Funny: The Book David Misch, 2012-04-01 FUNNY: THE BOOK - EVERYTHING YOU ALWAYS WANTED TO KNOW ABOUT COMEDY

This Will Be Funny Someday Katie Henry, 2021-01-19 The Marvelous Mrs. Maisel comes to high school in acclaimed author Katie Henry's coming-of-age YA contemporary about a girl who accidentally falls into the world of stand-up comedy. Perfect for fans of John Green and Becky Albertalli! Sixteen-year-old Izzy is used to keeping her thoughts to herself—in school, where her boyfriend does the talking for her, and at home, where it's impossible to compete with her older siblings and high-powered parents. When she mistakenly walks into a stand-up comedy club and performs, the experience is surprisingly cathartic. After the show, she meets Mo, an aspiring comic who's everything Izzy's not: bold, confident, comfortable in her skin. Mo invites Izzy to join her group of friends and introduces her to the Chicago open mic scene. The only problem? Her new friends are college students—and Izzy tells them she's one, too. Now Izzy, the dutiful daughter and model student, is sneaking out to perform stand-up with her comedy friends. Her controlling boyfriend is getting suspicious, and her former best friend knows there's something going on. But Izzy loves comedy and this newfound freedom. As her two parallel lives collide—in the most hilarious of ways—Izzy must choose to either hide what she really wants and who she really is, or finally, truly stand up for herself. \* Rise: A Feminist Book Project Book of the Year \* A

**Me Funny** , 2012-01-06 Humor has always been an essential part of North American aboriginal culture. This fact remained unnoticed by most settlers, however, since non-aboriginals just didn't get the joke. For most of written history, a stern, unyielding profile of "the Indian" dominated the popular

mainstream imagination. Indians, it was believed, never laughed. But Indians themselves always knew better. As an award-winning playwright, columnist, and comedy-sketch creator, Drew Hayden Taylor has spent 15 years writing and researching aboriginal humor. For *Me Funny*, he asked a noted cast of writers from a variety of fields – including such celebrated wordsmiths as Thomas King, Allan J. Ryan, Mirjam Hirsch, and Tomson Highway – to take a look at what makes aboriginal humor tick. Their hilarious, enlightening contributions playfully examine the use of humor in areas as diverse as stand-up comedy, fiction, visual art, drama, performance, poetry, traditional storytelling, and education.

**Funny Business** ,2000-09 *Funny Business* is a compilation of humour. It exposes students to different styles of writing and text types, such as first- and third-person narrative; explanatory, informative and descriptive texts; poetry and lists. Contrasts and comparisons can be made among thematically linked fiction extracts, poems, non-fictions and new writing.

**That's Not Funny!** Jeanne Willis,2014-01-01 The most action-packed banana-peel gag ever! What happens when mischievous Hyena puts a banana peel on unsuspecting Giraffe's path? A lot of hilarious chaos, it turns out. Kids will laugh and laugh at the crazy chain of events Hyena's practical joke sets in motion. In the end though, the joke's on Hyena, and readers will learn the smelly consequences of laughing too much at others' misfortunes.

*Before & Laughter* Jimmy Carr,2021-09-30 \*A memoir and self-help manual by

one of the country's most treasured comedians - for anyone who feels stuck in a rut but doesn't have the tools or self-belief to shake things up\* In his mid-twenties, Jimmy was bored, boring, unfulfilled and underachieving. He wasn't exactly depressed, but he was very sad. Think of a baby owl whose mum has recently died in a windmill accident. He was that sad. This book tells the story of how Jimmy turned it around and got happy, through the redemptive power of dick jokes. Written to take advantage of the brief window between the end of lockdown and Jimmy getting cancelled for saying something unforgivable to Lorraine Kelly, this book is as timely as it is unnecessary. Because you might be interested in Jimmy's life but he's damn sure you're a lot more interested in your own, *Before & Laughter* is about both of you. But mainly him. It tells the story of Jimmy's life - the transformation from white-collar corporate drone to fake-toothed donkey-laugh plastic-haired comedy mannequin - while also explaining how to turn your own life around and become the you you've always dreamt of being. At just £20, it's cheaper than Scientology, quicker than therapy, and significantly less boring than church. *Before & Laughter* contains the answers to all the big questions in life, questions like: · What's the secret to happiness? · Is Jimmy wearing a wig? · What happened with that tax thing? · What's the meaning of life? · Is Jimmy's laugh real? · Can those teeth bite through vibranium? And for readers in the West Country: yes, there are pictures (actually, sorry, there are no pictures, but there's a book about a hungry caterpillar you'll love). Because

it's Jimmy Carr - recently scientifically proved to be the funniest comedian in the UK - there are jokes, jokes and more jokes throughout. If laughter really was the best medicine, the NHS would be handing out this book in Nightingale Hospitals. Fascinating, thoughtful and insightful - are all words that appear in the book.

