Flower Flash Lewis Miller, 2021-11-02 From Lewis Miller, the celebrated floral designer and Flower Bandit himself, an intimate and joyous behind-the-scenes look at his signature Flower Flashes as they introduced bright moments of natural beauty into the city when they were needed most. Before dawn one morning in October 2016, renowned New York-based floral designer Lewis Miller stealthily arranged hundreds of brightly colored dahlias, carnations, and mums into a psychedelic halo around the John Lennon memorial in Central Park. The spontaneous floral installation was Miller's gift to the

city—an effort to spark joy during a difficult time. Nearly five years and more than ninety Flower Flashes later, these elaborate flower bombs—bursts of jubilant blooms in trash cans, over bus canopies, on construction sites and traffic medians—have brought moments of delight and wonder to countless New Yorkers and flower lovers everywhere, and earned Miller a following of dedicated fans and the nickname the Flower Bandit. After New York City entered lockdown, Miller doubled down, creating Flower Flashes outside hospitals to express gratitude to frontline health workers and throughout the city to raise spirits. This gorgeous and poignant visual diary traces the phenomenon from the first, spontaneous Flower Flash to the even more profound installations of the pandemic through a kaleidoscopic collage of photos documenting the Flower Flashes, behind-the-scenes snapshots, Miller's inspiration material, fan contributions, and more.

Flower Elizabeth Craft, Shea Olsen, 2017-01-03 A relationship with a mysterious pop star turns a girl's life upside down in "a great novel about first love . . . a very touching book" (Fresh Fiction). These are the things that I've always wanted: To get the top grades in my class. To make my grandmother proud. And most of all, proof that I could succeed where the rest of my family had not: a Stanford acceptance letter, early admission. My mother and my sister were obsessed with boys and love and sex. So obsessed that they lost sight of their futures, of what they wanted. And in the end, they lost everything. I'll never let a boy distract me. I promised myself that. But that was before Tate. Before the biggest pop star on the planet took an interest in me. Before private planes and secret dates and lyrics meant for me alone. There's so much I don't know. Like why he left music. Where he goes when we're not together. What dark past he's hiding. But when we kiss, the future feels far away. And now . . . I'm not sure what I want. "Fun and enjoyable to read . . . Fans of musicians and YA contemporary romance will devour it like I did." —Buried in a Bookshelf
