Youngme Moon

Different Youngme Moon, 2011-09-06 What if working like crazy to beat the competition did exactly the opposite, making you mediocre and more like the competition? In today's world of overabundant consumer choices and superfluous apps, upgrades, add-ons, and features, brands have become nearly identical, as their efforts to outdo one another have pushed them into a dizzying herd of indistinct options. Youngme Moon identifies the outliers, the mavericks, the iconoclasts—the players who have thoughtfully rejected orthodoxy in favor of an approach that is more adventurous. Some are even “hostile,” almost daring you to buy what they are selling. Using her original research on companies such as IKEA and Google, Moon will inspire you to be counterintuitive and meaningfully different—to rethink your business strategy, to stop conforming and start deviating, to stop emulating and start innovating. Because to stand out you must become the exception, not the rule.

Different--A Great Thing to Be! Heather Avis, 2021-06-29 NEW YORK TIMES BESTSELLER • This joyful rhyming book encourages children to value the “different” in all people, leading the way to a kinder world in which the differences in all of us are celebrated and embraced. Macy is a girl who's a lot like you and me, but she's also quite different, which is a great thing to be. With kindness, grace, and bravery, Macy finds her place in the world, bringing beauty and laughter wherever she goes and leading others to find delight in the unique design of every person.

Children are naturally aware of the differences they encounter at school, in their neighborhood, and in other everyday relationships. They just need to be given tools to understand and appreciate what makes us “different,” permission to ask questions about it, and eyes to see and celebrate it in themselves as well as in those around them.

Different: Gender Through the Eyes of a Primatologist Frans de Waal, 2022-04-05 “Every new book by Frans de Waal is a cause for excitement, and this one is no different. A breath of fresh air in the cramped debate about the differences between men and women. Fascinating, nuanced, and very timely.” –Rutger Bregman, author of *Humankind: A Hopeful History* In *Different*, world-renowned primatologist Frans de Waal draws on decades of observation and studies of both human and animal behavior to argue that despite the linkage between gender and biological sex, biology does not automatically support the traditional gender roles in human societies. While humans and other primates do share some behavioral differences, biology offers no justification for existing gender inequalities. Using chimpanzees and bonobos to illustrate this point—two ape relatives that are genetically equally close to humans—de Waal challenges widely held beliefs about masculinity and femininity, and common assumptions about authority, leadership, cooperation, competition, filial bonds, and sexual behavior. Chimpanzees are male-dominated and violent, while bonobos are female-dominated and peaceful. In both species, political power needs

to be distinguished from physical dominance. Power is not limited to the males, and both sexes show true leadership capacities. Different is a fresh and thought-provoking approach to the long-running debate about the balance between nature and nurture, and where sex and gender roles fit in. De Waal peppers his discussion with details from his own life—a Dutch childhood in a family of six boys, his marriage to a French woman with a different orientation toward gender, and decades of academic turf wars over outdated scientific theories that have proven hard to dislodge from public discourse. He discusses sexual orientation, gender identity, and the limitations of the gender binary, exceptions to which are also found in other primates. With humor, clarity, and compassion, Different seeks to broaden the conversation about human gender dynamics by promoting an inclusive model that embraces differences, rather than negating them.

Same Kind of Different As Me Ron Hall, Denver Moore, 2008-03-09 A critically acclaimed #1 New York Times best-seller with more than one million copies in print! Now a major motion picture. Gritty with pain, betrayal, and brutality, this incredible true story also shines with an

unexpected, life-changing love. Meet Denver, raised under plantation-style slavery in Louisiana until he escaped the “Man” in the 1960’s by hopping a train. Untrusting, uneducated, and violent, he spends 18 years on the streets of Dallas and Fort Worth. Meet Ron Hall, a self-made millionaire in the world of high-priced deals—an international arts dealer who moves between upscale New York galleries and celebrities. It seems unlikely that these two men would meet under normal circumstances, but when Deborah Hall, Ron's wife, meets Denver, she sees him through God's eyes of compassion. When Deborah is diagnosed with cancer, she charges Ron with the mission of helping Denver. From this request, an extraordinary friendship forms between Denver and Ron, changing them both forever. A tale told in two unique voices, *Same Kind of Different as Me* weaves two completely different life experiences into one common journey. There is pain and laughter, doubt and tears, and in the end a triumphal story that readers will never forget. Continue this story of friendship in *What Difference Do It Make?: Stories of Hope and Healing*, available now. *Same Kind of Different as Me* also is available in Spanish.