*The Worst Book in the Whole Entire World* Joey Acker, 2019-03-15 OH NO!!! You found The Worst Book in the Whole Entire World! Well, since you're already here I may as well tell you about it... Poor Nameless tries to explain to the reader why this book is simply the WORST book in the whole entire world. Will he succeed in his noble quest? Is he the reason this book is the worst?? Will it have a happy ending or the worst ending ever??? The Worst Book in the Whole Entire World is a humorous and witty tale for young and seasoned readers. Whatever you do though, don't read it out loud! You may catch wind of these words: toot, stinky, booger, and booty. You've been warned, but you'll still want to see what happens next!

*What's So Funny?* Aris Parker, 2010-12-15 This book attempts to bring joy and relief from the chaos and confusion of everyday life. I think people will get a kick out of this book because it's hilarious in a corny type of way. As the author I even had to laugh at the funny stories so it has to be funny. All kidding aside, this book is entertaining and educational, as well since it could be instrumental in bridging the gap between readers of different languages, cultures, customs and backgrounds with funny sayings spoken in our

daily lives. You may ask what's so funny about this book. What's not to like about this book? Go ahead and take a gander, you will see how this barrel of laughs can make a difference in this serious world. Again, I know you'll get a good laugh because I found it quite amusing myself. So read the book and laugh your heart out!

Mr. Funny Pants Michael Showalter, 2011-02-22 I was at my wit's end. I'd had enough of this job, this life, and my relationship had broken up. Should I eat chocolate, or go to India, or fall in love? Then I had a revelation: Why not do all three, in that order? And so it was that I embarked on a journey that was segmented into three parts and was then made into a major motion picture. Later, I woke up on an airplane with a hole in my face and a really bad hangover. I was ushered brusquely off the plane by my parents who took me to a rehab where I tested positive for coke, classic coke, special k (the

drug), Special K (the cereal), mushrooms, pepperoni, and Restless Leg Syndrome. It was there that I first began painting with my feet. But rewind...the year was 1914. I was just a young German soldier serving in the trenches while simultaneously trying to destroy an evil ring with some help from an elf, a troll, and a giant sorcerer, all while cooking every recipe out of a Julia Child cookbook. What I'm trying to say is that there was a secret code hidden in a painting and I was looking for it with this girl who had a tattoo of a dragon! Let me clarify, it was the 1930s and a bunch of us were migrating out of Oklahoma, and I was this teenage wizard/CIA operative, okay? And, um then I floated off into the meta-verse as a ball of invisible energy that had no outer edge... Ugh, okay. None of this is true. I'm just kind of a normal guy from New Jersey who moved to New York, got into comedy, wrote this book about trying to write this book, and then moved to Alaska, became the mayor of a small town, spent \$30,000 on underwear, and now I'm going to rule the world!!!

A Funny Thing Happened on the Way to School... Davide Cali, Benjamin Chaud, 2015-03-03 First, some giant ants steal breakfast. Then there are the evil ninjas, massive ape, mysterious mole people, giant blob, and countless other daunting (and astonishing) detours along the way to school. Are these excuses really why this student is late? Or is there another explanation that is even more outrageous than the rest? From Davide Cali and Benjamin Chaud, the critically acclaimed author/illustrator team behind I Didn't Do My

Homework Because . . . comes a fast-paced, actionpacked, laugh-out-loud story about finding the way to school despite the odds—and the unbelievable oddness! Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

**Seriously Funny** Howard Jacobson, 1997 An investigation of the origins of comedy and the meaning of laughter, drawing on biology, anthropology, classical studies, behavioural science, philosophy and psychology - with a few authorial jokes along the way.
