Lola Melissa Scrivner Love,2018-01-02 WINNER OF THE JOHN CREASEY DEBUT DAGGER AWARD Nominated for the Edgar Award for best first novel An astonishing debut crime thriller about an unforgettable woman who combines the genius and ferocity of Lisbeth Salander with the ruthless ambition of Walter White The Crenshaw Six are a small but up-and-coming gang in South Central LA who have recently been drawn into an escalating war between rival drug cartels. To outsiders, the Crenshaw Six appear to be led by a man named Garcia . . . but what no one has figured out is that the gang's real leader (and secret weapon) is Garcia's girlfriend, a brilliant young woman named Lola. Lola has mastered playing the role of submissive girlfriend, and in the man's world she inhabits she is consistently underestimated. But in truth she is much, much smarter--and in many ways tougher and more ruthless--than any of the men around her, and as the gang is increasingly sucked into a world of high-stakes betrayal and brutal violence, her skills and leadership become their only hope of survival. Lola marks the debut of a hugely exciting new thriller writer, and of a singular, magnificent character unlike anyone else in fiction.

Her boss is Manny Camacho, a muy caliente former cop with a mysterious ex-wife, a Lara Croft look-alike girlfriend, and a sudden personal interest in Lola. Her first big case? A missing mother who may not want to be found. And to make her already busy life even more complicated, Lola's helping her cousin plan her quinceañera, and battling her family and their old-fashioned views on women and careers. She's also reunited with the gorgeous Jack Callaghan, her high school crush whom she shamelessly tailed years ago and

photographed doing the horizontal salsa with some other lucky girl. Lola takes it all in stride, but when the subject of her search ends up dead, she realizes she has a lot more to worry about. Soon she finds herself wrapped up in the possibly shady practices of a tattoo parlor, local politics, and someone with serious---maybe deadly---road rage. To top it all off, her treasured postcoital pictures of Jack are missing! Still, Lola is well-equipped to handle these challenges. She's a black-belt in kung fu, and her body isn't her only weapon. She's got smarts, sass, and more tenacity than her Mexican mafioso-wannabe grandfather. A few of her famous margaritas don't hurt, either. Debut author Misa Ramirez, a blond-haired, green-eyed gal with a passion for the Latino culture and authentic Mexican food, has penned a delicious mix of mystery, romance, and all-out fun.
