The Juice Generation Eric Helms, 2014-01-14 From one of America's foremost and pioneering juicing companies comes a beautifully illustrated guide to creating restorative and energizing juices and smoothies; as well as preparing nutrition-rich, blended superfoods. Welcome to the Juice Generation ! Refresh, Restore, and Rejuvenate Get ready to live juicy with The Juice Generation. Fresh juices and superfood smoothies will help you feel energized and invigorated with glowing skin and a clear mind. The revitalizing recipes and tips will make you feel lighter and brighter, inside and out. Featuring more than 100 refreshing, health-boosting, spirit-lifting recipes The Juice Generation offers practical, down-to-earth instructions for making restorative and great-tasting vegetable and fruit juices, smoothies, and tonics. Get on the Green Curve and move confidently from smoothies to green drinks Whether you're newly juice curious, or already an old pro, The Juice Generation's plan will lead you to the endless benefits and possibilities of squeezing, crushing, and grinding, and help you integrate the joys of juicing and blending into your busy life. Juicing Tools for Detoxing and Healing The Juice Generation includes detoxing cleanses as well as flu-fighting elixirs and plenty of recipes and great advice from some of its biggest supporters, including Blake Lively, Michelle Williams, Edward Norton, Jason Bateman, and Martha Stewart.

J.G. Ballard Peter Brigg, 1985 Peter Brigg examines the life and work of British author J.G. Ballard, from his science fiction to his mainstream fiction. Starmont Reader's Guide 26.

Garnered Sheaves Josiah Gilbert Holland, 1873

The Empire Trilogy J.G. Farrell, 2010-12-01 The Empire Trilogy--consisting of the Lost Booker Prize-winning *Troubles*, the Booker Prize-winning *The Siege of Krishnapur*, and *The Singapore Grip*--is Farrell's re-examination of the legacy, and limits, of British imperial rule. The three volumes, connected by theme rather than character, and above all by their shared wit, brio, and daring, range in setting from the India of the Great Mutiny of 1857, to Ireland immediately after the Great War, to the besieged Singapore of World War II. Together the books constitute not only a spectacular entertainment but also an ambitious refashioning of the traditional historical novel to meet the tragic realities of the modern world. · *The Siege of Krishnapur* - India, 1857--the year of the Great Mutiny, when Muslim soldiers turned in bloody rebellion on their British overlords. This time of convulsion is the subject of J. G. Farrell's *The Siege of Krishnapur*, widely considered one of the finest British novels of the last fifty years. Farrell's story is set in an isolated Victorian outpost on the subcontinent. Rumors of strife filter in from afar, and yet the members of the colonial community remain confident of their military and, above all, moral superiority. But when they find themselves under actual siege, the true character of their dominion--at once brutal, blundering, and wistful--is soon revealed. · *Troubles* - 1919: After surviving the Great War, Major Brendan Archer makes his way to Ireland, hoping to discover whether he is indeed betrothed to Angela Spencer, whose Anglo-Irish family owns the once-aptly-named Majestic Hotel in Kilnalough. But his fiancée is strangely altered and her family's fortunes have suffered a spectacular decline. The hotel's hundreds of rooms are disintegrating on a grand scale; its few remaining guests thrive on rumors and games of whist; herds of cats have taken over the Imperial Bar and the upper stories; bamboo shoots threaten the foundations; and piglets frolic in the squash court. Meanwhile, the Major is captivated by the beautiful and bitter Sarah Devlin. As housekeeping disasters force him from room to room, outside the order of the British Empire also totters: there is unrest in the East, and in Ireland itself the mounting violence of the troubles. · *The Singapore Grip* - Singapore, 1939: life on the eve of World War II just isn't what it used to be for Walter Blackett, head of British Singapore's oldest and most powerful firm. No matter how forcefully the police break one strike, the natives go on strike

somewhere else. His daughter keeps entangling herself with the most unsuitable beaux, while her intended match, the son of Blackett's partner, is an idealistic sympathizer with the League of Nations and a vegetarian. Business may be booming--what with the war in Europe, the Allies are desperate for rubber and helpless to resist Blackett's price-fixing and market manipulation--but something is wrong. No one suspects that the world of the British Empire, of fixed boundaries between classes and nations, is about to come to a terrible end.

