

Duty

Robert Hoffman, Thomas R. Collingwood

Duty Robert M. Gates, 2014-01-14 From the former secretary of defense, a strikingly candid, vivid account of serving Presidents George W. Bush and Barack Obama during the wars in Iraq and Afghanistan. When Robert M. Gates received a call from the White House, he thought he'd long left Washington politics behind: After working for six presidents in both the CIA and the National Security Council, he was happily serving as president of Texas A&M University. But when he was asked to help a nation mired in two wars and to aid the troops doing the fighting, he answered what he felt was the call of duty.

Academic Duty Donald Kennedy, 1997 Aware of the numerous pressures that academics face, from the pursuit of open inquiry in the midst of culture wars, to confusion and controversy over the ownership of ideas, to the scramble for declining research funds and facilities, he explores the whys and wherefores of academic misconduct, be it scholarly, financial, or personal.

Duty Bob Greene, 2009-03-17 When Bob Greene went home to central Ohio to be with his dying father, it set off a chain of events that led him to knowing his dad in a way he never had before—thanks to a quiet man who lived just a few miles away, a man who had changed the history of the world. Greene's father—a soldier with an infantry division in World War II—often spoke of seeing the man around town. All but anonymous even in his own city, carefully maintaining his privacy, this man, Greene's father would point out to him, had won the war. He was Paul Tibbets. At the age of twenty-nine, at the request of his country, Tibbets assembled a secret team of 1,800 American soldiers to carry out the single most violent act in the history of mankind. In 1945 Tibbets piloted a plane—which he called Enola Gay, after his mother—to the Japanese city of Hiroshima, where he dropped the atomic bomb. On the morning after the last meal he ever ate with his father, Greene went to meet Tibbets. What developed was an unlikely friendship that allowed Greene to discover things about

his father, and his father's generation of soldiers, that he never fully understood before. Duty is the story of three lives connected by history, proximity, and blood; indeed, it is many stories, intimate and achingly personal as well as deeply historic. In one soldier's memory of a mission that transformed the world—and in a son's last attempt to grasp his father's ingrained sense of honor and duty—lies a powerful tribute to the ordinary heroes of an extraordinary time in American life. What Greene came away with is found history and found poetry—a profoundly moving work that offers a vividly new perspective on responsibility, empathy, and love. It is an exploration of and response to the concept of duty as it once was and always should be: quiet and from the heart. On every page you can hear the whisper of a generation and its children bidding each other farewell.

Manual of Interior Guard Duty. U. S. Army. 1914 United States. War Department. General Staff, United States. War Department, 1914

Dereliction of Duty H. R. McMaster, 1998-05-08 The war in Vietnam was not lost in the field, nor was it lost on the front pages of the New York Times or the college campuses. It was lost in Washington, D.C. - H. R. McMaster (from the Conclusion) Dereliction Of Duty is a stunning new analysis of how and why the United States became involved in an all-out and disastrous war in Southeast Asia. Fully and convincingly researched, based on recently released transcripts and personal accounts of crucial meetings, confrontations and decisions, it is the only book that fully re-creates what happened and why. It also pinpoints the policies and decisions that got the United States into the morass and reveals who made these decisions and the motives behind them, disproving the published theories of other historians and excuses of the participants. Dereliction Of Duty covers the story in strong narrative fashion, focusing on a fascinating cast of characters: President Lyndon Johnson, Robert McNamara, General Maxwell Taylor, McGeorge Bundy and other top aides

who deliberately deceived the Joint Chiefs of Staff, the U.S. Congress and the American public. Sure to generate controversy, *Dereliction Of Duty* is an explosive and authoritative new look at the controversy concerning the United States involvement in Vietnam.

Law and Judicial Duty Philip HAMBURGER, 2009-06-30

Philip Hamburger's *Law and Judicial Duty* traces the early history of what is today called judicial review. The book sheds new light on a host of misunderstood problems, including intent, the status of foreign and international law, the cases and controversies requirement, and the authority of judicial precedent. The book is essential reading for anyone concerned about the proper role of the judiciary.

Duty Samuel Smiles, 2023-12-04 Reprint of the original, first published in 1880.

