Jeff Cavins

Disciple Phil Pringle, Our whole society relies on discipline. People going to work each day, doctors following procedures, pilots checking equipment, all rely on each person following a set of rules – a discipline. Following Jesus is synonymous with living disciplined. The current times demand disciples, not just churchgoers or Christians. In this new book from Pastor Phil Pringle brings lessons from his 43 years in Church ministry, and serving the global Church.

Disciple I Becoming Disciples Through Bible Study: Study Manual Richard B. Wilke,Julia Kitchens Wilke Trust,2010-09-01 DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. DISCIPLE draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible. The first study in the program is DISCIPLE: BECOMING DISCIPLES THROUGH BIBLE STUDY, a thirty-four week overview of the entire Bible. Commitment and Time Involved Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. Study Manual Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions along with theme words and theme verses, and major persons, events, and topics will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. We recommend the New Interpreters Study Bible More Questions? Visit www.cokesbury.com/disciple.

Disciple Jonathan Engbrecht,2020-08-03 Before departing this world, Jesus gave His followers this charge, Go and make disciples of all nations. This call is meant for every Jesus follower. Each of us is empowered by God to not just be a disciple, a noun, but to disciple others, a verb. Making passionate, effective disciples of Jesus is the God-given, best strategy for bringing the gospel to the world. Making disciples is a messy relational enterprise that is both challenging and costly. Embracing the term disciple as a verb is one of the most important, transformative, and joy-filled things you will do this side of heaven! If you believe these things to be true or are at least intrigued by these statements, I invite you to come explore what it looks like to make disciples of Jesus. If you care deeply about people but struggle to know how to support them in their spiritual growth and journey, this book is for you! I am not offering another program, activity, or curriculum but instead a window into what it means to live a lifestyle of discipleship, of helping others become more like Jesus. Whether you're a teacher, parent, coach, coworker, student, athlete, pastor, small group leader, or friend, we will discuss principles and practical tips for being an agent of spiritual change for those you love. So again, I invite you to come along and discover how to bring radical transformation into the lives of those around you, by the awesome grace of God, the way Jesus did. By the end of this book, it is my sincere prayer that you know what a disciple of Jesus is, why you are called to make them, and how to start this adventure of answering Jesus's Commission to make disciples of all nations! Disciple Juan C. Ortiz,1996-07 In this classic book written by best-selling author Juan Carlos Ortiz, you'll discover what it really means to be a disciple of Jesus Christ. An ideal book for new believers, Disciple is also an inspirational and practical guide for Christians who want to grow closer in their walk with the Lord.

Contagious Disciple Making David Watson,Paul Watson,2014-12-23 It is hard to deny that todayÆs world can seem apathetic toward Christians.

Some may look down at their iPhones when we mention God, motion for the check when we bring up church, or casually change the subject when we talk about prayer. In a world full of people whose indifference is greater than their desire to know Christ, how can we dream of growing the church? In *Contagious Disciple Making*, David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world. A companion to Cityteam's two previous books, *Miraculous Movements* and *The Father Glorified*, *Contagious Disciple Making* details the method used by Cityteam disciple-makers. This distinctive process focuses on equipping spiritual leaders in communities where churches are planted. Unlike many evangelism and church-growth products that focus on quick results, contagious disciple-making takes time to cultivate spiritual leadership, resulting in lasting disciple-making movements. Through *Contagious Disciple Making* readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church. Features include: Engagement tools for use in the field Practical techniques to equip others to make disciples

The Making of Disciples Zacharias Tanee Fomum, 2015-03-22 This critically important book is presented by the author as “An attempt to provide the needful for the Lord’s call to make disciples ...” It is a statement of the revelations, doctrines, methods, and principles of discipleship aimed at helping anyone to experience discipleship and thereby lead others to grow in a way to become active workers in making others into disciples of Jesus Christ. It is a book to read and recommend to any servant of God cognizant of the glorious mission that the Lord Jesus Christ has entrusted to His church: Therefore, go and make disciples of all nations ... Finally, the making of disciples is all about the work of transforming a sinner into a repentant sinner, a repentant sinner into a convert, a convert into a young disciple, leading the young disciple to spiritual maturity and, finally, helping him to become a disciple-maker. This book is highly recommended to the body of Christ.

The Great Omission Dallas Willard, 2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission, the call for Christians to make disciples of all the nations. But Christians have responded by making Christians, not disciples. This, according to brilliant scholar and renowned Christian thinker Dallas Willard, has been the church's Great Omission. The word disciple occurs 269 times in the New Testament, writes Willard. Christian is found three times and was first introduced to refer precisely to disciples of Jesus. . . . The New Testament is a book about disciples, by disciples, and for disciples of Jesus Christ. But the point is not merely verbal. What is more important is that the kind of life we see in the earliest church is that of a special type of person. All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy-duty model of the Christian -- especially padded, textured, streamlined, and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God. Willard boldly challenges the thought that we can be Christians without being disciples, or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity -- being active disciples of Jesus Christ. Willard shows us that in the school of life, we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship -- an active, concrete, 24/7 life with Jesus.

The Activated Disciple Jeff Cavins, 2018-11-05 Are you ready to take your faith to the next level? If you yearn for a life that moves beyond believing and practicing your faith, if you want to radically live your faith, if you want a more profound relationship with Jesus Christ, then it is time for you to become an activated disciple. The Foundation of discipleship is imitation. True discipleship requires such a close relationship with God that every area of your life is transformed. It is about opening yourself to God and inviting him to dwell within you, becoming holy as he is holy, loving as he is loving, disciples of Christ become the instruments God employs to transform the world. - Move beyond simply believing and practicing your faith and begin

radically living it! - Overcome obstacles that keep you from being the disciple you are made to be.
- Be a positive influence and an instrument of transformation in the Church.

