

Metro

Mark Ovenden

The Great Society Subway Zachary M. Schrag,2014-08 As Metro stretches to Tysons Corner and beyond, this paperback edition features a new preface from the author. Drivers in the nation's capital face a host of hazards: high-speed traffic circles, presidential motorcades, jaywalking tourists, and bewildering signs that send unsuspecting motorists from the Lincoln Memorial into suburban Virginia in less than two minutes. And parking? Don't bet on it unless you're in the fast lane of the Capital Beltway during rush hour. Little wonder, then, that so many residents and visitors rely on the Washington Metro, the 106-mile rapid transit system that serves the District of Columbia and its inner suburbs. In the first comprehensive history of the Metro, Zachary M. Schrag tells the story of the Great Society Subway from its earliest rumblings to the present day, from Arlington to College Park, Eisenhower to Marion Barry. Unlike the pre-World War II rail systems of New York, Chicago, and Philadelphia, the Metro was built at a time when most American families already owned cars, and when most American cities had dedicated themselves to freeways, not subways. Why did the nation's capital take a different path? What were the consequences of that decision? Using extensive archival research as well as oral history, Schrag argues that the Metro can be understood only in the political context from which it was born: the Great Society liberalism of the Kennedy, Johnson, and Nixon administrations. The Metro emerged from a period when Americans believed in public investments suited to the grandeur and dignity of the world's richest nation. The Metro was built not merely to move commuters, but in the words of Lyndon Johnson, to create a place where the city of man serves not only the needs of the body and the demands of commerce but the desire for beauty and the hunger for community. Schrag scrutinizes the project from its earliest days, including general planning, routes, station architecture, funding decisions, land-use impacts, and the behavior of Metro riders. The story of the Great Society Subway sheds light on the development of metropolitan Washington, postwar urban policy, and the promises and limits of rail transit in American cities.

Metro-art in the Metro-polis Marianne Ström,1994

Metro 2035 Dmitry Glukhovsky,2016-12 Twenty years after Doomsday, survivors of World War Three live in an underground world they have created in the subway system of Moscow. The most stubborn of the survivors, Artyom, will give anything to find and lead his own people to life again on the earth's surface.

The Great Society Subway Zachary M. Schrag,2006-03-15 Publisher Description

Metro 2034 Dmitry Glukhovsky,2014-02-20 The basis of two bestselling computer games Metro 2033 and Metro Last Light, the Metro books have put Dmitry Glukhovsky in the vanguard of Russian speculative fiction alongside the creator of Night Watch, Sergei Lukyanenko. A year after the events of METRO 2033 the last few survivors of the apocalypse, surrounded by mutants and monsters, face a terrifying new danger as they hang on for survival in the tunnels of the Moscow Metro. Featuring blistering action, vivid and tough characters, claustrophobic tension and dark satire the Metro books have become bestsellers across Europe.

Metro 2033 Dmitrii Glukhovskii,2011 This translation originally copyrighted in 2009.

In the Metro Marc Augé,2002 Tourists climb the Eiffel Tower to see Paris. Parisians know that to really see the city you must descend into the metro. In this revelatory book, Marc Auge takes readers below Paris in a work that is both an ethnography of the city and a personal narrative. Guiding us through history, memory, and physical space, Auge juxtaposes the romance of the metro with the reality of multiethnic urban France. His work is part autobiography, with impressions from a lifetime riding the trains; part meditation on self and memory reflected in the people and places underneath Paris; part analysis of a place where the third world and the first world meet, where remnants of cultures move and press together; and part a reflection on anthropology in an era of globalization and urban development. Although he is a pillar of French thought, In the Metro is Auge's first major critical and creative work translated into English. It shows him to be firmly rooted in a tradition of literary ethnography that reaches back to Claude Levi-Strauss and Michel de Certeau, but also engaged in current theoretical debates in literary and cultural studies. In Auge's idiosyncratic and innovative approach, the act of observing the quotidian is elevated to an art. The writer and his history become part of the field he observes, and anthropology interacts with a site -- urban life -- usually reserved for sociology and cultural studies. Throughout, Auge reveals a passion for his milieu, seeing the metro as a place rich with history and literature -- an eclectic egalitarian society.