Sins Unforgiven J. G. Umbac, 2016-08-24 Terrie Lopez is a nurse supervisor in a major downtown hospital known for outstanding patient care. When Jeff Landrom, an attractive young man involved in a near-fatal car crash arrives in her ward as a comatose patient, she is drawn to him and becomes very protective of him. When she finds out that the car crash that caused his injuries may not have been an accident, she becomes even more protective of her patient and conspires with Detective Mira, the police detective investigating the case, to determine who is responsible for the crime. Meanwhile, Jeff's parents, Charles and Helen, and his wife, Judy, deal with their grief at what happened to Jeff while consoling one another. The story deals with the relationships between these characters while Jeff strives to unravel the mystery behind his out-of-body experiences while in a coma. This all leads up to an explosive and totally mind-blowing twist in the end, making this book a must-read.

A Bright, Cold Sunny Day J. G. Lightborne, 2016-09-30 Most adults, as well as many children, have a natural aversion to remaining outside during the cold winter months, especially in the northern temperate zones above the 43rd parallel. However, there is so much life that still goes on in the natural world far away from fireplaces, furnaces, car heaters, and radiators. Real life in the winter usually takes a backseat to invented life on TV and computer screens, but it doesn't have to. *A Bright, Cold Sunny Day* tells the story of that real life in poetry and illustrations from the perspective of very young children who still yearn for real-life experiences even during the bleakest of cold winter days. It encourages everyone to get outside and experience the physical joy of skiing, tobogganing, skating, sledding, or just going for a walk in the woods. But what a myriad world of life awaits the brave sojourner if one is patient and inquisitive. The picture book, *A Bright, Cold Sunny Day*, introduces the reader to many of the animals who stay awake and inhabit the winter forests up north. The lovable characters of a woodland vole, a raccoon, a ruffed grouse, a beautiful cardinal, a singing robin, and a wise old owl come to life through the magic of J. G. Lightborne's musical poetry and Pat Lane Diaz's gorgeous illustrations. *A Bright, Cold Sunny Day* will surely become a source of winter enjoyment for many years to come.

J. G. Ballard D. Harlan Wilson, 2017-11-10 Prophetic short stories and apocalyptic novels like *The Crystal World* made J. G. Ballard a foundational figure in the British New Wave. Rejecting the science fiction of rockets and aliens, he explored an inner space of humanity informed by psychiatry and biology and shaped by Surrealism. Later in his career, Ballard's combustible plots and violent imagery spurred controversy--even legal action--while his autobiographical 1984 war novel *Empire of the Sun* brought him fame. D. Harlan Wilson offers the first career-spanning analysis of an author who helped steer SF in new, if startling, directions. Here was a writer committed to moral ambiguity, one who drowned the world and erected a London high-rise doomed to descend into savagery--and coolly picked apart the characters trapped within each story. Wilson also examines Ballard's methods, his influence on cyberpunk, and the ways his fiction operates within the sphere of our larger culture and within SF itself.

Ventura and Zelzah J.G. Bryan, 2022-03-08 A tale of teenage friendships set in 1970's suburban Los Angeles In the haze of a hot San Fernando Valley summer in 1970's Los Angeles, Douglas and his friends—Hank, Weddy, and Ronnie—struggle with their awkward

teenage years during a confusing and highly permissive era. Weed and alcohol are regularly available, and most of the boys freely partake as they each navigate their own family dramas at home. Meanwhile, Douglas must also sort through the ups-and-downs of his relationship with his not-quite-girlfriend, Natalia. When not in the swimming pool trying to beat the intense Valley heat, Douglas and his friends spend their summer vacation taking the RTD into Westwood to see Jaws, watching the Fourth of July fireworks at Balboa Park, seeking thrills at Magic Mountain, checking out the head shop and the turquoise jewelry at The Sixth Chakra, eating hot dogs and facing Koufax in the batting cage at Flooky's, and playing plenty of basketball. Ventura and Zelzah is a funny, poignant, and nostalgic coming-of-age tale of teenage friendships in a blissfully unhurried, pre-digital era.

