Axiom's End Lindsay Ellis,2020-07-21 THE INSTANT NEW YORK TIMES BESTSELLER The alternate history first contact adventure Axiom's End is an extraordinary debut from Hugo finalist and video essayist Lindsay Ellis. Truth is a human right. It's fall 2007. A well-timed leak has revealed that the US government might have engaged in first contact. Cora Sabino is doing everything she can to avoid the whole mess, since the force driving the controversy is her whistleblower father. Even though Cora hasn't spoken to him in years, his celebrity has caught the attention of the press, the Internet, the paparazzi, and the government—and with him in hiding, that attention is on her. She neither knows nor cares whether her father's leaks are a hoax, and wants nothing to do with him—until she learns just how deeply entrenched her family is in the cover-up, and that an extraterrestrial presence has been on Earth for decades. Realizing the extent to which both she and the public have been lied to, she sets out to gather as much information as she can, and finds that the best way for her to uncover the truth is not as a whistleblower, but as an intermediary. The alien presence has been completely uncommunicative until she convinces one of them that she can act as their interpreter, becoming the first and only human vessel of communication. Their otherworldly connection will change everything she thought she knew about being human—and could unleash a force more sinister than she ever imagined.

Get Known Before The Book Deal Christina Katz,2008-11-17 Sell Your First Book & Develop a Successful and Sustainable Writing Career Before you can land a book deal—before you can even attract the interest of agents and editors—you need to be visible. How do you become visible? You develop a platform, or a way of reaching your readers. Everybody can develop a platform, and this book shows you how to do it while you're still writing. This book offers: A step-by-step approach to creating, growing, and nurturing a platform An economical approach to self-promotion (no need to spend thousands) A clear way to uncover your strengths and weaknesses as an author The strategies that are essential (or not) to online promotion A philosophy of authorship that leaves you confident, empowered, and equally partnered with agents, editors, and publishers (instead of waiting to be discovered) A diverse set of tools and methods for getting known (not just web-based tools or ideas for extroverts) After you read this book, you'll be able to answer the inevitable question: What's your platform? You'll learn the hows and whys of becoming visible and how to cultivate visibility from scratch. Best of all, you won't need any previous knowledge or experience to get started. Growing a writing career isn't just about landing one book deal and then scrambling like crazy. There is a more strategic and steady way to lay the groundwork so you can avoid scrambling altogether—and Get Known Before the Book Deal is the only comprehensive book that shows you how.

Getting Things Done David Allen,2015-03-17 The book Lifehack calls The Bible of business and personal productivity. A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'—Fast Company Since it was first published almost fifteen years ago, David Allen's Getting Things Done has become one of the most influential business books of its era, and the ultimate book on personal organization. “GTD” is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of Getting Things Done will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

As Many Nows as I Can Get Shana Youngdahl,2019-08-20 A Seventeen Best Book of the Year A New York Public Library Top Ten Best Book of the Year A Kirkus Best Book of the Year For fans of All the Bright Places and Looking for Alaska comes a daring, inventive story about love and loss and longing, reminding us that every choice can be a new chance. A dazzling, not-to-be-missed debut. --Kathleen Glasgow, author of Girl in Pieces In one impulsive moment the summer before they leave for college, Scarlett and David plunge into a brief and irresistible swirl of romance, particle physics, and questionable decisions. Scarlett and David have known each other all their lives in small-town Graceville, Colorado, where David is just another mountain in the background, until, one day, he is suddenly so much more than part of the scenery. Magnetic, spontaneous, David is a gravitational force. And Scarlett, pragmatic, wry, eye on the future, welcomes the pull he has on her even as she resists it. Moving between the present and the past, this is the story of a seemingly grounded girl who's pulled into a lightning-strike romance with an electric-charged boy, and the enormity of the aftermath. Smart, bold, and emotionally deep, Shana Youngdahl's debut explores grief, guilt, and reconciling who you think you need to be with the person you've been all along. It's an aching, transporting reminder that between the past that shapes us and the unknowable future, we have only the present to forgive ourselves and forge ahead. A story you won't forget. --Huntley Fitzpatrick, author of My Life Next Door Mystery...Heartbreak...Hope...Readers will not be able to put this one down.--SLJ Vivid --Seventeen.com You'll speed read through [it] --PopSugar John Green-like, intelligent and peppered with witty repartee --Booklist Heartbreaking, exquisitely crafted --Estelle Laure, author of This Raging Light Deeply authentic...Marvelously complex...Readers shouldn't miss [it] --Kirkus, starred review A complex, compassionately written love story --PW A definite purchase and must read.--VOYA Perfect. --Book Page

