Journey Aaron Becker,2020-12-01 The winner of the prestigious Caldecott Honor, and described by the New York Times as 'a masterwork', Aaron Becker's stunning, wordless picture book debut about self-determination and unexpected friendship follows a little girl who draws a magic door on her bedroom wall. Through it she escapes into a world where wonder, adventure and danger abound. Red marker pen in hand, she creates a boat, a balloon and a flying carpet which carry her on a spectacular journey ... who knows where? When she is captured by a sinister emperor, only an act of tremendous courage and kindness can set her free. Can it also guide her home and to happiness? In this exquisitely illustrated book, an ordinary child is launched on an extraordinary, magical journey towards her greatest and most rewarding adventure of all...

**Journey** Patricia MacLachlan,2009-07-01 Journey is eleven the summer his mother leaves him and his sister, Cat, with their grandparents. He is sad and angry, and spends the summer looking for the clues that will explain why she left. Journey searches photographs for answers. He hunts family resemblances in Grandma's albums. Looking for happier times, he tries to put together the torn pieces of the pictures his mother shredded before her departure. And he also searches the photographs his grandfather takes as the older man attempts to provide Journey with a past. In the process, the boy learns to look and finds that, for him, the camera is a means of finding things his naked eye has missed--things like inevitability of his mother's departure and the love that still binds his family.

**The Journey is the Destination** Dan Eldon,1997-08 By the time he was twenty-two, Dan Eldon had led a relief mission across Africa; worked as a graphic designer in New York; studied (intermittently) at four colleges; travelled through Europe, Africa, Japan, and the United States; founded a charity for Mozambiquan refugees; directed a film; written a book; started up his own photography business; and become a photojournalist for Reuters news agency, covering the famine and civil war in Somalia. There, in 1993, he was killed in an eruption of mob violence while on assignment. In a world of rules and regularity, Eldon was a renegade, a risk-taker, and an adventurer. His is no ordinary journal; it is an astonishing collage of photos, drawings, words, maps, and clippings that reveals his strange and vivid life. The Journey is the Destination is at once the vision of an artist in his prime and the unrestrained outpourings of a young man just beginning to live.

**The Ultimate Journey** Robert A. Monroe,2014-11-12 In 1958, a successful businessman named Robert Mornroe began to have experiences that drastically altered his life. Unpredictably, and without his willing it, Monroe found himself leaving his physical body to travel via a second body to locales far removed from the physical and spiritual realities of his life. He was inhabiting a place unbounded by life or death. Monroe recorded these experiences in two bestselling, landmark books, Journeys Out of the Body and Far Journeys. Ultimate Journey, his final and career-defining work, takes us further than we thought possible—and reveals to us what it all means. Ultimate Journey charts that area which lies over the edge, beyond the limits of the physical world. It presents us with a map of the interstate—the route that opens to us when we leave our physical lives, with their entry and exit ramps, their singposts and their hazards. It also tells us how Monroe found the route and travelled it, and uncovered the reason and the purpose of this pioneering expedition. It is a journey that reveals basic truths about the meaning and purpose of life—and of what lies beyond.

**Martha's Journey** Peg Grimm,2008-07 Martha's Journey, Renascence in a Mobile Home Park is the story of a recently widowed 66 year old. She finds herself alone, adrift, and uncertain. She makes a 1300 mile car trip, a metaphor for the life changing journey she must undertake. The subtitle word renascence represents the reshaping of her thoughts, her fears, and her sadness. In the mobile home park she finds the humorous situations, the pathos, the caring and the sharing of those around her change her outlook, lessen her sadness, and temper her sense of aloneness. This becomes the stage of her new life. She has found her role. Above all she hears laughter and she responds and knows that smiles etch her face. These aging physically hampered old folks still feel life's force. Is that not an irony in itself? And she is grateful.