Disciple Making Is . . . Dave Earley,Rod Dempsey,2013-08-01 Disciple Making Is... stands as one of the most thorough books yet offered regarding how to make disciples. In thirty brief, hard-hitting but easily accessible chapters, the entire scope of disciple making is presented in a way that will inspire and inform the reader to obey the Great Commission with great passion. Grounded on a solid biblical foundation, authors Dave Earley and Rod Dempsey -- both veterans of one-on-one, collegiate, small group, and local church discipleship -- share their practical insights on how to best reproduce reproducers of Christ's message. Each compelling entry is set up to finish the sentence that begins with the book's title. For example, Disciple Making Is . . . Embracing the Cross, Forsaking All to Follow Jesus, Living on Mission, Launching an Unstoppable Force, Mentoring Disciples as Jesus Did, Multiplying Disciple-Makers as Paul Did, Creating a Healthy Church, and more.

The Radical Disciple John Stott,2012-05-15 What is a life of radical discipleship? At the root, it means we let Jesus set the agenda of our lives. We aren't selective. We don't pick and choose what is congenial and stay away from what is costly. No. He is Lord of all of life. In the last book by the leading evangelical churchman of the twentieth century, John Stott opens up what it means to truly be a follower of Jesus. In a refreshing and accessible style, he explores eight aspects of Christian discipleship which are too often neglected and yet deserve to be taken seriously: non-conformity, Christ-likeness, maturity, creation-care, simplicity, balance, dependence and death. Here, including the last public sermon he ever preached, Stott offers wisdom gained from a lifetime of consistent Christian commitment. In addition, he poignantly reflects on his last years of life and ministry. The message is simple, classic and personal: Jesus is Lord. He calls. We follow.

Disciples Are Made Not Born Walter A. Henrichsen,2011-09-01 Make Disciples. Jesus' command is clear. But what is a disciple? And how are we to make them? Based on decades of experience, this book explains and illustrates the process of disciple-making that Jesus taught and modeled. First published in 1974, its practical, biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others. Disciple-making is challenging, to be sure. But as we are faithful to Christ's Great Commission, we'll experience the fulfillment that comes from being faithful to the life mission to which God has called us.

Forming Intentional Disciples Sherry A. Weddell,2015-11-30 How can we transmit a living, personal Catholic faith to future generations? By coming to know Jesus Christ, and following him as his disciples. These are times of immense challenge and immense opportunity for the Catholic Church. Consider these statistics for the United States. Only 30 percent of Americans who were raised Catholic are still practicing. Fully 10 percent of all adults in America are ex-Catholics. The number of marriages celebrated in the Church decreased dramatically, by nearly 60 percent, between 1972 and 2010. Only 60 percent of Catholics believe in a personal God. If the Church is to reverse these trends, the evangelizers must first be evangelized-in other words, Catholics-in-the-pew must make a conscious choice to know and follow Jesus before they can draw others to him. This work of discipleship lies at the heart of Forming Intentional Disciples, a book designed to help Church leaders, parish staff and all Catholics transform parish life from within. Drawing upon her fifteen years of experience with the Catherine of Siena Institute, Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity, charisms, and vocation that flow from that relationship for the sake of the Church and the world. Learn about the five thresholds of postmodern conversion, how to open a conversation about faith and belief, how to ask thought-provoking questions and establish an atmosphere of trust, when to tell the Great Story of Jesus, how to help someone respond to God's call to intentional discipleship, and much more. And be prepared for conversion because when life at the parish level changes, the life of the whole Church will

change.

Conversion and Discipleship Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it. The end result is that the disciple becomes the kind of person who naturally does what Jesus did. How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship. Our doctrines of grace and salvation, in some cases, actually prevent us from creating an expectation that we are to be disciples of Jesus. A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus. Being a follower is seen as an optional add-on, not a requirement. It is a choice, not a demand. Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ. In this ground-breaking new book, pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus. He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion—answering the call to follow Jesus—and discipleship—living like the one we claim to follow.

Disciple Is a Verb Robert McBurnett, 2016-12-14 DISCIPLE IS A VERB shows how we can grow our faith into intentional action so we can step beyond the doors of the church and into the world. Readers will learn the path through the challenges of loving the way Jesus intends us to love. Using practical examples, McBurnett's prose is friendly and light-hearted, and at the same time profound and penetrating, as it leads us toward cultivating a fully committed relationship with Christ.

The Unlikely Disciple Kevin Roose, 2009-03-26 The hilarious and heartwarming, respectful and thought-provoking memoir of a college student's semester at Liberty University, the Bible Boot Camp for young evangelicals, that will inspire believers and nonbelievers alike. No drinking. No smoking. No cursing. No dancing. No R-rated movies. Kevin Roose wasn't used to rules like these. As a sophomore at Brown University, he spent his days fitting right in with Brown's free-spirited, ultra-liberal student body. But when Roose leaves his Ivy League confines to spend a semester at Liberty University, a conservative Baptist school in Lynchburg, Virginia, obedience is no longer optional. Liberty is the late Reverend Jerry Falwell's Bible Boot Camp for young evangelicals, his training ground for the next generation of America's Religious Right. Liberty's ten thousand undergraduates take courses like Evangelism 101 and follow a forty-six-page code of conduct that regulates every aspect of their social lives. Hoping to connect with his evangelical peers, Roose decides to enroll at Liberty as a new transfer student, chronicling his adventures in this daring report from the front lines of America's culture war. His journey takes him from an evangelical hip-hop concert to a spring break mission trip to Daytona Beach (where he learns to preach the gospel to partying coeds). He meets pastors' kids, closet doubters, Christian rebels, and conducts what would be the last print interview of Rev. Falwell's life.