Get Good with Money Tiffany the Budgetnista Aliche,2021-03-30 NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER • A ten-step plan for finding peace, safety, and harmony with your money—no matter how big or small your goals and no matter how rocky the market might be—by the inspiring and savvy “Budgetnista.” “No matter where you stand in your money journey, Get Good with Money has a lesson or two for you!”—Erin Lowry, bestselling author of the Broke Millennial series Tiffany Aliche was a successful pre-school teacher with a healthy nest egg when a recession and advice from a shady advisor put her out of a job and into a huge financial

hole. As she began to chart the path to her own financial rescue, the outline of her ten-step formula for attaining both financial security and peace of mind began to take shape. These principles have now helped more than one million women worldwide save and pay off millions in debt, and begin planning for a richer life. Revealing this practical ten-step process for the first time in its entirety, *Get Good with Money* introduces the powerful concept of building wealth through financial wholeness: a realistic, achievable, and energizing alternative to get-rich-quick and over-complicated money management systems. With helpful checklists, worksheets, a tool kit of resources, and advanced advice from experts who Tiffany herself relies on (her “Budgetnista Boosters”), *Get Good with Money* gets crystal clear on the short-term actions that lead to long-term goals, including:

- A simple technique to determine your baseline or “noodle budget,” examine and systemize your expenses, and lay out a plan that allows you to say yes to your dreams.
- An assessment tool that helps you understand whether you have a “don't make enough” problem or a “spend too much” issue—as well as ways to fix both.
- Best practices for saving for a rainy day (aka job loss), a big-ticket item (a house, a trip, a car), and money that can be invested for your future.
- Detailed advice and action steps for taking charge of your credit score, maximizing bill-paying automation, savings and investing, and calculating your life, disability, and property insurance needs.
- Ways to protect your beneficiaries' future, and ensure that your financial wishes will stand the test of time.

An invaluable guide to cultivating good financial habits and making your money work for you, *Get Good with Money* will help you build a solid foundation for your life (and legacy) that’s rich in every way.

The Pets You Get Thomas Taylor,2014-01-01 There are so many whiz-bang great pets you can get! How about an enormous brown bear? Or a tentacled beast from the sea? Or even a humongous smoky dragon that glows? But as this small boy learns, even the smallest of pets can be surprisingly fun too!

The Discussion Book Stephen D. Brookfield,Stephen Preskill,2016-01-19 Build teams, make better decisions, energize groups, and think out of the box Do you need a resource that you can pull out of your pocket to liven up meetings, trainings, professional development, and teaching? The fifty easily applied techniques in this timely manual spur creativity, stimulate energy, keep groups focused, and increase participation. Whether you're teaching classes, facilitating employee training, leading organizational or community meetings, furthering staff and professional development, guiding town halls, or working with congregations, *The Discussion Book* is your go-to guide for improving any group process. Each of the concrete techniques and exercises is clearly described with guidance on selection and implementation, as well as advice on which pitfalls to avoid. All of the techniques: Offer new ways to engage people and energize groups Get employees, students, colleagues, constituents, and community members to participate more fully in deliberative decision-making Encourage creativity and openness to new perspectives Increase collaboration and build cohesive teams Keep groups focused on important topics and hard-to-address issues Derived from the authors' decades of experience using these exercises with schools, colleges, corporations, the military, social movements, health care organizations, prisons, unions, non-profits, and elsewhere, *The Discussion Book* will help you guide discussions that matter.

Get Crafty Jean Railla,2004 Discusses the benefits of making things by hand and living creatively, providing instructions for making clothing, greeting cards, and cosmetics while offering suggestions on how to decorate a home and organize a craft circle.

