The Design Hotels Book Design Hotels, 2020-02-04

A special 25th year anniversary edition of The Design Hotels™ Book presents an in-depth look at 25 boutique properties around the world that are changing the way we think about hospitality. For a quarter century, Design Hotels™ has been at the forefront of a movement in hospitality, curating a global collection of independent, design-driven hotels that function as social hubs and platforms for extraordinary experiences. In celebration of this benchmark, Design Hotels™ sent some of the world's leading editorial and lifestyle photographers around the world to capture the unique character of 25 hotels at the vanguard of their hand-selected collection. Each hotel tells a story, rich with emotion and steeped in the history, culture, and nature of its local environment. The new, special edition of the brand's wildly popular annual brings these stories to life through evocative photo essays and reportage. This edition of The Design Hotels™ Book is a distillation of a quarter century of pioneering design and original experiences, as well as a must-have for a worldwide community of travelers, likeminded in their pursuit of singular aesthetic environments, genuine local culture, and transformative, boundary-pushing travel experiences that defy conventional notions of luxury.

"Where to Stop." Moses King, 1894

Veggie Hotels Patrick Bolk, 2017 A unique collection of vegetarian, vegan, and vegan-friendly hotels and inns from all over the world

With recipes that will make your mouth water just reading them The perfect gift for anyone who cares as much about clean eating as they do about sustainable tourism

The Hotel Book Shelley-Maree Cassidy, 2003 Who minds sleeping under a mosquito net when it's royally draped over the bed in a lush Kenyan, open-walled hut, fashioned from tree trunks and shielded from the sun by a sumptuous thatched roof? This selection of the most-splendid getaway havens nestled throughout the African continent is sure to please even the most finicky would-be voyagers. Photos.

Hotels to Home Darcy Guttwein, 2021-11-16 What if you could live the luxury hotel experience at home, every day? Hotels to Home answers that question by creating a new lifestyle template that bridges the gap between your fondest hotel memories and everyday living. Imagine stepping into your entryway with the eager anticipation as when entering your favorite hotel lobby, defining your family's hotel brand as a lifestyle strategy, finely orchestrating room service for your household, or celebrating the end of each day with personalized turndown service. Taking what might have once been considered ordinary homelife and making your address a highly coveted destination. Less memoir, more guidebook. Peek into the author's travel essays and enjoy prompts to excavate your own vacation preferences that reveal a holiday lifestyle at home. Welcome to the Hotels to Home lifestyle!

Rooms with a View Adrian Mourby, 2017-11-02 Salvador Dalí once asked room service at Le

Meurice in Paris to send him up a flock of sheep. When they were brought to his room he pulled out a gun and fired blanks at them. George Bernard Shaw tried to learn the tango at Reid's Palace in Madeira, and the details of India's independence were worked out in the ballroom of the Imperial Hotel, Delhi. The world's grandest hotels have provided glamorous backgrounds for some of the most momentous – and most bizarre – events in history. Adrian Mourby is a distinguished hotel historian and travel journalist – and a lover of great hotels. Here he tells the stories of 50 of the world's most magnificent, among them the Adlon in Berlin, the Hotel de Russie in Rome, the Continental in Saigon, Raffles in Singapore, the Dorchester in London, Pera Palace in Istanbul and New York's Plaza, as well as some lesser known grand hotels like the Bristol in Warsaw, the Londra Palace in Venice and the Midland in Morecambe Bay. All human life is to be found in a great hotel, only in a more entertaining form.

Living Downtown Paul Groth, 1999-01-01 From the palace hotels of the elite to cheap lodging houses, residential hotels have been an element of American urban life for nearly two hundred years. Since 1870, however, they have been the target of an official war led by people whose concept of home does not include the hotel. Do these residences constitute an essential housing resource, or are they, as charged, a public nuisance? *Living Downtown*, the first comprehensive social and cultural history of life in American residential hotels, adds a much-needed historical perspective to this ongoing debate. Creatively

combining evidence from biographies, buildings and urban neighborhoods, workplace records, and housing policies, Paul Groth provides a definitive analysis of life in four price-differentiated types of downtown residence. He demonstrates that these hotels have played a valuable socioeconomic role as home to both long-term residents and temporary laborers. Also, the convenience of hotels has made them the residence of choice for a surprising number of Americans, from hobo author Boxcar Bertha to Calvin Coolidge. Groth examines the social and cultural objections to hotel households and the increasing efforts to eliminate them, which have led to the seemingly irrational destruction of millions of such housing units since 1960. He argues convincingly that these efforts have been a leading contributor to urban homelessness. This highly original and timely work aims to expand the concept of the American home and to recast accepted notions about the relationships among urban life, architecture, and the public management of residential environments.

