Bhuban Patra

Konark Nimmy Chacko, 1971-04-01 As dawn breaks, Surya, the Sun God, leaps over the horizon in his chariot, pulled by seven radiant horses. As he rises into the sky he spreads light and warmth all over the world. The great Ganga king, Narasimha Rao, commissioned 1200 artisans to recreate this scene in stone. The Konark Sun Temple is a place where the lines between fact, fiction and folklore have blurred over time. Amar Chitra Katha interweaves the history of the 13th century monument with some of the mythology associated with it.

KONARK - THE BLACK PAGODA Karuna Sagar Behera, 2005 The sun temple of Konark in Orissa, also famous as the Black Pagoda, is undoubtedly one of the finest monuments of India. Even in ruins, the temple complex is a magnificent monument where the vitality and spirit of bygone creative age in the history of Orissa are echoed even today in its life like sculptures.

The Sun Temple of Konark Anila De, 2016 Includes architectural rendering of the precincts of the temple.

Narasingha – The Legend of Padma Purusha (Konark Secrets - Book 2) Bhuvan Patra, 2023-11-18 Kalinga is entering its golden period at the beginning of the 13th century. The kingdom has already established itself as a maritime superpower, and now it has to make its mark with its monuments that were built over a few centuries. The temple building spree had already begun many years ago, and after the successful construction of the Lingaraj temple and Jagannath temple, the grandest monument on earth was to be built. Book two is the story of Narasingha Deva, the King of Kalinga and the constructor of this grand sun temple built in Mundira. The monument is considered one of the most magnificent and among the most mysterious temples of Bharat. The King narrates this tale, as he had experienced it in his lifetime. The book describes his journey about how from an inquisitive prince, he became one of the powerful monarchs of Bharat. This book covers the many battles fought between Kalinga and the Bengal Kings and why King Narasingha was known as the greatest builder of Bharat. . The book will also answer all questions on the existence of the sun temple built at Mundira which is now known as Konark. Was this temple just a grand monument, or were there secrets behind its construction? Why was an unusual technique used for its creation when tried and tested methods were already there? Did it hold some secret within itself? What is Bishnu Maharana's birth secret? Who was Silpy? This book unfolds all these secrets.

Citadel of Love Pratibhā Rāja, 2015 Based on folklore, legends and myths, and backed by meticulous research, Citadel of Love is set in Odisha of the thirteenth-century-considered the state's golden age, when the Konark temple was being built under King Narasimha Deva's patronage. A modern-day foreigner, Charles, arrives with his fiancée to study the Konark region. As he discovers palm leaf manuscripts and records tales that were handed down generations, he begins to have strange experiences. A woman's statue, in particular, haunts him till he is transported to a time when she was alive and the Konark complex was under construction. Two mystical love stories of the past unfold, even as new romance blooms in Charles' life. Surreal, mysterious and often bordering on the magical-real, this is a tale of passion that spans centuries.
