

Nehru

Jawaharlal Nehru,Norman Cousins

Nehru Benjamin Zachariah,2004-08-02 Nehru's vision of India, its root in Indian politics, society and religion, as well as its viability have been central to historical and present-day views of India. This study provides a insight into Nehru, his time and his legacy.

Selected Works of Jawaharlal Nehru Jawaharlal Nehru,1984 This volume covers nearly eleven weeks, from October 6, 1948, when Nehru left India for London to attend the Commonwealth Prime Ministers' Conference, to December 19, when the annual session of the Indian National Congress at Jaipur concluded. It collects Nehru's addresses and articles related to this stressful time in world history. Among his articles are support for the causes of Indonesia and the Africans in their battles against alien rulers; arguments for the continued membership of India in the Commonwealth; and a piece on the importance of protecting Indian interests in neighboring countries. Above all, Nehru stressed the need to maintain secular values, and the urgency of restructuring the economy to meet the demands of free India.

Nehru Judith M. Brown,2014-06-17 Judith Brown explores Nehru as a figure of power and provides an assessment of his leadership at the head of a newly independent India with no tradition of democratic politics.

Nehru Stanley A. Wolpert,1996 India's first seventeen years of independence were dominated by the goals and dynamic leadership of Jawaharlal Nehru. In this authoritative biography, a renowned expert on the history of India examines the life of the country's foremost politician.

Nehru Judith Margaret Brown,1999 Here is a study of a key twentieth-century statesman: Jawaharlal Nehru (1889-1964), one of the Indian nationalists who led India to independence in 1947, and, as Prime Minister from 1947 until his death, steered her through her early, formative years as one of the world's great nations. This is not a life of Nehru - though the biographical details are clearly set out - but a study of Nehru as a figure of power. In it, Judith M. Brown (a leading authority on modern India,) explores a number of related themes. This account will reward anyone - scholar, student and general reader alike - interested in the making of our modern world. It has been written expressly for non-specialists, and not the least of its rewards is the general introduction it provides to the society and politics of India in the early and middle years of the century.

Jawaharlal Nehru;a Biography Volume 1 1889-1947 Sarvepalli Gopal,2015-01-08 Among the few great statesmen to emerge in Asia, Jawaharlal Nehru achieved a national metamorphosis in some ways even more astonishing than that of another towering patriarch, Mao Tse-tung. Not only did he wrest from the British their most prized and dearly loved Imperial possession and give his people independence, he brought his culturally rich yet economically improvised nation into the twentieth century as a force to be reckoned with. The first volume of Sarvepalli Gopal's remarkable biography, covering Nehru's youth and ending with Independence in 1947, is written from first-hand knowledge of the man who served for ten years in the Ministry for External Affairs and from the unlimited access granted him by the Prime Minister Indira Gandhi to her father's private papers.

Jawaharlal Nehru ,1989

Nehru: Conversations on India and World Affairs Tibor Mende,Jawaharlal Nehru,1956 This book is taken from the author's four conversations with the Indian Prime Minister on subjects of economics, history and more.

Nehru Shashi Tharoor,2011-10-17 Shashi Tharoor delivers an incisive biography of the great secularist who—alongside his spiritual father, Mahatma Gandhi—led the movement for India's independence from British rule and ushered his newly independent country into the modern world. The man who would one day help topple British rule and become India's first prime minister started out as a surprisingly unremarkable student. Born into a wealthy, politically influential Indian family in the waning years of the Raj, Jawaharlal Nehru was raised on Western secularism and the humanist ideas of the Enlightenment. Once he met Gandhi in 1916, Nehru threw himself into the nonviolent struggle for India's independence, a struggle that wasn't won until 1947. India had found a perfect political complement to her more spiritual advocate, but neither Nehru nor Gandhi could prevent the horrific price for independence: partition. This fascinating biography casts an unflinching eye on Nehru's heroic efforts for, and stewardship of, independent India and gives us a careful appraisal of his legacy to the world.

