

GOD

R. Keith Loftin

The God Book Rabbi Jack Abramowitz, 2017-01-18 From angels and the afterlife to suffering and Divine providence, The God Book addresses all things spiritual through classic works of Jewish philosophy. Works summarized include the Rambams Moreh Nevuchim (Guide for the Perplexed), Ramchals Derech Hashem (Way of God), ibn Pakudas Chovos HaLevavos (Duties of the Heart) and Hilchos Deios from the Rambams Mishneh Torah.

God Reza Aslan, 2017-11-07 NEW YORK TIMES BESTSELLER • The bestselling author of *Zealot* and host of *Believer* explores humanity's quest to make sense of the divine in this concise and fascinating history of our understanding of God. In *Zealot*, Reza Aslan replaced the staid, well-worn portrayal of Jesus of Nazareth with a startling new image of the man in all his contradictions. In his new book, Aslan takes on a subject even more immense: God, writ large. In layered prose and with thoughtful, accessible scholarship, Aslan narrates the history of religion as a remarkably cohesive attempt to understand the divine by giving it human traits and emotions. According to Aslan, this innate desire to humanize God is hardwired in our brains, making it a central feature of nearly every religious tradition. As Aslan writes, "Whether we are aware of it or not, and regardless of whether we're believers or not, what the vast majority of us think about when we think about God is a divine version of ourselves." But this projection is not without consequences. We bestow upon God not just all that is good in human nature—our compassion, our thirst for justice—but all that is bad in it: our greed, our bigotry, our penchant for violence. All these qualities inform our religions, cultures, and governments. More than just a history of our understanding of God, this book is an attempt to get to the root of this humanizing impulse in order to develop a more universal spirituality. Whether you believe in one God, many gods, or no god at all, *God: A Human History* will challenge the way you think about the divine and its role in our everyday lives. Praise for *God* "Timely, riveting, enlightening and necessary."—HuffPost "Tantalizing . . . Driven by [Reza] Aslan's grace and curiosity, *God* . . . helps us pan out from our troubled times, while asking us to consider a more expansive view of the divine in contemporary life."—The Seattle Times "A fascinating exploration of the interaction of our humanity and God."—Pittsburgh Post-Gazette "[Aslan's] slim, yet ambitious book [is] the story of how humans have created God with a capital G, and it's thoroughly mind-blowing."—Los Angeles Review of Books "Aslan is a born storyteller, and there is much to enjoy in this intelligent survey."—San Francisco Chronicle

Hearing God Dallas Willard, 2021-12-07 Being close to God means communicating with him—telling him what is on our hearts in prayer and hearing, and understanding what he is saying to us. But how do we hear God's voice? How can we be sure that what we think we hear is not our own subconscious? What role does the Bible play? What if what God says to us is not clear? The key, says bestselling author Dallas Willard, is to focus not so much on individual actions and decisions as on building our personal relationship with our Creator. In this beloved classic, you'll gain rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom. *Hearing God* is now available as part of the IVP Signature Collection, which features special editions of iconic books in celebration of the seventy-fifth anniversary of InterVarsity Press. A new companion Bible study guide with contributions from

Jan Johnson is also available.

Lies We Believe About God Wm. Paul Young, 2017-03-07 From the author of the bestselling novel *The Shack* and the New York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God's love. Now, in Wm. Paul Young's first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we've presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the "Papa" portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God's deep and abiding love.

God and Morality R. Keith Loftin, 2012-08-28 Is morality dependent upon belief in God? Is there more than one way for Christians to understand the nature of morality? Is there any agreement between Christians and atheists or agnostics on this heated issue? In *God and Morality: Four Views* four distinguished voices in moral philosophy articulate and defend their place in the current debate between naturalism and theism. Christian philosophers, Keith Yandell and Mark Linville and two self-identified atheist/agnostics, Evan Fales and Michael Ruse clearly and honestly represent their differing views on the nature of morality. Important differences as well as areas of overlap emerge as each contributor states their case, receives criticism from the others and responds. Of particular value for use as an academic text, these four essays and responses, covering the naturalist moral non-realist, naturalist moral realist, moral essentialist and moral particularist views, will foster critical thinking and contribute to the development of a well-informed position on this very important issue.

