Ellen Levine,Steve Björkman

**The American Heritage Book Of English Usage** Editors of the American Heritage Di,1996-09-09 For the first time, the editors of the acclaimed American Heritage(R) Dictionary have applied their efforts to word usage as its own subject. The result is this practical guide that includes chapters on grammar, style, diction, gender, social groups, pronunciation, word formation, science terms, and a subject and a word index.

**Uncovering the Logic of English: A Common-Sense Solution to America's Literacy Crisis** Denise Eide,2011-01-27 English is so illogical! It is generally believed that English is a language of exceptions. For many, learning to spell and read is frustrating. For some, it is impossible... especially for the 29% of Americans who are functionally illiterate. But what if the problem is not the language itself, but the rules we were taught? What if we could see the complexity of English as a powerful tool rather than a hindrance? --Denise Eide Uncovering the Logic of English challenges the notion that English is illogical by systematically explaining English spelling and answering questions like Why is there a silent final E in have, large, and house? and Why is discussion spelled with -sion rather than -tion? With easy-to-read examples and anecdotes, this book describes: - the phonograms and spelling rules which explain 98% of English words - how English words are formed and how this knowledge can revolutionize vocabulary development - how understanding the reasons behind English spelling prevents students from needing to guess The author's inspiring commentary makes a compelling case that understanding the logic of English could transform literacy education and help solve America's literacy crisis. Thorough and filled with the latest linguistic and reading research, Uncovering the Logic of English demonstrates why this systematic approach should be as foundational to our education as 1+1=2.

Dreyer's English Benjamin Dreyer,2020-08-04 NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness "Essential (and delightful!)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer's English offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right (sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic devices is that I can never remember them." And yes: "Only godless savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal . . . One encounters wisdom and good sense on nearly every page of Dreyer's English."—The Wall Street Journal "Destined to become a classic."—The Millions "Dreyer can help you . . . with tips on punctuation and spelling. . . . Even better: He'll entertain you while he's at it."—Newsday

*English Around the World* Edgar W. Schneider,2010-12-20 The global spread of English has had widespread linguistic, social and cultural implications, affecting the lives of millions of people around the world. This textbook provides a lively and accessible introduction to world Englishes, describing varieties used in places as broad-ranging as America, Jamaica, Australia, Africa and Asia, and setting them within their historical and social contexts. Students are guided through the material with chapter previews and summaries, maps, timelines, lists of key terms, discussion questions and exercises, and a comprehensive glossary, helping them to understand, analyse and compare different varieties of English, and apply descriptive terminology. The book is accompanied by a useful web site, containing textual and audio examples of the varieties introduced in the text, and links to related sources of interest. Providing essential knowledge and skills for those embarking on the study of world Englishes, this is set to become the leading introduction to the subject.

The Elements of English Stan Malless,Jeff McQuain,2014-08-18 Stan Malles and Jeff McQuain have written this brief, yet very important glossary in the spirit of E.D. Hirsch's bestselling Cultural Literacy. Here is a dictionary of basic terms for literature, composition, and grammar that every American, no matter their age, needs to know. Perfect for home and classroom use, The Elements of English is simple to use, unintimidating to read and easy to understand. Each area of language arts is divided into its own section, and a comprehensive index is also included. Each entry is concise, yet explained very clearly. Examples are listed to illustrate meanings, as are reminders, hints, and tips that further define and elucidate the terms. The Elements of English has been used very successfully in classrooms across the country. This revised and expanded edition includes new entries plus three additional appendices. This is a little book that fills a big need, and it deserves a wide distribution and readership.

**A Book of Middle English** J. A. Burrow, Thorlac Turville-Petre, 2013-04-03 This essential Middle English textbook, now in its third edition, introduces students to the wide range of literature written in England between 1150 and 1400. New, thoroughly revised edition of this essential Middle English textbook. Introduces the language of the time, giving guidance on pronunciation, spelling, grammar, metre, vocabulary and regional dialects. Now includes extracts from 'Pearl' and Chaucer's 'Troilus and Criseyde'. Bibliographic references have been updated throughout. Each text is accompanied by detailed notes.

