*Less Perfection* Learning Corporation,2019

**Large-Scale Scrum** Craig Larman,Bas Vodde,2016-09-30 The Go-To Resource for Large-Scale Organizations to Be Agile Rather than asking, “How can we do agile at scale in our big complex organization?” a different and deeper question is, “How can we have the same simple structure that Scrum offers for the organization, and be agile at scale rather than do agile?” This profound insight is at the heart of LeSS (Large-Scale Scrum). In *Large-Scale Scrum: More with LeSS*, Craig Larman and Bas Vodde have distilled over a decade of experience in large-scale LeSS adoptions towards a simpler organization that delivers more flexibility with less complexity, more value with less waste, and more purpose with less prescription. Targeted to anyone involved in large-scale development, *Large-Scale Scrum: More with LeSS*, offers straight-to-the-point guides for how to be agile at scale, with LeSS. It will clearly guide you to Adopt LeSS Structure a large development organization for customer value Clarify the role of management and Scrum Master Define what your product is, and why Be a great Product Owner Work with multiple whole-product focused feature teams in one Sprint that produces a shippable product Coordinate and integrate between teams Work with multi-site teams

**Less** Andrew Sean Greer,2018-05-22 WINNER OF THE PULITZER PRIZE FOR FICTION 2018 'You will sob little tears of joy' Nell Zink 'I recommend it with my whole heart' Ann Patchett 'I adore this book' Armistead Maupin 'Charming, languid and incredibly funny, I absolutely adored Arthur' Jenny Colgan 'Marvellously, endearingly, unexpectedly funny' Gary Shteyngart 'Bedazzling, bewitching and be-wonderful' New York Times Book Review 'A fast and rocketing read . . . a wonderful, wonderful book!' Karen Joy Fowler 'Hilarious, and wise, and abundantly funny' Adam Haslett WHO SAYS YOU CAN'T RUN AWAY FROM YOUR PROBLEMS? Arthur Less is a failed novelist about to turn fifty. A wedding invitation arrives in the post: it is from an ex-boyfriend of nine years who is engaged to someone else. Arthur can't say yes - it would be too awkward; he can't say no - it would look like defeat. So, he begins to accept the invitations on his desk to half-baked literary events around the world. From France to India, Germany to Japan, Arthur almost falls in love, almost falls to his death, and puts miles between him and the plight he refuses to face. Less is a novel about mishaps, misunderstandings and the depths of the human heart.

**Do Less** Kate Northrup,2019-04-02 A practical and spiritual guide for working moms to learn how to have more by doing less. This is a book for working women and mothers who are ready to release the culturally inherited belief that their worth is equal to their productivity, and instead create a personal and professional life that's based on presence, meaning, and joy. As opposed to focusing on fitting it all in, time management, and leaning in, as so many books geared at ambitious women do, this book embraces the notion that through doing less women can have--and be--more. The addiction to busyness and the obsession with always trying to do more leads women, especially working mothers, to feel like they're always failing their families, their careers, their spouses, and themselves. This book will give women the permission and tools to change the way they approach their lives and allow them to embrace living in tune with the cyclical nature of the feminine, cutting out the extraneous busyness from their lives so they have more satisfaction and joy, and letting themselves be more often instead of doing all the time. Do Less offers the reader a series of 14 experiments to try to see what would happen if she did less in one specific way. So, rather than approaching doing less as an entire life overhaul (which is overwhelming in and of itself), this book gives the reader bite-sized steps to try incorporating over 2 weeks!

*Less Is Lost* Andrew Sean Greer,2023-07-06

**When Less Becomes More** Emily Ley,2019-11-12 Women today are more fatigued, burned out, and overwhelmed than ever. You may feel like your life is frantic--that you're running on empty. In *When Less Becomes More*, you'll learn how to live a life of more in a world that often overwhelms to the point of burnout. Smartphones constantly ping and alert and demand your attention. And social media can eat up hours of your days with mindless scrolling and tapping while leaving you feeling empty and lonely. Add to that family commitments, work that is accessible around the clock, and overscheduling, and you have a life that can feel out of control. In *When Less Becomes More*, Emily Ley, author of the bestselling *Grace, Not Perfection* and *Growing Boldly*, takes you on a journey out of that empty place and shows you how to fill your wells with the nourishment that only true connection can provide. She also presents some radical concepts that push against the tethers of modern life, with the promise that more of the good stuff comes when we say yes to less of what keeps us empty: Less Noise, More Calm Less Fake, More Real Less Rush, More Rhythm Less Liking, More Loving Less Distraction, More Connection Less Chasing, More Cherishing Less Stuff, More Treasures Getting to more might require some outside-the-box changes, some unraveling of the patterns you have adopted, and some reworking of the day to day. Build a life based on your core values instead of slipping into a life dictated by society or what's normal. Because you weren't made for normal. You were made for more--for a life of fullness, dreaming, and lasting joy.