The Hotel World ,1922

New York's 60 Best Wonderful Little Hotels Allen Sperry,1999

Hotel A. K. Sandoval-Strausz,2008-10-31 When George Washington embarked on his presidential tours of 1789-91, the rudimentary inns and taverns of the day suddenly seemed dismally inadequate. But within a decade, Americans had built the first hotels--large and elegant structures that boasted private bedchambers and grand public ballrooms. This book recounts the enthralling history of the hotel in America--a saga in which politicians and

prostitutes, tourists and tramps, conventioners and confidence men, celebrities and salesmen all rub elbows. Hotel explores why the hotel was invented, how its architecture developed, and the many ways it influenced the course of United States history. The volume also presents a beautiful collection of more than 120 illustrations, many in full color, of hotel life in every era. Hotel explores these topics and more: • What it was like to sleep, eat, and socialize at a hotel in the mid-1800s • How hotelkeepers dealt with the illicit activities of adulterers, thieves, and violent guests • The stories behind America's greatest hotels, including the Waldorf-Astoria, the Plaza, the Willard, the Blackstone, and the Fairmont • Why Confederate spies plotted to burn down thirteen hotels in New York City during the Civil War • How the development of steamboats and locomotives helped create a nationwide network of hotels • How hotels became architectural models for apartment buildings • The pivotal role of hotels in the civil rights movement

Cool Hotels Martin Nicholas Kunz, 2008 The diversity among Europe's cultures is reflected nowhere better than in the way the continent's top hotels are presented. Whether the glamorous luxury of legendary grand hotels that have been rejuvenated by contemporary interiors or the avant-garde hotels designed by international star architects, they are in themselves worth a sojourn. This magnificent volume shows the 94 best hotels from Moscow to Lisbon on 396 pages, and how each so uniquely combines excellent service with

distinctive style. With designs that intrigue and amuse, these accommodations highlight the absolute best in groundbreaking architecture and design. Stunning photographs showcase bold use of materials, innovative artworks, hip furnishings as well as creative color combinations. Each hotel is a true microcosm of the cutting edge aesthetic. The fantastic pictures, accompanying texts and useful information perfectly prepare you for your next holiday, short vacation or business trip. Indispensable information and inspiration for the hip traveler A valuable, extensively illustrated reference for design lovers and professionals alike .--Publisher's website.

New York Hotel Record ,1918

Hotels, Motels and Condominiums Fred R.

Lawson,1976 It has been written for newcomers as well as for experienced practitioners who are interested in improving processes in everyday business operations. The focus is on the implementation of the Six Sigma methodology rather than on the statistical tools and techniques. The aim of this book is to provide the reader with some practical and useful guidelines for Six Sigma deployment and its application to transactional and service processes.--BOOK JACKET.

Hotels, Hospitals, and Jails Anthony

Swofford,2012-06-05 The publication of Jarhead launched a new career for Anthony Swofford, earning him accolades for its gritty and unexpected portraits of the soldiers who fought in the Gulf War. It spawned a Hollywood movie. It made Swofford famous and wealthy. It also nearly killed him. Now with the same unremitting

