Paul Ulrich

*A History of Montana* Helen Fitzgerald Sanders,1913

*Montana* Montana. Department of Agriculture, Labor, and Industry,1921

What's Great about Montana? Darice Bailer,2014-09-01 What's so great about Montana? Find out the top ten sites to see or things to do in the Treasure State! Explore Montana's mile-high mountains, gold mines, and wild-west history. The Montana by Map feature shows where you'll find all the places covered in the book. A special section provides quick state facts such as the state motto, capital, population, animals, foods, and more. Take a fun-filled tour of all there is to discover in Montana!

Montana Ann Heinrichs,2003-07 Describes the history, geography, government, economics, and people of Montana.

**Resources of Montana** Montana. Department of Agriculture and Publicity,1917

**Montana Moments** Chuck Haney,2018-04-24 Nationally acclaimed photographer Chuck Haney (*Portrait of San Francisco, Badlands Impressions*) proudly presents his view of Montana in this beautiful, large-format collection from Farcountry Press. *Montana Moments*, Chuck's fourth photography book featuring his home state of Montana, offers a seemingly endless supply of flowing rivers, tranquil lakes, rugged mountain peaks, and rolling prairie. From key natural landmarks to idyllic western towns, *Montana Moments* serves as a fantastic photographic representation of the best hits of Big Sky Country.

Each of the 148 full-color Montana photographs is accompanied by educational and informative captions from the photographer. The perfect gift to memorialize a family vacation or show off your favorite state, *Montana Moments* is a perfect Big Sky celebration.

*Montana* Joseph Kinsey Howard,1983 First published in 1943, *Montana: High, Wide, and Handsome* was chosen in 1981 by the readers of *Montana: The Magazine of Western History* as the most significant book on the state.

*Montana* Krys Holmes,Susan C. Dailey,2008 More than 12,000 years of Montana history come to life in *Montana: Stories of the Land*. This new book, created for use in teaching Montana history, offers a panorama of the past beginning with Montana's first people and ending with life in the twenty-first century. Incorporating Indian perspectives, *Montana: Stories of the Land* is the first truly multicultural history of the state. It features hundreds of historical photographs, unique artifacts, maps, and paintings largely drawn from the Society's extensive collections. Sidebar quotations bring the stories of ordinary people to life while providing diverse perspectives on important historical events. Published by the Montana Historical Society Press with production management by Farcountry Press. Features 463 photos, maps, and artifacts primarily drawn from the Montana Historical Society's collections Fully integrates the history of Montana's Indians into the state's story Uses quotations from everyday people to bring Montana's past to life

**Montana, a State Guide Book** ,1939

*The Vigilantes of Montana* Thomas J. Dimsdale,2014-10-14 The classic Old West narrative of the chase, trial, capture, and execution of outlaw Henry Plummer and his road agent band. In the gold rush-era of Virginia City, Montana, crime was afoot and justice shaky. Lawlessness ran amok in the form of gamblers, saloonkeepers, miners, dance hall girls, and road agents—outlaws who ambushed travelers on the road for a chance to steal precious gold. Of all the road agents, Henry Plummer was their king and elected sheriff. Plummer's notorious road agent band terrorized the highways until a group of ordinary citizens resolved to take the responsibility of social governance into their own hands. In the year 1863, these righteous, disgruntled men rose to form the Montana Vigilantes, a

watch group that proclaimed judgment over the criminals. In less than a month, the Montana Vigilantes pursued, captured, tried, and hung Plummer's road agents, including Plummer himself. Their acts of heroism, which consisted of hasty trials and quickly arranged executions, were also colored by controversy. The Vigilantes of Montana is an electrifying tale of old-world Montana where villains ran astray, citizens exercised justice, and lines were blurred in a mining town too young for legitimate law enforcement. This true eyewitness account comes alive with elements of gold, greed, murder, nostalgia, and romance that will thrill any fan of American history. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history—books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*Biennial Report of the Inspector of Mines of the State of Montana for the Years Montana. Inspector of Mines, 1908*

A Century of Montana Journalism Warren Judson Brier, Nathan B. Blumberg, 1971

*Montana Cowboy* Wanda Rosseland, 2011-08-02 The Montana Cowboy brings together true stories of real cowboys and cowgirls from across the Treasure State. Cowboys who have chased wild horses in the Missouri River badlands, ridden through freezing blizzards, and followed the roundup wagons while branding calves in the spring and gathering in the fall. Many of these stories come from early day settlers and exhibit the fortitude and toughness needed to survive when Montana was little more than a land of wolf tracks and unfenced grass. Others relate more modern experiences, some dangerous, others unpredictable, as so often happens when working with livestock. Through them all, a thread of humor and respect for fellow man runs like an invisible strand, just as the cowboy's heart is never far from a jest or a practical joke.