Railtown Ethan N. Elkind,2014-01-22 The modern Los Angeles Metro Rail system resulted from the sustained efforts of local leaders, particularly with the election of Tom Bradley as mayor in 1973. Political compromises and funding pressures, however, severely weakened the effectiveness of the subway and light rail lines. Railtown presents this history by drawing on archival documents, contemporary news accounts, and interviews with many of the key players in the story to provide critical behind-the-scenes accounts of the people and forces that shaped the system. Although Metro Rail is growing in ridership and political importance, with expansions in the pipeline, Railtown argues that local leaders will need to reform the rail planning and implementation process to avoid repeating past mistakes and to ensure that Metro Rail supports a burgeoning demand for transit-oriented neighborhoods in Los Angeles--

Paris Metro Wendell Steavenson,2019-03-12 "A nuanced, engrossing novel about conviction and terrorism in a cosmopolitan, complicated world."—National Book Review From the American invasion of Iraq in 2003 to the terrorist attacks in Paris in 2015, Paris Metro is a story of East meets West. Kit, a reporter, has spent several years after 9/11 living in the Middle East, working as a correspondent for an American newspaper. Along the way she falls in love and marries a charismatic Iraqi diplomat named Ahmed, before their separation leaves Kit raising their teenage son alone in Paris. But after the Charlie Hebdo attack occurs and, a few months later, terrorists storm the Bataclan, Kit's core beliefs are shattered. The violence she had spent years covering abroad is now on her doorstep. As Kit struggles with her grief and confusion, she begins to mistrust those closest to her: her friends, her husband, even her own son.

Margaret Truman's Murder on the Metro Margaret Truman,Jon Land,2021-02-16 In Margaret Truman's Murder on the Metro, Jon Land's first thrilling addition to the New York Times bestselling Capital Crimes series, Robert Brixton uncovers a sinister plot threatening millions of American lives! A roller coaster of a novel. —David Baldacci, New York Times bestselling author Israel: A drone-based terrorist attack kills dozens on a sun-splashed beach in Caesarea. Washington: America awakens to the shattering news that Vice President Stephanie Davenport has died of an apparent heart attack. That same morning, a chance encounter on the Washington Metro results in international private investigator Robert Brixton thwarting an attempted terrorist bombing. Brixton has no reason to suspect that the three incidents have

anything in common, until he's contacted by Kendra Rendine, the Secret Service agent who headed up the vice president's security detail. Rendine is convinced the vice president was murdered and needs Brixton's investigative expertise to find out why. In Israel, meanwhile, legendary anti-terrorist fighter Lia Ganz launches her own crusade against the perpetrators of that attack which nearly claimed the lives of her and granddaughter. Ganz's trail will ultimately take her to Washington where she joins forces with Brixton to uncover an impossible link between the deadly attack on Caesarea and the attempted Metro bombing, as well as the death of the vice president. The connection lies in the highest corridors of power in Washington where a deadly plot with unimaginable consequences has been hatched. With the clock ticking toward doomsday, Brixton and Ganz race against time to save millions of American lives who will otherwise become collateral damage to a conspiracy destined to change the United States forever. Margaret Truman's *Murder in the Metro* is a spectacular international thriller of intrigue and conspiracy that I could . . . not . . . put . . . down. —Mark Greaney, New York Times bestselling author At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Metro Alex Summers,2018-01-01 Have you ever taken the subway? In this title, early readers learn what it's like to use the subway for transportation. Included are a picture glossary and websites to visit.

Visibility and Vigilance Nancy Gladys La Vigne,1997

The Girl Who Reads on the Métro Christine Féret-Fleury,2019-10-08 “With a cast of characters reminiscent of the French film *Amélie*, Féret-Fleury creates a world that is delightful and enchanting...Light and sweet as a bonbon, this little confection of a book is delicious.” —Kirkus Reviews For fans of *Amélie* and *The Little Paris Bookshop*, a modern fairytale about a French woman whose life is turned upside down when she meets a reclusive bookseller and his young daughter. Juliette leads a perfectly ordinary life in Paris, working a slow office job, dating a string of not-quite-right men, and fighting off melancholy. The only bright spots in her day are her métro rides across the city and the stories she dreams up about the strangers reading books across from her: the old lady, the math student, the amateur ornithologist, the woman in love, the girl who always tears up at page 247. One morning, avoiding the office for as long as she can, Juliette finds herself on a new block, in front of a rusty gate wedged open with a book. Unable to resist, Juliette walks through, into the bizarre and enchanting lives of Soliman and his young daughter, Zaide. Before she realizes entirely what is happening, Juliette agrees to become a passeur, Soliman's name for the booksellers he hires to take stacks of used books out of his store and into the world, using their imagination and intuition to match books with readers. Suddenly, Juliette's daydreaming becomes her reality, and when Soliman asks her to move in to their store to take care of Zaide while he goes away, she has to decide if she is ready to throw herself headfirst into this new life. Big-hearted, funny, and gloriously zany, *The Girl Who Reads on the Métro* is a delayed coming-of-age story about a young woman who dares to change her life, and a celebration of the power of books to unite us all.