Return To A Trinity J.G. Chalmers, 2023-08-22 After a near hit with an unseen meteor, Earth fast-tracks the exploration and colonization of its moon, Luna, and its closest sister Mars. The fear of extinction drives humanity's ambitions. But after two and a half centuries of colonization, humanity was struggling. Mars and Luna had citizens that had deformed bodies due to the differences in gravity and radiation levels. Their life expectancy is no more than fifty years old. The leaders of Earth, the most powerful of the three planetary bodies looked at their own people. Growing in numbers with an ever-changing climate the future looked bleak. Longer than Mars or Luna but doomed none the less. So the leaders of Earth did what they always did, they looked for ever more elaborate and fantastical ways to run away from their problems and inflict them on another land. This time the land was Proxima Centauri B. An Earth like planet they could truly thrive on. So they dedicated every resource they could squeeze out of their planet and the two colonies. After ten years they had gouged Earth for minerals, poisoned Martian colonies with experimental tech, and worked the people of Luna to death in many cases. They had finally built humanity's hope for survival. The Quicker Than Light. Built on the theories laid out in the Alcubierre metric, the ship harnessed power equal to the sun in order to run its distortion drive. After Captain Wayne Hadfield, mission specialist Rakesh Dhumal, Lt. Avani-Marie Leavitt, Jr. Lt. Len Russell, Navigator Zahn Shen and civilian engineers Valentina Sarova and Gabriel Douglas take the craft out on its first flight they run into trouble quickly. After suffering a powerful surge in their systems they are thrown into normal space, traveling at 95 percent the speed of light. It took three days to repair the Quicker Than Light and get back into distorted space and home where they could be safe. However, outside the protection of distorted space, the ship experiences time dilation like they had never expected. When they finally get home, the crew finds that three hundred years have passed in what is now simply called The Sol Trinity system. Humanity survived and thrived without them or FTL ships. They solved their problems in reluctant partnerships. But now that the failed experiment that brought humanity together turns out to only have been a delayed experiment and not a failed one, a new sort of problem is brought about. And the now ancient crew struggles to come to terms with the new world they have come to live in, and the one they can never go back to.

No Rest for the Righteous J. G. Schwam, 2017-12-26 No Rest for the Righteous By: J. G. Schwam Elliot Christmas is not certain he is the Messiah—he is not that keen on labels. His life has been spent on the Bitterroot Range in Montana, seeing to the particular needs of his family and his land with dignity and kindness. Yet suddenly God, for some obscure reason, has become particularly attentive to his wishes. So begins No Rest for the Righteous, a novel that imagines what it might look like if the Messiah were to appear here and now, in 21st century America. Elliot comes to grips with the miraculous scope of his new responsibility throughout a story that is by turns humorous and compassionate. With the full apparatus of the media following his every move and government agencies racing to determine what sort of risk he poses to existing structures of power, the Montana rancher sets off across the country with a simple plan

to make all of us get righteous.

Six Months in California J. G. Player-Frowd, 1872 J.G. Player-Frowd was an English visitor to California in the early 1870s. *Six months in California* (1872) is a traveler's guide based on that visit, recounting stays in Omaha, Salt Lake City, the Sierras, Lake Tahoe, Sacramento, San Francisco, Calistoga, Stockton, and the Yosemite Valley. Player-Frowd discusses topics such as California climate, agriculture, mining, and lumbering.

The Singapore Grip J.G. Farrell, 2005-01-31 Singapore, 1939: life on the eve of World War II just isn't what it used to be for Walter Blackett, head of British Singapore's oldest and most powerful firm. No matter how forcefully the police break one strike, the natives go on strike somewhere else. His daughter keeps entangling herself with the most unsuitable beaux, while her intended match, the son of Blackett's partner, is an idealistic sympathizer with the League of Nations and a vegetarian. Business may be booming—what with the war in Europe, the Allies are desperate for rubber and helpless to resist Blackett's price-fixing and market manipulation—but something is wrong. No one suspects that the world of the British Empire, of fixed boundaries between classes and nations, is about to come to a terrible end. A love story and a war story, a tragicomic tale of a city under siege and a dying way of life, *The Singapore Grip* completes the "Empire Trilogy" that began with *Troubles* and the Booker prize-winning *Siege of Krishnapur*.

J. G. Ballard: Visions and Revisions J. Baxter, R. Wymer, 2011-11-10 Providing an extensive reassessment of dominant and recurring themes in Ballard's writing, including historical violence, pornography, post 9/11 politics, and urban space, this book also engages with Ballard's 'late' modernism; his experimentation with style and form; and his sustained interests in psychology and psychopathology.

