Visual QuickProject Guide Steve Schwartz,2005 If you're looking for an easy way to find photos on your PC, make a few editing fixes, and then share your images with others, look no further. Picasa, available as a free download from Google.com, makes it easy to instantly find, edit and share all the pictures on your PC. Every time you open Picasa, it automatically locates all your pictures in seconds and sorts them into albums. From there, you can apply basic edits to your photos, burn them to CD, post them on your blog, or email them to friends. In this colorful, compact guide, author Steve Schwartz starts at the beginning, walking readers through the Picasa interface and showing readers how to set preferences. From there, he launches into the heart of this book, offering project-based instruction for organizing, viewing, and editing your photos, and then shows you how to use Picasa's built-in tools to print, email, or order professional prints of your images. In addition, readers will learn how to share their photos instantly with Hello, Picasa's free instant messaging software. Throughout the book, full-page, full-color screen shots and simple, step-by-step instructions lead readers through several projects, such as saving an image to the Windows desktop, creating a screensaver, making movies, generating photo-based Web pages, running a slideshow, and creating posters, collages, and contact sheets.

The Complete Idiot's Guide to Facebook, 3rd Edition Joe Kraynak, Mikal E. Belicove, 2012-10-02 Facebook is by far the most popular social networking site, but it is not as user-friendly as the service would like people to think. It leaves many users scratching their heads over even the most fundamental features, such as the difference between their Wall and their News Feed. And Facebook's help system is woefully inadequate. The Complete Idiot's Guide® to Facebook, Third Edition, gets readers registered and

touring Facebook in the very first chapter and never lets up as it reveals the features that have made Facebook so amazingly popular. Users discover how to: - Flesh out and protect the all new personal profile - Track down long lost friends, family members, and classmates - Communicate via status updates, email, and chat - Share photos and video - Make the best use of the new Timeline feature - Take advantage of Facebook's new location-based functionality - Schedule real world get-togethers and send out invitations - Share common interests in groups - Play games - Understand Facebook's dizzying array of privacy options that dictate who sees one's content - Buy and sell stuff in the Facebook Marketplace, and more. Readers also learn how to tap the power of Facebook for more than simply personal use-such as personal branding; marketing a business, product, service, or non profit; or promoting a worthy cause.