She's moved to Milwaukee for an entry-level corporate job that, grueling as it may be, is the key that unlocks every door: she can pick up the tab at dinner with her new friend Tig, get her college buddy Thom hired alongside her, and send money to her parents back in India. She begins dating women—soon developing a burning crush on Marina, a beguiling and beautiful dancer who always seems just out of reach. But before long, trouble arrives. Painful secrets rear their heads;

jobs go off the rails; evictions loom. Sneha struggles to be truly close and open with anybody, even as her friendships deepen, even as she throws herself headlong into a dizzying romance with Marina. It's then that Tig begins to draw up a radical solution to their problems, hoping to save them all. Different Sally Clarkson, Nathan

Clarkson, 2017-01-24 Nathan was different and Sally knew it. From his early childhood, Nathan was bursting with creativity and uncontrollable energy, struggling not only with learning issues but also with anxiety and OCD. He saw the world through his own unique lens—one that often caused him to be labeled as “bad,” “troubled,” or someone in need of “fixing.” Bravely choosing to listen to her motherly intuition rather than the loud voices of the world, Sally dared to believe that Nathan’s differences could be part of an intentional design from a loving Creator with a plan for his life. She trusted that the things that made him different were the very things that could make him great. Join Sally and Nathan as they share their stories from a personal perspective as mother and son. If you are in need of help and hope in your own journey with an outside-the-box child, or if you’re an adult trying to make sense of your differences, you’ll find deep insight, resonance, and encouragement in the pages of this book. Dare to love and nurture the “different” one in your life.

The Power of Different Gail Saltz,
M.D., 2017-03-07 A powerful and inspiring

examination of the connection between the potential for great talent and conditions commonly thought to be “disabilities,” revealing how the source of our struggles can be the origin of our greatest strengths. In *The Power of Different*, psychiatrist and bestselling author Gail Saltz examines the latest scientific discoveries, profiles famous geniuses who have been diagnosed with all manner of brain “problems”—including learning disabilities, ADD, anxiety, Depression, Bipolar disorder, schizophrenia, and Autism—and tells the stories of lay individuals to demonstrate how specific deficits in certain areas of the brain are directly associated with the potential for great talent. Saltz shows how the very conditions that cause people to experience difficulty at school, in social situations, at home, or at work, are inextricably bound to creative, disciplinary, artistic, empathetic, and cognitive abilities. In this pioneering work, readers will find engaging scientific research and stories from historical geniuses and everyday individuals who have not only made the most of their conditions, but who have flourished because of them. They are leaning into their brain differences to:

- *Identify areas of interest and expertise
- *Develop work arounds
- *Create the environments that best foster their talents
- *Forge rewarding interpersonal relationships

Enlightening and inspiring, *The Power of Different* proves that the unique wiring of every brain can be a source of strength and productivity, and contributes to the richness of our world.

Same But Different: Teen Life on the Autism

Express Holly Robinson Peete, RJ Peete, Ryan Elizabeth Peete, 2016-02-23 Talk show host Holly Robinson Peete pairs with her twins in this narrative about the challenges and triumphs of being a teen who has autism and the effects on family, school, friends, and life. Being a teen is hard enough. But when you have autism--or when your brother or sister is struggling with the disorder--life can be challenging. It's one thing when you're a kid in grade school, and a playdate goes south due to autism in a family. Or when you're a little kid, and a vacation or holiday turns less-than-happy because of an autistic family member. But being a teen with autism can get pretty hairy--especially when you're up against dating, parties, sports, body changes, school, and other kids who just don't 'get' you. In this powerful book, teenagers Ryan Elizabeth Peete and her twin brother, Rodney, who has autism, share their up-close-and-personal experiences on what it means to be a teen living with autism. *SAME BUT DIFFERENT*, explores the funny, painful, and unexpected aspects of teen autism, while daring to address issues nobody talks about. *SAME BUT DIFFERENT* underscores tolerance, love, and the understanding that everybody's unique drumbeat is worth dancing to.