J. G. Frazer Robert Ackerman, 1990-09-13 Sir James G. Frazer's *The Golden Bough*, first published in 1890, was the first work in English to understand the religion of classical antiquity in the context of primitive religion. Its dramatic impact on the history of ideas lasted well into the twentieth century, in its association of religious myths with the more primitive forms of ritual and magic generated by the 'savage mind', identified as a common misunderstanding of the scientific laws governing the natural world. This highly acclaimed biography is a comprehensive study of Frazer's life, the influences on his work, and its wide-ranging implications for modern anthropology, classics, cultural history and folklore.

J.G. Ballard's Politics Florian Cord, 2017-01-23 This book is the first sustained investigation of the political dimension in the work of J.G. Ballard. A product of and reaction to the cultural-socio-economic moment commonly designated as the postmodern condition, Ballard's oeuvre is read as a continuous and developing meditation on the postmodern, examining it specifically as an expression of late capitalism. The book shows that at the heart of this meditation lies the question of resistance. Drawing on a wide range of concepts and ideas taken from the field of critical theory, it argues that in the face of a world marked by an unprecedented expansion of capital, in which modernity's grand narratives have been invalidated and in which received forms of political struggle have lost their effectiveness, Ballard's fiction commits itself to a deliberately irrational and extreme, pataphysical thought in order to develop a new discourse of resistance. Against past readings that have construed Ballard's writing as non-political, decadent, or quietist, the study thus reveals Ballard as a thoroughly political author, committed to a subversive politics. In this way, the book also constitutes a timely intervention in the ongoing discussion concerning the nature and state of the political.

Sins of the Father JG Faherty, 2020-08-11 "Fast-paced, relentlessly horrific, and loaded with twists and surprises, Faherty's dark

tour of Innsmouth delivers a gut-wrenching tale of madness, monsters, and heartbreak. Action-packed cosmic horror at its gruesome best!” —James Chambers, Bram Stoker Award-winning author of *The Engines of Sacrifice* and *On the Night Border* Henry Gilman has spent years trying to separate himself from his father’s legacy of murder and insanity. Now he has the chance – all he has to do is figure out who’s been killing people in Innsmouth. Then he’ll be a hero and win the heart of the woman he loves, Flora Marsh. But soon he’s caught in a web of danger, with the undead stalking the streets at night, a terrible monster lurking below the city, and a prophecy of destruction about to come true. In the process, his actions cause unwanted consequences and to save Flora he has to do the very thing he’s spent his life trying to avoid: follow his father’s footsteps into madness. FLAME TREE PRESS is the new fiction imprint of Flame Tree Publishing. Launched in 2018 the list brings together brilliant new authors and the more established; the award winners, and exciting, original voices.

Early L. & J. G. Stickley Furniture L. & J. G. Stickley, 2013-01-23 A reprint of two rare catalogs (circa 1908-1910) of furniture makers — brothers of Gustav Stickley — who played a key role in the Arts & Crafts movement. Over 200 illustrations.

Selected Letters of Sir J. G. Frazer Robert Ackerman, 2005-09-29 This is a fully annotated edition of selected letters by (and in some cases to) Sir J. G. Frazer (1854-1941), the eminent anthropologist, classicist, and historian of religion. Frazer was read by virtually everyone working in those fields in the first third of the twentieth century. His great work, *The Golden Bough*, offered a grand vision of humanity's mental and spiritual evolution - from vain attempts to compel the gods to do our bidding (which Frazer called magic) through equally vain attempts to propitiate the gods through prayer and sacrifice (his characterization of religion) to rationality and science. His richly varied correspondence with prominent figures such as Edmund Gosse, A. E. Housman, and Bronislaw Malinowski, among others, offers an unparalleled insight into British intellectual life of the time, and also throws light upon the composition of *The Golden Bough* itself.

A Plea for our Christian Principles; with some thoughts on Christian Practice, more especially in connection with discipline and ministry. Addressed to the Society of Friends [by J. G.]. Reprinted with some additions from the “Friend” of 11th and 12th month, 1864 J. G., 1865

Testimony of J.G. Bradley, President of Elk River Coal and Lumber Company, Dundon, West Virginia Before the Interstate Commerce Committee of the United States Senate, April 16, 1928, Washington, D.C. J. G. Bradley, 1928

JG Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has been more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**JG**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
