**Getting There** Gillian Zoe Segal, 2015-04-14 "The highest achievers share some of their lowest moments, and there is much wisdom to be gained from those struggles. Captivating, thought-provoking." –David Faber, CNBC The path to success is rarely easy or direct, and good mentors are hard to find. In *Getting There*, thirty leaders in diverse fields share their secrets to navigating the rocky road to the top. In an honest, direct, and engaging way, these role models describe the obstacles they faced, the setbacks they endured, and the vital lessons they learned. They dispense not only essential and practical career advice, but also priceless wisdom applicable to life in general. *Getting There* is for everyone—from students contemplating their futures to the vast majority of us facing challenges or seeking to reach our potential. "Kudos to Gillian Zoe Segal for assembling this remarkable group of visionaries and helping them all tell their stories without filters or false bravado. *Getting There* is both empowering and illuminating." –Piper Kerman, New York Times—bestselling author of *Orange Is the New Black* "Life-changing, real-world advice." –Vanity Fair "Reading *Getting There* is like having an intimate, one-on-one talk with some of the world's most fascinating and accomplished people. You will be taken aback by their honesty, entertained by their anecdotes, and, most of all, learn invaluable lessons about both business and life. This book is fantastic—you will not be able to put it down!" –JJ Ramberg, bestselling author of *It's Your Business* "Somehow, Gillian Zoe Segal has gotten these leaders to share their stories in a unique, authentic, and revealing way." –Robert Steven Kaplan, former president and CEO of the Federal Reserve Bank of Dallas

**The Essential Guide to Getting Your Book Published** Arielle Eckstut, David Henry Sterry, 2010-11-04 Now updated for 2015! The best, most comprehensive guide for writers is now revised and updated, with new sections on ebooks, self-publishing, crowd-funding through Kickstarter, blogging, increasing visibility via online marketing, micropublishing, the power of social media and author websites, and more—making *The Essential Guide to Getting Your Book Published* more vital than ever for anyone who wants to mine that great idea and turn it into a successfully published book. Written by experts with twenty-five books between them as well as many years' experience as a literary agent (Eckstut) and a book doctor (Sterry), this nuts-and-bolts guide demystifies every step of the publishing process: how to come up with a blockbuster title, create a selling proposal, find the right agent, understand a book contract, and develop marketing and publicity savvy. Includes interviews with hundreds of publishing insiders and authors, including Seth Godin, Neil Gaiman, Amy Bloom, Margaret Atwood, Leonard Lopate, plus agents, editors, and booksellers; sidebars featuring real-life publishing success stories; sample proposals, query letters, and an entirely updated resources and publishers directory.

**Getting Things Done** David Allen, 2015-03-17 The book *Lifhack* calls *The Bible* of business and personal productivity. A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'—Fast Company Since it was first published almost fifteen years ago, David Allen's *Getting Things Done* has become one of the most influential business books of its era, and the ultimate book on personal organization. "GTD" is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of *Getting Things Done* will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

Getting In Paris H. Grey, David G. Oppenheimer, 2023-05-26 An empowering guide for students in STEM that

demystifies the process of securing undergraduate research experiences. Conducting research is an important foundation for many undergraduates on STEMM career paths. But landing an extremely competitive research spot that is also an enriching experience involves knowing how to present yourself effectively and an awareness of your goals and expectations. In this book, an expert lab manager and a longtime principal investigator share their secrets for obtaining these coveted positions. Offering advice to students in a wide variety of STEMM fields at both research-intensive universities and primarily undergraduate institutions, *Getting In* helps students navigate the hidden curriculum of academia, unofficial rules that disproportionately affect first-generation college students and those from low-income backgrounds and communities historically underrepresented in science. The authors provide not only an overview of STEMM research and lab opportunities but also specific strategies for the entire application process—including how to write emails that get noticed by busy professors, how to ask for a research position during office hours, and interview questions to prepare for—so students can claim their place in research settings. With its emphasis on the many interpersonal and professional benefits of research experiences, *Getting In* equips all STEMM undergrads with the tools they need both to secure these valued positions and to develop habits that will build productive relationships with their future research mentors. As an undergrad, *Getting In* will help you: determine how much time you can spend on research by evaluating your current activity level and goals. find the time to do research without giving up your social life or risking your GPA. avoid common mistakes in the search, application, or interview that make it harder to find a research experience. write emails that get you noticed by busy professors by customizing the included templates. prepare for tough interview questions so you'll impress the interviewer with your answers, and be able to determine if the position is right for you. As a research mentor, *Getting In* will help your students: navigate the hidden curriculum of finding a research experience in science, technology, engineering, math, and medicine (STEMM). set realistic expectations for their research experience. understand why conducting research requires effort and will include some failure and other challenges. be active participants in their success in the lab.

