than money, time, or resources, the ability to lead these people determines your ultimate success or failure. What does it take to be an effective change leader and increase the odds of success? *Stacking the Deck* offers a proven, practical approach for inspiring meaningful, lasting change across an organization. *Stacking the Deck* presents a nine-step course of action leaders can follow from the first realization that change is needed through all the steps of implementation, including assembling the right team of close advisors and getting the word out to the wider group. Based on Dave Pottruck's experiences leading change as CEO of Charles Schwab and later as chairman of CorpU and HighTower Advisors, these steps provide a guide to ensure that your change initiative and your team have the best possible shot at success. In addition, established business leaders who have led extraordinary change initiatives demonstrate the steps in action. These executives include eBay CEO John Donahoe, Wells Fargo former CEO Dick Kovacevich, Starbucks chief executive officer Howard Schultz, San Francisco Giants CEO Larry Baer, JetBlue CEO Dave Barger, Asurion CEO Steve Ellis, Pinkberry CEO Ron Graves, and Intel's President Renee James, among others. Leading an organization through major change—whether it's the introduction of a new product, an expansion to a new territory, or a difficult downsizing—is not for the faint of heart. While success is never guaranteed, the right leadership, process, and team make all the difference. For all leaders facing major change in their organizations, *Stacking the Deck* is an indispensable resource for putting the odds in your favor.

Herman, 2020-04-21 This thrilling fantasy will draw in fans of *The Raven Cycle* and *Stranger Things*, as the fearless May Hawthorne finds danger waiting for her at every corner. Though the Beast is seemingly subdued for now, a new threat lurks in *Four Paths*: a corruption seeping from the Gray into the forest. And with the other Founders preoccupied by their tangled alliances and fraying relationships, only May Hawthorne seems to realize the danger. But saving the town she loves means seeking aid from the person her family despises most—her father, Ezra Bishop. May's father isn't the only newcomer in town—Isaac Sullivan's older brother has also returned, seeking forgiveness for the role he played in Isaac's troubled past. But Isaac isn't ready to let go of his family's history, especially when that history might hold the key that he and Violet Saunders need to destroy the Gray and the monster within it. Harper Carlisle isn't ready to forgive, either. Two devastating betrayals have left her isolated from her family and uncertain who to trust. As the corruption becomes impossible to ignore, Harper must learn to control her newfound powers in order to protect *Four Paths*. But the only people who can help her do that are the ones who have hurt her the most. With the veil between the Gray and the town growing ever thinner, the Founder descendants must put their grievances with one another aside to stop the corruption and kill the Beast once and for all. But the monster they truly need to slay may never

been the Beast . . .
