Maddie's Great Adventure Amy Allinson,Matt Allinson,2008-12-10 Taking your first trip away from home can be a scary thing to do, especially if you're a pug puppy named Maddie, and there's a hurricane on the way! Maddie's Great Adventure is the true story of how a pug from New York gets on a plane with her parents and flies to Florida for a sunny vacation. She is fearful at first, but Maddie quickly finds exciting things to see, smell, and do in this unusual place. As soon as her paws hit the warm cement, her curly tail starts wagging, and she feels the breeze on her whiskers. No sooner than she begins to enjoy the palm trees and colorful bugs, dark clouds and thunder blanket the sky. Hurricane Charley is what Maddie hears, as she and her family spend the next day indoors. There's lightning and more water than most pugs ever see, and then the electricity goes out. Her Dad has to light candles, and Maddie tries barking at the noises outside. All she really wants to do is to go home to her favorite bed. When Maddie awakes the next morning, she is surprised at what she sees: a break in the clouds, birds chirping, and finally the sun! Hurricane Charley is gone. With not a cloud in sight, she flies back home to New York, bringing her vacation and her adventure to an end. Maddie will always remember her great adventure. No one ever knows how the wind will blow, but Maddie learns that listening, being brave, and staying near the ones you love will help you weather any kind of storm.

**Maddie's Magic Tree** Margaret Redfern,2014-03-17 "Maddie's Magic Tree" is the story of a young girl's love for animals and nature. She excitedly sees the first white, winter's snowflakes as she rises from bed. She rushes out into the surrounding meadow and meets the hero of the story, a young Pine tree heavily covered in snow with a magic wave to Maddie as she relieves the tree from the white burden on its branches, a group of animals and birds all receiving magical gifts from the tree, and a spying Maddie from behind a tree that magically sends animals to successfully find food during the winter. Magic! Magic! Magic! The author inspires children from the goodness in the story of the kindness of the Magic tree in silently guiding the animals to find food for themselves and their family, and the love and caring heart of Maddie in wanting to keep the animals safe and fed through the winter. The gratitude of the animals toward the tree when they find needed food and the outpouring of love in the gifts with which they decorate the tree become the loving symbol of their love for the tree. This story can be a channel to strengthen love, gratitude, kindness and caring in the minds of young children. How was "Magic" shown in the story? Why was Maddie always so worried? What does the last illustration show us about loving each other? Why was Maddie so happy with her "hug?"

In fact, she's decided to take a road trip to Nashville, Tennessee. Why? To find her mother who left the family when Maddie was only 2-years-old. All Maddie needs is a car, her Father's permission, a side-kick, and money for the trip. Oh yeah, a clue as to where her Mother is located would be handy, too. Through a stroke of luck, Maddie gets her car. It's a 12-year-old, '69 4-4-2 Oldsmobile with the Rocket engine. However, she doesn't get her Dads permission which might stop a lot of girls. Instead, Maddie gets two side-kicks for the road trip. As for money, Maddie is a daring driver with a powerful car. All she has to do is find some boys along the way who are willing to try and beat her and her 4-4-2. She just has to hope it won't be harder to get them to give up their money than it is to beat them. What Maddie couldn't anticipate was the additional company she'd have on her trip. Following Maddie is the spirit of a soldier who died ten years earlier in Vietnam and a present-day enemy with malice on his mind. It's a lot for a young girl. But Maddie Dobbs is determined to find her Mother, if only to ask why she left...and why she never came back.
