**Evvie Drake Starts Over** Linda Holmes, 2022-03-29 NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • “Everything a romantic comedy should be: witty, relatable, and a little complicated.”—People A heartfelt debut about the unlikely relationship between a young woman who’s lost her husband and a major league pitcher who’s lost his game. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR In a sleepy seaside town in Maine, recently widowed Eveleth “Evvie” Drake rarely leaves her large, painfully empty house nearly a year after her husband’s death in a car crash. Everyone in town, even her best friend, Andy, thinks grief keeps her locked inside, and Evvie doesn’t correct them. Meanwhile, in New York City, Dean Tenney, former Major League pitcher and Andy’s childhood best friend, is wrestling with what miserable athletes living out their worst nightmares call the “yips”: he can’t throw straight anymore, and, even worse, he can’t figure out why. As the media storm heats up, an invitation from Andy to stay in Maine seems like the perfect chance to hit the reset button on Dean’s future. When he moves into an apartment at the back of Evvie’s house, the two make a deal: Dean won’t ask about Evvie’s late husband, and Evvie won’t ask about Dean’s baseball career. Rules, though, have a funny way of being broken—and what starts as an unexpected friendship soon turns into something more. To move forward, Evvie and Dean will have to reckon with their pasts—the friendships they’ve damaged, the secrets they’ve kept—but in life, as in baseball, there’s always a chance—up until the last out. A joyful, hilarious, and hope-filled debut, *Evvie Drake Starts Over* will have you cheering for the two most unlikely comebacks of the year—and will leave you wanting more from Linda Holmes. Praise

for Evvie Drake Starts Over “A quirky, sweet, and splendid story of a woman coming into her own.”—Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* “Effortlessly enjoyable . . . [a] pitch-perfect . . . adult love story that is as romantic as it is real.”—USA Today “Charming, hopeful, and gently romantic . . . Evvie Drake is great company.”—Rainbow Rowell, #1 New York Times bestselling author of *Eleanor & Park*

The Sherlock Holmes Book DK, 2015-10-20 The Sherlock Holmes Book, the latest in DK's award-winning Big Ideas Simply Explained series, tackles the most elementary of subjects--the world of Sherlock Holmes, as told by Sir Arthur Conan Doyle. The Sherlock Holmes Book is packed with witty illustrations, clear graphics, and memorable quotes that make it the perfect Sherlock Holmes guide, covering every case of the world's greatest detective, from *A Study in Scarlet* to *The Adventure of Shoscombe Old Place*, placing the sorties in a wider context. Stories include at-a-glance flowcharts that show how Holmes reaches his conclusions through deductive reasoning, and character guides provide handy reference for readers and an invaluable resource for fans of the Sherlock Holmes films and TV series. The Sherlock Holmes Book holds a magnifying glass to the world of Sir Arthur Conan Doyle's legendary detective.

*The Adventures of Sherlock Holmes* Arthur Conan Doyle, 2016-11-01 In general the stories in *The Adventures of Sherlock Holmes* identify, and try to correct, social injustices. Holmes is portrayed as offering a new, fairer sense of justice. The stories were well received, and boosted the subscriptions figures of *The Strand Magazine*, prompting Doyle to be able to demand more money for his next set of stories. The first story, *A Scandal in Bohemia*, includes the character of Irene Adler, who, despite being featured only within this

one story by Doyle, is a prominent character in modern Sherlock Holmes adaptations, generally as a love interest for Holmes. Doyle included four of the twelve stories from this collection in his twelve favourite Sherlock Holmes stories, picking *The Adventure of the Speckled Band* as his overall favourite.