*The Big Book of Less* Irene Smit,Astrid van der Hulst,Editors of Flow magazine,2019-04-02 From Flow, a beautiful, mindful guide to having less stuff. Less stress. Less distraction. Less everything. In less comes the freedom of letting go. This thoughtful and surprising book shows us how to get there, by paring down not just the jumble of things around us, but the clutter in our heads, too. And to help, interact with special paper goodies, including a one-thought-a-day diary, a foldout tiny house to let you imagine the pleasures of living in a small and cozy space, and art posters that depict a beautiful picture of what it means to do less, not more. Paper goodies from *The Big Book of Less* include: 2 journals A dot journal poster 4 art posters 1 foldout tiny house with 20 accessories And even more hidden treasures Decluttering your life and mind makes room for more—more listening, more focus, more wisdom, more time. More life.

**Less** Marc Lesser,2010-10-04 A certain kind of busyness is crucial to life, allowing us to earn a living, create art, and achieve success. But too often it consumes us and we become crazy busy, nonstop busy, and we expend extraneous effort that gets us nowhere. Marc Lesser’s new book shows us the benefits of doing less in a world that has increasingly embraced more — more desire, more activity, more things, more exhaustion. Less is about stopping, about the possibility of finding composure in the midst of activity. The ideas and practices that Lesser outlines offer a radical yet simple approach to transforming a lifestyle based on endless to-do lists into a more meaningful approach that is truly more productive in every sense.

**More from Less** Andrew McAfee,2020-10-13 From the coauthor of the New York Times bestseller *The Second Machine Age*, a paradigm-shifting argument “full of fascinating information and provocative insights” (Publishers Weekly, starred review)—demonstrating that we are increasing prosperity while using fewer natural resources. Throughout history, the only way for humanity to grow was by degrading the Earth: chopping down forests, polluting the air and water, and endlessly using up resources. Since the first Earth Day in 1970, the focus has been on radically changing course: reducing our consumption, tightening our belts, and learning to share and reuse. Is that argument correct? Absolutely not. In *More from Less*, McAfee argues that to solve our ecological problems we should do the opposite of what a decade of conventional wisdom suggests. Rather than reduce and conserve, we should rely on the cost-consciousness built into capitalism and the streamlining miracles of technology to create a more efficient world. America—a large, high-tech country that accounts for about 25% of the global economy—is now generally using less of most resources year after year, even as its economy and population continue to grow. What’s more, the US is polluting the air and water less, emitting fewer greenhouse gases, and replenishing endangered animal populations. And, as McAfee shows, America is not alone. Other countries are also transforming themselves in fundamental ways. What has made this turnabout possible? One thing, primarily: the collaboration between technology and capitalism, although good governance and public awareness have also been critical. McAfee does warn of issues that haven’t been solved, like global warming, overfishing, and communities left behind as capitalism and tech progress race forward. But overall, *More from Less* is a revelatory and “deeply engaging” (Booklist) account of how we’ve stumbled into an unexpectedly better balance with nature—one that holds out the promise of more abundant and greener centuries ahead.

**The Worry (Less) Book** Rachel Brian,2020-05-05 This fun, friendly, and informative guide from the award-winning author of *Consent* (for Kids!) will help readers of all ages understand—and tame—their anxiety. We all have a mixture of fun and not-so fun feelings. And everyone feels worried sometimes. But too much anxiety can get in the way. So this book is here to help you identify your anxiety, understand why it's just part of that

thing we call life, and equip you with all the tools you need to find calm again. Playfully presented, packed with fun and helpful illustrations, and expertly vetted, author-artist Rachel Brian (co-creator of the viral Tea Consentvideo) delivers a must-have book for anyone who wonders why they worry or how to better live with their anxiety. From recognizing when you're feeling anxious and worried, to taking charge by training your brain and using awesome techniques to help you feel good again, this book will have you worrying less and living more.

**The Longing for Less** Kyle Chayka, 2020-01-21 The New Yorker staff writer and Filterworld author Kyle Chayka examines the deep roots-and untapped possibilities-of our newfound, all-consuming drive to reduce. "Less is more": Everywhere we hear the mantra. Marie Kondo and other decluttering gurus promise that shedding our stuff will solve our problems. We commit to cleanse diets and strive for inbox zero. Amid the frantic pace and distraction of everyday life, we covet silence-and airy, Instagrammable spaces in which to enjoy it. The popular term for this brand of upscale austerity, "minimalism," has mostly come to stand for things to buy and consume. But minimalism has richer, deeper, and altogether more valuable gifts to offer. In *The Longing for Less*, one of our sharpest cultural critics delves beneath the glossy surface of minimalist trends, seeking better ways to claim the time and space we crave. Kyle Chayka's search leads him to the philosophical and spiritual origins of minimalism, and to the stories of artists such as Agnes Martin and Donald Judd; composers such as John Cage and Julius Eastman; architects and designers; visionaries and misfits. As Chayka looks anew at their extraordinary lives and explores the places where they worked-from Manhattan lofts to the Texas high desert and the back alleys of Kyoto-he reminds us that what we most require is presence, not absence. The result is an elegant synthesis of our minimalist desires and our profound emotional needs. With a new afterword by the author.