L. A. Metro Rj Nolan,2013-04-01 Dr. Kimberly Donovan's life is in shambles. After her medical ethics are questioned, first her family, then her closeted lover, the Chief of the ER, betray her. Determined to make a fresh start, she flees to California and L.A. Metropolitan Hospital. Dr. Jess McKenna, L.A. Metro's Chief of the ER, gives new meaning to the phrase emotionally guarded, but she has her reasons. When Kim and Jess meet, the attraction is immediate. Emotions Jess has tried to repress for years surface. But her interest in Kim also stirs dark memories. They settle for friendship, determined not to repeat past mistakes, but secretly they both wish things could be different. Will the demons from Jess's past destroy their future before it can even get started? Or will L.A. Metro be a place to not only heal the sick, but to mend wounded hearts?

Metro Anthology Carol Morgan,Gerry Hendershot,2022-05-19

Victory in the Pacific Michael Green,Gladys Green,2000 Chronicles the events that unfolded after Japan's surprise attack on Pearl Harbor on December 7, 1941.

Transit Maps of the World Mark Ovenden,2015-11-03 A completely updated and expanded edition of the cult bestseller, featuring subway, light rail, and streetcar maps from New York to Nizhny Novgorod. *Transit Maps of the World* is the first and only comprehensive collection of historical and current maps of every rapid-transit system on earth. In glorious, colorful graphics, Mark Ovenden traces the cartographic history of mass transit—including rare and historic maps, diagrams, and photographs, some available for the first time since their original publication. Now expanded with thirty-six more pages, 250 city maps revised from previous editions, and listings given from almost a thousand systems in total, this is the graphic designer's new bible, the transport enthusiast's dream collection, and a coffee-table essential for everyone who's ever traveled in a city.

Metro Cullen Bunn,Brian Quinn,2019-03 An urban fantasy graphic novel created by Cullen Bunn, Brian Quinn, and Walt Flanagan.

Michael Brein's Guide to Los Angeles by the Metro Michael Brein, Ph.D.,2013-10-03 This is the 'full' expanded desktop PDF version of Michael Brein's Travel Guide to Los Angeles which includes an ultra-large, zoomable official map of LA's subway and light rail system with embedded links to visitor attractions. This version of the Los Angeles guide is optimized for desktops and tablets. A 'lite' version (\$3.99) for mobile devices is also available but without these special features of the 'full' expanded edition. Michael Brein's Guide to Los Angeles by the Metro shows visitors how to go to Los Angeles's top 50 visitor attractions by the LA Metro (subway and light rail) and selected buses. The guide shows which transit to use, which transit stops to board and exit, and, using detailed mini-area-walking maps, how to walk exactly from these transit stops directly to the visitor attractions. Additional nearby points of interest are also indicated on these mini-area-walking maps. An ultra-large official map of the Los Angeles Metro is also provided. Michael Brein's Guide to Los Angeles is part of the world's first and only travel guide series specifically designed to show travelers how to sightsee the top 50 visitor attractions by public transportation in a variety of the world's most visited cities.

Metro Marlaine Glicksman,2016-05 Stan Raucher reveals an intimate glimpse of human interactions and emotions with his candid photos taken on metro systems around the globe.

The book delves into Metro. Metro is an essential topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Metro, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Metro
 - Chapter 2: Essential Elements of Metro
 - Chapter 3: Metro in Everyday Life
 - Chapter 4: Metro in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Metro. The first chapter will explore what Metro is, why Metro is vital, and how to effectively learn about Metro.
 3. In chapter 2, the author will delve into the foundational concepts of Metro. The second chapter will elucidate the essential principles that must be understood to grasp Metro in its entirety.
 4. In chapter 3, this book will examine the practical applications of Metro in daily life. The third chapter will showcase real-world examples of how Metro can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Metro in specific contexts. The fourth chapter will explore how Metro is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Metro. The final chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Metro.