The Audacity of God's Power Femi Folorunsho, 2009 How much worse could it get for me? After several failed marriages, unemployment, and the threat of losing my house a few years ago, I had to turn to God for a 911 intervention. At that point in time, I just lost my job and my ex-wife had just moved out with all her furniture, including the accessories and mattress. I thought I had reached my limit, but with God's grace I bounced back and refused to be defeated. One of the greatest lessons learned then is to stay faithful to God, hold on to Him because He's the only one that could help me throughout my days in the wilderness. The Audacity of God's power shows how toughness of a man or woman cannot be measured through their physical stature, but rather the ability to stay strong and reach-out to God for assistance. Challenges are inevitable, they are like the weather or a season, no matter how undesirable they appear at one point. A better one will surely replace the not too great ones. As for me, it was my willingness to ask for God's help that ultimately saved me and allowed Him to go the extra mile for me and my family.

God: The Failed Hypothesis Victor J. Stenger, 2010-08-05 Throughout history, arguments for and against the existence of God have been largely confined to

philosophy and theology, while science has sat on the sidelines. Despite the fact that science has revolutionized every aspect of human life and greatly clarified our understanding of the world, somehow the notion has arisen that it has nothing to say about the possibility of a supreme being, which much of humanity worships as the source of all reality. This book contends that, if God exists, some evidence for this existence should be detectable by scientific means, especially considering the central role that God is alleged to play in the operation of the universe and the lives of humans. Treating the traditional God concept, as conventionally presented in the Judeo-Christian and Islamic traditions, like any other scientific hypothesis, physicist Stenger examines all of the claims made for God's existence. He considers the latest Intelligent Design arguments as evidence of God's influence in biology. He looks at human behavior for evidence of immaterial souls and the possible effects of prayer. He discusses the findings of physics and astronomy in weighing the suggestions that the universe is the work of a creator and that humans are God's special creation. After evaluating all the scientific evidence, Stenger concludes that beyond a reasonable doubt the universe and life appear exactly as we might expect if there were no God. This paperback edition of the New York Times bestselling hardcover edition contains a new foreword by Christopher Hitchens and a postscript by the author in which he responds to reviewers' criticisms of the original edition.

The Global God Aída Besançon Spencer, William David Spencer, 1998-05 A global Christian manifesto in which contributors examine attributes of God--the ones that are most understood in today's culture and the ones that need to be more fully apprehended.

A Metaphorical God Gail Ramshaw, 1995-03 A collection of 26 thought-provoking meditations on the name of God.

A God for this World Scott Cowdell, 2000 This is a discussion of how God became remote from the world, with consequences for belief, and how God is today being reimagined as being at home in the world and at work in natural and human events. Beyond classical theism and modern atheism, traditions of God at home in the world are recovered and holistic images of God explored - old and new. Incorporating insights from quantum physics, postmodern theory, chaos theory and evolutionary biology, the book recaptures the sense of God as soul of the world, commending a secular mysticism of God in, with and under all the struggles of matter, life and consciousness. This reinvigorated tradition of divine action is brought into respectful dialogue with the undeniable challenges to faith which evil and suffering pose.

God in history; or, The progress of man's faith in the moral order of the world Christian Carl Josias von Baron Bunsen, 1870

God Above All Zondervan, 2020-12-01 We all yearn for greater contentment. We try new planners, new apps, new jobs, new diets, and new relationships hoping that one more change will finally make our lives feel right. But no matter what we do, the peace we seek feels out of reach. How can we find the meaning and purpose we long for? Fourth-century philosopher and theologian St. Augustine asked the same question. *God Above All*, compiled from St. Augustine's most-influential works, includes: 90 devotions to learn the life-altering love of God How to change your heart and desire God above all Ancient writings made accessible and applicable for modern readers Short excerpts from St. Augustine's works, such as *Confessions* and *The City of God*

Practical prompts to apply Augustine's insights This 90-day devotional is a heartfelt gift for: Men and women who want to experience life with fresh eyes Readers across all denominations and faith backgrounds Anyone who longs to grow in faith but doesn't know where to start Father's Day, birthdays, Christmas, and for anyone interested in learning more about St. Augustine's teachings about making God the center of all Whether you are seeking guidance in making God a priority in your relationships, your work, or your daily decisions, God Above All is the perfect book to inspire you to discover the delight of glorifying your Creator in every moment of your life.