Defining Duty in the Civil War J. Matthew

Gallman, 2015-05-25 The Civil War thrust Americans onto unfamiliar terrain, as two competing societies mobilized for four years of bloody conflict. Concerned Northerners turned to the print media for guidance on how to be good citizens in a war that hit close to home but was fought hundreds of miles away. They read novels, short stories, poems, songs, editorials, and newspaper stories. They laughed at cartoons and satirical essays. Their spirits were stirred in response to recruiting broadsides and patriotic envelopes. This massive cultural outpouring offered a path for ordinary Americans casting around for direction. Examining the breadth of Northern popular culture, J. Matthew Gallman offers a dramatic reconsideration of how the Union's civilians understood the meaning of duty and citizenship in wartime. Although a huge percentage of military-aged men served in the Union army, a larger group chose to stay home, even while they supported the war. This pathbreaking study investigates how men and women, both white and black, understood their roles in the People's Conflict. Wartime culture

created humorous and angry stereotypes ridiculing the nation's cowards, crooks, and fools, while wrestling with the challenges faced by ordinary Americans. Gallman shows how thousands of authors, artists, and readers together created a new set of rules for navigating life in a nation at war.

The Whole Duty of Man, Etc DUTY.,1687

Facts and Considerations Relative to Duties on Books

Charles Coffin Jewett,1846

Combined Lineal List of Officers on Active Duty in the Marine Corps ,1962

Special Duty Richard J. Samuels,2019-10-15 The prewar history of the Japanese intelligence community demonstrates how having power over much, but insight into little can have devastating consequences. Its postwar history—one of limited Japanese power despite growing insight—has also been problematic for national security. In *Special Duty* Richard J. Samuels dissects the fascinating history of the intelligence community in Japan. Looking at the impact of shifts in the strategic environment, technological change, and past failures, he probes the reasons why Japan has endured such a roller-coaster ride when it comes to intelligence gathering and analysis, and concludes that the ups and downs of the past century—combined with growing uncertainties in the regional security environment—have convinced Japanese leaders of the critical importance of striking balance between power and insight. Using examples of excessive hubris and debilitating bureaucratic competition before the Asia-Pacific War, the unavoidable dependence on US assets and popular sensitivity to security issues after World War II, and the tardy adoption of image-processing and cyber technologies, Samuels' bold book highlights the century-long history of Japan's struggles to develop a fully functioning and effective intelligence capability, and makes clear that Japanese leaders have begun to reinvent their nation's intelligence community.

Duty Samuel Smiles, 2014-03 This Is A New Release Of The Original 1886 Edition.

Fit for Duty Robert Hoffman, Thomas R.

Collingwood, 2015-03-10 When facing threats of violence and terrorism, law enforcement officers are often critical first responders. The ability of these officers to be alert, physically ready, and mentally prepared to handle the hazardous situations that are a regular part of the profession is essential to their agencies and the communities they protect. Fit for Duty, Third Edition With Online Video, provides practical information on creating and implementing physical fitness and wellness programs to help law enforcement officers fulfill their demanding job requirements. Authors Robert Hoffman and Thomas R. Collingwood offer a comprehensive resource with job-specific training and strategies supported by more than 60 years of experience helping law enforcement officers achieve physical fitness and lead healthier lives. Now fully updated with current statistics, anecdotes, and research from agencies across North America, Fit for Duty, Third Edition, contains the following:

- Expanded content on physical readiness that provides guidelines and helps readers understand how their fitness affects their ability to perform
- A new chapter on nontraditional training that provides instruction on incorporating stability and medicine ball exercises, circuit training, plyometrics, Pilates, and yoga into exercise routines
- Accompanying online video that demonstrates 40 test protocols and exercises, showing officers how to properly perform the recommended activities
- Reproducible checklists and forms that make instruction easy and allow officers to incorporate fitness into daily routines
- An image bank that contains all the forms, figures, tables, and technique photos from the book Fit for Duty, Third Edition, is divided into four progressive sections. The text starts with big-picture information on fitness assessment, beginning with the general fitness levels of the entire nation and then focusing on how fit law enforcement

officers compare to the general population. Part II explains the importance of physical fitness and how to train in each of those specific areas to increase cardiorespiratory endurance, muscular strength and endurance, explosive strength, flexibility, agility, speed, and anaerobic power. Part III focuses on lifestyle components of fitness, including diet and nutrition, weight management, stress management, smoking cessation, and the prevention of substance abuse. Part IV ties together all information from the previous sections into achievable plans and goals. It also explains how to avoid common hurdles and pitfalls of adopting lifestyle changes so that officers will have positive results. Throughout the text, exercise drills are featured in a numbered, step-by-step format so that people of all fitness levels can easily follow them. With this text, law enforcement instructors and administrators can establish complete and customized fitness programs that prepare current and future officers in every branch of service. Individual officers will receive the tools they need to improve their fitness levels, which will help them in many situations they might encounter.

For Duty and Honor George Galdorisi, 2000-04-01 After a brutal terrorist attack during the Persian Gulf war, Admiral Heater Robinson of America's Navy flagship launches an unauthorized counterattack, placing CIA operative and U.S. Navy SEAL Rick Holden, who is subsequently ordered to assassinate Robinson, in a painful moral dilemma. Original.