*Flying Solo* Linda Holmes, 2022-06-14 NATIONAL BESTSELLER

• A woman returns to her small Maine hometown, uncovering family secrets that take her on a journey of self-discovery and new love, in this warm and charming novel from the New York Times bestselling author of *Evvie Drake Starts Over*. “A testament to the truth that love comes in all shapes, sizes, and situations.”—Jodi Picoult ONE OF THE BEST BOOKS OF THE YEAR: NPR, PopSugar Smarting from her recently canceled wedding and about to turn forty, Laurie Sassalyn returns to her Maine hometown of Calcasset to handle the estate of her great-aunt Dot, a spirited adventurer who lived to be ninety-three. Alongside boxes of Polaroids and pottery, a mysterious wooden duck shows up at the bottom of a cedar chest. Laurie’s curiosity is piqued, especially after she finds a love letter to the never-married Dot that ends with the line “And anyway, if you’re ever desperate, there are always ducks, darling.” Laurie is told that the duck has no financial value. But after it disappears under suspicious circumstances, she feels compelled to figure out why anyone would steal a wooden duck—and why Dot kept it hidden away in the first place. Suddenly Laurie finds herself swept up in a righteous caper that has her negotiating with antiques dealers and con artists, going on after-hours dates at the local library, and reconnecting with her oldest friend and her first love. Desperate to uncover her great-aunt’s secrets, Laurie must reckon with her own past and her future—and ultimately embrace her own vision of flying solo. With a cast of unforgettable

characters and a heroine you will root for from page one, Flying Solo is a wonderfully original story about growing up, coming home, and learning to make a life for yourself on your own terms.

Sherlock Holmes - The Peculiar Persecution of John Vincent Harden Dan Andriacco,2012-01-25 Tobacco millionaire John Vincent Harden has barely arrived in London when strange things start happening to him. The clerk at his hotel swears that Harden has checked out and taken his luggage with him. Then Harden receives a wire calling him home to his plantation in Kentucky – which it turns out was never sent. Finally, when a four-wheeled cab almost runs over the American, Harden knows it is time to turn to Sherlock Holmes for help. Who is behind this peculiar persecution of John Vincent Harden? Holmes solves the puzzle too late, learning in the process that indeed “one may smile, and smile, and be a villain.” Praise for The Peculiar Persecution of John Vincent Harden: This story originally appeared in Baker Street Beat: An Eclectic Colleciton of Sherlockian Scribblings, where it drew the attention of critics as one of the highlights of the book: “If you don't read any other Holmes pastiche this year, please, please read the short story The Peculiar Persecution of John Vincent Harden which has to be the closest in tone and content to a Holmes work that I have read in a long time.” – Felicia Carparelli's Sherlock Holmes Murder Blog “One of the best

short pastiches that I have read.” – Ross K. Foad, “No Place Like Holmes” reviews

The Zeppelin Deception Colleen Gleason, 2024-02-06 Mina Holmes and Evaline Stoker return in their final—and most exciting—adventure together. Gleason has vamped up the familiar world of Holmes and Watson... to paranormally exhilarating effect!” –The New York Times It’s a cold, blustery day in January of 1890 when Mina Holmes receives an invitation to Evaline Stoker’s wedding. The two young women—partners and occasionally friends—haven’t spoken for nearly two months, since the events at the Carnelian Crow. Shocked, Mina is still looking at the invitation when constables from Scotland Yard begin pounding on her front door. They’ve arrived to arrest her for the murder of a man she’s never even heard of. Meanwhile, Evaline has her hands full with wedding plans (boring) and an overbearing sister who wants to manage her every move—including a dizzying array of social activities. In the midst of all this, she receives an invitation to visit Lady Isabella Cosgrove-Pitt, a most villainous woman. With Pix in jail, Mina being hunted by Scotland Yard, and Evaline dining with the murderous Lady Isabella what more can possibly go wrong? Plenty. And when the mysterious black zeppelin appears once again in the night sky, things are about to get even more dangerous than ever for Miss Stoker and Miss Holmes...

**Oliver Wendell Holmes: A Life in War, Law, and Ideas** Stephen Budiansky, 2019-05-28 “Consistently gripping.... [I]t’s possessed of a zest and omnivorous curiosity that reflects the boundless energy of its subject.” —Steve Donoghue, *Christian Science Monitor* Oliver Wendell Holmes escaped death twice as a young Union officer in the Civil War. He lived ever after with unwavering moral courage, unremitting scorn for dogma, and an insatiable intellectual curiosity. During his nearly three decades on the Supreme Court, he wrote a series of opinions that would prove prophetic in securing freedom of speech, protecting the rights of criminal defendants, and ending the Court’s reactionary resistance to social and economic reforms. As a pioneering legal scholar, Holmes revolutionized the understanding of common law. As an enthusiastic friend, he wrote thousands of letters brimming with an abiding joy in fighting the good fight. Drawing on many previously unpublished letters and records, Stephen Budiansky offers the fullest portrait yet of this pivotal American figure.