God.com James Alexander Langteaux,2013-03-27 God.com is a refreshing, unflinchingly honest approach to seeking our Creator. Witty, poignant, and surprising text draws today's techno-savvy readers to God's home page, where they can learn to more fully understand and communicate with Him. In these pages, author James Langteaux boldly tackles some of our toughest questions about maintaining a relationship with an invisible being-discussing God as Father, Lover, and Best Friend. God.com helps readers identify and break down walls of fear so they can allow God's love and purposes to change their lives in profound ways. It invites us all to face the piercing, unpadding truth of God's passion for us and respond, reminding us that our maturity is at stake.

What the Bible Says About God the Ruler Jack Cottrell,2000-10-24

God and the History of the Universe Jarvis Streeter,2016 The popular belief that a scientific understanding of reality is incompatible with a Christian one is simply wrong. Some Christian understandings of reality do conflict with some scientific understandings. But a thoroughly rational Christian understanding of the origin and history of the universe will be informed by the best scientific theories and the facts founded on them. This book weaves a narrative of the origin and history of the universe from the perspective of contemporary science with a Christian understanding of God and of God's role in the origin and history of the universe. At the center of this integrated narrative is the view that God, who is pure, unbounded Love, is Creator: the zest for life in the universe comes from God, and God is the source of Truth, Beauty, and Goodness in the universe. God is amazed and delighted at what God-and-the-world has created; God is saddened by ways creatures have fallen short of pure, unbounded Love, Truth, Beauty, and Goodness; and God's pure, unbounded Love keeps on trying to persuade all creatures toward Truth, Beauty, and Goodness. Jarvis Streeter's posthumous book is unbelievably good. Describing the history of the universe from a theistic perspective, this book discusses, with accuracy, everything that one would need to know to take on such an enormous task. Equally well informed and, in my view, sound are Streeter's judgments about theism and its relation to science. As a bonus, the book is beautifully written. --David Ray Griffin, author of God Exists, Although Gawd Does Not: From Evil to Fine-Tuning (2016) Postmodernity denies any possibility of a grand narrative. That judgment is premised on the cognitive and spiritual experience of fracture, including the purported fracture between scientific and religious understandings of reality. Jarvis Streeter's God and the History of the Universe is a grand narrative. It enters into both nature and fracture to discover a deeper invitation to peace. Streeter's gift hereby is a scientifically factual and deeply felt testimony to Love's liveliness--and unity!--throughout the universe. --Duane H. Larson, coauthor of Moral Injury: Caring for the Suffering Soul (forthcoming, Wipf and Stock); Past President and Associate Professor of

Systematic Theology, Wartburg Theological Seminary Jarvis Streeter, Professor of Religion at California Lutheran University from 1988 to 2013, received awards for his teaching in 1991 and 2004 and a posthumous Honorary Alumnus of the Year award. He is the author of *Human Nature, Human Evil, and Religion* (2009). Streeter completed his work on this book by mid-2013, six months before his death from pancreatic cancer. David J. Lull (editor), Professor Emeritus of New Testament at Wartburg Theological Seminary, is the author of *The Spirit in Galatia* (Wipf & Stock, 2006), and coauthor of *Biblical Preaching on the Death of Jesus* (Wipf & Stock, 2007). He has also written *1 Corinthians* (2007) and *Romans* (2005).

Time for God Jacques Philippe, 2017-03-29 Many people today are thirsty for God and feel a desire for an intense, personal prayer life that is deep and ongoing. But they encounter obstacles that prevent them from following the path seriously, and especially from persevering on it. *Time for God* was written with these desires and difficulties in mind. In *Time for God*, author Jacques Philippe mainly concentrates on mental prayer: prayer that consists of facing God in solitude and silence for a time in order to enter into intimate, loving communion with him. Practicing this kind of prayer regularly is considered by all spiritual masters to be an indispensable path that gives access to genuine Christian life—a path to knowing and loving God that empowers us to respond to his call to holiness addressed to each individual. Philippe draws on years of experience as a spiritual guide to illuminate the fundamental principles of mental prayer and describes some common mistakes and misconceptions that can lead it astray. With simplicity and clarity he explains the foundational principles for a healthy prayer life and gives advice for overcoming the various obstacles that arise when one sets off on the path of interior prayer.

