📖 **The eBay Book** David Belbin,2005-06 eBay is the world's largest marketplace, and a worldwide phenomenon! Since the first edition of The eBay Book in June 2004, both the number of people using eBay, and the number of amazing stories of their experiences, have continued to grow at an amazing rate.In the last year alone, over 1 million new users signed up to eBay.co.uk, and the total number of users hit the 10 million mark in February 2005. He takes you through the key features of the site, step-by-step, advising on the tactics you can employ when bidding and selling, and explains how to minimise the fees you pay and just why your feedback rating is so important. He also explores the best ways to pay for goods and what to do if your transactions go wrong.
