We Need to Talk About Kevin Lionel Shriver,2011-05-01 The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the Boston Globe describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.

Are You There, God? It's Me. Kevin. Kevin Keck,2008-02-05 A darkly whimsical, confessional memoir by the author of *Oedipus Wrecked* describes his increasing anxiety about his purposeless life, struggles with mental illness, and relationships with a series of dysfunctional girlfriends before returning to his family home, where he is disillusioned by his relatives' perverse dynamics. Original.

Paper & Blood Kevin Hearne,2021-08-10 From the New York Times bestselling author of *The Iron Druid Chronicles* comes book two of an "action-packed, enchantingly fun" (Booklist) spin-off series, as an eccentric master of rare magic solves a supernatural mystery *Down Under!* There's only one Al MacBharrais: Though other Scotsmen may have dramatic mustaches and a taste for fancy cocktails, Al also has a unique talent. He's a master of ink and sigil magic. In his gifted hands, paper and pen can work wondrous spells. But Al isn't quite alone: He is part of a global network of sigil agents who use their powers to protect the world from mischievous gods and strange monsters. So when a fellow agent disappears under sinister circumstances in Australia, Al leaves behind the cozy pubs and cafes of Glasgow and travels to the Dandenong Ranges in Victoria to solve the mystery. The trail to his colleague begins to pile up with bodies at alarming speed, so Al is grateful his friends have come to help—especially Nadia, his accountant who moonlights as a pit fighter. Together with a whisky-loving hobgoblin known as Buck Foi and the ancient Druid Atticus O'Sullivan, along with his dogs, Oberon and Starbuck, Al and Nadia will face down the wildest wonders Australia—and the supernatural world—can throw at them, and confront a legendary monster not seen in centuries.

Vanishing Asia Kevin Kelly,2021-11-23 This is a 3-volume set of oversize books that span the continent of Asia. Ancient and beautiful traditions in Asia that are rapidly disappearing are recorded here in 9,000 images on 1,000 pages. The author has visited 35 countries in Asia and has travelled to the end of the road in its most remote places to capture the costumes, architecture, festivals, and lifestyles that are vanishing. The diverse cultures range from Turkey in the west to Japan in the east, from Siberia in the north to Indonesia in the south, and everything in between. Volume 1 covers West Asia, Volume 2 Central Asia, and Volume 3 East Asia. Every one of its 1,000 pages is uniquely designed, and every one of its 9,000 images is captioned. This is an ambitious and extreme passion project that the author/photographer has worked on for 49 years. Please Come Off-Book Kevin Kantor,2021-03-23 Please Come Off-Book queers the theatrical canon we all grew up with. Kantor critiques the treatment of queer figures and imagines a braver and bolder future that allows queer voices the agency over their own stories. Drawing upon elements of the Aristotelian dramatic structure and the Hero's Journey, Please Come Off-Book is both a love letter to and a scathing critique of American culture and the lenses we choose to see ourselves through.

I Can't Make This Up Kevin Hart,2017-06-06 New York Times bestselling author, superstar comedian, and Hollywood box office star Kevin Hart turns his immense talent to the written word in this "hilarious but also heartfelt" (Elle) memoir on survival, success, and the importance of believing in yourself. The question you're probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart's life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident, unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans, and his own toys. The odds, in short, were stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling, and Chocolate Droppa before him, was able to defy the odds and turn it around. In his literary debut, he takes us on a journey through what his life was, what it is today, and how he's overcome each challenge to become the man he is today. And that man happens to be the biggest comedian in the world, with tours that sell out football stadiums and films that have collectively grossed over \$3.5 billion. He achieved this not just through hard work, determination, and talent. "Hart is an incredibly magnetic storyteller, on the page as he is onstage, and that's what shines through [in this] genial, entertaining guide to a life in comedy" (Kirkus Reviews).

Cop Without a Badge Charles Kipps,2009-07-01 What's the difference between a cop and Kevin Maher? Kevin doesn't have a badge. And he doesn't play by the rules. Cop Without A Badge tracks confidential informant Kevin Maher as he helps the NYPD, the FBI, and many other law enforcement agencies solve cases that range from robbery to extortion to homicide. In the process, Kevin becomes the highest paid CI the DEA ever had. But Kevin's motives are more complicated than simply money. Having been arrested for Grand Theft Auto at the age of sixteen, his felony conviction prevents him from being what he always wanted to be: a police officer. So now he's out to prove to himself he truly is what he could've been. A cop. Even without a badge. Kevin Maher was 39 years old and living in New Jersey in 1996 when Cop Without A Badge was first published. Maher now works as a private investigator in the state of California.

Great Leaders Have No Rules Kevin Kruse,2019-04-02 As a serial entrepreneur, Kevin Kruse has seen time and again that the leadership practices that actually work are the opposite of what is commonly taught and implemented. Close Your Open Door Policy shows how a contrarian approach can be a better, faster, and easier way to succeed as a leader. Chapter by chapter, Kruse focuses on a piece of popular wisdom, then shows with real-world case studies and quantitative research that the opposite approach will lead to better results, encouraging leaders to play favorites, stay out of meetings, and, of course, close their open doors.
