

NI

Henry Hallett Dale, Jack C. Drummond, Lawrence Joseph Henderson, Archibald Vivian Hill

Law in Northern Ireland Brice Dickson, 2018-06-28 Law in Northern Ireland is the essential textbook for all students of Northern Ireland's legal system. Changes to this new edition – some of them substantial – have been made to every section, taking full account of five years of developments. The book explores the evolution of law-making in Northern Ireland before going on to explain the relevant constitutional arrangements, how to identify and interpret applicable sources of law, and what are the fundamental rules and principles of public law, criminal law and private law, highlighting where appropriate what may be unusual about them. It contextualises the myriad of legal institutions operating in the jurisdiction, sets out how criminal and civil proceedings work in practice and provides useful information on how people become lawyers, what lawyers actually do once they become qualified and how the legal system is funded. The appendices set out some sample sources of law so that readers can familiarise themselves with what is involved in handling legal documents. The language throughout is accessible and there are Tables of Cases and Legislation, as well as a comprehensive index.

Bloody Sunday and the Rule of Law in Northern Ireland D. Walsh, 2000-03-01 Drawing on original research into explosive evidence which had been concealed for twenty-five years, this book offers a devastating critique of the official Widgery Inquiry into the massacre of innocent and unarmed civilians by British soldiers on Bloody Sunday. It exposes the Inquiry as a gross denial of justice and the rule of law. Expert analysis of the subordination of law to security policy in Northern Ireland reveals that the Bloody Sunday experience is an integral part of a sustained pattern. Belated prospects for a restoration of justice and the rule of law are found in the Good Friday Peace Agreement and the unprecedented establishment of a second Tribunal of Inquiry into Bloody Sunday.

Lectures on Certain Aspects of Biochemistry Henry Hallett Dale, Jack C. Drummond, Lawrence Joseph Henderson, Archibald Vivian Hill, 1926

Decriminalizing Abortion in Northern Ireland Fiona Bloomer, Emma Campbell, 2022-10-06 Northern Ireland stands out as having enacted historical positive change in abortion law, from an almost complete ban in the 20th century to the decriminalization achieved in 2019. This book documents and analyzes how this historical change was achieved. Each chapter is written by those directly involved in the long-fought battle to change abortion law - including those with personal experience of seeking abortions, activists, academics, legal experts, political actors, NGOs, and volunteers. In this, the first of two volumes, contributions focus on the legislative landscape of the process with particular emphasis on the importance of 'feminist legal work' - law-making influenced by the women most likely to be impacted by it.

Irish English, volume 1 - Northern Ireland Karen P. Corrigan, 2010-01-15 An overview of English as it is spoken in the Northern dialect regions of Ireland.

Annual Report of the Bureau of American Ethnology to the Secretary of the Smithsonian Institution Smithsonian Institution. Bureau of American Ethnology, 1915

A Treatise on Northern Ireland Brendan O'Leary, 2019 The third volume of the definitive political history of

Northern Ireland.

Brexit and the Northern Ireland Constitution ,2024-03-05 Brexit and the Northern Ireland Constitution considers the intersection of two processes: the complex and constitutional process of the United Kingdom's withdrawal from the European Union - Brexit - and the steady yet fragile development of the Northern Ireland constitution deriving, primarily, from the Belfast 'Good Friday' Agreement of 1998. Interdisciplinary in approach, the analysis draws on legal and political theory to develop a novel framework for assessing the progressive impact of Brexit on the Northern Ireland constitution based on systematic definitions of both. This approach elucidates dynamics and implications not yet considered in the otherwise extensive debates about Brexit and its impacts on Northern Ireland. Based on detailed analysis of the Brexit process it is argued that its impact on the constitution of Northern Ireland has been profound. Fundamentally, Brexit changed the political and legal environment in which the Northern Ireland constitution had existed for over twenty years. Embracing 'constructive ambiguity' the 1998 Agreement recognises and accommodates the concerns of both unionists and nationalists in Northern Ireland; it did not therefore solve the constitutional conflict but rather allowed it to be managed differently through an innovative system of multileveled governance: within Northern Ireland (power-sharing devolution), on the island of Ireland (North-South cooperation), and between the islands of Great Britain and Ireland (East-West cooperation) all underpinned by a multifaceted principle of constitutional, popular, and cross-community consent. By forcing a paradigmatic shift in the way that the systems of government established by the 1998 Agreement operate, Brexit disrupted the 'constructively ambiguous' compromise that it represents. Completed two years after the legal implementation of UK withdrawal from the EU, Whitten concludes by considering the potential longer-term constitutional repercussions of Brexit both within and beyond Northern Ireland's (recently notorious) borders.

Ni'il: Waking Turtle James Boyle,2011-03 Police Chief Dan Connor and Stephanie return in the third volume of The Ni'il Trilogy. They have now defeated the monster ni'ilaquo twice, but they know it will no longer underestimate their strength. As they prepare for the next battle they receive a cryptic warning: Wokani tsi. They quickly learn that it means the turtle awakes, and that it's bad, but little else. As they explore the local Natives' lore looking for answers, Dan's political enemies start to move against them and they begin to realize that ni'ilaquo is the least of their problems. The stakes have never been so high. For if they fail now, everything, literally, could cease to exist.

Linguistic Survey of India , 1903

The Routledge Handbook of the Northern Ireland Conflict and Peace Laura McAtackney, Máirtín Ó Catháin, 2023-11-13

The Routledge Handbook of the Northern Ireland Conflict and Peace is the first multi-authored volume to specifically address the many facets of the 30-year Northern Ireland conflict, colloquially known as the Troubles, and its subsequent peace process. This volume is rooted in opening space to address controversial subjects, answer key questions, and move beyond reductive analysis that reproduces a simplistic two community theses. The temporal span of individual chapters can reach back to the formation of the state of Northern Ireland, with many starting in the late 1960s, to include a range of individuals, collectives, organisations, understandings, and events, at least up to the Good Friday/Belfast Agreement in 1998. This volume has forefronted creative approaches in understanding conflict and allows for analysis and reflection on conflict and peace to continue through to the present day. With an extensive introduction, preface, and 45 individual chapters, this volume represents an ambitious, expansive, interdisciplinary engagement with the North of Ireland through society, conflict, and peace from a wide range of disciplinary perspectives, theoretical frameworks, and methodological approaches. While allowing for rich historical explorations of high-level politics rooted in state documents and archives, this volume also allows for the intermingling of different sources that highlight the role of personal papers, memory, space, materials, and experience in understanding the complexities of both Northern Ireland as a people, place, and political entity.