Who Gets In and Why Jeffrey Selingo,2020-09-15 From award-winning higher education journalist and New York Times bestselling author Jeffrey Selingo comes a revealing look from inside the admissions office—one that identifies surprising strategies that will aid in the college search. Getting into a top-ranked college has never seemed more impossible, with acceptance rates at some elite universities dipping into the single digits. In *Who Gets In and Why*, journalist and higher education expert Jeffrey Selingo dispels entrenched notions of how to compete and win at the admissions game, and reveals that teenagers and parents have much to gain by broadening their notion of what qualifies as a “good college.” Hint: it’s not all about the sticker on the car window. Selingo, who was embedded in three different admissions offices—a selective private university, a leading liberal arts college, and a flagship public campus—closely observed gatekeepers as they made their often agonizing and sometimes life-changing decisions. He also followed select students and their parents, and he traveled around the country meeting with high school counselors, marketers, behind-the-scenes consultants, and college rankers. While many have long believed that admissions is merit-based, rewarding the best students, *Who Gets In and Why* presents a more complicated truth, showing that “who gets in” is frequently more about the college’s agenda than the applicant. In a world where thousands of equally qualified students vie for a fixed number of spots at elite institutions, admissions officers often make split-second decisions based on a variety of factors—like diversity, money, and, ultimately, whether a student will enroll if accepted. One of the most insightful books ever about “getting in” and what higher education has become, *Who Gets In and Why* not only provides an unusually intimate look at how admissions decisions get made, but guides prospective students on how to honestly assess their strengths and match with the schools that will best serve their interests.

How Poems Get Made James Longenbach,2018-08-28 A comprehensive guide to writing or reading poetry, by “one of our most lucid and important critics” (American Academy of Arts and Letters). Why does a great lyric poem ask to be reread, even after we know it by heart? In *How Poems Get Made*, acclaimed poet and critic James Longenbach answers this question by discussing a wide range of exemplary poems, from Shakespeare through Blake, Dickinson, and Moore, to a variety of poets making poems today. In each chapter of *How Poems Get Made*, Longenbach examines a specific aspect of the poetic medium—including Diction, Syntax, Rhythm, Echo, Figure, and Tone—and shows how a poet may manipulate these most basic elements to bring a poem to life.

People Get Ready Robert W. McChesney, John Nichols, 2016-03-08 Humanity is on the verge of its darkest hour -- or its greatest moment The consequences of the technological revolution are about to hit hard: unemployment will spike as new technologies replace labor in the manufacturing, service, and professional sectors of an economy that is already struggling. The end of work as we know it will hit at the worst moment imaginable: as capitalism fosters permanent stagnation, when the labor market is in decrepit shape, with declining wages, expanding poverty, and scorching inequality. Only the dramatic democratization of our economy can address the existential challenges we now face. Yet, the US political process is so dominated by billionaires and corporate special interests, by corruption and monopoly, that it stymies not just democracy but progress. The great challenge of these times is to ensure that the tremendous benefits of technological progress are employed to serve the whole of humanity, rather than to enrich the wealthy few. Robert W. McChesney and John Nichols argue that the United States needs a new economy in which revolutionary technologies are applied to effectively address environmental and social problems and used to rejuvenate and extend democratic institutions. Based on intense reporting, rich historical analysis, and deep understanding of the technological and social changes that are unfolding, they propose a bold strategy for democratizing our digital destiny -- before it's too late -- and unleashing the real power of the Internet, and of humanity.

Getting Your Ex Back Get Digital World , 2018-03-03 Sometimes, when relationships fail, they may find it difficult to get a clean break from their lovers simply because they still love them. This is especially true for relationships which may have lasted for quite some time, as they have already gotten used to having that person as his or her special someone who stays with them regardless of good or bad times. When you have found someone whom you think you want to spend the rest of your life with, you will find it difficult to let him or her go. As such, even after the break up, you will probably want to find ways to get back together with your ex-lover. While such relationships may be worth a second try, it is important that before you attempt to patch things up, the both of you should spend some time away from one another. There are many issues that you need to consider before you go back to your ex-lover, such as the mistakes that you committed and the reason why you want to rekindle this relationship. You should also consider the other issues which can be found in the articles below. Another important thing you should take note of is that you should maintain a positive outlook on life and take part in activities to rebuild your confidence.