Highest Duty Chesley B. Sullenberger, Jeffrey Zaslow, 2009-09-25 Now a major motion picture from Clint Eastwood, starring Tom Hanks—the inspirational autobiography by one of the most captivating American heroes of our time, Capt. ‘Sully’ Sullenberger—the pilot who miraculously landed a crippled US Airways Flight 1549 in New York’s Hudson River, saving the lives of all 155 passengers and crew. On January 15, 2009, the world witnessed a remarkable emergency landing when Captain Sully Sullenberger skillfully glided US Airways Flight 1549 onto

the Hudson River, saving the lives of all 155 passengers and crew. His cool actions not only averted tragedy but made him a hero and an inspiration worldwide. His story is now a major motion picture from director / producer Clint Eastwood and stars Tom Hanks, Laura Linney and Aaron Eckhart. Sully's story is one of dedication, hope, and preparedness, revealing the important lessons he learned through his life, in his military service, and in his work as an airline pilot. It reminds us all that, even in these days of conflict, tragedy and uncertainty, there are values still worth fighting for—that life's challenges can be met if we're ready for them.

The People's Duty Shmuel Nili, 2019-06-13 Nili develops a novel conception of 'the people', both as an agent with its own moral integrity, and as an owner of public property. Exploring problems central to present-day politics, this non-technical book will appeal to political theorists, but also to readers in public policy, area studies, law, and across the social sciences.

Duty to Respond Nenad Dimitrijevi?, 2011-01-01 The subject of the book is responsibility for collective crime. Collective crime is an act committed by a significant number of the members of a group, in the name of all members of that group, with the support of the majority of group members, and against individuals targeted on the basis of their belonging to a different group. The central claim is that all members of the group in whose name collective crime is committed share responsibility for it. This book's special interest is with analytical and normative defense of arguments that purport to explain reasons for, and the character of, responsibility of decent people. Those who did not intend, support, or committed wrong, are still accountable in a non-vicarious manner. The basis of their responsibility is the crime-specific relationship between group identity and personal identity.

A Captain's Duty Richard Phillips, Stephan Talty, 2010-04-06 I share the country's admiration for the bravery of Captain Phillips

and his selfless concern for his crew. His courage is a model for all Americans. --President Barack Obama It was just another day on the job for fifty-three-year-old Richard Phillips, captain of the Maersk Alabama, the United States-flagged cargo ship which was carrying, among other things, food and agricultural materials for the World Food Program. That all changed when armed Somali pirates boarded the ship. The pirates didn't expect the crew to fight back, nor did they expect Captain Phillips to offer himself as hostage in exchange for the safety of his crew. Thus began the tense five-day stand-off, which ended in a daring high-seas rescue when U.S. Navy SEALs opened fire and picked off three of the captors. It never ends like this, Captain Phillips said. And he's right. A Captain's Duty tells the life-and-death drama of the Vermont native who was held captive on a tiny lifeboat off Somalia's anarchic, gun-plagued shores. A story of adventure and courage, it provides the intimate details of this high-seas hostage-taking--the unbearable heat, the death threats, the mock executions, and the escape attempt. When the pirates boarded his ship, Captain Phillips put his experience into action, doing everything he could to safeguard his crew. And when he was held captive by the pirates, he marshaled all his resources to ensure his own survival, withstanding intense physical hardship and an escalating battle of wills with the pirates. This was it: the moment where training meets instinct and where character is everything. Richard Phillips was ready.

Lifeguard on Duty, 2009 A stylish and sexy celebration of the bronzed Adonises who patrol the beach. Matt Albiani built his reputation shooting celebrity portraits and fashion spreads for the likes of Elle and Vanity Fair. For his first book, however, he trained his lens on a different class of beautiful people, one more rugged, less glamorous and yet unassailably iconic: the American lifeguard. Albiani's searing hot images are perfectly displayed under the direction of Sam Shahid, the art director for some of powerHouse Books' most lavish titles.

Getting the books **Duty** now is not type of inspiring means. You could not lonesome going taking into account book collection or library or borrowing from your contacts to gain access to them. This is an categorically simple means to specifically acquire guide by on-line. This online revelation Duty can be one of the options to accompany you similar to having extra time.

It will not waste your time. take me, the e-book will no question ventilate you other thing to read. Just invest little mature to gate this on-line statement **Duty** as well as review them wherever you are now.

convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Duty has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and

authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Duty. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to

existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Duty. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Duty, users should also consider the potential security

risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Duty has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students,

researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Duty Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device

compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