**The Year of Less** Cait Flanders, 2019-01-15 The Year of Less In her late twenties, Cait Flanders found herself stuck in the consumerism cycle that grips so many of us: earn more, buy more, want more, rinse, repeat. Even after she worked her way out of nearly \$30,000 of consumer debt, her old habits took hold again. When she realized that nothing she was doing or buying was making her happy—only keeping her from meeting her goals—she decided to set herself a challenge: she would not shop for an entire year. *The Year of Less* documents Cait's life for twelve months during which she bought only consumables: groceries, toiletries, gas for her car. Along the way, she challenged herself to consume less of many other things besides shopping. She decluttered her apartment and got rid of 70 percent of her belongings; learned how to fix things rather than throw them away; researched the zero waste movement; and completed a television ban. At every stage, she learned that the less she consumed, the more fulfilled she felt. The challenge became a lifeline when, in the course of the year, Cait found herself in situations that turned her life upside down. In the face of hardship, she realized why she had always turned to shopping, alcohol, and food—and what it had cost her. Unable to reach for any of her usual vices, she changed habits she'd spent years perfecting and discovered what truly mattered to her. Blending Cait's compelling story with inspiring insight and practical guidance, *The Year of Less* will leave you questioning what you're holding on to in your own life—and, quite possibly, lead you to find your own path of less.

**Less** Rachel Aust, 2018-06-12 Simplify life and amplify living with influencer Rachel Aust's visual guide to mastering the minimalist lifestyle. Declutter and reorganize! Living with less contributes to a greater sense of fulfillment, contentment, and a more meaningful life. The minimalist lifestyle--focusing on scaling back your possessions and simplifying your life to just the essentials--helps you to achieve peace and purpose. Indulgences and excess often lead to discontentment and depression, but adopt minimal living, and you'll find that less is more: More time because you don't waste it caring for and organizing stuff More space because you don't fill it with objects of marginal value More money because you don't spend it on unnecessary things More clarity because your mind isn't bogged down by the clutter around you More joy because your energy is spent on experiences and connections Using decision trees, flow charts, icons, and other graphics, *Less* shows how minimalism can be applied to any area of life--including home, wardrobe, decor, cooking, cleaning, finances, and time. Rachel Aust shows you that minimalism can be adapted to suit your own goals to help you achieve the joy of less!

**Everything and Less** Mark McGurl, 2021-10-19 National Book Critics Circle Award Finalist Best Book of Fall (Esquire) and a Most Anticipated Book of 2021 (Lit Hub) What Has Happened to Fiction in the Age of Platform Capitalism? Since it was first launched in 1994, Amazon has changed the world of literature. The "Everything Store" has not just transformed how we buy books; it has affected what we buy, and even what we read. In *Everything and Less*, acclaimed critic Mark McGurl explores this new world where writing is no longer categorized as high or lowbrow, literature or popular fiction. Charting a course spanning from Henry James to E. L. James, McGurl shows that contemporary writing has less to do with writing per se than with the manner of its distribution. This consumerist logic—if you like this, you might also like ...—has reorganized the fiction universe so that literary prize-winners sit alongside fantasy, romance, fan fiction, and the infinite list of hybrid genres and self-published works. This is an innovation to be cautiously celebrated. Amazon's platform is not just a retail juggernaut but an aesthetic experiment driven by an unseen algorithm rivaling in the depths of its effects any major cultural shift in history. Here all fiction is genre fiction, and the niches range from the categories of crime and science fiction to the more refined interests of Adult Baby Diaper Lover erotica. *Everything and Less* is a hilarious and insightful map of both the commanding heights and sordid depths of fiction, past and present, that opens up an arresting conversation about why it is we read and write fiction in the first place.

**Less Web Development Cookbook** Bass Jobsen, Amin Meyghani, 2015-01-31 Aimed at those who want to overcome the limitations of CSS, through this book you will begin to harness the efficiency of Less by building advanced, responsive, and modern websites. Experienced web developers, students, and even web designers will find this guide very useful as they enhance their CSS skills.