*Mysteries of English Grammar* Andreea S. Calude, Laurie Bauer, 2021-09-30 Despite a history of hundreds of years of research analysing aspects of English grammar, there are still open problems which continue to baffle language researchers today. Such 'grammar mysteries' arise for a number of reasons: because the language is changing; because different speakers of the language adhere to distinct norms and thus introduce and maintain variation in the system; because there are differences between the grammar of spoken and written English. This book illuminates some of the complexities of the subject, the areas where new discoveries await and why it matters. Through a series of accessible and engaging case studies on various aspects of grammar, from multiple negation to possession, the authors present grammar as an intellectual challenge. This book brings out into the open questions about language usage to which we still do not have good answers in a bid to make variation overt and to revel in the mystery of the English language. Both aimed at the interested general reader and the beginning student of English language and linguistics, this is a fresh take on grammar.

*I Hate English!* Ellen Levine, Steve Björkman, 1995-09-01 When her family moves to New York from Hong Kong, Mei Mei finds it difficult to adjust to school and learn the alien sounds of English.

**English for Everyone: Level 1: Beginner, Course Book** DK, 2016-06-28 Our Course Book (Level 1) is a great reference guide to introduce English for beginners including key language skills, grammar, and vocabulary. Ideal for English test preparations or ESL lesson plans, the Course Book uses visual teaching methods to introduce the English language, reinforced through a variety of exercises and examples when used alongside our Practice Book (Level 1). From introducing yourself and talking about your home, city, and hobbies to expanding your vocabulary and understanding grammar rules, this is a completely comprehensive introduction to learning English. Whether you are looking for ESL teaching materials, or a structured program for adults to learn English as a second language, the English for Everyone Course Books provide: - Sample language examples: New language topics are introduced in context using clear, illustrated, and color-coded explanations - Supporting audio: Extensive English-speaking audio materials integrated into every unit, giving vital oral and listening practice. (All supplementary audio is available on the DK English for Everyone website and IOS/Android App). - Sentence formation guides: Visual break downs of English grammar, showing learners how to recreate even complex English sentences - Visual English vocabulary cues: Lists of useful English words and common phrases with visual aids are available throughout the book - Personalized learning: Write-on lines encourage ESL learners to write their own prompts and translations where needed to help customize English language learning The English for Everyone Level 1 resources cover the skills and topics required for all major global English-language exams and reference frameworks including: - CEFR: A1 - TOEFL (test paper): 0-250 - TOEFL (computer-based test): 0-30 - TOEFL (online test): 0-10 - IELTS: 0-2.5 - TOEIC: 0-200 English for Everyone is a series of guides and practice books that supports English learning for adults from a beginner level, to intermediate, and advanced practical English. Offering an easy-to-follow format that offers guidance for both teaching English as a second or foreign language, and a self-study approach with resources available to improve English speaking, reading, and writing.

*So You Really Want to Learn English Book 1* Susan Elkin, 2005-08-26 Offers a set of answers to the exercises in So You Really Want to Learn English 1. This title is suitable for a teacher or parent looking for a textbook course to inspire a love of reading whilst also covering the fundamentals of grammar, spelling and punctuation. It is suitable for pupils working at Key Stage 3 and towards Common Entrance at 13+.

*Abc English: Book One* Jennifer Christenson, 2013-07-23 The main objective of abc English is to develop basic phonics concepts while also developing a basic English life skills vocabulary.--Preface.

*The Cambridge History of the English Language* Richard M. Hogg, Norman Francis Blake, Robert Burchfield, Roger Lass, Suzanne Romaine, 1992 Volume 5 covers the dialects of England since 1776, the historical development of English in the former Celtic-speaking countries, and English in other countries.