intensity he brought to his first memoir, Swofford describes his search for identity, meaning, and a reconciliation with his dying father in the years after he returned from serving as a sniper in the Marines. Adjusting to life after war, he watched his older brother succumb to cancer and his first marriage disintegrate, leading him to pursue a lifestyle in Manhattan that brought him to the brink of collapse. Consumed by drugs, drinking, expensive cars, and women, Swofford lost almost everything and everyone that mattered to him. When a son is in trouble he hopes to turn to his greatest source of wisdom and support: his father. But Swofford and his father didn't exactly have that kind of relationship. The key, he realized, was to confront the man—a philandering, once hard-drinking, now terminally ill Vietnam vet he had struggled hard to understand and even harder to love. The two stubborn, strong-willed war vets embarked on a series of RV trips that quickly became a kind of reckoning in which Swofford took his father to task for a lifetime of infidelities and abuse. For many years Swofford had considered combat the decisive test of a man's greatness. With the understanding that came from these trips and the fateful encounter that took him to a like-minded woman named Christa, Swofford began to understand that becoming a father himself might be the ultimate measure of his life. Elegantly weaving his family's past with his own present—nights of excess and sexual conquest, visits with injured war veterans, and a near-fatal car crash—Swofford casts a courageous, insistent eye on both his father and himself in order to make sense of

what his military service meant, and to decide, after nearly ending it, what his life can and should become as a man, a veteran, and a father.

Heads in Beds Jacob Tomsy, 2013-07-30 In the tradition of Kitchen Confidential and Waiter Rant, a rollicking, eye-opening, fantastically indiscreet memoir of a life spent (and misspent) in the hotel industry. "Highly amusing.—New York Times Jacob Tomsy never intended to go into the hotel business. As a new college graduate, armed only with a philosophy degree and a singular lack of career direction, he became a valet parker for a large luxury hotel in New Orleans. Yet, rising fast through the ranks, he ended up working in "hospitality" for more than a decade, doing everything from supervising the housekeeping department to manning the front desk at an upscale Manhattan hotel. He's checked you in, checked you out, separated your white panties from the white bed sheets, parked your car, tasted your room-service meals, cleaned your toilet, denied you a late checkout, given you a wake-up call, eaten M&Ms out of your minibar, laughed at your jokes, and taken your money. In Heads in Beds he pulls back the curtain to expose the crazy and compelling reality of a multi-billion-dollar industry we think we know. Heads in Beds is a funny, authentic, and irreverent chronicle of the highs and lows of hotel life, told by a keenly observant insider who's seen it all. Prepare to be amused, shocked, and amazed as he spills the unwritten code of the bellhops, the antics that go on in the valet parking garage, the housekeeping department's dirty little secrets—not to mention

the shameless activities of the guests, who are rarely on their best behavior. Prepare to be moved, too, by his candor about what it's like to toil in a highly demanding service industry at the luxury level, where people expect to get what they pay for (and often a whole lot more). Employees are poorly paid and frequently abused by coworkers and guests alike, and maintaining a semblance of sanity is a daily challenge. Along his journey Tomsky also reveals the secrets of the industry, offering easy ways to get what you need from your hotel without any hassle. This book (and a timely proffered twenty-dollar bill) will help you score late checkouts and upgrades, get free stuff galore, and make that pay-per-view charge magically disappear. Thanks to him you'll know how to get the very best service from any business that makes its money from putting heads in beds. Or, at the very least, you will keep the bellmen from taking your luggage into the camera-free back office and bashing it against the wall repeatedly.

The Book of Boutique Hotels Alex

Buchanan, 2017-06-30 The World Boutique Hotels Awards showcases the finest luxury boutique hotels around the world, and is distributed internationally to the rooms of every member hotel and other luxury locations. Building on the highly successful and internationally recognized World Boutique Hotel Awards, this unique coffee table-style book not only promotes the extraordinary hotels but also tells the fascinating stories of the people behind them: the owner's journey, their business ethos, and their vision to create truly unique experiences.

The Hotel/motor Hotel Monthly ,1913

The Design Hotels Book Kimberly Bradley,2009 The 2009 edition of The Design Hotels Book presents a comprehensive overview of the most attractive Design Hotels worldwide and provides insight into trends and developments in the fields of design and hospitality.

Cool Hotels Patricia Massó,2006 Vacations increasingly offer us more than just a chance to laze about and pursue our favorite pastimes. This handy guide profiles accommodations where your pleasure in your surroundings goes hand-in-hand with concern for the environment. Showcasing contemporary, eco-friendly lodging in locales as varied as the Caribbean and the Australian Outback, this guide profiles green accommodations across the globe.

Designing with Light Hotels Jill Entwistle,2000

The Enigmatic Realm of **Hotels**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary.