Nehru Adeel Hussain,Tripuram Singh,2021-11-11 From being elected as Congress president in 1929 till his death in 1964, Jawaharlal Nehru remained a towering figure in Indian politics, a man who left an indelible stamp on the history of South Asia. As a leading light of the nationalist struggle and as India's first and longest-serving prime minister, his ideas shaped the political contours of the country and left an imprint so deep that his legacy continues to be debated furiously today. In life, as in afterlife, Nehru was many things to many people. Going beyond the imposed labels of contemporary discourse, this book illuminates four encounters that Nehru had with contemporaries from across the political spectrum - Muhammad Iqbal, Muhammad Ali Jinnah, Sardar Patel and Syama Prasad Mookerjee - that are critical to understanding his ideas, and his long afterlife and impress on the present. Nehru may no longer be alive to answer his critics today, but there was a time when he pitted himself vigorously against his opponents in the marketplace of ideas, debating the most profound questions in South Asian history and decisively influencing political events. It is this intellectually combative Nehru whom we meet in this book - voicing ideological disagreements, forging political alliances, moulding political opinion, offering visions of the future and staking out the political field - a key figure in the debates that defined India

Jawaharlal Nehru Rajendra Prasad Dube,1988 Political and social views of Jawaharlal Nehru, 1889-1964, Indian statesman; includes account of Indian politics and government, chiefly of 1919-1947.

Writings on Nehru Ganesh Prashad,2006 The book has two sections. Articles that are grouped in the first section present a coherent analysis of some of the events that shaped Nehru as a great statesman. Each article presented sums up the intellectual thinking that surrounded in an altogether different way. Further, those articles which are presented in the second section relate to the thought making process in India. Here, the author analyses the impact of various ideologies like the western liberalism, opposition to fascism and militarism, the impact of Russian Revolution of 1917, etc., that nurtured and affected Indian mind. Lastly, the author laments the functioning of Rumpites vis-a-vis that of Gandhian ideals and Nehruvian norms.Quiet a few writers like the Laskian ones can recreate great minds and can see the nation making process in a wholesome manner.Salient featuresThe book?presents an analysis on Nehruvian thoughts.?presents a contemporary picture of national politics and modern political communities.?gives a clear picture of contemporary Indian thought making processes.?speaks not only to the political activists and intellectuals but also to almost all social scientists and general readers.?is of great value to those who want to know as how Nehru shaped himself as a great statesman.?is very useful to the students and teachers of Political Science and Modern Indian History.

Pandit Jawaharlal Nehru and the Peasant Movement ,1990 In 1930, After The Commencement Of The Salt Satyagraha, A Peasant Agitation In An Organised Manner Was Started In U.P. By Pandit Jawaharlal Nehru, Which Provided Enormous Strength To The Civil Disobedience Movement. The Agitation Contributed In Two Ways To The Civil Disobedience Movement. In The First Place It Contri-Buted In Creating An Awakening Among The Farmers Of India And Infused New Life Into Them. In The Second Place The Struggle, Launched By Nehru, Strengthened The C.D.M. It Was This Awakening Which Made The Farmers Fearless In Their Relations With

Zamindars, Taluqdars, Police And Officials And Ultimately It Brought About A Gradual Decline In The Injustices And Cruelties Committed Against The Farmers By The Landlords And Others. It Was This Agitation Which Laid The Foundation For The Abolition Of The Zamindari System. The Present Volume Will Help In A Modest Way In Augmenting The Treasure House Of Knowledge For The Political, Social, Economic And Historical Forces Of The Times Because All Important Literature Relating To The Work, Activities And Thinking Of Pt. Nehru During The Peasant Agitation Has Been Incorporated In This Book.

Verdicts on Nehru Ramachandra Guha, 2013-05-26 The first prime minister of free India, Jawaharlal Nehru, has been a widely adored figure across the country. However, as is the case with most public figures, there were some circles where the prime minister was unpopular, and his followers highly reviled. The vast and varied criticisms of Nehru weren't simply a matter of his personality and how he was adored by the women of the country, but rather they play with the fundamental question of whether he was a good enough prime minister for a country that was taking its first steps into existence. In *Verdicts on Nehru: The Rise and Fall of a Reputation*, Ramachandra Guha explains these instances and talks about how one can still find it difficult to be a Nehru supporter in current times. Read on to know more about what made Nehru and how the public received him in a country as wide and varied as India.

Talks with Nehru Jawaharlal Nehru, Norman Cousins, 1951

Jawaharlal Nehru Nehru Memorial Museum and Library, 1989 This Exhaustive Bibliography Facilitates Access To Nehru's Writings As Well As To The Books And Articles Which Have Been Written On Him.