**The New Oxford Book of English Prose** John Gross, 1998 This is a unique anthology. Drawing on the full range of English prose, wherever it has been written, it illustrates the growth, development, and resources of the language from the legends of Sir Thomas Malory to the novels of Kazuo Ishiguro. In the process it reveals a variety of achievements which no other language can match. The book represents an enormous diversity of men and women - from John Bunyan to John Updike, from Brendan Behan to Chinua Achebe, from Dorothy Wordsworth to Patrick White. As the centuries progress, American writers increase their presence, and by the twentieth century there are contributions from India, Australia, Canada, Nigeria, the Caribbean and many other parts of the world. The selection is no less remarkable for its breadth in terms of subject-matter and treatment. Fiction is generously represented, but many other kinds of writing have also been drawn on: letters, diaries, and memoirs; history and philosophy; criticism and reportage; sermons and satire; travel-books; reflections on art, science,

politics and sport. There are classic and well-loved passages, and also a great deal that is unfamiliar. John Gross has chosen with consummate skill to produce a volume that is both a testimonial to English prose and an endless source of pleasurable browsing.

*Navigating English Grammar: A Guide to Analyzing Real Language, 2nd Edition* A Lobeck, 2024-04-18

**Mastering English** Pramod K Chaudhari, 2020-09-15 This is one of the rare books on English which covers every aspect of the language—vocabulary, pronunciation, grammar and punctuation. It will open a new chapter in the learning process of every student. English is not so easy to learn as claimed by certain fly-by-night teaching centres, but every effort has been made in this book to understand the nuances of the language—and fast. English is one of the richest languages. It has borrowed extensively from all the major languages in the world, including Hindi. Mantra, chutney, dosa, etc have now become English words. A separate list of foreign words is given in this book. Twenty students have ‘left’ the class means gone out of the class. Twenty students are ‘left’ in the class means remained in the class. ‘That’s life’ means bad/hard life while ‘This is the life’ means good life. A fat chance or a slim chance have the same meaning. Such oddities have been explained in the book quite clearly. This book will be useful not only for students but for all who want to learn English from A to Z and want to use the language with authority.

A History of the English Language Norman Blake, 1996-10-02 Unlike other histories of the English language, this introduction cuts away traditional divisions into old, middle and modern English to chart the rise of and changes in standard English. It covers the English and historical background, changes in phonology, vocabulary and syntax, and offers close analyses of individual texts of English from a wide range of periods. The final chapter focuses on the place of English as a world language and the growing array of the varieties of English spoken today. A useful appendix gives definitions of technical terms and phonetic symbols.

*The History of the English Language* David Burnley, 2014-01-14 This second edition of *The History of the English Language- A Sourcebook* provides a comprehensive and accessible guide to the origins and development of the English language. First published in 1992, the book contains over fifty illustrative passages, drawn from the oldest English to the twentieth century. The passages are contextualised by individual introductions and grouped into the traditional periods of Old English, Early Middle English, Later Middle English, Early Modern English and Modern English. These periods are connected by brief essays explaining the major linguistic developments associated with each period, to produce a continuous outline history. For this new edition Professor Burnley has expanded the outline of linguistic features at each of the main chronological divisions and included more selections and illustrations. A new section has also been included to illustrate the language of advertising from the 18th century to the present. The book will be of general interest to all those interested in the origins and development of the English language, and in particular to students and teachers of the history of the English language at A-level and university.

*The English Languages* Thomas Burns McArthur, 1998-04-23 Plural? monolithic? legion? - Tom McArthur explores the nature of English in its local and global contexts.

**English for Life 1** Cecil Gray, 1993 A four-book course satisfying all language needs for lower secondary to CSEC examination level.

English Drama Richard W. Bevis, 2014-06-06 What were the causes of Restoration drama's licentiousness? How did the elegantly-turned comedy of Congreve become the pointed satire of Fielding? And how did Sheridan and Goldsmith reshape the materials they inherited? In the first account of the entire period for more than a decade, Richard Bevis argues that none of these questions can be answered without an understanding of Augustan and Georgian history. The years between 1660 and 1789 saw considerable political and social upheaval, which is reflected in the eclectic array of dramatic forms that is Georgian theatre's essential characteristic.

## Decoding English: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "English," a mesmerizing literary creation penned with a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

While this might not be the English full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of English eBooks, including some popular titles.

## FAQs About English Books

**What is a English PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a English PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a English PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a English PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs

in different formats. **How do I password-protect a English PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
