Expecting Better Emily Oster, 2014-06-24 “Emily Oster is the non-judgmental girlfriend holding our hand and guiding us through pregnancy and motherhood. She has done the work to get us the hard facts in a soft, understandable way.” —Amy Schumer *Fully Revised and Updated for 2021* What to Expect When You're Expecting meets Freakonomics: an award-winning economist disproves standard recommendations about pregnancy to empower women while they're expecting. From the author of Cribsheet and The Family Firm, a data-driven decision making guide to the early years of parenting Pregnancy—unquestionably one of the most profound, meaningful experiences of adulthood—can reduce otherwise intelligent women to, well, babies. Pregnant women are told to avoid cold cuts, sushi, alcohol, and coffee without ever being told why these are forbidden. Rules for prenatal testing are similarly unexplained. Moms-to-be desperately want a resource that empowers them to make their own right choices. When award-winning

economist Emily Oster was a mom-to-be herself, she evaluated the data behind the accepted rules of pregnancy, and discovered that most are often misguided and some are just flat-out wrong. Debunking myths and explaining everything from the real effects of caffeine to the surprising dangers of gardening, *Expecting Better* is the book for every pregnant woman who wants to enjoy a healthy and relaxed pregnancy—and the occasional glass of wine.

Courageously Expecting Jenny Albers, 2022-01-11 Using Scripture and personal narrative, *Courageously Expecting* empathizes with and empowers women to face a pregnancy after loss with faith and courage, despite inevitable feelings of grief and fear that accompany life after losing a baby. Pregnancy is widely regarded as the most joyful time in a woman's life, but for the mother who has experienced pregnancy loss, a subsequent

pregnancy can feel like she's holding her breath and hoping for what she can't control. In *Courageously Expecting*, Jenny Albers meets women in this difficult season as someone who has also experienced the worst and cautiously hoped for the best. Through the telling of her own story, Scripture, and heartfelt prayer, she encourages readers to cling to faith in the face of fear and guides them to cultivate hope when doubt weighs heavy; realize that the past does not dictate the present or the future and that God creates a way in the wilderness of grief and loss; flip the script on the what-if, worst-case-scenario narrative in their minds and learn to take their thoughts captive; and find the courage to humble themselves and ask for and accept help from others. Regardless of where readers are on their pregnancy after loss journey, *Courageously Expecting* is a companion to help them through the days when fear overshadows hope.

Expecting Teryk is an intimate exploration, written in the form of a letter from a parent to her future son, that reclaims a rite of passage that modern society would strip of its magic. Dawn Prince-Hughes, renowned author of *Songs of a Gorilla Nation: My Journey Through Autism*, considers the ways her disabilities might inform her parenting. She candidly narrates her experience of becoming a parent as part of a lesbian couple—from meeting her partner and the questions they ask about their readiness to become parents, to the practical considerations of choosing a sperm donor. Expecting Teryk is expressed through the lens of autism as Prince-Hughes shares the unique way she sees and experiences. Contemplating the evolutionary traditions of motherhood, and embedded in the reassurances that nature offers, Expecting Teryk is a work of sensuous wonder that speaks to the deeper realities and archetypal experiences shared by all who embark on the journey of parenthood.