**Talk Less, Say More** Connie Dieken, 2009-09-28 *Talk Less, Say More* is a revolutionary guide to 21st century communication skills to help you be more influential and make things happen in our distracted, attention-deficit world. It's loaded with specific tips and takeaways to ensure that you're fully heard, clearly understood, and trigger positive responses in any business or social situation. It's the first book to deliver a proven method to master the core leadership skill of influence. *Talk Less, Say More* lays out a powerful 3-step method called Connect, Convey, Convince (R) and guides you in how to use these habits to be more influential. This succinct book solves your modern communication issues in today's demanding, distracted world at a time when interaction skills are plummeting. Communication is the single greatest challenge in business today. It takes just 3 habits to conquer it. *Talk Less, Say More* will help you achieve more with less. Less wordiness. Less tune-out. Less frustration. You'll gain more time. More positive outcomes. More rewarding relationships.

**The Business of Less** Roland Geyer, 2021-09-06 *The Business of Less* rewrites the book on business and the environment. For the last thirty years, corporate sustainability was synonymous with the pursuit of 'eco-efficiency' and 'win-win' opportunities. The notion of 'eco-efficiency' gives us the illusion that we can achieve environmental sustainability without having to question the pursuit of never-ending economic growth. The 'win-win' paradigm is meant to assure us that companies can be protectors of the environment whilst also being profit maximizers. It is abundantly clear that the state of the natural environment has further degraded instead of improved. This book introduces a new paradigm designed to finally reconcile business and the environment. It is called 'net green', which means that in these times of ecological overshoot businesses need to reduce total environmental impact and not just improve the eco-efficiency of their products. The book also introduces and explains the four pollution prevention principles 'again', 'different', 'less', and 'labor, not materials'. Together, 'net green' and the four pollution prevention principles provide a road map, for businesses and for every household, to a world in which human prosperity and a healthy environment are no longer at odds. *The Business of Less* is full of anecdotes and examples. This brings its material to life and makes the book not only very accessible, but also hugely applicable for everyone who is worried about the fate of our planet and is looking for answers.

**The Impossible Lives of Greta Wells** Andrew Sean Greer, 2013-06-25 From the critically acclaimed author of the New York Times bestseller *The Confessions of Max Tivoli* comes *The Impossible Lives of Greta Wells*, a rapturously romantic story of a woman who finds herself transported to the "other lives" she might have lived. After the death of her beloved twin brother and the abandonment of her long-time lover, Greta Wells undergoes electroshock therapy. Over the course of the treatment, Greta finds herself repeatedly sent to 1918, 1941, and back to the present. Whisked from the gas-lit streets and horse-drawn carriages of the West

Village to a martini-fueled lunch at the Oak Room, in these other worlds, Greta finds her brother alive and well—though fearfully masking his true personality. And her former lover is now her devoted husband...but will he be unfaithful to her in this life as well? Greta Wells is fascinated by her alter egos: in 1941, she is a devoted mother; in 1918, she is a bohemian adulteress. In this spellbinding novel by Andrew Sean Greer, each reality has its own losses, its own rewards; each extracts a different price. Which life will she choose as she wrestles with the unpredictability of love and the consequences of even her most carefully considered choices?

*The Joy of Less: A Minimalist Guide to Declutter, Organize, and Simplify - Updated and Revised (Minimalism Books, Home Organization Books, Decluttering Books House Cleaning Books)* Francine Jay,2016-04-26 An inspiring read for anyone wanting to downsize, finally park the car in the garage, or just clear out a few closets. —Rachel Jonat, TheMinimalistMom.com Having less stuff is the key to happiness: Do you ever feel overwhelmed, instead of overjoyed, by all your possessions? Do you secretly wish a gale force wind would blow the clutter from your home? If so, it's time to simplify your life! The Joy of Less is a fun, lighthearted guide to minimalist living: Part One provides an inspirational pep talk on the joys and rewards of paring down. Part Two presents the STREAMLINE method: ten easy steps to rid your house of clutter. Part Three goes room by room, outlining specific ways to tackle each one. Part Four helps you get your family on board and live more lightly and gracefully on the earth. Ready to sweep away the clutter? Just open this book, and you'll be on your way to a simpler, more streamlined, and more serene life. Francine has helped hundreds of thousands of people declutter their homes and simplify their lives with her bestselling book, The Joy of Less. Her advice has been featured widely in the media, including on CNN, BBC, Today, and in The New York Times, USA Today, The Chicago Tribune, The Guardian, The Financial Times, Forbes, The Huffington Post, Le Parisien, ELLE Espana, House Beautiful, Woman's World, Dr. Oz The Good Life, and others. The Joy of Less, a beautiful minimalism book, makes an ideal gift for any loved one on a mission to simplify their life.

**Less Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals

and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Less free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Less free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms,

search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Less free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Less. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Less any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Less Books

1. Where can I buy Less books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Less book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