**Getting It Published** William P. Germano, 2010-10-21 Since 2001 William Germano's *Getting It Published* has helped thousands of scholars develop a compelling book proposal, find the right academic publisher, evaluate a contract, handle the review process, and, finally, emerge as published authors. But a lot has changed in the past seven years. With the publishing world both more competitive and mor...

**Getting Culture** Regan A. R. Gurung, Loreto R. Prieto, 2023-07-03 How do we educate our students about cultural

diversity and cultural differences, and eliminate cultural ignorance, stereotyping, and prejudice? What are the conceptual issues involved in reaching this goal? How can we integrate these perspectives in disciplinary and diversity courses, and the curriculum? This book is a resource for answering these questions. Within the framework of current scholarship and discussion of essential concepts, it offers practical techniques, and empirically proven "best practices" for teaching about diversity. The book opens with a conceptual framework, covering such issues as distinguishing teaching to a diverse audience from teaching about diversity and contrasting the incorporation of culture across the curriculum with tokenistic approaches. Subsequent chapters identify classroom practices that can optimize students' learning, especially those from culturally diverse backgrounds; describe feminist principles of education that promote learning for all students; and address principles of effective on-line instruction for diverse populations. The book is intended for faculty integrating diversity into existing courses, and for anyone creating courses on diversity. The ideas and suggestions in the text can be incorporated into any class that includes a discussion of diversity issues or has a diverse student enrollment. The contributors offer pragmatic and tested ways of overcoming student misconceptions and resistance, and for managing emotional responses that can be aroused by the discussion of diversity. The editors aim to stimulate readers' thinking and inspire fresh ideas. The book further provides teachers of diversity with a range of effective exercises, and attends to such issues as teacher stress and burnout. This book can also serve to inform and guide department chairs and other administrators in the design and implementation of diversity initiatives.

**It's Getting Scot in Here** Suzanne Enoch, 2019-02-26 The first in a wickedly seductive new Scottish historical romance series from New York Times bestselling author Suzanne Enoch! "It's time to fall in love with Suzanne Enoch." — Lisa Kleypas **HAPPILY-EVER-AFTER** London socialite Amelia-Rose Baxter is nobody's fool. Her parents may want her to catch a title, but she will never change who she is for the promise of marriage. Her husband will be a man who can appreciate her sharp mind as well as her body. A sophisticated man who loves life in London. A man who considers her his equal—and won't try to tame her wild heart... **IN THE HIGHLANDS** Rough, rugged Highlander Niall MacTaggart and his brothers know the rules: the eldest must marry or lose the ancestral estate, period. But Niall's eldest brother just isn't interested in the lady his mother selected. Is it because Amelia-Rose is just too. . . Free-spirited? Yes. Brazen? Aye. Surely Niall can find a way to soften up the whip-smart lass and make her the perfect match for his brother for the sake of the family. **JUST GOT A WHOLE LOT HOTTER.** Instead it's Niall who tempts Amelia-Rose, despite her reservations about barbarian Highlanders. Niall finds the lass nigh irresistible as well, but he won't make the mistake his father did in marrying an Englishwoman who doesn't like the Highlands. Does he have what it takes to win her heart? There is only one way to find out...

**Getting to 'I Do'** Pat Allen, Sandra Harmon, 1995-02-01 Dr. Patricia Allen's jam-packed seminars in Los Angeles have resulted in over two thousand marriages. Now you too can take advantage of this proven step-by-step program. Here's what you'll learn: How to attract the right man When you should make the first move...and when you should

not Why equality in a relationship may not be what you're looking for Why sex before commitment is a bad deal How to have sensational sex What makes a man run away from a relationship How to know when you're giving too much How to get what you want without asking What makes a man want to commit How to BE ENGAGED TO THE RIGHT MAN WITHIN A YEAR!