Of God and Men A. W. Tozer, 2015-09-22 Is our Christianity that of the New Testament? God and men and their relation to each other—this I believe to be all that really matters in the world, and that is what I have written about here. —A. W. Tozer Like a physician running a biopsy on lifeless faith, here A. W. Tozer offers one of the most compelling critiques of feigned spirituality you may ever read. In *Of God and Men*, Tozer exposes false religious notions and lifts up true New-Testament Christianity. A loving and gentle critique of culture and even the church, it reveals lies we unknowingly believe, godless practices we unknowingly do, and treasures of Christ we unknowingly ignore. A manifesto of true religion, *Of God and Men* will set your foot on the narrow path and lift your heart in soaring worship.

To the Only Wise God Be Glory and Honor Jamesella Kountz Proctor, 2017-10-27 This book is intended for those who feel hopeless during their times of struggles because had it not been for God on the authors side, where would she be? Thus, it is an urgent call to those who do not know Christ to repent, accept Christ, and trust that God knows the plans he has for you. In this book, there will be subjects exploring an understanding of who God is, the names of God depicting his attributes, and how those names relate to Gods glory and honor, along with why believers should give all glory and honor to God, not in word only but by their deeds as well. To demonstrate honor and glory to God is when one recognized that God alone is the only wise God to whom all reverence belongs as he is immutable, unchangeable, and eternal. Glory and honor should be given to Jesus Christ the redeemer and mediator of the sins of the world. Thus, the author renders a testimony of who God is to

her and how personally knowing Christ has affected her journey. One shows reference of God's glory by honoring and acknowledging those who are elderly, parents, and those who are given authority to watch over the souls of humanity. What does it mean to make sacrifices as glory and honor to God? The book will further detail who the devil is and how he is at odds with the work of God, Christ, and human beings. Mankind created in God's image brings glory and honor to God. Thus, God grants promises, which are derived from giving glory and honor to God as revealed by sending the Holy Spirit to empower all humanity to live holy unto Christ.

God's Best for My Life Lloyd John Ogilvie, 2020-10-06 "My prayer is that this will be one of the most exciting years of your life." –Lloyd John Ogilvie Don't Settle for Anything Less A lot has changed since this timeless devotional was first released almost 40 years ago, but one truth has stayed the same—a loving Savior still calls you closer to Him and wants His very best for you. Will you accept His gracious invitation? These short yet powerful devotions will take you less than 10 minutes each to read, but their impact on your daily life will be incalculable. As you fellowship with God and learn more about Him, you'll experience anew His grace, mercy, wisdom, and more. This beautifully designed edition of this classic devotional makes an ideal gift or a great way to rededicate yourself to spending more time in God's presence. Are you ready to experience His best? Start today.

God and Galileo David L. Block, Kenneth C. Freeman, 2019-05-17 A devastating attack upon the dominance of atheism in science today. Giovanni Fazio, Senior Physicist, Harvard-Smithsonian Center for Astrophysics The debate over the ultimate source of truth in our world often pits science against faith. In fact, some high-profile scientists today would have us abandon God entirely as a source of truth about the universe. In this book, two professional astronomers push back against this notion, arguing that the science of today is not in a position to pronounce on the existence of God—rather, our notion of truth must include both the physical and spiritual domains. Incorporating excerpts from a letter written in 1615 by famed astronomer Galileo Galilei, the authors explore the relationship between science and faith, critiquing atheistic and secular understandings of science while reminding believers that science is an important source of truth about the physical world that God created.

Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **GOD**

In a global inundated with displays and the cacophony of quick interaction, the profound power and psychological resonance of verbal beauty usually diminish into obscurity, eclipsed by the regular assault of noise and distractions. Yet, located within the musical pages of **GOD**, a interesting perform of literary brilliance that impulses with raw feelings, lies an unforgettable trip waiting to be embarked upon. Composed with a virtuoso wordsmith, that enchanting opus instructions visitors on a mental odyssey, delicately exposing the latent possible and profound affect stuck within the intricate web of language. Within the heart-wrenching expanse of this evocative evaluation, we will embark upon an introspective exploration of the book is main styles, dissect its captivating publishing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers

souls.

GOD Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the

cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations.

Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading GOD free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows

users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading GOD free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding

free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading GOD free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading GOD. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading GOD any PDF files. With these platforms, the world of

PDF downloads is just a click away.

FAQs About GOD Books

1. Where can I buy GOD books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a GOD book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of GOD books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are GOD audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read GOD books for free? Public Domain Books: Many classic books are available

for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