*Backroads & Byways of Montana: Drives, Day Trips & Weekend Excursions (2nd Edition) (Backroads & Byways)* Jeff Welsch, Sherry L. Moore, 2016-04-04 With natives as your guides, Backroads & Byways leads you down the road less traveled Montana attracts visitors from around the world who come to see the state's magnificent mountains, glistening rivers, vast horizons, and cowboy culture. With Backroads & Byways of Montana as your guide, you'll see and experience it all. Explore some of America's most spectacular vistas and venture off the beaten path into remote prairies and quaint small towns. The Backroads & Byways series is the shortest route a visitor can take to explore like a native. All the suggested drives include choice lodging and dining options, activities, and overview maps. With their insider perspectives, these books provide unique insights into well-known areas that can help you capture the rich flavor of regions explored by a select few.

Perilous Passage Edwin Ruthven Purple, 1995 In 1862 Edwin Ruthven Purple seized the chance to strike it rich in the newly discovered goldfields of the northern Rocky Mountains. With an introduction and thorough annotations by Kenneth N. Owens, Perilous Passage offers Purple's never-before-published, first-person narrative. On hand for the crimes that led to vigilante justice, Purple chronicled the story of a raucous, sometimes murderous life among bonanza miners.

*It Happened in Montana* James A. Crutchfield, 2017 Tells of thirty-four interesting episodes in the history of Montana, from the first recorded visit by white men in the mid-eighteenth century through 1991; arranged chronologically and including a collection of facts about Big Sky Country.

**When Montana and I Were Young** Margaret Bell,2003-09-01 Recently discovered after being lost for nearly fifty years, this memoir of a Montana childhood at the turn of the century invites readers into the life of a Western horse ranch.

**Rangers, Trappers, and Trailblazers** John Fraley,2019-01-16 The North, Middle, and South Forks of the Flathead River drain some of the wildest country in Montana, including Glacier National Park and the Bob Marshall Wilderness Complex. In *Rangers, Trappers, and Trailblazers*, John Fraley recounts the true adventures of people who earned their living among the mountains and along the cold, clear rivers in the 19th and early 20th centuries. Here are the stories of the intrepid Glacier Park Ranger Clyde Fauley and his young family using a cable bucket to reach their isolated cabin across the Middle Fork, trapper Slim Link's fateful meeting with a grizzly bear in the deep woods of the North Fork, and the life and times of Henry Thol, "the ranger's ranger," who happily snowshoed hundreds of miles through deep snows and minus-40 cold to patrol the South Fork wilderness. Tragedies and near-misses abound: a fatal shootout, tangles with bears and packrats, a devastating train wreck, and a missing airplane. But these are balanced with tales of courage, endurance, and remarkable personal achievement. Fraley tells all in intriguing detail wrested from primary sources.

*Montana Stories* Paul Ulrich,2021-08-20 *Montana Stories* contains stories about Montana history. It's divided into two major parts. Each part includes five major stories and many smaller stories within them. Part One is about Butte. It begins with Butte's early history, Marcus Daly, and the Anaconda Copper Mining Company's development. Other stories are about William A. Clark and his daughter Huguette, Frederick Augustus Heinze, Anaconda's later years, and mass mining's effects on Butte. Part Two is about other Montana subjects. They include Montana's newspapers, the University of Montana, Acting Territorial Governor Thomas Francis Meagher, and Senators Burton K. Wheeler and Mike Mansfield. Together they create an historical tapestry showing how Butte and Montana became what they are today.

Montana's Way Shelia M. Goss,2012-12-01 Now that Montana Blake and her two sisters, Savannah and Asia, have found their father's killer, Montana feels like she can truly heal from his death. Unfortunately, that peace doesn't last long. Just when life is getting comfortable for Montana, her sister Savannah is kidnapped along with Troy Bridges, her fiancé. Asia doesn't want to wait on the authorities to rescue their sister. Montana won't allow Asia to try to catch the kidnappers on her own, so once again the sisters find themselves in a dangerous situation. Sean Patterson thrives on danger. He's a confirmed bachelor who never wanted a steady woman in his life—until he laid eyes on Montana. He's been dreaming about her ever since their first encounter. Now their lives are thrown back together again as he leads his team to rescue Troy and Savannah from one of his arch enemies. When his past collides with the present, the result might cost him the only woman he's ever loved. *Montana's Way* is another dramatic and suspenseful page-turner from bestselling author Shelia M. Goss.