Getting Free Ginny NiCarthy, 2013-03-05 Since its original publication in 1982, *Getting Free* has changed the lives of tens of thousands of women. Written in an accessible style, packed with practical information and answers, special exercises designed to help a woman recognize abuse, and several success stories, *Getting Free* remains an important resource today—and this updated edition makes it an all the more relevant resource. In this expanded edition, Ginny NiCarthy features important new information from the latest studies and most recent research on the subject. New chapters include an analysis of whether batterers' treatment really works, which programs help violent men change, and which do not; the results of research on the ways that many men who batter also abuse their children, and specific reactions of children to battering; the cultural and legal issues relevant to immigrant women; and a presentation of how religious beliefs and religious communities affect the real and perceived choices of women facing violence.

Getting It Alex Sanchez, 2007-10-09 Hoping to impress a sexy female classmate, fifteen-year-old Carlos secretly hires gay student Sal to give him an image makeover, in exchange for Carlos's help in forming a Gay-Straight Alliance at their Texas high school.

**Getting the Girl** Markus Zusak, 2013-05-28 In the final novel of the acclaimed Wolfe Brothers Trilogy, Cameron Wolfe goes looking for love as he attempts to escape his brother's shadow. Cameron Wolfe is a loser. He knows it. He's the quiet one, not a soccer star like his brother Steve or a charming fighter with a new girl every week like his brother Rube. Cam would give anything to be near one of those girls, to love her and treat her right. He especially likes Rube's latest, Octavia, with her brilliant ideas and bright green eyes. But what woman like that would want a loser like him? Maybe Octavia would, Cam discovers. Maybe he has talents and passions just waiting to be discovered. And those maybes are about to change everything: winning, loving, losing, the Wolfe brothers, and Cameron himself.

**Getting Started with Neurofeedback** John N. Demos, 2005-01-17 What is neurofeedback? Neurofeedback is founded upon computer technology joined with auxiliary equipment that can measure the metabolic activity of the cerebral

cortex. Neurofeedback training combines the principles of complementary medicine with the power of electronics. It is a comprehensive system that promotes growth change at the cellular level of the brain and empowers the client to use his or her mind as a tool for personal healing. Until now, there has not been a single comprehensive yet easy-to-understand guide for clinicians interested in adding neurotherapy to their practice. *Getting Started with Neurofeedback* is a step-by-step guide for professional health care providers who wish to begin with neurotherapy, as well as experienced clinicians who are looking for a concise treatment guide. This book answers essential questions such as: How does neurotherapy work?, What is the rationale for treatment? When is neurotherapy the treatment of choice? Why should I add it to my already existing healthcare practice? The author also answers questions important to establishing a successful practice such as: What kind of training should clinicians get? What kind of equipment should clinicians buy? How can clinicians add neurofeedback to their existing practice? The first part of the book introduces the reader to the world of neurofeedback, its history and scientific basis. Case studies help clinicians apply what they are learning to their existing practice. *Demos* takes the mystery out of the assessment process and charts and examples of topographical brain maps (in full color) serve as teaching aids. Later in the book, advanced techniques are explained and demonstrated by additional case studies. The reader is shown how to use biofeedback for the body to augment neurofeedback training as well as being taught to work with the body and acquire a basic knowledge of complementary medicine. The book concludes by offering clinicians practical suggestions on marketing their expanded practice, purchasing equipment, finding appropriate training and supervision, and keeping up with the ever-growing profession of neurofeedback. Research and theory unite to demonstrate the clinical underpinnings for this exciting new modality. Some images in the ebook are not displayed owing to permissions issues.

*New York Characters* Gillian Zoe Segal, 2001 Pays tribute to the wonderful collection of characters that are responsible for making New York a vibrant, diverse, and thrilling place, from local celebrities and famous personalities to extremely odd individuals, including Dancin' Larry, the president of Coney Island's Polar Bear Club, the original Soup Nazi, and former mayor Ed Koch.