*A Journey* Tony Blair,2010-09-02 In 1997, the biggest Labour victory in history swept England, ending eighteen years of Conservative government. Prime Minister Tony Blair – young, charismatic and complex – shaped the nation profoundly in the ten years that followed. From his work in Northern Ireland to the wars in Iraq and Afghanistan, few of his decisions were free from scrutiny and debate. Alternately beloved and reviled, he was an international figure to a degree matched by few British leaders – a role he continues in to this day through the Tony Blair Faith Foundation and his work in the Middle East. Now, for the first time, we see the fascinating journey and difficult choices of the prime minister through his own eyes. Grippingly candid and deeply intimate, A Journey is a must-read political memoir, full of startling insights into a host of world leaders, including George W. Bush and Bill Clinton. It is also a book that delves deeply and profoundly into what it means to be in a position of great power today, and its emotional and personal toll.

**The Journey** Frenci Sanna,2016-09-13 . . . a wonderful teaching tool for those who are welcoming refugees into their community.—The New York Times With haunting echoes of the current refugee crisis this beautifully illustrated book explores the unimaginable decisions made as a family leave their home and everything they know to escape the turmoil and tragedy brought by war. This book will stay with you long after the last page is turned. From the author: The Journey is actually a story about many journeys, and it began with the story of two girls I met in a refugee center in Italy. After meeting them I realized that behind their journey lay something very powerful. So I began collecting more stories of migration and interviewing many people from many different countries. A few months later, in September 2014, when I started studying a Master of Arts in Illustration at the Academy of Lucerne, I knew I wanted to create a book about these true stories. Almost every day on the news we hear the terms migrants and refugees but we rarely ever speak to or hear the personal journeys that they have had to take. This book is a collage of all those personal stories and the incredible strength of the people within them.

**The Hundred-Foot Journey** Richard C. Morais,2014-07-08 Follows the life journey of chef Hassan Haji, who progresses from his family's modest restaurant in Mumbai to master haute cuisine in an elegant Parisian restaurant.

*Journey* Marsha Mason,2002-01-27 As an actress, Marsha Mason has had a varied and very successful career. Winner of the Golden Globe award as best actress and a four-time Academy Award® nominee, she has worked in film (perhaps most notably in the movies Cinderella Liberty, Chapter Two, and The Goodbye Girl), television (most recently as Sherry on Frasier), and the theater (having performed in London's West End, on and off Broadway, and in regional theater around the U.S.). While the path she followed to achieve her success was seldom an easy one, Marsha Mason never wavered in her determination. She wanted to be an actress -- that much she knew even as a young girl growing up in a modest neighborhood in St. Louis. For her, acting would be an escape, a chance to be someone other than the girl who seemed always to disappoint and anger her parents, the ticket that would take her out of their provincial, strict Catholic household and transport her to another world somewhere between reality and fantasy. Now, in *Journey*, Marsha Mason retraces the path she followed out of her difficult childhood. She moved to New York City, where she worked as a waitress and go-go dancer before landing a role in the then popular daytime TV soap opera Love of Life. After that, her world started to change, as one success led to another. The biggest change, however, came when she met Neil Simon, Broadway's most successful and powerful playwright, the creator of such long-running shows as Barefoot in the Park and The Odd Couple. Cast in his play The Good Doctor, Mason found herself drawn to the charismatic Simon, who was still struggling with the pain of losing his wife, Joan, to cancer. After a brief, whirlwind courtship, they married, and nothing was ever the same. The couple moved to Hollywood so Mason could pursue film work, and Simon began writing a string of films to star his new wife. Her journey had indeed taken her far, as she realized an undreamed-of level of success. There was, however, a price to pay. The marriage to Simon ended so abruptly, and left such a major void, that for quite some time afterward Marsha Mason seemed to have neither direction nor focus in her life. Finally deciding to leave Hollywood and to undertake an entirely different career raising herbs on a ranch in New Mexico, she began a new stage of her journey -- the one that frames this very personal and involving memoir -- by packing up a lifetime of memories and setting off with friends on an odyssey that finds her today a successful farmer with a still active career as an actress. Marsha Mason's *Journey* is revealing of the demands and sacrifices of the life of a successful actress, and at the same time inspiring, as she traces a lifetime spent in search of an elusive happiness. As an adult child of alcoholics, she has come to understand the forces that shaped her life and propelled her along a path that was as inevitable as it was debilitating. And now, from her present vantage point, she is able to look back with a new understanding, one that enables her to take comfort in the success she has found and find joy in learning to celebrate life.
