50 Oscar Nights Dave Karger,2024-01-23 An exclusive look behind the scenes of the Academy Awards as top stars and filmmakers discuss their Oscar wins and tell never-before-told tales of Hollywood's biggest night, in a collection of original interviews with Turner Classic Movies host and entertainment media journalist Dave Karger. For almost a century, movie fans have been riveted by the Academy Awards and the stars who have won Oscars. 50 Oscar Nights takes readers behind the scenes of Hollywood's most storied awards show through new and exclusive interviews with dozens of A-list actors, filmmakers, and craftspeople spanning sixty years of the Oscars. Some interviews bring to light fun stories like why Hilary Swank decided to celebrate her Academy Award at the Astro Burger in West Hollywood, or insight into the work as Elton John explains why he was convinced he won his Best Original Song award for the wrong tune. Other interviews illuminate why for some honorees, such as Julia Roberts, John Legend, and Octavia Spencer, the day remains a life highlight to be treasured, while for Marlee Matlin, Mira Sorvino, and Barry Jenkins, complex emotions cloud what most think would be a purely celebratory moment. Filled with more than 150 photos of red-carpet moments, emotional acceptances, and after-party play, 50 Oscar Nights is both a stunning record of cinema glamour and a must-read for any movie lover. **Black Oscars** Frederick Gooding Jr.,2020-05-24 Second only to the Super Bowl in audience size and revenue, the Oscars are more than a mere ceremony; they are a phenomenon. Hosted by The Academy of Motion Picture Arts and Sciences for over ninety years, the Oscars have long been considered the pinnacle of fantasy, beauty, romance and high class. They are eagerly anticipated and are heavily discussed. It is only recently that movements such as #OscarsSoWhite have raised awareness around the more complicated legacy of the Oscars and African American participation in film. This timely book draws on American, African American, and film history to reflect on how the Oscars have recognized blacks from the award's inception to the present. Starting in the 1920s, the chapters provides a thorough analysis and overview of any black actors nominated for their Hollywood roles during each decade. By cross-referencing historical trends with prior winners, readers will be able to see consistent patterns when it comes to black characters in film and ultimately judge whether mainstream race relations has truly changed substantively or only superficially over time. Black Oscars presents never seen before statistical analysis of nominees and winners as evidence for racial trends. All black nominees' movie characters are analyzed to contextualize the socio-political meaning of such roles and of the black characters as political images onscreen. Black Oscar winners (more of which occur in the latter decades) are highlighted and cross-referenced with other winners. This analysis is grouped by decade, allowing for appreciation of trends and patterns. For over ninety years, Oscar winners have been considered the standard bearers of all things imaginable within American culture. Given the Oscars' presence and popularity, it begs the question of what do these awards reflect and reinforce about larger society, particularly when it comes to the public participation of African Americans. In the meticulously-researched Black Oscars: From Mammy to Minny, What the Academy Awards Tell Us about African Americans, we see how the Oscars are an indispensable guide to understanding race in mainstream Hollywood.

The Mafia's go-to defender, he has tried an estimated 300 criminal cases, and won most of them. His roster of clients reads like a history of organized crime: Meyer Lansky, Nicky Scarfo, and "Lefty" Rosenthal, as well as Mike Tyson and boxing promoter Don King, along with a midget, a dentist, and a federal judge. After thirty-five years as a defender, he ran for mayor of Las Vegas, and America's greatest Mob lawyer became the mayor of its sexiest city. He was so popular his image appeared on the 5, 25, and 100 chips. While mayor of Vegas, he starred on the screen in Rush Hour 2 and CSI. He is as large a character in the history of organized crime as any of his clients and as legendary a figure in the history of Las Vegas as the entrepreneurs (his friends and clients) who built the city. This is his astonishing story—the truth, the whole truth, and nothing but the truth.

**The People of the River** Oscar de la Torre,2018-08-17 In this history of the black peasants of Amazonia, Oscar de la Torre focuses on the experience of African-descended people navigating the transition from slavery to freedom. He draws on social and environmental history to connect them intimately to the natural landscape and to Indigenous peoples. Relying on this world as a repository for traditions, discourses, and strategies that they retrieved especially in moments of conflict, Afro-Brazilians fought for autonomous communities and developed a vibrant ethnic identity that supported their struggles over labor, land, and citizenship. Prior to abolition, enslaved and escaped blacks found in the tropical forest a source for tools, weapons, and trade--but it was also a cultural storehouse within which they shaped their stories and records of confrontations with slaveowners and state authorities. After abolition, the black peasants' knowledge of local environments continued to be key to their aspirations, allowing them to maintain relationships with powerful patrons and to participate in the protest cycle that led Getulio Vargas to the presidency of Brazil in 1930. In commonly referring to themselves by such names as sons of the river, black Amazonians melded their agro-ecological traditions with their emergent identity as political stakeholders.
